*Dogma ....*

It is not a spiritual violation if a person from a certain school of thought is introduced to another one, if he is offered information which contradicts his knowledge, as long as he is able to accept or reject it of his own free will. However, if he is forced into acceptance by law, if he is placed into a punishable state, i.e. if, through threat of punishment, his thoughts and actions become constrained, then it is a violation which can never have good results for his soul. Therefore, My Word should always be preached, but never forcefully imposed on people. For this reason the transmission of pure truth from above is an act of purest freedom of will which always allows an unenlightened person the option to look at it as human fabrication, if the listener's will of rejection is stronger. Every human being is able to recognise the divine origin if he is genuinely interested in the pure truth and the continued progress of his soul. In that case he will certainly also be given the ability by Me to recognise the truth as such, because it is My will that the human being's thoughts should be within the realm of truth and I will provide him with every opportunity to recognise what is right.

But I, for My part, will never forcibly influence the will of a person, therefore I also disapprove of people being spiritually forced by other people by teachings which, in the form of dogma, oblige their acceptance or else they are regarded as sinful. The human being has to be answerable for every offence against My commandment of love but I will never call him to account if his inner feeling prevents him from accepting a religious doctrine, even if it corresponds to the truth. Even then he will still not burden himself with sin, his longing for truth is just not sufficiently deep yet to allow him to recognise the truth as such. However, the acceptance of religious dogma without scrutiny and inner conviction is completely worthless for the development of the soul. Dogma is always unfavourable for the soul because the human being is being stopped from forming an opinion about a religious doctrine, yet without deep thought no conviction of faith can ever be gained.

People certainly need leaders if they do not endeavour their soul's spiritualisation of their own accord; nevertheless, wise guides should only teach and thus try to stimulate the heart and intellect because the connection to Me, to the spiritual kingdom, has to be established by every individual person himself. And the path to this end should be shown by My representatives on earth by the spreading of My Word. They should always allow Me to speak and never add their own words, decree commandments or impose commitments on people as if they were demanded by Me .... I allow every person to keep his freedom, and I Am only concerned with the uninterrupted transmission and spreading of truth. Anyone who is searching for it is searching for Me and, truly, I will let Myself be found by him; but anyone who does not sincerely strive for truth will not derive any benefit from the acceptance of religious doctrines either, which are presented to him as dogma and therefore he believes that he may not reject them.

Every dogmatic instruction is a restriction of the freedom of will which was given by Me to people, hence it is a spiritual violation which does not correspond to

My will and which My representatives on earth should fight against on My behalf. And I will bless every bearer of truth, I will give him the opportunity to spread the truth even though it will meet with opposition. Yet anyone who seriously wants it will recognise it and become thoughtful, and I will help him, I will illuminate his spirit and bless his will ....

Amen

*The good Shepherd ....*

*'My Own recognise My voice ....'*

I know My Own and My Own know Me .... And if I call them, they will abide by Me, for they recognise the voice of the Father Who loves them and Whom they want to obey. But soon My call will go out to you, My Own, and I tell you so in advance because you feel safe, because you do not believe that the end is near. However, I need you and therefore I inform you of the fact that you will soon hear My voice, the voice of the good shepherd, who calls His sheep .... I need faithful guards for My flock, leaders who will guide My Own upwards across stony paths and cliffs, who will constantly look after My Own and draw their attention to the near end. These guides and guards will receive the truth from Me directly and convey it to you, they will emerge from the ranks of My Own and impart My Word from above to people; they will be in direct contact with Me, thus they belong to My Own themselves, so when they hear the call, they will know that the hour of their work for Me and My kingdom has come. Then they will establish such heartfelt contact with Me that regression can no longer be possible for a soul which serves Me, that it will never be left without strength, that within a very short time it will be able to speak from Me Myself and then it will fulfil its mission on earth, which is its purpose and goal of earthly life. Then it will only work for Me and gladly spread and advocate My Word, because it will be fully convinced that I Myself speak to it and therefore attach utmost significance to every Word. And the human being will receive strength in abundance. All feeling of weakness will fall away, every spiritual gift will be fully utilised and employed, and his work amongst people will be successful and richly blessed. And this activity of yours will start shortly. I Am aware of your will and your weakness of faith, but I also know the change that will occur to you shortly, I know about the adversity and the suffering of the forthcoming time, but I also know your willingness of having faith and the strength of your faith. And, accordingly, I will provide you with strength and never leave you on your own, regardless of what might happen. Therefore, always abide by My Word, draw from it the strength with which I blessed it, become My children in truth who trustingly hand themselves over to the Father and believe that He will assuredly save you if you suffer adversity. For anyone who recognises My voice is My child and his life is My concern; anyone who believes in Me will also be able to hear My voice; yet anyone who questions the sound of My voice is not My child even if he believes that he is united with Me. The sheep recognise the voice of their shepherd and will follow him when he calls them. I, however, Am the good Shepherd who will not rest until He has found His sheep ....

Amen

*Destiny ....*

*'Father, Your will be done ....'*

Every individual person's course of life is predetermined and has to be taken without grumbling and complaining if it is to have a favourable effect on the soul. But strong trust in God has to be present too, then every destiny can easily be endured, for it is shaped by God alone according to His will, only He is able to change every situation in life, He is able to change joy into grief but also suffering into joy if he is approached in heartfelt prayer, and He will do so if the human being in childlike trust tells Him of his problems and commends himself to His grace.

A long path has to be travelled from the abyss to the pinnacle, and this path cannot always be even or it would not lead to ascent. Obstacles have to be overcome, mountains have to be climbed, for the goal is up above and every progress is arduous without the assistance of the right guide. And as long as you humans walk with God Himself by your side as your guide, as long as you entrust yourselves to His guidance, you will not travel the path in vain, He will lead you upwards, and with His help you will be able to overcome every obstacle. And the steeper the path the shorter it will be and the higher you can climb; but when you have reached the pinnacle you will be able to look back and be grateful to your Guide Who enabled you to reach the goal, and every adversity will be over.

The more difficult a destiny, the higher the goals set for you and the brighter the light will shine, and all abysmal darkness will be defeated. God, however, is able to make even the steepest path of ascent seem smooth to you if you hand yourselves over to Him as His children, if you accept every sorrowful event, if you always pray 'Father, Your will be done ....' Then He will not let you suffer, even in greatest adversity He will calm your soul and give you peace, He will powerfully work in you Himself and nothing will seem difficult and yet you continue to progress, for your will, your submission to His will, lets you partake of His strength, you will not consider anything a burden to you and always gladly and cheerfully cover your earthly path until the loving Father's hand takes hold of you and takes you into the Father's house, until you have reached the goal and return to the eternal home, into the land of light where no sorrow, no suffering nor adversity exist but only eternal blissfulness ....

Amen

*Triumphant church ....  
One flock and one shepherd ....*

Those of you who follow Me, who desire Me, shall be of like mind in your thinking, speaking and actions. Then you will form a strong congregation although it is small in numbers. Then My spirit will take effect in you and, being permeated by My spirit, you will be able to speak for Me and My kingdom. And your words will ignite, for you give evidence of them yourselves with your actions which express your thoughts and your will. Unity shall reign in My congregation because all are living in the same truth and all must be united with Me by love and therefore form a great soul which I call My church. I will always be present in this congregation, and when My Word is preached it is I Who speaks through the speaker. And this is the church against which even the gates of hell shall not prevail, for if I Am present in it Myself the adversary's activity will remain unsuccessful. This is the church which will triumph at the end of the days, for it embraces the flock whose shepherd I Am .... It will only be one flock and one shepherd. It will comprise people of all denominations who have liberated themselves from all external appearances and who, due to their eagerness of living to please Me, are in intimate contact with Me. And I will graze My sheep .... in evergreen pastures, where no cliffs, no thorns and no pits exist anymore, I will be in the midst of My Own in the paradise of the new earth, for then there will be no separation between us anymore, My sheep will not flee from Me any longer, they will not leave their shepherd, for they love Me and don't want to be without Me again.

You only have a little time left and should strive to enlarge your congregation, My true church, and therefore you should exemplify the right way of life to them, you shall give love and through love try to gain the children of the world who are oblivious of the strength of love .... give them much love, so that it will kindle the flame in their hearts, so that they will get to know the pleasure of giving and of happiness, so that they will join you and thus also seek to make contact with Me. Be a good example to them and try to motivate them into doing the same in order to test the strength of love and of faith. Show them the path to Me, draw their attention to the right relationship with Me, explain to them that they must see their Father in Me to Whom they must submit like children in order to be elevated to true children who shall come into the Father's inheritance. And even if you can only gain a few it will nevertheless be a great merit to you, since the good shepherd delights in every sheep that once was lost and comes back to him, and thus I will also bless everyone who helps Me to increase My congregation before the final end has come ....

Amen

*Prayer for poor souls ....*

Souls in darkness suffer terribly. Their strength is depleted; it is a state of utter hopelessness as long as they don't know about the strength of love, which can lighten their fate. They wander around, their will is lethargic, and they will remain in this agonising state for an extremely long time if they do not receive help through prayer. You humans on earth are able to help them if you lovingly remember such poor souls and would like to ease their plight. For only love will give them strength. A prayer without love is worthless; it is a mere formality without effect. Only the degree of love determines the amount of strength they will receive. And thus you have to visualise the fate of these poor souls and know that they will beseech you to give them strength once they have felt the strength of love. They depend on your help as long as they are still in the abyss, as long as they cannot increase their strength themselves through knowledge, which, in the beyond, consists of loving actions for other needy souls.

Every kind, compassionate thought for those souls eases their plight, they feel this and then remain close to you. They ask for your loving intercession by pushing themselves into your thoughts. Don't forget them, don't turn your thoughts away from them. Give them a loving prayer and thereby help them to ascend. Alleviate their torment and, most of all, demonstrate the power of love to them, so that their love for other distressed souls arises and, by helping these souls, that they can liberate themselves from their own hardship. Their surroundings correspond to the state of their soul, dark and desolate, and when a prayer for these souls rises up to God a faint state of twilight occurs which gives the soul a glimmer of recognition and benefits the soul after the constant darkness. The degree of love in the intercession determines the brightness of light emanated into the darkness, and the soul turns towards the ray of light always expecting and pleading for more rays. Grant them their wish, don't leave them alone in their need, and give them the help which you are still able to give to them. But also bring the Gospel to them in thought, remind them that they should lovingly consider others in their environment and help them to receive a blessing of light as well by giving to them in turn what they received from you. You can alleviate immeasurable amounts of suffering, you can participate in the redemption of these souls because the gift of strength through your prayer affects their will which then becomes active in the right way. The soul uses the strength it receives to lovingly help other poor souls, and it begins its ascent for which it will be eternally grateful to you ....

Amen

*The light beings' intervention in destiny ....*

Everything has to be called divine providence, for everything, even the smallest happening, has been predetermined since the start. It is God's will that you should fully mature on earth. And therefore everything has been arranged very prudently so that time and again you will have the opportunity to develop further. Your will is also decisive for the shaping of your earthly life, for God foresaw your will an eternity ago and accordingly laid out every individual person's course of life. The inhabitants of the spiritual kingdom of light are God's spiritual assistants and take care of people in accordance with their degree of maturity, and thus they are God's representatives and serve every individual person as spiritual guardians according to God's will. They intervene in earthly life with their teaching methods, they give to and deny people as is most beneficial to them. Thus they have authority from God to please people with gifts just as they might lead people to maturity through failures. Although this, too, always happens according to God's will they are nevertheless allowed freedom of activity as soon as the human being trustingly appeals to them for help. They are able to grant this request or deny it, and their great love for people will always get it right, since they are as one with divine will. Nevertheless, calling upon the beings of light is an assured means of help, for the beings of light are exceedingly tolerant in their love for people, they rarely deny people a request if the aim of their request is not obvious wrong-doing. And God will give His approval, regardless of how the beings of light decide, for they always share the same will with God. However, if it endangers the human soul the light beings will be adamant, for the danger to the soul must first be over before they can become receptive to a person's request and intervene helpfully. But then the light beings' activity will be evident, then the human being will be able to undertake anything, he need not fear any failure and earthly life will become easy and bearable for him, because his guardian angels grant him support and he can entrust himself to them in every way but without ever excluding God, instead, heartfelt dialogue with Him should precede every appeal to the beings of light, so that the will of the latter is always God's will and the help is always recognisable ....

Amen

*'Blessed are they that have not seen and yet have believed ....'*

Blessed are they that have not seen and yet have believed.' These Words of Mine do not demand blind faith but stand for faith without proof, which I also expected of My disciples yet did not find. 'Because thou hast seen me, thou hast believed: blessed are they that have not seen, and yet have believed ....' I Myself stood before their eyes, My miracles convinced them, they recognised My wisdom, and thus they believed that I was God's Son and they followed Me. Their faith was indeed a convinced one, the inner voice told them who I was and their life of love, which was the reason why I chose them as My disciples, also gave them the power of realisation, and yet they often doubted Me; time and again these doubts surfaced and in order to strengthen them I revealed Myself to them many times, I showed Myself to them in My divinity, I illuminated their spirit, I opened their inner eye so that they were able to see the host of angels being of service to Me and thereby lose all doubt concerning My divinity. And yet their faith was weak .... I showed Myself with full strength, and they repeatedly wavered, so that I always had to reveal Myself anew, because they were intended to work as My disciples, because they were intended to advocate My teaching and bring the Gospel to people and therefore their faith needed to be deep. And because they saw Me, they believed .... But I call those blessed who do not see and yet believe .... For their faith is a far greater credit to them, as it cannot be proven, it can only be gained in the heart through activity of love, prayer and deliberation .... Although I also reveal Myself to them but in a way that only faith can recognise the manifestation as such and that without faith it can be rejected. I call him blessed if he acquires his faith, if he has no need of proof, if he only accepts the working of the spirit as proof, which can certainly also be doubted but which is recognised by a person who lives a life of love and who therefore will become blessed one day ....

Amen

*Audible Word ....*

The most sublime moment in earthly life happens when a person audibly hears the Word, when he hears the expression of My love in his heart like a spoken Word. For then he will perceive My closeness like a flood of light which permeates his heart and is also perceptible by the person's senses. The human being's maturity of soul influences how the inner voice can be heard. He can freely enjoy the blissful sensation if his soul is already far advanced, but in a low degree of maturity he might still have fight against inner obstacles. Nevertheless, he must have attained a certain degree of psychological maturity, otherwise he would never be able to receive the grace of the audible Word .... Hence it is a process of a direct transmission of light and strength, the person is in such intimate contact with Me that I Am able to manifest Myself to him and be understood, which will never be the case with immature souls. But I must always stem My strength of love if the human being is to remain suitable

for earthly life and not lose all earthly attachment due to his overwhelming happiness. And therefore I will only ever audibly manifest Myself for short periods of time until the end of the person's course of life who is so close to Me that I will credit him with My speech.

However, during the time of the end I will need servants on Earth who will diligently work for Me, and I will reward their enthusiasm by revealing Myself to them such that they are no longer able to harbour doubts in their hearts because they are faithful to Me, because they believe without being able to see and work for Me in this belief. I want to stimulate them into working ever more diligently for Me but I will only be able to express Myself audibly if their faith has already become so firm that they unconditionally believe in My activity, that they had previously already heard the voice of the spirit and recognised it as My voice, for the audible Word must never compel them into believing since it is the culmination of a strong faith and, in earthly life, the most desirable state to strive for because it makes a person indescribably happy and the thought of it can render him insensitive to suffering and distress of an earthly nature. His happiness and his convinced faith also offer his fellow human being the possibility to gain a stronger faith, so that his activity amongst people is extremely richly blessed and that every work he tackles will be accomplished by him. His fellow human beings can certainly doubt him but anyone who audibly hears My Word within himself will no longer be able to doubt. And thus I reward the love and loyalty of My servant who stands up for Me and grant him the kind of happiness on Earth which the world cannot offer him ....

Amen

*Spiritual debates are necessary for clarification ....*

Do not let any opportunity pass you by when you can be active for Me and My kingdom, when you can speak about that which My spirit reveals to you. Questions will be raised which only you will be able to answer, and a multitude of opinions will be voiced, but you will be able to uphold only the right ones with conviction, for only you know the truth, only you are taught by Me and therefore need not fear any objection to the contrary since, on account of your knowledge, you will recognise every wrong point of view. However, your task consists of providing the impetus for spiritual debates, of not being afraid to speak, of always regarding yourselves as My servants who avidly work for their Lord, and of always being mindful of your mission. If you are inwardly impelled you should give in and do what your heart tells you to do, and if you desire to speak, then speak, for then I Myself will urge you to do your spiritual work. It will always be My will that you should mention My Word from above, it will always be My will that people should exchange their thoughts regarding spiritual questions, and I Myself will always give you the impulse for this and pave the way for you, that is, I will direct people's thoughts to problems which I Am willing to explain. Thus you may always be certain that I Am present during all spiritual conversations and that I will guide your thoughts in the right direction and enable your mouth to speak and provide your intellect with the

correct power of judgment. Therefore you can talk freely and you will always speak according to My will, for you are merely My tools through which I express Myself. But don't be hesitant and remain silent when it is necessary to talk. And you will be successful; your discussions will greatly contribute towards clarification and encourage people to voice their opinions which will always result in My light beings' intervention by trying to exert their influence. Then you will have ploughed the field first and distributed the seed which is to yield good fruits ....

Amen

*The Lord will come at a time of greatest adversity ....*

I will come to fetch you from utmost distress, as I have promised. There will be great adversity, and anyone following your destiny will recognise that only your strength of faith keeps you going, otherwise you would be too weak to bear up to the threats and violent actions by your enemies against whom you are completely defenceless. Yet only defenceless on the part of people, however, I will stand by your side as protection and this certainty must render you immune to all hostilities. This great adversity will only last for a short time, then I will come personally in order to fetch My Own into My kingdom and prepare them for life in the paradise on the new Earth. If you are strong in faith, if you attach significance to every one of My Words, then the final adversity will come to an end for you and, in the hope of My speedy arrival, you will stoically endure everything and wait for Me. And I will definitely come .... I will not leave My Own in distress, I will come when no earthly way out can be seen anymore; I will appear suddenly, only visible to My Own, and all My faithful followers will call out to Me. Rejoicing and cheering My Own will blissfully and happily rush towards Me and raise their hands to Me. Whoever believes will be saved, for he will persevere even if the world is full of devils .... he knows that the hour of deliverance will come, he knows that I will not leave him and that all devils are powerless against Me. He will wait for Me and I will reward his profound faith with the greatest prize, with a new life in the paradise on this Earth. Why won't I take him to Me into the spiritual kingdom? Anyone who passes this final test of faith and recognises Me will be suitable to form the root of a new human race and a new generation will come forth from him, for the Earth shall be populated again with spiritually highly advanced people who will live their life for Me and with Me. And I Myself want to rear these people .... All people's degree of maturity is known to Me but especially of those who in the end will fight for Me against Satan. Such people are required by Me as progenitors for the new Earth. I will bless them, both physically and spiritually, and the new Earth will become a paradise-like abode for them, children and children's children will be in heartfelt contact with Me and the human race will be full of love. A new period of development will start again with spiritual beings embodied as human beings who are close to maturity and longingly strive towards Me and rapidly achieve final maturity of soul on earth. For the last days on the old earth will very quickly have matured the spiritual substance which was shortly due to

be embodied as a human being, because it had fought the battle between light and darkness and the final destruction of the old earth had temporarily released it. Since it had not yet attained the maturity to be free, it experienced this as pain, so that it will find the new form comforting and eagerly strive upwards, even though during the preliminary stage it will be unconscious of this success. For this reason, people will live in most wonderful harmony with all creations in their environment; the mineral, plant and animal world will entirely fit in with people's needs, profound peace will reign in nature as well as in the human heart, people's joyful togetherness with Me will make them the most blissful beings, My love will smooth their every path and their hearts will beat for Me with ardent love and all adversity will be forgotten .... And this time is not far away, soon I will come and fetch My community of brides, the great adversity will soon be over, for My promise must fulfil itself .... I will return in the clouds to fetch My Own and to judge the living and the dead ....

Amen

*The present time will lead to the end ....*

And time and again I say to you: You will experience the end .... It is an urgent wake-up call which I send to people who presently inhabit the earth, it is a call which I will still intensify because you need to let go of your conviction that you still have much time left, because you need to spend thought on a sudden end and try to come close to Me. You have only little time left and very soon will be startled out of your calm, fear will enter your hearts which you can only banish by calling upon Me, by faithful prayer, which will provide you with strength and composure. The time is fulfilled, and even if you resist this thought .... you must prepare yourselves for whatever the end entails. It is you who will experience the last battle, who ought to win it; it is you who will experience the last Judgment, who will either see My coming in the clouds and the homecoming of the righteous or the final act of destruction take place, depending on your attitude towards Me, depending on your will and your love. It is you who must make a decision since you will not be able to enter the kingdom of the beyond after your death if you side with the adversary, but you will have to repeat the process through the creation of the new earth according to My eternal counsel. Do not expect the end in the future, get used to the idea that the present time will lead to the end, that you will be affected and that everything will come upon you as seers and prophets predicted according to My will. I can only ever draw your attention to it and as confirmation of My Word speak to you from above, and I will implement it shortly because there is not much time until the end.

I will inform you, whose will to serve Me made you My Own, once again of this just before the end, so that you will not experience the day unprepared, for even though you believe that My Word is truth you are still not taking My prediction seriously enough, you are still counting on a reprieve and not on My speedy arrival which, however, is about to happen to you. Yet you will yearn for My arrival when the time of the battle of faith comes and you enter the last stage of this earthly period. Then you will have learned to despise the world,

you will have no further desire for earthly possessions, you will only yearn for My Word, and I will also always be with you in the Word and comfort you until the day when I will appear in the clouds, when your adversity has reached huge proportions and help can only come from Me. You must take it for granted that you will experience this time if I won't recall this or that servant of Mine prematurely, according to wise judgment. You will all be surprised as to how quickly events will unfold, which I predicted long in advance through the voice of the spirit. And once I appear the end will come upon you with giant strides. Anyone who is profoundly faithful will inwardly rejoice despite hardship and suffering, for he will know that he will be compensated one day, that sooner or later all adversity will have an end and that a new era will start again with the paradise, as I have promised ....

Amen

*Significance of the spirit's voice ....*

*Close to the goal ....*

You are hearing the voice of the spirit .... do you know what that means? It means that you are removed from the weight of earthly matters if you accept My Word, be it directly or through mediators, that you are in contact with the spiritual world which is beyond all matter. Do you know that you are already close to the goal, that you have almost overcome matter if My Word penetrates your heart and does not merely bypass your ear? Do you know that My Word is a ray from the kingdom of light which you may be permitted to enter after the death of your body, that you are therefore being honoured to be in the spiritual kingdom while your body is still earthbound? Do you know that you, if you receive My Word, are in connection with Me, your God and Father of eternity, your Creator and Preserver? That the connection is the final goal of every human being and that you therefore have reached the final goal already if you not merely intellectually accept My Word but allow it to affect your heart. And you may already consider yourselves incredibly fortunate on Earth, for you accept My emanation of love noticeably and demonstrably, for I give Myself to you, I give you My flesh and My blood, as I have promised .... I take supper with you because you allowed Me to enter when I knocked at the door of your heart. And thus you are My exceedingly beloved and precious guests to whom I will only serve that which brings you joy, I will endow you with spiritual possessions, with everlasting treasures which you may take into eternity with you; I want to provide you with everything you desire, yet you will only request that which will be spiritually beneficial to you and make you happy. And all My angels and beings of light will be at your disposal, they will enlighten you if you desire such and your knowledge will increase, your fear will dwindle, you will be conscious of being in most intimate union with Me when you accept My Word, for My Word demonstrates My love for you ....

My Word is the greatest gift of grace, for I Myself dwell amongst you in My Word; hence you do not just accept it as an expression of Myself but you accept Me Myself in your hearts when I speak to you. Then I will have taken abode

within you, as I have promised. Would you then still be lonely and forsaken? Can anyone on earth replace My closeness? And would you then still want to be fearful and sad, timid and of little faith? Just take care that every Word of Mine takes root in you, that it comes alive, that you don't just read or hear it but that you let it penetrate your heart; live your life such that I can work within you, that you will also soon hear the audible Word which will suppress all doubt, all anxiety and make you blissfully happy. Then you will be willing to sacrifice everything, then your faith will be firm and steadfast too, then anything can confront you and you will not waver, for you will feel Me, you will know that you are protected in My proximity and are full of love for Me. My Word is a gift of grace for which you cannot be thankful enough, and you ought to demonstrate your gratitude by passing it on in the world, you should tirelessly work to spread it, you should inform your fellow human beings of My activity of love in you and through you in all people. Speak wherever the opportunity presents itself, for people need comfort and help in their spiritual distress, they need you, who receive My Word either directly or through mediators, as knowledgeable, experienced and on the path; don't be half-hearted and complacent in your work for Me; live up to My Word by being lovingly active and by providing earthly help wherever it is needed. Work in cooperation with Me and, in so doing, thank Me for My love for you, which manifests itself in My Word ....

Amen

### *Harmony of body and soul ....*

The body, too, should be well cared-for in order to maintain its strength and keep it in shape for its task .... to help the soul attain higher development. The body should not be entirely neglected because orderliness is My law as well, and orderliness includes everything which results in a supportive and progressive outcome. It is indeed the human being's task to detach himself from matter, to rise above it by liberating his heart from it and thus no longer be controlled by earthly material things. Nevertheless, the body also has to be in harmony with the soul, it has to provide the soul with inner calm which it can always achieve once it has calmed itself down, i.e., once its needs are met and it can attend to the soul's requirements.

The body can indeed make demands which betray materialistic thinking that by no means corresponds to My law of order, in that case it is not in harmony with the soul, and if the soul is already enlightened it will resist and refuse to give in to the body's desire even if it continues to persist in its demands. Then soul and body are silently fighting each other, then the body will be poorly endowed from all directions until it is content with being granted minor wishes, until it has accepted the soul's requirements. At that point it has entered the right order again and will also feel comfortable in that state since it then considers itself as the soul's supporter. Subsequently it can also be granted bigger wishes again since there is no more risk that the body will overrule the soul by getting so involved with the material world that it totally neglects the soul.

The body must never control the soul, the material world must never be given priority, the soul must be the determining factor and supported in its desires and aspirations by the body, then the body can also be granted relief and fulfilment of its desires, for then the body will never make demands which are detrimental to the soul, and the soul will mature anyway, since it constantly endeavours to live in harmony with Me, to attain My pleasure and to come close to Me, and can obviously bypass the pleasures of the world. I want to give joy to people on earth too once these joys are no longer a danger for the soul; but only I can judge when this will be the case, and so I quite often let the body go short, just as I also provide people who are faithfully devoted to Me with private joys in order to demonstrate My love for them, which always wants to please ....

*Community of 'Saints' ....*  
*Intercession pointless ....*

You humans need considerable support from the spiritual world if you want to survive the last battle on earth, and this help is at your full disposal in every way by just asking for it. For this reason it should be explained to you what kind of help will be given to you and how you can request it. There exists, as you humans call it, the community of Saints, which helps you; but it is necessary to explain the term 'Saints' to you if you are to be truthfully taught and free from wrong notions. The beings of light are people's most faithful guides and helpers who are always ready as soon as they are called. But their assignment to people is determined by God in His wisdom, just as He, corresponding to their degree of perfection, also permeates the spiritual beings with light and strength. People, however, are unable to assess another person's degree of maturity and therefore have neither the right nor the ability to elevate him to sainthood, because only God knows the quality of his soul when he, having been liberated by physical death, enters the spiritual kingdom. Only God knows the relationship the person has had with Him on earth and to what extent he acted with love.

Loving activity is the decisive factor and could have given him light and strength in abundance while still on earth, enabling him to do extraordinary things on earth if he wanted to. But in the beyond God reserves the right to guide mature souls to the sphere of activity which corresponds to their degree of maturity. He allocates to them the activity in the spiritual kingdom, just as He determines what kind of help should be given to people on earth. The beings of light have abundant strength, they can achieve anything because they work with God and in accordance with His will since they are constantly permeated by His strength. But the being of light moves entirely within God's will too, i.e. it cannot want anything but God's will since it has already established the union with God and is therefore totally absorbed in His will. However, since it possesses great wisdom it also recognises the inexpediency of many people's petitions and therefore also has to refuse when a fulfilment would be detrimental for the soul.

Helping people is a state of happiness for the beings of light, for this reason God allows people to request help from them. But it is not right to call upon specific Saints, because their activity and task could be entirely different and people, in their ignorance, might appeal to a being which is still far from perfect and then, due to their petition, become subject to and get unfavourably influenced by it. Because those who are called will appear, they immediately seek to get close to the caller and try to impose their thoughts on him, which might not correspond to the truth. Besides, the canonisation by people is mainly dependent on a way of life conforming to a church community, i.e. where piety is a prerequisite, although never demanded by God it is insisted upon by that church, and in accordance with the latter the canonisation takes place, which can never be the will of God. Consequently, not everyone canonised may be a being of light, whereas there are many beings of light in the spiritual kingdom whose way of life in fact corresponded to God's will but did not conform to the rules of an ecclesiastical community. All beings of light possess God's strength which they want to use, thus people were entrusted into their care whom they should and can help to reach perfection, providing human will is not opposed to it. Appealing to the beings of light will never be in vain, whereas calling upon specific beings may be good but could also be harmful even though help is expected from them. However, the idea to gain intercession by the beings of light is misguided ....

Prayer is an appeal to God. It establishes the relationship between the human being and God, which is requested by God Himself because the appeal demonstrates that the person's will is directed towards Him. Thus in people's opinion, the beings of light, which are already in closest union with Him, are supposed to establish this relationship with God. This would relieve the person from establishing the relationship himself which, however, is purpose and goal of his earthly life, because only the contact with God provides the influx of strength without which the soul is unable to mature fully.

But the being of light cannot convey strength to the person, because even in the spiritual kingdom are laws which have to be observed by its inhabitants in the knowledge that they were given by God's love and wisdom. The beings are willing to help in every instance and in accordance with God's will, consequently the human being has to please God's will first in order to be considered by Him directly or through the beings of light, which truly will never leave anyone without help if God's will approves. Hence the appeal for help to the beings of light will never be in vain, but an appeal for intercession is futile. Because the child itself should trustingly approach the Father so that the Father's love can give Himself to the child, and because this intimate relationship will never be established if the human being believes that he can also reach the goal through intercession. God is a God of love. He does not want people frightened to come to Him, He wants to be the Father of His children and not a strict judge and ruler. People try to please the latter through intercession but approach the former trustingly, and God asks for this trust from His living creations, because His infinite love belongs to them and He will also fulfil their every prayer ....

Amen

*Inner life... Withdrawing into seclusion ....*

Go into seclusion and allow Me to speak to you, and you will hear an abundance of wonderful things, a world of ideas will be revealed to you which otherwise would remain unknown to you, for I Myself will guide you into regions which are new to you and yet seem appealing to you once you have entered them. Spiritual instruction is extremely valuable because you will keep it forever; it is truly far more beneficial for you than any increase of earthly knowledge, for all this will fall away or be forgotten the moment you physically die, spiritual knowledge, however, shines like a bright light and casts a gentle gleam which attracts entirely uninformed souls because it affects them beneficially. Thus you may accept spiritual knowledge from My hand if you withdraw into seclusion, if you enter into silent communication with Me in your closet. You should seek seclusion, that is, leave the world behind you, live an inner life in frequent union with Me .... And I will always be a willing Teacher for you Who will convey the knowledge you need, which you are missing and which makes you happy. As long as you are attracted to the world, you will find it difficult to make spiritual contact with Me, for I stand outside the world, yet I Am at all times within reach for you if you turn away from the world. I Am always available, but whether you have time for Me remains up to you, nevertheless, every minute you think of Me is a blessing for you.

Therefore gather spiritual wealth, it is extremely precious, and make good use of your time, be aware of the fact that it will never be wasted if you enter into contact with Me, if you withdraw from the world, and remember that you merely acquire illusive possessions with every service the world demands of you. Only love for other people has the same value, because it equally results in a connection with Me and enables My working in you .... So you should often talk to Me if you want to gather eternal treasures for yourselves. I will always assign the right task for you, I will guide you to where you can be lovingly active, I will send people to you whom you can inspire into discussions which direct their thoughts to Me again, as your Teacher I will provide you with the knowledge which you should pass on to them, and I will always be with you, because every connection from earth to Me is beneficial and will help you to ascend. For this is My promise to you 'I remain with you until the end ...' Understand these Words and realise that you yourselves have to enable Me to be present with you through your will, that you must withdraw into solitude and lift your thoughts up to Me .... Then I will be and remain with you for all eternity ....

Amen

*Earth rotations ....*

*Earthly tremors ....*

For a considerable period of time already the earth has been rotating around its own axis with extraordinary speed. Admittedly, the constant rotations are by no means noticeable to the human being, but only because he is on earth and they can only be observed from outside the earth. Nevertheless, changes in the cosmos are perceptible which are caused by this phenomenon. It is like a regular trembling which can be felt more or less faintly when the body is in a resting position and susceptible to the slightest movement. This phenomenon will lead to the total dissolution of Earth after an incredibly long period of time but will be hastened through human intervention on account of which the conclusion of this epoch can be traced back to human influence, even though it has been included from the start in the divine plan. The earth would actually have an inconceivably long lifespan, i.e. its existence would be guaranteed for an infinitely long time, yet God's will allows itself to be determined by human will, God allows people to accomplish what will cause them even the greatest harm. In His plan of eternity all changes in the cosmos are established according to His wisdom and love. But the scientifically educated human race does not want to know anything about a change with inconceivable consequences, and yet it constantly takes place.

This change .... an excessively fast rotation of Earth .... will also trigger the natural disaster which has been proclaimed by seers and prophets since the beginning of the period of Salvation and which is now revealed again through the spirit of God. This process is humanly not easily explainable, however, simply said, the rotations will increase and stop for seconds, which will manifest itself as earthly tremors of such tremendous effect that people will believe that the end of the earth has come. No equivalent to it can be found on earth, for it is an expression of power which comes from the universe and is unknown to earthly science. The consistency of the stars activates such forces, and the interior of the earth will be affected by them and to a certain extent therefore be moved beyond the law, which always manifests itself in a destructive manner, yet is sporadically allowed by God for the purpose of dissolving even the hardest matter in order to release the constrained spiritual substances within. And this act is approaching soon but will only be the spectacle of a few seconds, yet with preceding signs which by themselves can already be called catastrophic because they generate indescribable panic amongst people and therefore will have to be considered as being within the timeframe of the catastrophe. Nevertheless, everything is eternally predetermined and God's plan will come to pass, as it is written ....

Amen

*Unity with God ....  
School of suffering ....*

You cannot grasp how much I yearn for unity with My living creations which motivates Me to constantly let you go through a school which shall result in your soul's maturity, for unity cannot take place without a specific degree of maturity. My love is truly only concerned for your well-being, yet the fact that I use means which let you doubt My love is due to your own will, albeit unconsciously, for your attitude towards Me provokes this use because you won't conform to the laws of order which promote your maturity of soul without suffering .... because you won't live up to the law of order, which cannot be avoided if you want to mature fully. And thus My teaching methods will become increasingly harsher the further you distance yourselves from love .... But now the time of learning has come to an end and every human being will have to take the test. Anyone who passes it will become blissfully happy in unity with Me, however, anyone who fails cannot be spared repeating the school, which he will have to attend under harder conditions if he wants to reach the goal one day. I won't let My living creations fall, and sooner or later the final union must and will take place, nevertheless, it can still take infinitely long periods of time in view of the fact that the human being determines the time of his redemption himself, for he voluntarily has to enter into unity with Me, I can only ever support him but will never force him.

Let Me tell you that I love all My living creations and that My love will never cease, but I will nevertheless bring My eternal plan to fruition even if you humans cannot discover any love therein. But it concerns you, your spiritual ascent, it concerns your eternal life .... At the moment you, who live on earth, are still spiritually dead with the exception of a few who are spiritually reborn. As yet you don't feel the life within you, and if you finish your earthly life in this state you will descend into a weakness which is the equivalent of death for you, you will be in utter darkness and completely without control and strength but conscious of the fact that you exist .... This state is so agonising that My love wants to save you from it, and this is why I try to motivate you into coming alive on earth already, I try to enlighten you so that you will strive towards the state of life of your own free will. All obstacles in your life shall help you become active, and activity is life. Earthly activity comes to an end at the moment of physical death, but you shall be active in the spiritual kingdom and for this you must have passed the school of the spirit successfully which also has to be a school of suffering for you or you will not reach full maturity. Nevertheless, you have My assurance that I love you and that every event which causes you sorrow is only based on My love. I want to bring you up to become My children because My Fatherly love does not want to lose you and because it is My will that you, My living creations, should not live far-away from Me but unite with Me and become blissfully happy ....

Amen

*Disintegration ....*  
*Work of destruction ....*  
*Renewed banishment ....*

Spiritual progress can never be achieved in a world of hatred and unkindness, and therefore the earth is failing in its real purpose of helping the spiritual substances embodied in it to attain higher development. Therefore the time has come for the manifold creations, which are intended to accomplish this purpose, to be dissolved and to release the spirits for the purpose of receiving new forms. For humanity, however, this disintegration signifies a fall from its already achieved advancement into the deepest abyss; it signifies a return into hardest matter and a repeated process through all works of creation on the new earth. But due to their lack of love people are completely ignorant and have neither time nor will to dwell on what lies ahead of them if the information is presented to them. They do not concern themselves with spiritual problems and this, too, is a sign that the time of the disintegration of the old earth has come. They are not open to any relevant clarification, they only live for their earthly interests and refuse all spiritual conversations. Consequently, admonitions and warnings are fruitless.

If, however, there is no further likelihood for a spiritual change to take place on earth, if a spiritual forward motion is completely out of the question, then only a complete decline can be expected; but God will not allow this to happen, instead He will transform the earth prior to it. This certainly involves a complete work of destruction yet it is intended in the plan of eternity in order to provide the completely degenerated human race, that is, the bound souls within, with the possibility of higher development again, because God's infinite love will never let anything fall completely, even if it is still totally opposed to Him. Earth's final destruction is therefore an act of supreme compassion at the same time, yet it will come to pass without fail in order to prevent an even further decline of people who, due to their heartlessness, have already severed every connection with God and widened the gulf between Him and themselves and thus lack all strength for higher development. And this is why God will come to their assistance, He will deprive them of their external cover and confine the spirits again, so that the infinitely wide chasm, which was established by people's free will, shall become less again in the state of compulsion, so that the spiritual substance will come closer to God again in the constrained state and once again receive the opportunity to use its freedom of will correctly in order to attain God, if only after an infinitely long time ....

Amen

*Earth rotations ....*

*Earthly tremors ....*

*Supplement and explanation regarding no. 4348 ....*

Explain the process to yourselves like this: The faster the earth moves, the shorter the period of time it takes for one rotation, and the stronger becomes the atmospheric pressure that is caused by its movement. Normally this atmospheric pressure should be felt on the earth's surface, but this is not the case. Hence this is already a scientifically unexplainable deviation from the natural laws, therefore it follows that the natural laws applicable to earth lose their validity outside of it. Nevertheless, this fast rotation affects the earth's surface insofar as a crust is being formed which is a suitable growth medium for vegetation, therefore a continuous habitation of the earth's surface is only possible due to its perpetual rotation, due to the generation of a force which affects the ground, that is, which does not spread outward and dissipates but works from the outside towards the interior of the earth. This force is life-giving but cannot be explained by human intellect, precisely because it arises and is effective beyond the law.

Were the earth to stop its velocity all life on it would solidify, on the other hand, however, an increased velocity would encourage abnormal growth but also penetrate and affect the interior of the earth and bring about eruptions which would endanger the earth's core and jeopardise its continuation. Such increased velocity is currently happening and its effects will also soon become apparent. If the final result is to be avoided the excessive energy has to find a sphere of activity .... it has to have an explosive effect in places, which consequently takes the form of a natural disaster. This will slightly reduce the speed of the rotations, the newly generated energy will find new soil which it can animate with plants and animals and the continued existence of earth will be guaranteed for a brief period of time again, until human determination once again triggers forces which have not been completely ascertained as yet and which have an all-destructive effect, because they can effectively be described as adverse forces, i.e., they work from within towards the outside and the opposing actions of both forces signifies total destruction, which can certainly be explained to but not understood by people ....

Spiritually advanced scientists will easily be able to understand this process, for they no longer look at the activity of natural forces beyond the law with so much disbelief, because they know that the sphere beyond earth is an area which cannot be fathomed with earthly reasoning power, because they are subject to other natural laws than those applicable to earth.

Every celestial body is a world unto itself, and in every celestial body the will of God's love has expressed itself differently, because His countless thoughts are implemented by His might and strength and every thought testifies to most profound wisdom. According to human opinion such manifold diversity of God's creations cannot exist, since the power of imagination is limited, but God's thinking is not limited and no obstacles exist for His creativity. The fact that the human being, the inhabitant of one of God's countless creations, would be able to completely ascertain God's reign and activity is entirely out of the question, for he instantly rejects what appears to be impossible but what is

always possible for God. Thus, the timing of the movements of earth, its path and its composition can certainly be calculated and explored, yet only ever as far as the earth's applicable natural laws which are known to people form the basis of it.

Anything over and above this is beyond his knowledge and intellect. But an 'over and above' does exist, or earthly science would be able to accurately determine when and in which form as well as for what reason the final destruction of earth will happen. It is incapable of establishing this, however, it is not proof that the destruction of earth will not take place. Here faith is placed in opposition to science .... anyone who values science more negates what faith affirms .... God proclaims the end of this earthly period; He proclaims a total change of the earth's surface along with the disappearance of all life on, in and above the earth .... This process is completely unknown to science .... hence it is an indication that a supernatural activity caused by God will happen; although not beyond natural law from His point of view yet for people who do not know all natural laws, all forces to the point that they can indicate and calculate such an event, but that investigations also have to be conducted on the basis of faith if they are to produce truthful results. Only then will the researcher also receive access to the area which otherwise remains closed to people, then he will be assisted and enlightened by spiritual co-workers, then he will also be able to have an insight into God's plan of Salvation, and much will be comprehensible and acceptable to him which his intellect would otherwise have discarded ....

Amen

*Marriage ....*

*In the presence of God and before the world ....*

You have to find each other in love otherwise a union is not blessed by Me. Marriage is togetherness; it is a living together in most heart-felt harmony. Marriage is a state which cannot be lawfully created but its prerequisite is always profoundly unselfish love which, once it is kindled within the heart, can never be extinguished again. Because the right kind of love unites the hearts, it is not a physical love which looks for fulfilment in the intoxication of senses, it is not a demanding love. Ever-giving and happiness-imparting love is the foundation of a marriage which is blessed by Me.

Marriage is a sincere community of two people whose hearts feel pure love for each other .... A marriage like that cannot be undone because true love can never cease. And this marriage will take place as soon as two people commend themselves to Me for the blessing of their bond. Then they are husband and wife before Me and they shall remain together until death separates them. Anyone who gets married in this way will always have a sense of belonging to the other person even if external circumstances separate them. My blessing will rest upon them because the most sacred feeling, having its source in Me, was the cause of the relationship, which is the primary condition for a marriage intended by Me .... But pure love is rarely to be found on earth these days, although marital bonds are nevertheless still formed. This is not against My will because

humanity should reproduce itself, given that countless souls are awaiting their embodiment in order to cover their last stage of development in the world of matter. Hence the marriage between two people has to be given an externally recognisable form, a structure which incorporates certain laws, obligations and rights. Without them people would contravene My necessary order too easily and thereby jeopardise their children's correct education which, however, is of utmost significance for their spiritual development. The legal form of the marriage ceremony is therefore in accordance with My will, but whether My particular blessing rests on it depends on the degree of mutual love between both husband and wife, whereas it depends on My blessing whether a wedding ceremony is being conducted before people or in My presence.

If a marriage ceremony is conducted for other reasons without deep mutual love, then the relationship will certainly be valid before the world, and I would not withhold My support if it is requested, but it is not a marriage in the true sense of the word which is pleasing to Me, it is not the state of union wanted by Me which, due to love, becomes an act of happiness that will be blessed by Me. Because the giving principle will always be predominant in the presence of pure love, consequently I, Who Am love Itself, will never be excluded from a marriage like that, and My spirit will govern the people and work in those who step before Me as husband and wife and ask for My blessing ....

Amen

### *Luminous phenomenon before the catastrophe ....*

My intervention will be preceded by a major spiritual campaign, which will be intended to fortify the faith of My Own and will be a final indication of the forthcoming natural event. My heavenly messengers will be instructed to show themselves to My Own in the shape of luminous phenomena which clearly and distinctly can be seen in the firmament so that all self-deception is excluded, and My Own will detect the same phenomenon whereas unbelievers will see nothing and ridicule all references to them as fantasies.

And this will be the last sign .... Then you will be able to safely prepare yourselves for the hour of My manifestation through the elements of nature. Then let go of all earthly things and just take care of your souls .... Then receive My Word with complete devotion, let Me speak to you in the Word and form a deep and heartfelt bond with Me so that I can be present with you in utmost hardship which will befall you very soon afterwards. Then just take care of those around you who fearfully observe the changes in nature, briefly explain it to them and refer them to Me, speak of Me as a God of love Who looks after every person and excludes no-one who calls to Him for help ....

And then wait for Me, don't be afraid when My voice resounds with such force that people will tremble .... Stay calm and collected and know that nothing will happen to you if it is not My will, and that I have promised you My protection if you unite with Me in prayer. Then I will be present with you and you will distinctly feel My closeness .... And then that which I have proclaimed to you

through My spirit will be fulfilled .... For My Word is and remains eternal truth  
....

### *Parable of the good shepherd ....*

I want to give you a parable, and you should learn from this how I want My Word to be understood: My earthly children are like a flock of scattered sheep which an enemy's ill will had chased from the shepherd's view into all directions. And the shepherd, who loves his sheep, goes in search for them. He looks for them in the most hidden places, he scales mountains and clammers down gorges, he calls and cajoles and does not rest until his flock is rounded up again. He helps the lambs that lost their way and cannot return by themselves, he follows the long tracks where they already went too far, he takes the tired lambs and carries them back on his shoulders, he leaves none to their fate, to his enemy, who might rob him of it and add it to his own flock. Because he knows his sheep, and his sheep know him and follow his voice .... And the good shepherd's heart rejoices when he has found all his sheep again, when his full flock is in his stable, when every lost lamb has found its way home ....

You all are My sheep, you belong to My flock, which nevertheless has free run and therefore can also go astray if it strives for another goal but Me. The hostile shepherd is My adversary who tries to turn you away from Me. And he will often succeed .... My sheep stray from the path I take with My flock, they seek to scale the heights .... You humans seek honour and riches and for their sake leave the path. You fall into ravines and pits, vices and lusts capture you, step by step you descend into the abyss and can be grateful if you get caught by hedges and undergrowth .... if second thoughts arise in you which you don't ignore and are thus spared the deepest fall until your Saviour arrives.

Still others graze in strange pastures; they go astray and don't find their way back to their stable .... These are the people who thoughtlessly wander through earthly life, who are beneficiaries of actions which do not correspond to My will but give them great earthly advantage. They do not deem themselves bad, they are half-hearted, neither for nor against Me, they wander through the earthly valley oblivious of their earthly task, they have to be startled and chased back, so that they take refuge in My arms again Who, as a good shepherd, is ready to receive them at anytime.

I have to search for My lost lambs everywhere .... My call has to be heard everywhere and thus My voice has to sound time and again .... time and again I have to approach people in My Word and call them back into the Father's house. My Word is the call of the good shepherd, My Word is conveyed to human beings with love, My Word penetrates into all corners, wherever it finds entry into people's hearts. And anyone who does not follow My call will stray ever more or descend ever deeper .... And yet, the arm of the good shepherd will reach him one day, even if it takes ages .... Even the person who has resisted Me for a long time will return to Me one day .... one day he will tire of his wrong path and allow Me to lift him onto My shoulders, one day he, too, will willingly

follow the good shepherd, the sound of His voice will entice him .... He will recognise it as the Father's voice and follow Me, and I will guide him into the Father's house and prepare a feast for joy for him of finding again what had been lost ....

Amen

*Free will ....*

*Destiny ....*

Nothing happens in human life that doesn't affect eternity. Every action, every omission, every thought, every direction of will has an effect on the soul's development, and therefore everything that occurs in human life belongs within the scope of destiny. The human being has free will and the use of this will is decisive for eternity. Every deed or omission, every thought, is first preceded by will, and its decision determines his course of life. For although he is unable to control every event in an earthly way, since God has reserved the right for Himself to direct his course of life according to wise judgment, his will has nevertheless already been taken into account and forms the basis of his destiny. The human being's free will is being doubted because it cannot always carry out its intention, yet the intention cannot be denied the human being even if the opportunity to implement it has been removed from him. The direction the will takes determines the soul's development, the failure of a once prepared plan does not revoke the will, and for this will the human being has to be answerable one day, even if the implementation did not come about. Changing a wrongly orientated will into the right direction is the purpose and task in life. And this is why even the slightest happening benefits this change of will and is God's will or permission, regardless of whether it is the result of a wrongly or correctly used will. And thus it should be understandable to you humans that you will have to accept every stroke of fate as being predetermined a long time ago and only conducive to your higher development. You must therefore ask yourselves to what extent it was encouraged by your will and whether this will was right or wrong, to what extent it corresponded to divine will and thus you must try to derive a benefit from even the smallest experience, so that your destiny will truly affect you in an educational way and, if it is arduous, will also be successful for your life in the beyond. You are always in God's hands, that is, He takes care of your course of life, after all, He wants to draw you close to Him and win you for eternity. If you accept everything from His hand, always remembering that they are educational means which are used by a loving Father for His children, then you will always want, think, speak and act according to His will, and your earthly life will not be lived in vain, for then you submit yourselves to God's will and can't help yourselves but use your free will correctly .... as your task in life requires ....

Amen

*Change ....*  
*Disintegration ....*

You must always remember that nothing on this earth can last forever, and therefore even earth itself will not last, thus it has to change if it will not completely disintegrate in its fundamental substance. The latter will occur after an infinitely long time, but a transformation of earth will take place shortly. Just as earthly matter achieves its higher development through the dissolution of an existing form in order to rise again in a new form, so the earth as such is also subject to temporary changes, and all creations on earth will enter a new stage of development. Not just the constrained spirits within every work of creation strive to ascend but matter itself has to undergo this path of higher development by becoming increasingly softer, thus sheltering the spirit which, due to its maturity, is able to escape its form faster. Consequently hard matter, which has already existed for a very long time, has to be dissolved eventually too. Its development has to be continued in softer matter and new hard matter needs to be produced to shelter the spiritual substance which, in the stage of knowledge .... as a human being .... had failed and joined God's adversary.

Such total transformations of earth's external forms only take place within certain periods of time and are therefore unbelievable to people, because each such transformation happened so long ago that the truth can no longer be ascertained and upheld. Although a developmental period is infinitely long it will nevertheless come to an end one day.

People cannot verify or calculate the time when the end can be expected and neither can they deny it, but God wants people to believe in it because He Himself has revealed it to people through His Word and, through seers and prophets, has pointed it out time and again. That the destruction of earth, i.e. its total change, is only a matter of faith is due to the fact that the human being has to bring about the change of his soul in utmost freedom of will, and this would be instantly restricted if the timing of the end could be calculated. The beginning and end of an earth period are so far apart because the human being has to decide to believe it or reject it completely, without being forced into either. But as soon as he thinks about it and observes the growth and decay in nature he can see the process of disintegration and transformation repeat themselves so often that he will also apply this change to the creation 'earth' and find it easy to believe in an end. But he will never be told when it will happen because such knowledge would be detrimental to the soul. God, however, reveals that the end of this earth is approaching soon and good for him who believes His Word and prepares himself. The day will not come unexpectedly for him; the thought of the end will no longer terrify him in view of the blissful state God has promised His Own after the transformation of this earth ....

Amen

*Signs before the catastrophe (Anxiety of people and animals) ....*

People will be seized by immense anxiety shortly before I appear through the forces of nature. The event will announce itself such that people and animals will feel nervous and inwardly sense that something is about to happen in nature. Strange behaviour amongst animals will be particularly apparent, they will attempt to flee in a certain direction and suddenly turn back as if driven by an invisible power. And this behaviour will cause apprehension in people who realise that imminent danger is approaching against which they cannot defend themselves.

And thus everyone will worriedly wait for what is to come. And you, My servants on earth, should make good use of this time for it will be a short reprieve when people will still listen to your words because they will be looking for an explanation for the unusual sensations experienced by people and beasts. Then draw their attention to My Word, prepare them for My appearance and refer them to Me so that they will take refuge with Me when the hour has come that I will speak. At the same time you should unite with Me in thought so that you may be strong and able to support those who are unbelieving or of little faith.

You have to prove yourselves and will be able to do so if you call to Me in advance and in the hours of greatest need. I will draw your attention to the signs in advance and give you the opportunity to observe your environment so that you will see that everything I told you will come to pass, that an oppressive feeling and restlessness will burden people, the cause of which you know and thus you will be able to speak effectively where necessary. And once again you will experience a situation where the person who lives in love will believe you, whereas the heartless person, although listening to you, will derive no benefit from it. Until the hour comes when I will speak from above .... And there will be raging and gusting in the air, no one will take notice of the other any longer but only be concerned for his own life. Every person will try to escape but hear the same raging and gusting from all directions and, depending on his attitude to Me, he will be affected by the event .... he will stay alive or be killed by the natural disaster, as My wisdom has recognised and determined since eternity ....

Even though it is seemingly calm and there are no recognisable signs as yet .... do not believe that you are safe because the day of the natural event will come without fail, and the unbeliever will be able to see it for himself, if he still has time to think about it .... I have spoken and revealed it to you through My spirit, and I will speak through nature with a voice which can be heard by everyone. Anyone who does not believe the first voice will have to hear My voice from above .... But even then he will be at liberty to witness it as a mere play of nature or remember My predictions and believe that I want to reveal Myself so that you, who do not acknowledge the voice of the spirit, should hear Me. And blessed is he whose life is spared as he will still have a short time of grace at his disposal which he will be able to use to make up for what he has neglected up to then, in order to prepare himself for the end, which will soon follow the event in nature ....

Amen

*The right prayer ....  
'Father, Your will be done ....'*

No prayer rising up to Me in complete trust of My help is in vain. For this trust testifies to faith in My love and My might. And through such prayer a person has also established the right relationship with Me .... he approaches Me like a child to its father. A father, however, will never deny himself to his child unless the child appeals to him for something completely unwholesome in which case the father will protect it but also instruct it accordingly so that the child's trust will not be disappointed. This instruction happens in a way that second thoughts will arise in a person as to whether his prayer was appropriate, that he doubts his right to make such a request, and then a true child will always add to its request 'Father, Your will be done ....' And I will grant what is good for him and satisfy his wish in a different way, for My love wants to give and please if I Am called upon in the right way. This is why you should always try to increase your strength of faith, for then the fulfilment of every wish will be granted to you. Greater strength of faith will always be accompanied by ever more activity of love, more activity of love assures you increased knowledge, and thus a person who is knowledgeable and lives in truth will not appeal for something which is harmful to him and therefore always find fulfilment because he believes. You should know that you cannot but think correctly if you gained the right faith through love and, in this state, send a prayer up to Me. Remember My promise 'Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you ....' And thus you may at all times present your wishes to Me as true children and I will never disappoint your faith ....

*The Flood ....  
Last days ....  
Worldly progress ....*

Shortly before the end it will be just like it was at the time of the Flood. People will have a great liking for all worldly pleasures, they will indulge their physical longings and vices, they will lead an immoral and unethical way of life and send no thought to the One above, Who is Lord over heaven and earth. For they will have no more faith .... The spiritual level will be the lowest ever since the beginning of this developmental period. Mocking and blaspheming they will confront the few believers with hostility, pursue them and deny them everything they need for living. They themselves, however, will feast and gorge themselves, they will live and love .... but their love will be false and their way of life wrong, for the devil's servants will populate the earth in the last days, and the disintegration of earth will merely end a state which no longer allows people's higher development.

It will be a time of sinfulness which will go beyond all imagination. God will be completely displaced and those who believe in Him will be in danger of being killed .... And God Himself will put an end to this period, the last day will arrive

suddenly and unexpectedly amid the ecstasy of the world in which the people of the last days constantly live .... Hence, prior to this an apparent progress will be noticeable, everything of a worldly nature will be offered to people, their demand for worldly things will be extreme and everyone will unscrupulously grant himself whatever his mind desires; the strong will fight the weak and the winner will be the one who heartlessly acquires what he doesn't deserve, because he is supported by Satan himself who bestows material favours on him and incites him to increased enjoyment of life.

Sin will escalate to an alarming extent and Judgment will come to pass when no-one expects it. For once people have reached this level of development they will have to be devoured by the earth, as they will have become true servants of the devil and completely deny God. And then the hour of accountability will come to all sinners, the day of God's Justice will arrive, the Day of Judgment will come to all who belong to God's adversary and the day of Recompense for the few who are faithful to God, who persevere and don't fall prey to the temptations of the world .... as it is proclaimed in Word and Scripture .... A salvation period will come to an end because humanity will be ready for its downfall.

Amen

*Inner voice difficult to hear ....  
Turmoil - silence ....*

You will always hear My voice if you hand yourselves over to Me and, with a desire to hear My Word, attentively listen within. I have always given you this assurance and will never withhold with My gift of grace if you sincerely desire it. Yet as long as My voice is not audibly heard by you but only affects you mentally and thus requires full attention and seclusion from the world it will depend on yourselves as to whether you will hear it. This is why I draw your attention to the forthcoming time which will make such great demands on you that only the strongest resolve will be able to manage to withdraw itself and listen to My voice in seclusion. The adversity of the forthcoming time will often deprive you of your inner tranquillity, even though I will help every labourer to fulfil his task if he is willing to serve. I Am always close to you and if you, despite utmost distress, stay aware of My presence, you will always hear My voice too, for then your faith will be stronger than your earthly hardship, which you will banish anytime. Yet I want to draw your attention to the fact that you can expect considerable turmoil which will restrain your every thought with the effect that it will be difficult for you to make contact with Me .... But then read My Word, draw strength from My Word, and you will noticeably feel that I Am close to you ....

Keep trying to retreat within yourselves and, in seclusion, listen to the voice of your heart, and you will succeed if your will and your desire for Me is powerful. But first draw strength from My Word, use the time, don't become half-hearted and indifferent but believe that great danger lies in wait for you, that you will be shaken out of your worldly tranquillity and that a large world event is in the

making. Always rely on My help and you will never call to Me in vain, for I will answer you who, as My children, call upon the Father in your time of need ....

Amen

*Last Supper ....*  
*Spiritual meaning ....*  
*Flesh - blood ....*

The constant desire for nourishment at the table of the Lord assures you His love .... And thus I repeatedly invite you to take communion with Me, as often as you desire it. My table is always set for all who are hungry and thirsty and want to be refreshed, and they will be able to satisfy themselves with the bread of life, with the manna that comes from heaven. Every nourishment at My table is communion, it is the unification with Me without which the offering of My flesh and My blood .... of My Word and its strength .... cannot take place. Thus you, who receive My Word directly or through My messengers, are communing when you desire to accept My Word in your heart. Then My spirit will unite with the spiritual spark within you, then marriage will take place, the union, the spiritual communion. Then I will give you the bread of heaven Myself, I will give you food and drink, I will take supper with you .... you will experience the same event as My disciples, for whom I broke the bread and offered the wine with the Words: Take and eat, this is my body, take and drink, this is my blood ....

Do you now understand the meaning I attached to these Words? How immensely important it is that you take communion at My table, because My flesh and My blood will give you the strength to reach eternal life. You have to be nourished with food for the soul so that it matures, so that it safeguards its eternal life .... it constantly has to receive strength which it can only receive from Me directly and which I will give every time it unites with Me. Then I will break the bread and offer it to the soul, and when it thus eats My flesh .... My Word .... it is permeated by strength .... the blood .... with which I have blessed My Word. No one who longs for food for the soul, who wants to be My guest, need ever starve and go without .... I will come to him Myself and invite him, I will stand before his door and knock and if he opens it for Me I will enter and take supper with him .... I will feed him at My table and he will be truly satisfied and never need to go without ....

And thus, everything I said on earth should be understood in a spiritual sense. I taught My disciples and they understood Me and carried My Word into the world. And since people were taught correctly they understood and lived in accordance with My will, in accordance with My Word in complete understanding of it. Consequently, My church, the community of believers, was established entirely in My spirit at first.

But later this was no longer enough for the overzealous representatives of My Word, they wanted to excel before the world. And thus events, which were only intended for the soul, were visually presented to people and associated with external actions, which at first could not be condemned since they were carried

by the spirit, since people took My will and its fulfilment seriously. But people changed and with them changed the characteristics of My church .... What was meant to be a profound inner experience became an external action which was placed at the fore and the deeper spiritual meaning became lost .... until the simple process of spiritual communion, of union with Me and the direct acceptance of My Word, was no longer understood by people. So now they no longer believe that a direct transmission of My Word is possible, although I Myself clearly and comprehensively promised them My direct working through My spirit, although I Myself .... the Word that had become flesh .... referred to the sustenance with the bread of life, with the manna from heaven .... People no longer understand the simple meaning of My Word and in their blindness don't want to accept the simple explanation either. But anyone who wants to hear and understand will realise it, and the truth will be plausible to him, he will strive to establish a connection with Me Myself, he will be My guest, and I will take supper with him and he with Me ....

Amen

*Personal Words ....*

The spirit imparts My Word to you, and this is what you should listen to. I will always speak to you providing you first speak to Me in spirit and in truth. Thus I do not reply to mere words spoken by your mouth, but what you feel and think in your heart will find its way to Me and give rise to a response. If you ask Me in this manner you will mentally receive My answer. Then you can confidently believe that your thoughts originated from Me and take them to heart. I want you to understand everything and not start to doubt .... Therefore I also want you to know what kind of relationship you should have towards one another. I want to give you a Word of advice which you should seriously consider so that you then can make a free decision.

I want you to establish the most heartfelt harmony of souls between yourselves, I want you to establish a pure relationship which is supported by mutual love, a relationship in which each one of you is willing to give to the other and every requirement is excluded. I want you to stay together until you are parted by death, because your earthly path is only brief. You aspired towards a mutual goal and should also try to reach this goal .... spiritual marriage, which survives everything, which signifies union in the spiritual kingdom, which consists of mutual activity and the same consciousness of strength. However, this union requires the same degree of maturity and thus the same emanation of light, consequently also the same love and the same knowledge .... And for this reason two people's endeavour on earth, who want to work together in the spiritual kingdom, must enable the direct transmission of light and strength, of spiritual knowledge. My spirit has to be able to be effective in them and to teach them, i.e. they have to receive My Word through the voice of the spirit. And it is certain that only through actions of love will you awaken the spirit within yourselves, who then will teach you.

People who are joined together by true, pure love open the door of their hearts to the spirit within themselves, which is part of Me. They shape themselves into receiving vessels for My spirit and can be constantly taught. And thus you are destined to travel the path of ascent together, because by living in emotional harmony you will be very receptive for the strength of spirit, for My emanation, for My Word, that will then be conveyed to you directly. Anyone who receives My Word directly has to pass it on, and the more he loves his fellow human being the more eagerly he will do so. Moreover, the lovingly offered Word will be accepted where love has been aroused again. And love should be practised because it is strength in itself, thus increasing love also means increasing strength.

Your course of life is but short, and therefore every day should be used by you to work together on behalf of Me and My kingdom. But mutual activity also necessitates complete conviction in regards to spiritual questions, to the deliberation, comprehension and assessment of what is presented to you as truth through the spirit. However, correct thinking always requires the working of the spirit, and My spirit can only work in the presence of love. Hence you should never allow love to become unrequited, because the partner will lack understanding for spiritual truth when he stands outside of love. For love of Me you should make an effort to show love to other people, hence you have to practise giving, joyful love, and when it is thus returned it will cause an exchange of strength with earthly and spiritual results. And this is what you should achieve by reminding each other to love, by being sincerely affectionate to each other, by strengthening the feeling of togetherness to a point that you can no longer imagine life without each other .... Then you will experience the greatest miracle on earth, you will both hear the sound of the Word at the same time .... Then there will be no more separation for you, then My spirit will be constantly working in you, then every doubt will have come to an end, the truth of My Word will be shining so brightly for you that you will be completely filled by it and you will joyfully work together for Me and My kingdom.

Therefore you should submit yourselves entirely to My guidance, you should not wilfully do anything but what you are urged to do from within yourselves, you should only ever let yourselves be guided by your feeling, because I place My will into your heart and the prompting of your heart is the expression of My will. If you comply with this you will submit yourselves to My will, if you oppose it then your will is stronger. I would like to caution you about this, for My will always leads to the goal, whereas yours will always leads away from the goal or lengthen the path such that you will waste time, because the end is coming soon ....

Amen

*Spiritual reverse pace ....*  
*Signs of the end ....*

For the spiritual reversing is more and more clearly recognizable and must be an obvious explanation to you for the earthly troubles, while this trouble is still the only remedy to shake up man in order to change their ways of life and their thinking. For man now only desires earthly goods and let self be dominated by substance, instead striving for the opposite with resulting victory against material matter.

Again and again I bring their foolish behavior before their eyes, by showing them the transience of the earthly material matter. For the smaller events have no meaning, the individual won't change his thinking and is ignoring his sole life, for he figures only on his earth existence and has totally lost faith for the beyond. Further and further man is sinking, and shallower is becoming his faith, as more seldom his connection is with Me, their God and Creator since eternity. And this will be appearing especially clear in a short time. The day of complete change in the way of life is always moving closer, the day, where everything experiences a change, for My Will is becoming active in an apparent way.

Man will not be able to protect anything, unless I protect it for them, and powerless they will stand in opposition to My power and will end up in great distress. But blessed is the distress, if people are affected by it only earthly, if their sole is not in jeopardy ....if man have faith .... then man does not need to fear earthly distress, then man can only gain victory despite earthly losses. But for the unbeliever a trying time begins, because for their loss of material goods they will suffer terribly and will have to give up hope to gain back any of it. They will not have any substitute of spiritual goods, since they never desired any when offered to them, but rather reject them.

This sorrow must pass over the earth, it can not be spared, but only be the upbeat to the last events, to the complete destruction of the old earth, which all of you will experience, if I don't call you out of your present life beforehand, as I think it beneficial for your sole. The believer will see and recognize all signs of the end, the unbeliever will pass them by, he only sees the earthly distress and its result on the worldly life and turns away more and more from God.

Thus in coming times, the spiritual striving will be separating each other from the totally worldly/secular people, and it will be so very obvious that the awakened human will recognize the end times. Onwards moving with gigantic steps towards the end, and you will experience the end ....

Amen

*Different schools of thought ....  
Christ's teaching ....*

The absolute truth cannot be represented by any school of thought as long as it cannot show that the origin of its dogma is based on the Word from above, although not everything taught by each spiritual movement can be called an error. Their followers will always be sincere people if they abandon ecclesiastical organisations and turn to such a school of thought. And therefore they are repeatedly offered the opportunity to come closer to the truth, because once they have recognised it as such they will hold on to it and hence be more faithful members of spiritual groups than the followers of the church which is officially made out to be My institution, but who are for the most part mere supporters or formal believers, never desiring to delve deeper into eternal truth, into My teaching of love, which I describe as the core of the church founded by Me. Only the Word from above is pure truth and this Word was received and spread by Jesus on earth, consequently His is the only true teaching and will remain so for all eternity. Hence the person who preaches Christ's teaching is My representative on earth and will be able to inform every school of thought to what extent they have the truth and which opinions are misguided. However, during the last days the real advocates of My teaching need not concern themselves with other denominations or religious groups because they will all be fought against by earthly authorities and will lose their supporters with certainty, too. My servants shall merely gather the deserters and try to win them over for Me and My kingdom; they shall impart the pure truth to them and take every opportunity to enlighten misguided people ....

And I will provide them with the opportunity to do so, I will send them to those who can still be won over, who are still undecided and only need the truth in order to take the right path. The truth speaks for itself and no one will be able to undermine it, but where misguided teachings have occurred people can always be expected to leave when they are confronted by hardship, which they can avoid through devotion of faith. Because in the last days great hardship will only be suffered by those believers who want to remain faithful to Me and will thus be treated with hostility by the world. The world will demand the complete rejection of faith in a God and Creator of eternity Who governs the fate of every human being, and the hardship of anyone relinquishing his faith will be resolved. People who endure will have to suffer in remarkable ways. But anyone who has true faith, who lives within the truth he has received from Me Myself, will also stay faithful to Me because he will know that such hardship won't last forever and will then give way to a joyful state of bliss. He will know that the earth is experiencing its end and so will the people who relinquish their faith for the sake of worldliness. The truth received from Me has given him the knowledge of things to come and this knowledge will give him the strength to endure to the end.

Only truth gives strength, only the person who lives within truth will endure, and for this reason it is so urgently necessary to impart the truth to people because this alone will enable them to understand everything that will happen. Anyone who does not know the absolute truth will become unsure, he will doubt everything and prefer the world and its pleasures to his doubtful knowledge.

But I want to give people the pure truth in order to help them survive the final end by firmly believing in Me, in My wisdom and love which wants to prepare a paradise for My Own after the destruction of this earth .... Anyone instructed by My Word of My eternal plan of Salvation will understand everything, always keeping his eyes on Me he will be able to glance into the spiritual realm and receive strength and grace to endure until the end ....

Amen

*No-one can serve two masters ....'*

No-one can serve two masters .... Anyone who wants to make contact with Me will never be able to look towards the world, for I can only be found beyond the world, and if I should allow Myself to be found then the desire for the world must be put aside, it must be completely ignored, for the world belongs to My adversary, it is his domain where he has free reign. And he really does not aspire to lead people to Me by way of the world, instead, he seeks to displace Me, he constantly tries to place special emphasis on the world so that I should be forgotten. So if anyone amongst you is serious about his higher development he cannot possibly still pay tribute to the world .... even though he is still in the midst of the world which makes great demands on him which he has to comply with, yet there is indeed a difference between duty and personal worldly longing. The former is entirely according to My will, for on earth you are given a task, but apart from that you can also fully accomplish your spiritual task, the maturing of your soul, if the desire for the world does not prevail, which happens when earthly pleasures and cravings predominate the desire for spiritual possessions, so that thereby the human being forgets about Me and, indeed, even the thought of Me is uncomfortable leading to his dismissal of Me. Anyone who strives to create an excessive sense of well-being for himself, i.e. for his body, be it through satisfying physical cravings, sensory and carnal desires or through an accumulation of material possessions without thinking of his neighbour, who therefore only strives for himself, is held captive by the world, he is My adversary's willing tool, and he will never find the path to Me if he does not discard the longing for the earthly world, internalises himself and aspires towards spiritual wealth. Both together are not possible, for then he will serve two masters and will not serve either well. If you are looking for Me you must gaze heavenwards, for I Am above and not below .... Below is My adversary's realm where you still linger with your body, but your soul can always lift itself up into My kingdom, to Me. Even though the body is still in My adversary's realm, the soul can nevertheless always rise into spheres beyond the earth, and that is what I demand of someone who wants to find Me, serve Me and thus be one of My Own. Then the spiritual spark in him will unite itself with the eternal Father-Spirit, for if he strives towards Me in all seriousness his heart will also be awash with love, which has nothing in common with worldly love. This love will manifest itself towards the next person, in which case the human being is making contact with Me already .... he renounces what belongs to the world, he gives and thus serves his neighbour and, because I decreed

this commandment he also serves Me as His Lord. Worldly love, however, is a form of selfish love, the human being should combat this love if he wants to attain bliss. Consequently, he must also combat his love for the world and try to fulfil the soul's wishes which, driven by the spirit within, will apply to spiritual possessions and demonstrate love for Me. For I alone Am the Master you should serve if you want to become blissfully happy ....

Amen
