Humility - Arrogance
Danger

I bestow My grace upon the humble, to the arrogant I deny it, for arrogance smothers love, whereas humility awakens it. And for this reason all My love belongs to the humble which showers him with grace beyond measure. Someone with heartfelt love for his fellow human being cannot be haughty to him but regard him as his brother and help him because of love; this is why the humble person will carry out deeds of neighbourly love, for which I will bless him and reward him in turn with My love and grace. An arrogant person's heart is hard and unfeeling, he does not serve but wants to dominate and will therefore be disregarded by Me, because this feeling, the need to dominate, was the reason for the past apostasy from Me which can only be atoned for through profound humility towards Me, hence humility also signifies returning to Me. The spiritual being had sunk very low due to arrogance, however, in the stage as a human being it has already ascended to a certain level but now it is in greatest danger of succumbing to arrogance again, of elevating himself, and this manifests itself in heartlessness towards his fellow human beings. The fact that the human being, due to arrogance, also deprives himself of all means to ascend further, that he thereby forfeits My grace, is the greatest danger to which I always draw your attention, so that you will not plunge into the abyss again of your own fault. Everything that is domineering still belongs to My adversary, who remains in utter opposition to Me and believes himself capable of overthrowing Me. Having once been the highest bearer of light he became My adversary because he elevated himself above Me he believed he was able to place himself above Me and plunged into the deepest abyss.

Arrogance is the first step into a bottomless fall humility, in contrast, is the ladder to higher spheres, the safest bridge to Me For the person who receives My grace will safely reach his goal, because My grace signifies help, My support and My guidance. Consider your past sin which separated you from Me, consider My greater than great love which wants to draw you back to Me; consider your weakness and imperfection and how very distant you are, then you will bow your head with utmost humility and longingly stretch your hands out to Me, and then I will take hold of you with My love and grace and provide you with everything you need in order to reduce your distance from Me, in order to return to Me from Whom you originated. But woe to you if you never become aware of your distance from Me, if you deem yourselves too exalted as to pray to Me with profound humility In that case you cannot receive grace, then you are still under the control of the one who made you fall, then you can never become free from the sin of your past arrogance, for without My grace you will never ever become blissfully happy

Amen

Extraordinary events are signs of the approaching end

Everything points to the end and if you humans pay careful attention to the events around you, you will also recognise that I Am speaking to you through them, that through them I want to draw your attention to the end and your special mission of being leaders in the final battle of faith. I want to strengthen your faith in My Word, but I also want to help your fellow human beings to gain faith, since they either cannot find it or are too weak to advocate it. I want to speak to all of you by every conceivable means so that you will not fail in the final battle of faith on this earth. Nevertheless, I will always take account of the fact that you live in an extremely materialistic world, that you have little contact with the kingdom which emanates the truth and that it is far more difficult for you to believe because you no longer carry Me in your hearts lively enough, since you distanced yourselves from the manifestation of Jesus Christ to such an extent that, due to your unbelief, you receive little strength. You do not accept the truth conveyed to you from the spiritual kingdom; you do not grant credence to the teachers, who are My servants. But I nevertheless do not want to let you fall and will approach you time and again with references to the end, with images by seers which will become public knowledge, with predictions by prophets which will also be heard by those who have no interest in the end and the last Judgment. I also know many people's struggle for faith and I would like to give them a sign too, which, however, shall not compel them to believe. I want to make them question and become reflective, this is all I intend to achieve with extraordinary events during the last days, for once they spend serious thought on it I will be able to approach them in My Word and instruct them according to the truth. They will only be open-minded for My Word if it is made accessible to them as My evident working through the spirit, for I can only give them the pure truth through My Word. And only through the Word from above can something be proven to them which they would otherwise find incredible, but it cannot be proven by the sign itself, because the sign only speaks to the intellect and not to the human being's heart. You humans must always be aware of the fact that you are living in the end time, that there will be an increase in signs which cannot be explained in an earthly way and which will visibly point to another world Anyone who recognises them as such will derive benefit from them, but anyone who bypasses these as well, will have to fear the final end because it will result in his downfall

Amen

God's will: Fulfilment of the commandments of love

My will plainly manifests itself in My commandment of love for God and other people. It includes everything you should and should not do, and if you therefore fulfil these commandments you will approach your perfection. For then you will neither be able to sin again nor remain within the old sin which consisted of the fact that you had voluntarily distanced yourselves from Me, thus you denied Me love and consequently became heartless towards all living creations which originated from Me. And thus your love for Me, if you fulfil My commandments, signifies renewed unification with Me and illumination by My strength of love, so that your past nature of light and strength will be restored again and you will possess full realisation and be able to work and create in line with your own will so that you will be perfect again, that is, you will have shaped yourselves into divine beings again which you were in the very beginning.

For this reason you humans must first know My will, so that you can live accordingly in order to become blessed. You have to be informed of My will and thus you have to listen to My Word which clearly and understandably reveals My will to you. My Word familiarises you with My commandment of love, with your obligation towards Me and your fellow human beings; My Word explains your distance from Me if you don't try to reduce it yourselves; My Word informs you of My love, grace and mercy, of My wisdom and omnipotence, so that the flame of love for Me can ignite itself if only your heart is willing to love. My Word also describes your fellow human beings as My children whom you therefore should approach like brothers, to whom you should also give your love if you want to fulfil My will. My Word cautions and admonishes you and draws your attention to the consequences of a wrong way of life, of a heartless way of life, by failing to observe My commandments. You have to accept My Word if you want to become blissfully happy. But leave it to Me as to how My Word shall be conveyed to you, just be willing to accept it when I offer it to you, for you can only discover My will through My Word and only through living in accordance with My will can you become blessed

Amen

Strength of faith of a living but wrong belief

Only a few people follow the right and true faith, hence the faith which utterly corresponds to the truth. But I also respect the faith of those who are not instructed in the truth, who also have a living faith in what they were taught, who therefore, for love of Me and their neighbour, gained a living faith to which they hold fast for fear that they might sin. They trust in Me and are convinced that I will grant their prayer, and I do not disappoint such faith, which goes to show that even wrong believers can receive remarkable help by virtue of their faith, but then it should not be assumed that what they believe is true, instead, merely the strength of a living faith can be recognised through it. Nevertheless I

also try to convey the pure truth to them, for one day they will have to accept it in order to become blessed if not on earth, then in the beyond. Yet it will be far more difficult to get through to them with the truth because wrong teachings are too deep-rooted in them and time after time My adversary tries to combine new misguided teachings with the truth, and the more blindly people believe, that is, if they don't think about the spiritual knowledge they are given, the easier it will be for him. Love, however, is the decisive factor, for love illuminates the spirit. In a loving person reservations will arise by themselves and the correctness of what is presented as truth will be doubted. This is why a loving person is often discerning and can detach himself sooner than others from wrong doctrines, or his faith becomes so alive through love that He sees in Me the most loving and powerful Being to Whom nothing is impossible which also gives rise to profound faith in the miraculous power of certain things, which I will not disappoint, even if he diverts from the truth and no doctrine can ever meet My approval which leads people astray. Everything is certainly possible to Me, yet only a person's childlike love and unlimited trust in My help motivates Me to grant it to him, for I have given you humans the promise that I will not disappoint a firm faith, that I will give you whatever you request, if you pray in spirit and in truth. And a firm and indisputable faith also guarantees a prayer in spirit and in truth

Amen

*Prediction of a natural disaster
Dead sections*

An enormous event will precede the last end that is bound to make people who survive it think. It will be an omen of the end, a devastation on a small scale in comparison to the last work of annihilation of this earth, yet of such an extent never experienced by mankind from the beginning of this earth. It is a natural happening that will throw all people who are affected by it or hear of it into a turmoil, for the consequences of the incidents are too enormous as to go unnoticed. There will be created so-called dead-earth sections that show no life at all because the transpiration of the earth on those areas choke out every life. There will be a visible influence of natural forces noticed so that this phenomenon will not be traceable back to human influence because I want to reveal Myself by means of the occurrence in order to substantiate the near end, which is continuously announced by seers and prophets on My behalf.

Renewed sorrow is imminent to people and they cannot be spared of this sorrow as long as they still pay their tribute to the world and pay their respect to Me just on-the-way-by. They need to search for Me in order for Me to be found and this can only be accomplished by means of such an event that cannot be brought in context with work of man. They'll have to feel a higher power behind it and to entrust themselves in their earthly distress to this power. But that's why they need to be subject to this power for the sake of taking resort to it on their own. Earthly speaking, they have to be without help in order to visibly feel the help from above. That's why a violent storm will emerge that uproots

and jolts up everything. The earth will split open and from above and below people will be at the mercy of the elements against which they won't be able to battle because their strength won't be sufficient. An unbearable heat will already render people unable and dull before and apathetically they watch the first phenomena in nature until they then recognize their grim situation and now nearly brutally fight for their life, which they fear to lose.

And all those who are of good will I will stand by in their need and I will give them knowledge so they will see My ruling and working in all the happenings and from this insight also teach their neighbors and encourage them to turn to Me and to preach to them about My love, wisdom and omnipotence so that they may call upon Me when in danger. And I will be their guide and throughout all of the distress all those who believe in Me and are willing to serve Me in the last time prior to the end shall be saved.

For shortly after these happenings the destruction of the old earth [surface] will follow, as it is written. Yet, people are not to experience this destruction unprepared and that's why I send ahead a shadow as a last indication, to be believed, so that people will not enter their eternal ruin but are able to be saved, if making use of their will in the appropriate manner.

Amen

'Thou art Peter, the rock, and upon this rock I will build My church ...'

I certainly established a church on earth but I did not want an organisation I say this to all those who interpret My Word 'Thou art Peter, the rock, and upon this rock I will build My church' such that I Myself Am the founder of worldly organisations which call themselves the true church of Christ. Like all My Words these, too, were intended to be understood spiritually, in fact, they are very easy to comprehend if the faith of My disciple Peter is understood as a rock, which everyone must possess in order to belong to My true church. My church is a purely spiritual foundation; it is to be understood as a community with a faith as rock-hard as Peter's, but never the amalgamation of people in a purely secular organisation, which has to be called secular because everything that proves the affiliation to this organisation must be outwardly recognisable and because further regulations or laws were decreed which inhibit a person's thinking and actions, which entirely contradicts My will. It is My will that people wanting to belong to My church should strive towards Me of their own free will, which necessitates faith in Me as well as love Neither can be enforced nor achieved through regulations; love for Me does not awaken as a matter of duty but through faith in My perfection, and although this faith can be taught, it cannot be demanded. The human being must bring himself to believe after he has received knowledge of Me, of his Creator and Father of eternity. A human being only becomes a member of My church through this self-attained faith, therefore My church cannot be an organisation with a mass of members who lack living, self-attained faith. For although faith and love are being preached, the listeners must nevertheless first activate their will in order to acquire the right of belonging to the church which was founded by Me.

And therefore I repeatedly emphasise that people could not have formed this church by establishing an organisation in which, like in any worldly organisation, leaders of various ranks work, to whom I have never appointed such a ministry, whose functions are more of a ruling than a serving nature and who are often not members of the church I founded themselves because they, too, only believe blindly what they were taught and as yet have neither acquired a convinced faith through deliberation nor a living faith through activity of love. Hence these believe themselves to be My representatives on earth, and yet they are unable to convey truthful knowledge to people because they don't possess it themselves. They feel that they are Peter's successors but they are not because their faith lacks the strength of a rock as soon as it is tested. The church founded by Me will prove itself not even the gates of hell will defeat it. But once the walls of the former are shaken, which is intended by My will, it will not survive and only blindly believing fanatics will remain steadfast but not on account of conviction but because of fanaticism which is not valued by Me as faithfulness. For I want people to think about everything they encounter, and it is My will that they shall acquire vision and don't remain blind due to their own fault. I also want them to think about My Words: Thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it I want people to reflect on how these Words of Mine are to be understood: It is My will that they should be truthfully interpreted and you humans also recognise when human interpretation does **not** correspond to the spiritual meaning which I have placed into My Words. And you will be able to recognise it if you dwell on it with willingness for the pure truth when you are taught by those who call themselves My representatives on earth. My true representatives are certainly informed of the truth and can therefore also provide their fellow human beings with a correct explanation regarding My Word and its deeper spiritual meaning. However, My representatives also belong to the church founded by Me, even though they are not members of an earthly organisation. My true representatives will also announce in My name to all spiritual organisations the end of their existence, because everything that has distanced itself from the real truth will fade away, even if people are convinced that that church will be invincible. Only the church which I Myself have founded on earth will be invincible, which is a spiritual community of those with a faith like Peter's and who, through this faith, shape themselves into My image, who can indeed have a living faith because they are instructed in the truth, who allow My spirit to be effective in them, which always is and will remain a sign of affiliation to the church I have founded

Amen

Antichrist

The faith is in danger

The Antichrist will irresponsibly proceed against all who still believe in a God of heaven and earth. For he will force people to deny their faith which, on My part, is entirely a matter of the human being's free will. He will force them by threatening measures which appear intolerable to people, hence they will be too weak to resist. **The faith is in danger** This should make everyone think who is approached by Me through My messengers on earth, who receives My Word which I have conveyed to My messengers. The faith is in danger Do you know what it means having to make a public declaration and at the same time heading towards extreme earthly hardship? Do you know how people will pull every single religious doctrine apart with the intention to demonstrate its uselessness to you and how little you will be able to answer? Do you know how difficult they will make it for you to stand firm in faith of Me, your God and Father of eternity? How they will take and destroy everything that hitherto seemed irrefutable to you?

Everyone who determinedly rejects their demand of denying Me will be treated brutally, and in the face of this many will weaken and betray Me without resistance, for they lack the strength of faith which arises from the pure truth. I want to draw your attention to this time and enlighten you in advance, because I know every individual person's character and the spiritual adversity you will experience resulting from My adversary's activity, who can be distinctly recognised by the Antichrist's measures. And I want to inform you of his success since he will fight with much cunning and force he will find many followers He will succeed in doing what many before him had failed to do, he will shake the faith which seemed unshakable He will overturn religious doctrines with the greatest of ease for he will be an effective speaker and will show people the error of their thinking, and those who don't carry Me in their heart will cheer him on and agree with him, considerably strengthening his power even more.

He will achieve what no-one else has achieved before he will overthrow a power which was deemed insurmountable. But there is **one** wall he will not be able to pull down, he will meet with one resistance, namely wherever My fighters are under My guidance There he will fight in vain, for My fighters will be invincible since they will be protected by the shield of faith which is so alive that it is strength in itself and cannot be shaken. These fighters of Mine will draw the strength directly from Me, for they will be able to hear and even see Me and not succumb to any temptation they will be enlightened and therefore will also recognise what hour has tolled and how close it is to the end The right knowledge will provide My Own with the strength to persevere to the end; but the majority of people will lack the right knowledge, and when it is given to them they will not accept it.

But I know what will happen and want to help you, and Am only able to do it such that you will be informed about the battle of light against darkness in the last days before the end, about My adversary's great power and your heavenly Father's even greater love and grace for everyone wanting to remain His Own, who thus have the sincere will to belong to the small flock whose shepherd I Am

and whom I therefore will not abandon during the worst battle of faith which the people of this earth will still experience before their end

Amen

Love for the world - disease

No-one can serve two masters

The love for the world is a creeping disease which will definitely lead to spiritual death. And thus you can appreciate that your Father in heaven will quite often have to resort to painful means in order to rescue you from this death, in order to enable your spiritual recovery, in order to make you relinquish the world and its pleasures and attain eternal life It would be misguided compassion were I to shy away from such means only to prevent you from suffering during your earthly life; it would be misguided love which would not be a blessing but only a disaster for your soul. My wisdom, however, looks ahead and My love tries to help you. The fact that you have to relinquish the world in order to attain Me is inevitable, and if you do not sacrifice it voluntarily I will have to take what is dear to your heart. And this is why you so often have to suffer on earth, even if your way of life is not blatantly evil. Yet you are still permeated by wrong love, by love for matter, by the kind of love which first has to be redirected if it is to make you happy. And as long as you don't eliminate this love from your hearts I cannot enter them, for where I stay all earthly longing must have been overcome.

And again I must say: No-one can serve two masters I Am not content with shared love, however, My adversary, the prince of the World, will not allow that you do not give him the sole right over your soul either. And thus the human being has no choice but to make a decision for Me or for him. But as long as he desires the world his decision is for him, who pulls him down into ruin. He will indeed give you plenty during your earthly life, but after your death you will be utterly poverty-stricken in the beyond, and torment and darkness will be your fate My gifts, however, are less enticing on earth for they consist of spiritual possessions which have little attraction for you humans during your earthly life, but after your death they represent an immeasurable wealth which makes you blissfully happy and turns you into children of the kingdom of light forever. I offer incomparably more than My adversary, yet his gifts dazzle you and make you hanker after them. **But remember life after death** remember the hour of your passing away is not known to you, that it can be very soon and that you then will lose whatever earthly goods you possess. Then you will have to fear the hour of death Yet you will yearn for it if you have gathered spiritual treasures, if you renounce earthly goods in order to exchange them for gifts offered by Me. Then you will long for the hour of death, for you know that when you leave the earth it will be the hour of entering eternal life. Earthly life will seem like a fleeting moment to you, and yet it is decisive for the whole of eternity. And therefore you should understand it when I afflict humanity with all kinds of calamities and take everything away that seems desirable to them. It

is not cruelty but love and wisdom, which indeed realises and understands why you humans are in danger and wants to rescue you from it.

Anyone who must suffer should know himself loved by Me, but anyone who receives the possessions of life in abundance is already subject to My adversary, for I know his will and do not compel him to change it. Yet even these people will be approached by Me through their fellow human beings who shall touch their hearts so that they will change their nature into love. Then even they will still be redeemed with certainty. But if their hearts are hardened their good living standard will noticeably continue to get better, for the 'master of the world' will give to them in abundance, because they sold their soul for the sake of earthly possessions and their spiritual death will be assured to them

Amen

Suffering proves God's love

Fire of purification

Accept every burden of life and know that it is necessary in order for you to deliver yourselves from every impediment which is still encumbering your soul. One day you shall freely and without hindrance dwell in spheres that are permeated by light, by that time your soul must have discarded every layer or it will be unable to receive the abundance of light, otherwise the light would meet with resistance which prevents it from entering the soul. What you have to endure on earth only makes it easier for the soul to detach itself from its oppressing shell, so that it can repel what is still tormenting it, what is still tying it down and thus keeping it enslaved. But the kingdom of the blissful spirits knows no impediments, this is why it can only accommodate the pure and wholly spiritualised soul which is free of all impurities that could prevent the permeation of light. The soul must have attained its original state again when, being light itself, it was divine and in intimate contact with the eternal Deity, because it was part of It, a spark of the Eternal Light. All impurities must have been removed first, and that means that the soul must have experienced a fire of purification, which can be the result of intense suffering but also of profound love, but which is always successful.

Hence you humans should not complain if you have to suffer, instead, consider suffering as proof of God's love, Who only ever has your soul's purification in mind in order to provide it with a blissful fate once it enters the spiritual kingdom. Then the soul will bless the suffering and with tremendous gratitude look back on earthly life which, through suffering, resulted in the state of being receptive to light and enabled it to stay close to God in blissful happiness. On earth it is incapable of appreciating the Father's great love and kindness and often rebels against its destiny. Submission, however, guarantees more of God's love, but more suffering also assures higher maturity of soul and life in spiritual spheres in eternal beatitude

Amen

Love for God and one's neighbour

Whatever you want people to do to you when you suffer adversity you should also do to them That is the commandment of neighbourly love, which is the most important commandment for you because it includes the love for God at the same time. For whoever loves his neighbour like his brother also loves the Father above all else, Whose child is the neighbour. And thus you humans know what you ought to do in order to become blessed, for these two commandments are the epitome of My will, the fulfilment of which is your earthly task. If you pay attention to these two commandments of love for God and your neighbour you will be unable to commit a sin but will live to please Me, and I will bless you in turn by increasing your realisation and wisdom, light and strength. Yet you humans also know that you are repeatedly approached by the opponent in order to push you off the right path, in order to make you desert Me. And therefore he will try to prevent you from arousing My favour He will try to stop you from loving Me and your neighbour and time and again persuade you to transgress these commandments of Mine. He will make you conscious of the fact that you are more important, that you should think of yourselves first and thus let selfish love dominate, so that you will have no understanding for your fellow human being's hardship and neglect Me in favour of your own endeavours earthly possessions, which are temporary.

And thus you will have to decide, you will have to choose Me or My adversary you will have to fulfil My commandments or perish in selfish love, for My adversary only wants your ruin. But the love you give Me and your neighbour will make you happy, for this love is truly strength and increases spiritual possessions. Your one and only purpose in life is to help your fellow human being, for selfless neighbourly love is the right means of release for your soul, it is the purchase price for eternal beatitude. In the spiritual kingdom, however, love is natural, whereas on earth it is an effort to rise above oneself, because selfish love still constitutes a strong counterweight which, however, is wrongly directed love and locks the entrance to the kingdom of the blessed spirits. Love comes forth from Me and leads back to Me again, but anyone who is without love has voluntarily excluded himself from My circuit and is therefore at risk of falling prey to the one who is entirely without love because he is My opponent. That is why he has to be fought, love shall be practised and therefore My commandment always be complied with; you shall shape yourselves into love through selfless labours of love so that you will correspond to My fundamental nature, so that you will liberate yourselves from your enemy's bondage, so that you will unite with Me and be eternally happy

Amen

Words of love

Words of wisdom

Teaching ministry

Criticism on publishing

In realising your task in life, which consists of distributing the pure Word of God, everything will cause your rejection that has not come forth from the primary source of truth. But they can nevertheless be Words of love with no indwelling God-opposing spirit, and everything that is not in favour of Me is good if it inspires love. In the spiritual kingdom the beings which are permitted to teach recognise each other by their radiance, it is therefore impossible for a still spiritually unenlightened being to intervene. The earthly child which willingly opens itself to the spiritual influx will be lovingly grasped and protected by the beings of light I, your God and Father of eternity, Am present in spirit to all those who want to be in contact with Me. I do not abandon these people, for they are My children who have already informed Me of their will. Hence they also sense My presence, they hear Words of encouragement and of comfort from Me, they hear Words of love, which I have on hand for all people who want to listen to Me. It is also My will that they speak to their fellow human beings of My love, I want them to actively stand up for Me, that they motivate their fellow human beings to establish contact with Me as well, that they therefore guide all those into a living faith who allow themselves to be led, thus who are willing to recognise Me. I also give them the ability to speak on My behalf so that they can be successful when they vividly describe My working in them by filling their hearts with profound love for Me and their subsequent hearing of divine Words of love. This has to be said to all those who can hear Me speak in spirit, to whom I reveal Myself so that they will learn to recognise and love Me. They shall proclaim that they themselves experienced My working in them.

However, not all are assigned the task of instructing their fellow human beings, the task of imparting the divine wisdom, the eternal truth to them. For this teaching ministry requires more, only the chosen ones among those I have called shall hold such a teaching ministry and it is them who must therefore first be instructed by Me for the teaching ministry before they can work on My instructions. Anyone who wants to proclaim wisdom must be wise himself and accept his wisdom from Me, for that which should address a person's heart must also be acceptable to the intellect. Wisdom must be recognised as wisdom, for although it requires good will to do so first it must nevertheless also stand up to serious scrutiny, which can only be expected from truthful knowledge. The intellect must not be excluded where it concern the acceptance of My pure teachings of faith. Since I gave the human being the ability to think I must also provide him with knowledge which his intellect is **unable** to reject if the heart is open to My instructions. Consider this, then you will understand that not everyone can be a teacher for his fellow human beings, that a person must first have penetrated the wisdom himself before he can instruct other people. Furthermore, consider that all instructions spread through print or in writing are intended to be a blessing that you should therefore proceed very judiciously if you don't want to endanger the pure truth, which cannot be taught by **everyone** who is not called to do so. For you **endanger** the truth if a serious

seeker of good will discovers flaws which make My nature seem implausible or imperfect to him, because his intellect also wants to form an opinion. I, your God and Father of eternity, certainly recognise your will to be of service to Me and bless you for it, yet you should not step into the public domain without My specific instruction, since you have plenty of opportunities to work in privacy, that is, in the circle I Myself bring close to you. For I look into the human hearts and know whom I bring together so that they can find Me. Yet I also know what causes deliberate rejection if it is not offered to people in the right way. I certainly give evidence of My love to all those who desire it, yet not all of them have attained the degree of maturity in order to hear My Word **audibly**, just as not every soul is capable of repeating what My love conveys to it **mentally**. For this reason such souls are not called for teaching work, although they can be very beneficial by communicating their thoughts to people in their vicinity since, if they love Me, their thoughts cannot be wrong as soon as they speak on behalf of Me and My kingdom.

On the other hand, it is quite a different situation where it concerns the public distribution of spiritual information to the human race, which lays claim to having emerged from Me directly and which should be accepted as purest truth. Then those who seriously and with good will scrutinise it intellectually must also be able to accept it, because the pure truth, having originated from Me, can certainly stand up to any test, since it speaks for itself. **Even** the pure truth will meet with more rejection than acceptance, but the reason for this cannot be found in the fact that it is unacceptable for a person, but that the person, due to his God-opposing relationship, is no longer capable of recognising it. But even the person most incapable of recognising relentlessly uncovers what prevents him from accepting spiritual knowledge and is delighted if he encounters a target in order to doubt the pure truth. And you should not provide him with these targets if you want to work for Me and My kingdom. You can certainly be of service to Me and constantly present Me to your fellow human beings as a God of love and mercy; you should, wherever possible, influence your fellow human beings to practise love, by living a way of life according to My will you should be an example to them, you should strive spiritually and also strive to encourage your fellow human beings to do the same, you should sincerely unite with Me and pray to Me in spirit and in truth, and you will feel My emanation of love increasingly more, you will think, act and speak correctly and thus be My faithful fighters in the battle against the one whose aim it is to ruin all those who don't resist him. And thus you should wait until you hear My call to carry out specific work in My vineyard, for the time is not far away when I will need those of you who want to be of service to Me, and when I will assign a task to everyone according to his ability and blessed will be the one who serves Me

Amen

*Destructive will of God's adversary
Bound spirits - Human being*

Everything that is transient in the world belongs to My adversary, that is, all matter shelters imperfect spirits which My adversary once turned against Me and which therefore still oppose Me. Material Creation came into being through My will and he has no authority over it. And yet, this world belongs to him, for he can boast that the spiritual substances bound in matter are the product of his will. However, My will caused the emergence of material Creation in order to remove the spirits from their creator's control and he will never ever be able to destroy My work of love and compassion although it is his constant endeavour. He certainly would like to liberate the spirits from the bound state I placed them in for the purpose of attaining beatitude, for as free beings the imperfect spirits would never strive towards ascent but, under the control of My adversary, would continue to descend ever further into the abyss. For this reason I removed his power over these spiritual beings and created forms he is unable to destroy, because they are My consolidated will. Thus, My adversary has no control over the spiritual substances which are still bound in matter However, he tries to use it all the more on the final material form which shelters the spiritual being, on the human being in the stage of free will He cannot force the human being to become enslaved by him yet he can seduce him in every way and try to cause him to maliciously destroy material creations as well. Thus, he uses the human being in order to accomplish his will after all the destruction of matter It is, however, up to the human being to comply with his will or to offer him resistance. And in order to win a person over for his disgraceful plans My adversary enticingly presents that to him which he himself would like to be destroyed. He tries to arouse or to increase the human being's greed for matter and thereby also trigger instincts in him which do not shy away from destroying matter in order to enrich himself or to amass possessions, thereby taking their actual purpose of releasing themselves through being of service away from them, because the human being himself prevents the inherent spiritual substance from being helpful.

Consequently, what the enemy is unable to destroy he wants to prevent from developing further. He tries to give permanence to that which is impermanent, if his destructive will cannot reach it. And the human being obeys him only too gladly as long as matter is enticing to him and he constantly aims to increase it. If My adversary succeeds in tempting people into becoming destructively active, then the prematurely released spirits will wreak so much havoc that it will revoke the order, so that chaos will ensue which will also affect those people who want to withdraw from My adversary's influence. For the devious spiritual beings will cause destruction everywhere, which will always happen through My adversary's initiative who will once again exert his influence over the released spirits. This is why they will be bound again by My will Due to the individual person's impulse of preservation, people, whose material possessions were destroyed, will constantly create works for helpful purposes again in which the spirits which escaped from matter will be bound once more for their continued maturing. And these works will then be even more eagerly of service, because the inherent spiritual substance will sense the relief of having been integrated

into the process of development again, which it involuntarily had to abandon. It will sense the benefit of order which forms the basis for all My creations, in contrast to My adversary's unlawful activity, which it is indeed subject to in a free state but which does not make it happy. The human being can, by virtue of his free will and My grace, which is at his disposal, resist My adversary and contribute considerably towards preventing him from destroying matter if he helps it to fulfil a serving function and only destroys it if matter is given a higher function of service. Then the human being will keep removing himself ever further from My adversary's influence, then he will completely submit himself to My will by releasing himself and also help the spiritual substance in matter to progress in its development by not granting My adversary any power at all over himself and also trying to release matter from him, by making sure that the human being's will always resists My adversary

Test the spirits

Satan's great power before the end

Doubts

You will experience ever more doubt and confusion thanks to My adversary's incentive who wants to pull you away from Me and also prevent the pure truth from establishing itself as it will glaringly highlight his activity. He is therefore always keen to isolate My followers and representatives on earth, to stop their connection with people who want to educate them and introduce them to the truth. He proceeds with great cunning and in a disguise which even My Own find difficult to recognise. He spreads his poisonous seeds all over the place to render everything which is intended to have a life-giving effect incapable of living. He instils severe doubts in the hearts of those who work for God and His kingdom But anyone in doubt should turn to Me directly and I, as the eternal Truth, will help him at all times, for it is My will that the truth shall be spread and that everything shall be denounced which does not correspond to truth I can certainly impart the truth to you directly, however, as long as you are not receptive for communications from the spiritual kingdom you will be instructed through My messengers, and you should scrutinise their credibility, their faithfulness, that is, their way of life according to My will. Then you will be able to form a correct judgment, then you will be beneficially affected by the pure truth and you will recognise that which does not and never can come from Me.

My adversary will put even the staunchest champions of faith under severe pressure with his weapon of deception and falsehood. He, too, pretends to be devout and devoted to God if he can thereby cause confusion. He does not eschew from using the mask he hides behind and presents himself as My representative on earth, yet it is easily recognisable for anyone who wants to belong to Me and is watchful. He can be recognised; consequently, not one of My Own needs to be afraid of getting caught up in his web of lies, as long as he genuinely wants to do what is right. He can only cause confusion in weak

or undecided people who have not entirely escaped from his power. And he is only able to deceive them because they don't take an examination seriously and don't keep strictly to My Word, which always helps them to become aware.

Anyone who lives a life of love, who therefore lives up to My Word, cannot be deceived by illusive words of love, for My adversary will never preach unselfish love but always endorse that which will provide people with earthly success, even if the word 'love' is used as an excuse, for then selfish love becomes the driving force of action, which I never have preached nor ever will preach to people. The spirits which visibly or invisibly approach people must be tested, and they can certainly be recognised if the divine Redeemer Jesus Christ is mentioned to them if I Myself Am called upon in spirit and in truth for help with every serious scrutiny If complete clarification about Jesus, the Son of God, and His act of Salvation is demanded from these spirits they will have to speak up regardless of whether they are spiritual beings or embodied as humans. And every spiritual being which stands up for Christ and His act of Salvation, which acknowledges Him as the Son of God, is good and will never cause you harm. But if a being, be it human or spiritual, portraying itself as a saviour, as someone chosen by Me or as an anointed being designed to influence you, merely avails itself of Jesus' name in order to make you listen to it, then it is an emissary of hell which can only mislead those who are enslaved by it or the weak, who merely expect from it and its propositions worldly-material improvements, therefore they should not be spiritually acknowledged as My messengers. My adversary has great power, especially during the last days before the end, but it will never be so great that it could be detrimental to you, My faithful followers, for if you live a life of love you will be spiritually enlightened and recognise Satan's machinations However, many people are still captivated by him, and they themselves grant him the power he exerts over them. He will certainly still cause much confusion amongst people, yet My Own will not fall prey to him, and even the tiniest spark of desire for truth will find Me prepared to hand out My grace so that My adversary's activity shall be recognised and abhorred. You, who are true yourselves, should therefore not fear his mask a heartfelt thought sent up to Me makes his influence ineffective and you will brightly and clearly recognise what is true and what is false

Embodied beings of light

Lack of past memory

Forerunner

Those who want to be of service to Me ought to know the following: the spiritual state of people who live in the last days requires special help by the beings of light which work on My instructions in the spiritual realm as well as on earth, where a large number of them are embodied as human beings in order to fulfil a redeeming mission. How the beings of light work and help them is clearly evident to people who accept the spiritual information given to them, because they know that people's spiritual hardship can only be remedied through the gift

of My Word from above. In view of the wide-ranging spiritual decline it would be completely impossible for My Word to gain acceptance amongst humanity, because it would neither establish the connection with the spiritual world, nor would it want to or be able to accept proclamations from this world. Therefore the world of light has to take mediating actions, the beings of light must look for suitable vessels on earth into which they can pour the emanations of My spirit and thus where necessary beings of light descend to earth as human beings in order to become a link between people and the spiritual world in order to be mediators between Myself and people. Hence a large number of beings of light are embodied during the last days before the end, in which you humans live at present, in order to help you, given that you are deluded and ignorant, live a wrong way of life and are therefore in serious trouble.

You yourselves are unaware of the low spiritual level and its consequences, and if the knowledge is given to you, you won't believe it. Yet the world of light shelters inhabitants who look upon the activities in the darkness on earth with horror and want to rush to your aid in order to still help those who don't offer resistance and entrust themselves to their guidance. However, they are nevertheless human beings who thus want to help and inform you. This is why you don't recognise them, just as they don't recognise themselves as beings from above even though they, as human beings, sincerely strive to ascend They are human beings like yourselves and yet their will is directed towards Me, who cannot be harmed by My adversary anymore because they have already become My Own before they came to earth for the sake of the needy human race. They want to bring you the light they constantly receive from Me and which simultaneously is the strength to ascend. Yet neither are they aware of the fact that they voluntarily came to earth, for their efforts to ascend have to be clearly observable by their fellow human beings in order to encourage them to do the same. Were a being of light recognisable as such to people it would not be able to serve them as an example, for then people who are afflicted by all weaknesses and flaws would feel incapable of ever attaining this example. Only very special, elevated spiritual beings know of their mission and origin and also inform people of it, although they will find no credence.

But such elevated beings of light will be recognisable to anyone who wants to recognise them, for their mission always involves public and not private activity, for then not just individual people but all people shall be informed of supernatural activity, of the strength and might and glory of the One, Who is Lord over life and death and the whole of creation, Who does not want His living creations to descend into darkness and therefore sends an exceedingly bright radiating light from above And one such light will bear witness to Me and become a talking point. And once it shines you will know that the end is not far away, that humanity has been granted just a short reprieve, for if he is not listened to and his warning call remains unsuccessful then nothing can save the unspiritual world anymore then the end will have come without fail as it is proclaimed in Word and Scripture

Amen

*Examining deviating spiritual information
(Spiritualism?)*

Don't fail to appeal to God for clarification when you have questions or doubts in your heart, because He, Who is the eternal Truth Himself, also wants you to live in truth and brightly and clearly recognise it as such. You have the right to raise questions, as bearers of light you must be knowledgeable in order to be able to instruct your fellow human beings correctly, and thus you are entitled to criticise if you are not convinced that the spiritual knowledge you receive from external sources is the truth. In that case it is not just your right but also your duty to establish clarity for the sake of truth, in yourselves as well as in regards to those who spread error and claim it is truth. God always remains true to Himself and thus His Word will also always be the same, just as His will turns into an action in keeping with His plan of eternity. No-one will ever be able to claim to have received something from God as truth which deviates from His eternal Word, for His Word will never change. Whatever He announces through seers and prophets will come to pass according to His Word. But the meaning of His Word can be understood differently by people and therefore it is necessary to explain time and again how He wants His Word to be understood. And these explanations can only be conveyed to people from the spiritual kingdom, which repeatedly happens through divine revelations, through the direct transmission of the pure truth, by God speaking to suitable people through the voice of their heart directly but also by way of beings of light, which themselves live in absolute truth and also want to impart it to people on earth. Consequently, only the purest truth comes forth from God as well as from the kingdom of light to people, providing they sincerely desire it and the recipient himself accepts this truth without distorting it, which depends on his degree of maturity God does not deny Himself to anyone who appeals to Him for the pure truth, He grants it to him without reservation, yet the applicant is not always capable of receiving spiritual knowledge, that is, of understanding it as it should be understood The truth comes forth purely and clearly from the spiritual kingdom, however, a heart not entirely pure will cloud it and then pass on ambiguous spiritual knowledge; this is why the degree of maturity of someone who wants to spread the truth on earth will determine its purity. The spiritual information does not come spoilt from above; instead it is distorted by the human being's will if he lacks the necessary degree of maturity which shapes him into a proper recipient of divine truth. Hence this is the explanation for **minor** variations which nevertheless cannot be considered an error.

However, completely contradictory messages from the spiritual kingdom claiming to be irrefutable truth necessitate a serious examination. For then different forces will be the points of origin of the proclamations and should therefore be subjected to a stringent review. And again, the degree of maturity of the one who desires to receive spiritual knowledge has to be examined first, albeit this is not easy for you humans, since a person's inner nature is not so openly accessible to you as to be able to assess the person's quality. But then you must keep to the Word which was once spoken by God and which will never lose its meaning, even if eternities pass by If therefore an explanation completely deviates from this Word you can rightfully believe it to be a deception by dark

forces which pretend to be knowledgeable and which only succeed with people who seek contact with the spiritual world without having the necessary maturity to be a receiving terminal for the pure truth. Hence their hearts are not yet pure enough in order to serve as a receiving vessel for the divine spirit but who are nevertheless spiritually arrogant since they want to be something they are not and so fall prey to the forces of the underworld. The latter will understandably instruct them regarding their raised questions, but not truthfully so as to deepen the darkness with error where light is sought. God imposed conditions which must be fulfilled if the human being wants to hear His Word in direct contact with Him, which guarantees purest truth and the first condition is to shape the heart into a worthy vessel of His spirit through selfless love Love includes profound humility, childlike prayer and the utter submission of will to the divine will. Anyone fulfilling these conditions can confidently establish contact with the kingdom of light and need not fear to receive error or not to recognise the truth as such. As a recipient of divine truth he will also be able to legitimately advocate it, and his teaching, his knowledge, will always concur with the Word of God, which eternally remains as unchanged as it came forth from Him He will always know the truth because he will be instructed by God Himself, the Eternal Truth

Ten Commandments

First and second commandment

You shall be given the guiding principles by which you should live on earth and fulfil My will: You always have to keep My Commandments of love in mind and then you will never be able to sin, because a life of love is at all times a life within My eternal order and then it is impossible to sin. My Commandment of love towards God and your neighbour incorporated the laws and the prophets, hence the Ten Commandments given to Moses were not eliminated by My Commandments of love but merely confirmed. The Ten Commandments were integrated at the same time in My Two Commandments, wherein I required love for Me and your neighbour You shall give all your love only to one God, thus only one Being should represent to you what you wholeheartedly aspire to, what you love and worship, what you strive to reach. Nothing shall exist to you that could replace or displace this most perfect Being, your God, because all else a person still deems desirable are gods which reduce the love for your God and therefore cannot be tolerated beside Me. Your love shall fully and completely relate to Me, your God, Creator and Father of eternity. Because as a result of this love your conduct in life, your will and your knowledge will be shaped. Anyone who loves Me more than anything else has gained everything, Me Myself, My love and eternal life close to Me This commandment is the first commandment, nevertheless it also includes the second commandment, love for your neighbour. Because the love for what I created is also an acknowledgment of love for Me, and therefore both commandments are not to be separated from each other. So that you will learn to believe firmly and steadfastly you shall

sense My nearness and feel that I Myself Am speaking to you and take notice of all your thoughts and requests, even if they are not voiced. I will always share your inner life, I will know your questions and always will want to answer them just as soon as you give Me the opportunity, i.e. as soon as you mentally present the question to Me and patiently wait for the answer You will always receive the reply as soon as you attune yourselves to receive it, thus by listening within yourselves, from where the answer will emerge.

And thus hear the explanation of the commandment: Second Commandment.

‘You shall not take the name of your Lord in vain’ I Am and remain the highest and most perfect Being for you, Whom you nevertheless can contact at any time. I want you to unite with Me, to strive for unity with Me; I want you to call for Me because by doing so you inform Me of your will; I want you never to exclude Me from your thoughts, I want to be the First and the Last to you, I want you to share with Me everything that moves you, I want you to come to Me for advice and completely confide in Me, and humbly submit to My will But I do not want you to take My name in vain without the involvement of your heart I do not want you to live a life of pretence, I do not want you to appear to the world as My children who are sincerely devoted to their Father and in reality are very distant from Me. I do not want you to speak My name before the world and make the connection with Me absolutely impossible due to your attitude, due to your conduct which does not correspond to My will but which remains hidden from other people because you are constantly using My name in order to deceive them. You are using My name in vain when your heart and mouth do not agree with each other, when your mouth speaks differently than your heart feels. Then it is truly better for you to openly turn away from Me, because then you would lack all knowledge, whereas by mentioning My name you are admitting to know Me although you still dislike Me in your heart. You don’t mislead Me but you certainly mislead your fellow human beings, and thus you are playing a game of falsehood and deceit with Me. You should become conscious of the fact that the deceptive mentioning of your God’s name will double your sin, that you are more or less using Me as a cover for your wrong way of life, that you want to cause confusion amongst those who still believe and to whom I Am the highest and most perfect Being. I should punish you for every call to Me and every mentioning of My name from your mouth but I acknowledge your free will and put up with your sacrilege which, however, at times makes the believers wonder and doubt their faith. Therefore every mentioning of My name without sincerity is a temptation for the believer for which I will hold you to account one day. It is belittling Me, Whom you do not acknowledge and yet use to veil your true nature, Whom you thus try to turn into an accessory otherwise you would openly turn away from Me and not try to conceal your way of life. The deceptive mentioning of My name is a lie which will avenge itself badly when all sin will be revealed one day, it is a flagrant violation of the commandment of love for God and the next person

Amen

Third, fourth, fifth and sixth commandment

‘You shall keep the Sabbath Day holy ...’ This commandment is meant to make you conscious of the fact that you are indebted to Me, that earthly life was given to you for a specific purpose, that you should sincerely strive to make contact with Me that you should cross the bridge to Me, that you should leave the world behind and, through contemplation, heartfelt prayer and silent dialogue with Me, move yourselves into the spiritual kingdom: That you thus keep a true Sabbath Day, that you take a period of rest from the rushing and racing of the world, in which you certainly live but which should not turn you into slaves. In Me alone should you recognise your Lord, and it is Me Whom you should serve and thus you should frequently stop for an hour of rest, when your thoughts are with Me even when you perform your earthly duty and are constantly active. The more you can detach yourselves from the earthly world, the more often you connect with Me in thought, the more convincingly will you recognise Me as your God and Father of eternity and thus, by fulfilling this commandment of keeping the Sabbath Day holy, you once again simply fulfil the commandment of love for Me. But your love shall also apply to your neighbour. Who, however, is your neighbour? All people with whom you come into contact your love shall belong to all of them When I, through Moses, gave people the Ten Commandments it was necessary to make people particularly aware of their mistakes and bad habits, because their love had grown cold for all people in their surroundings. Even the children no longer practised love, it was a state of wickedness, depravity, and selfishness For this reason the commandment of love for your neighbour had to be presented to them in every detail. They ignored all divine order, and thus they had to be given several commandments which, indeed, are all included in the commandment of love for your neighbour but which also need to be observed by people today if they don’t want to infringe against love.

You shall honour your parents, offer them the love of a child and always be obedient to them. You should always remember that they, with selfless love, are preparing you to become human beings and thus enable you to live earthly life for the purpose of higher development, that they were given this task by Me, that you should thus repay the innate love they give to you and which is motivating them to physically and psychologically take care of you. You owe them your life and thus should honour them and return their care for you until the end of their life. Then I, too, will look upon you with pleasure and give you My love because by loving your parents you show a warm and loving heart which will also love Me, once it has recognised Me as the eternal Father from Whom all living creations emerged, who He wants to shape into His rightful children. Only love will turn you into My children, and anyone who loves and honours His parents will also love the Heavenly Father and be blessed by Him Amen

(4.10.1950) ‘You shall not kill ...’ This commandment also fulfils itself if your neighbour is looked upon with love. Because love will never damage him and even less endeavour to take his life. It does not merely concern the human being’s life on earth which the heartless person intends to take; it concerns the opportunity of development which can only successfully change the human

being into a child of God on earth. You therefore burden yourselves with an irresponsibly severe guilt when you violate a human being's life, when you forcibly end it and by doing so unlawfully rob the soul of My gift of grace. You are committing a double sin, against your neighbour as well as against Me, as in fact every offence against the commandment of love for other people is an offence against your love for Me, because you also indirectly refuse to love Me, Who created your neighbour. To end an earthly life should never be endorsed even if honourable motives give cause to it. Because once again it is decisive that the soul only received the body's life for the purpose of higher development. You should not consider earthly life, the life of the body, as the most important and consequently only take the body's life into account. But far less should you deem earthly life so unimportant that you think you may end it arbitrarily. The person who unlawfully takes another person's life will be pursued by an inconceivable vindictiveness on earth and even in the spiritual kingdom and, furthermore, due to such acts of hatred and heartlessness he will lapse into deepest darkness himself for he will have devoted himself to Satan who, in order to prevent all higher development, endeavours to destroy the life that I awakened. He has transferred his willingness to sin to the person and thus has used him to commit an evil act which, however, the person could have refused to commit of his own free will. He was not forced to sin But when earthly rulers bring force to bear, when a human being acts in self-defence in order to protect his own life, when his inner being resists an act of most blatant heartlessness and yet is unable to oppose earthly law, the attitude of the person acting against this commandment will always be taken into account. However, if the person violates the commandment wholeheartedly he will be held fully responsible because he ignores My commandment of love and belongs to My adversary Amen

'You shall not commit adultery' This area is particularly significant because it incorporates everything in relation to carnal desires. It concerns the sensual orientation, the active expression on the sexual level. Indeed, I Myself gave the right for this with the Words 'Be fruitful and multiply' I Myself created humanity such that the bodies of a man and a woman long to unite, nevertheless the final purpose of the latter is just procreation. And since the human being has free will it is up to him to control himself or to fully express himself without self-control. What on one hand is blessed by Me can, on the other hand, be a most welcome opportunity for the adversary to entice the person into sin, although he will always be conscious of it because every sexual activity, every fulfilment of carnal lust pulls the human being down and even places him below the animal, which only acts out its instinct in accordance with natural law. But the human being has his freedom of will because he should learn to control himself, because he should suppress his body in order to help the soul to ascend. The sensual instincts are the greatest obstacle for the spiritualisation of the soul. And yet I created the human being such that carnal desire can pester him greatly if he allows himself to be controlled by it if he has no will to resist the temptations which are always caused by My adversary. The commandment I gave to you, not to commit adultery, is a serious one And adultery is every impure way of life which in truth signifies an unlawful conduct against My law of order a misuse of the natural process of procreation for the purpose of awakening human life.

Two people should find each with other pure, unselfish love, and a subsequent conception as a result of such love will never be a sin because it complies with My eternal law of order. However, all sensual passion without love is of utmost danger for the soul, which will lapse into spiritual darkness and only with utmost difficulty will be able to lift itself out of it. Carnal desire is selfish love to the highest degree which stifles all unselfish love for a fellow human being, because nothing is sacred to such a person, he does not honour and respect his fellow human being but merely takes advantage of him He takes what does not belong to him, and thus sins against the commandment of love for one's neighbour in many different ways. Anyone whose soul genuinely endeavours to ascend also knows that he should not enjoy life entirely uninhibited because he will feel that his soul is pulled down and that it will have to make an incredible effort in order to lift itself up again. A right kind of marriage will never find My disapproval or I would not have created humanity to reproduce itself, however, boundaries can easily be exceeded, and every excess is a breach of the marriage wanted by Me through natural law the coexistence of man and woman for the purpose of humanity's reproduction But I know people's nature, I know their weakness of will and My adversary's extremely powerful influence I do not condemn those who sin but I Am giving them the commandment for their own benefit, and anyone who follows it will also love Me and his neighbour, he will travel the path of ascent easier than those who give free reign to their bodily instincts at the expense of their soul

Amen

Dogma: Mary's ascension

Your spiritual development depends on your attitude to truth. Anyone who looks for it will find it and progress without fail, anyone who rejects it or is indifferent to it cannot gain spiritual advancement, since he does not live with love either, which is closely connected to truth. People's response to truth corresponds to their response to Me, Who Himself is eternal truth as well as love. And thus you will understand that I will always endeavour to convey the truth to people, since error understandably has to retract away from Me. Every inaccuracy has to be rectified and misguided teachings exposed because they poison people's thoughts and consign the soul into the hands of the one who is the representative of lies. Hence it cannot be tolerated that people are offered error in form of religious dogma which they have to accept. Any doctrine demanding compulsory acceptance meets My disapproval, even if it corresponds to the truth, for faith in such a doctrine does not result in any benefit for the soul. It is far worse, however, if a misguided teaching is forced on people which is of no use for the development of the soul. No measure can ever meet My approval which restricts the human being's free will And every dogma is an infringement of free will In any case, it is inconsequential for the ensuing generations how the mother of Jesus left earth because, as long as people are not spiritually advanced enough to comprehend the process of

a soul's spiritualisation, the portrayal of ascension will only result in darkness again. Complete lack of understanding will result in doubt and disbelief.

However, the ascension of Christ is a different matter. He was, after all, the divine Redeemer, Who had to be obeyed by every power and Who accomplished the act of Salvation for all human beings. Hence, all human beings should also receive knowledge of Him, and His earthly life from beginning to end should therefore be known and comprehensible to people. His ascension was the conclusion of divine activity on earth, his ascension was the culmination, it was the fulfilment of many prophesies and the completion of Jesus' life on this earth. But even the belief in this should not be demanded, but people should remain completely free to believe it, because only a life of love and profound desire for truth results in living faith Consequently, it is neither valuable nor advantageous to provide people with a new bone of contention, which human intellect cannot prove and which requires a higher degree of development in order to be understood and believed. This, however, is no longer found amongst people and therefore it merely increases the confusion when, in fact, people ought to be receiving knowledge

Amen

Seventh and eighth commandment

For My child, who is serving Me with loyalty and steadfastness, another sign of My love and grace: You were also given the commandment: 'Your shall not steal.' If you take whatever belongs to him you are quite obviously disregarding the commandment of love for your neighbour. You should respect your neighbour's possession, indeed even protect it against his enemies, otherwise you do not feel the love for him that I require of you. You should love your neighbour as yourselves and you will be grateful to anyone who respects your possessions; hence you should do the same in order to gain your neighbour's love too. Whatever you acquire unlawfully will not result in any blessing to you, rather it will burden you and weigh your soul down which wants to ascend. You shall not steal This does not just concern earthly commodities, which you should not take from other people. You can also cause him spiritual damage by denying him that which benefits his soul and what My grace is giving to all people and what can be given to him by each one of his fellow human beings. Thus, anyone who owns spiritual wealth has received this from Me However, your fellow human beings also have the same right to partake in it and you should not diminish this right by withholding from him things which are also intended for him. In that case you are more than less taking what belongs to him too, even if he has not yet taken possession of it. Your behaviour will then reveal no love for your neighbour and even less love for Me, your God and Creator of eternity. Any reduction of spiritual or earthly wealth is therefore covered by this commandment, and any negligence of love for other people will reflect on yourselves, who shall receive as you give, and who shall lose what you take away from people. And thus, psychologically and earthly you shall receive the reward you deserve

And in the same spirit you should understand the following commandment 'You shall not bear false witness against your neighbour.' Your mouth should always speak the honest truth, you should never damage your neighbour's reputation, his standing amongst his fellow human beings, by telling lies. Any defamation is a sin against this commandment, with every lie the person is causing damage to other people and acting heartlessly and unfairly, to which he will have to be answerable. When you are asked to bear witness to your neighbour be truthful and full of love for him. Try to understand his faults and kind-heartedly point them out to him but do not take advantage of his weakness by trying to belittle him for your personal gain. You can damage the other person with a thoughtless word and awaken thoughts of retaliation in him which will stifle all love and make the person sinful. You should certainly remain truthful, thus not praise an undeserving person contrary to your better knowledge and conscience, but distance yourself from every act of unkindness, distance yourself from all belittling of other people for your own advantage. Any judgment of your neighbour that does not correspond to the truth is a flagrant violation of this commandment for it lacks all love and brings no honour to you humans. Every lie is to be condemned but when it is plainly intended to damage another person it becomes a double sin, a sin against the other person and a sin against Me, Who is the eternal truth Himself It is a violation against the commandment of love against Me and against your neighbour

Ninth and tenth commandment

People who still languish in matter also desire it in every sense. But the purpose of the human being's earthly life is to overcome matter, to detach from it, to eradicate everything the world can offer to people, because only by overcoming the latter will the soul achieve the necessary maturity in order to enter the spiritual kingdom. To desire worldly things need not be a sin, although it hampers the person's higher development, but it can easily result in sin because greed tries to acquire the object of its desire and this frequently by dishonest means. The greater and stronger the passion for things which give the body a sense of well-being, the more the person's mind will focus on it and can trigger bad instincts and characteristics in him which will result in harming other people.

For that reason I gave you the commandment 'You shall not covet your neighbour's wife, house, servant, or anything that belongs to him' Everything that belongs to your fellow human beings should be sacred to you, you should not attempt to seize any possession from your neighbour and even the thought of taking it is a sin, because it betrays your will, your darkness of soul, which as yet does not know love. And although you try to hide your cold hearts from other people they are obvious to Me due to your longing, and as soon as you greedily think about your neighbour's possessions you do not see the other person as your brother whom you should love as yourselves. You should grant him the same right that you demand for yourselves, to respect your wealth; you

should be pleased when your neighbour is successful and help him to increase his wealth; then you are winning the fight of overcoming matter, then you will acquire more riches than you could ever take away from other people, because your love for your neighbour will be rewarded by My love, and this will truly give you an everlasting treasure of grace which offsets all worldly possessions and joys.

Hence you should also respect and protect your neighbour's possessions and distance yourselves from greed if you don't want to infringe against the commandment of love for your neighbour, which I only gave you to make your ascent easier, because only through loving your neighbour can you gain My love and only through love can you become blessed

*Accountability on the Day of Judgement
Redeemer Jesus Christ*

Sooner or later all of you will have to give account of yourselves before My judgment seat and remember every hour you wasted and lost for eternity. Sooner or later all of you will have to confess your sins because they become apparent and cannot be kept secret any longer, for nothing remains hidden before My eyes. And thus I demand an account for all your thoughts, words and actions. And you should remember this Day of Judgment if you think that you can sin with impunity, this day, when all of you will have to be answerable about your way of life on earth. It will come without fail and take all of you by surprise because you don't expect it quite so soon. Yet it will come like a thief in the night, without warning and in silence, it will come when no-one expects it. And yet not unannounced, for long before I will have drawn people's attention to it, to the Day of Judgment, the day of the end and the destruction of this earth. The fact that you humans do not want to believe it will not change My plan of eternity, for this day has been predetermined according to My will and human will shall be unable to postpone it but must submit to My will. The reason why I speak to people time and again through servants on earth and in the kingdom of light is due to the fact that a day like that, which concludes an unimaginably long period of development, shall not come unannounced to humankind. The Day of Judgment is the conclusion of an earthly period which was granted to people for their salvation. During this developmental period people received a special privilege the divine Redeemer Jesus Christ Himself came to earth in order to help those people who wanted to fail in their process of development.

And thus people were able to redeem themselves if only they wanted to. If, however, their will fails then it will be their own **fault**, and as long as people live on earth I warn them time and again about this fault. Their fault only consists of the fact that they don't want to accept help but are too weak on their own. What they can do they don't want to do, hence they will also have to take responsibility for what they don't want to do. This is why everyone will be held to account on the last day, for they all had a measure of blessings at their disposal which could have helped them to ascend with ease. And the indications of the end

through seers and prophets are part of these blessings. But anyone who does not listen to them, who does not give credence to them, does nothing for his own redemption either. I always admonished and warned people through seers and prophets, and the often enough announced end of the old earth also explains the emergence of prophets in My name, because I won't leave people without warning and they are living in the last days, because the end is so near that all of you would be shocked if you knew the day and the hour. Time and again I draw your attention to it yet no-one shall be forced to believe it, but woe to those who listened to My Word and refused to believe it who recognised it as My Word and yet do not believe in the end and the Judgment and therefore do not prepare themselves for the end. Woe to them for the hour will take them by surprise when the last Judgment arrives

Amen

'Deliver us from evil'

Deliver us from evil You are often approached by temptations which are indeed permitted by Me but which are always My adversary's activity, because he also fights for every soul and therefore tries to influence the human being to oppose Me, thus to encourage him to sin. These temptations are always an obstacle for the human being which can make him fall, yet I, too, won't leave him without grace as a countermeasure against Satan. I, too, will come forward, distinctly and recognisably, when the human being is facing a crucial decision, when he is pushed off the right path by My adversary's cunning and is still uncertain. Then a short quick prayer is enough, a thought to Me: Deliver us from evil I will clearly step forward by revealing the right path to him, and I will show him the darkness of the other path he was in danger of taking I will assist every person who merely sends a questioning and imploring thought to Me. I will certainly allow temptations to take place, for the adversary is also entitled to exert his influence, after all, it concerns the free decision of will, and for this the human being must be subjected to both influences, the good as well as the evil. Yet he need not succumb defencelessly, he will always be able to give resistance, because I will help him once he has taken the path to Me. And then I will show him very clearly which power wants to harm him I want to deliver you humans from all evil, I want to liberate you from the control of the one who caused your constrained state, it is My will that you shall become happy, that you shall no longer feel pressurised by the one who intends to ruin you, who entices you to fall and who spares no means in doing so. He will even appear to you as an angel of light if he thinks that this will be successful, he wants to possess you and uses cunning and trickery. And yet he will find his Master in Me, for once a soul has chosen Me it will never again fall prey to him. But woe to the person who is enslaved by him For he will hold him tightly until the latter beseeches Me for help, which will surely be granted to him. Deliver us from evil Often voice these words in your heart and you will always feel My

help, for with this appeal you testify to Me, because you call upon Me to help you against the one who is My adversary and your enemy

Love

Pleasure of giving

Reciprocated love

Belief in Christ's act of Salvation

Awaken to new life Try to kindle the flame of love in you, constantly provide it with new nourishment and thereby ignite your love for God, which will make you eternally happy. Then you will be assured of eternal life, a state of abundant strength and light in unlimited freedom. Then you will be able to do whatever you want, you will have conquered death, for all lack of strength, all weakness will fall away from you and you will live and be blissfully happy. Yet this can only be accomplished by love and love cannot be given to you, you must kindle it in yourselves. You must help where help is needed and, animated by the feeling of inner happiness, constantly accomplish new deeds of love, then you will always keep the fire within you burning, you will feed it and be constantly active with unselfish love. Only the pleasure of giving spurs you into renewed kind-hearted activity, and you will experience this when you look into a needy fellow human being's eyes after you have helped him. This reward is far nicer than material payment, for it is reciprocated love which shines forth from these eyes. Then you will have kindled love in your fellow human being's heart again, a tiny spark will have been ignited by you and once again the flame of love will spread and communicate itself to other people. Only a united activity of love can redeem the human race from the state of spiritual hardship it finds itself in. Only loving activity results in light and grace and leads you to God, the eternal Love Himself. However, the closer it gets to the end the more love will grow cold amongst people, since they only live for their own ends and have no heart for the suffering of their fellow human beings. The distance to God will therefore become ever more obvious, the gulf between people and God will have almost become unbridgeable, the darkness in people's hearts impenetrable, for the light of love will not be able to shine forth and therefore not provide illumination, and the One Who would be able to help is not called upon, because He is not acknowledged Jesus Christ, the divine Redeemer, will be unable to distribute the blessings of His act of Salvation, He will not be approached for them because people don't believe in Him. And this is the worst situation, for then they will lack all strength and support without which, however, they cannot become happy. People no longer believe what they are advised to believe, and if they don't acknowledge the divine Redeemer they will not call upon Him either, consequently they are spiritually unenlightened and therefore suffer profound hardship. They are already in a state of death and could certainly be delivered from it yet never without love, never without divine grace, but the human will must always profess to it first. Try to awaken yourselves to life you are able to do so if only you wanted it Practise unselfish neighbourly love and you will find it easy to acknowledge Jesus Christ as the Redeemer of the world and as the

Son of God, for then the spirit within you will enlighten you, so that you will be able to believe because you live a life of love. Awaken to new life, for the hour is close at hand when it will be decided as to whether the soul has chosen life or death. Make use of every opportunity to actively practise neighbourly love, and you will experience the beneficial feeling that you are infused by new life Then you will have conquered death and need not fear the final end, for then you will be living in light and truth, and you will live eternally

Amen

Spiritual coercion

Dogma

The greatest danger for a human being is spiritual coercion which prevents the recognition and free decision of his will's direction. Every person is an individual being that has to perfect itself and, therefore, everyone is responsible for his own way of life on which depends the attainment of the degree of perfection. Hence everyone has to make a free decision and testify to Me of his will. I Am demanding this testimony and do not agree that one person should tell his fellow human beings how they must think, will or act. The freedom of will must not be violated, but it is violated when the objective of a person's will is determined by law and he is required either by promises or threats to move only in a particular direction I will never accept such coercion although I will not openly oppose it so as not to use coercion Myself.

The human being is a thinking individual who received the ability of free will and thought from Me purely for the purpose of making a decision during the last stage of his spiritual development on earth, in accordance with which he will then be rewarded in eternity. It is indeed good and in accordance with My will when a person informs his fellow human beings of the consequences of using their will in a righteous or wrong way. It is also My will when all manner of clarification is given concerning his relationship with his Creator. However, a good instruction concerning the divine doctrine of love and the importance of practicing unselfish love for one's fellow human being is quite sufficient. But it should all be done without coercion The human being should be educated but never forced into accepting a doctrine because he should use his own judgment and inclination in directing his will.

I gave the human being free will but if you take it away from him you will be using your own will wrongly, although you will believe that you work for Me on My behalf. I never gave My disciples the task to spread My teaching by way of religious coercion because an enforced faith would not benefit the soul's higher development. I only ever require people to believe in Me as a supremely perfect Being, I only ever require their belief in My omnipotence, wisdom and love and its strength For if you believe in this you will experience the strength of love yourselves and will automatically recognise everything else you need to believe, because then you will be truthfully taught by My spirit within yourselves. However, enforced faith will not lead you to perfection. Enforced faith will rarely come alive, and I cannot look upon enforced faith as a decision

of free will because your will has not yet become active, instead you will have acknowledged a school of thought as the result of your education without having properly evaluated it as to its worth or worthlessness.

I want you to believe that you can only attain beatitude through love but you have to acquire this belief yourselves; you can certainly accept the teaching of it but then you will first have to practise love in order to gain the certainty that love is spiritual strength, and only this inner certainty is assured faith which is life-giving because it was voluntarily gained. All coercion is a sign of imperfection because it violates the freedom which originally was the spiritual being's characteristic and which it has to regain in order to become blessed. How can coercive measures which deprive people of spiritual freedom be considered to be in accordance with My will if a person is virtually duty-bound to believe something which, as far as I Am concerned, needs absolutely free deliberation and acceptance?

As supreme Lawgiver I gave people no other commandment than that of love, which also comprises the Ten Commandments of Moses, but which only will be fulfilled if love is voluntarily practised, otherwise it would bear witness against Myself or it would question the human being's free will. However, people presume that they can establish laws without having the authority to do so. Thus they infringe upon the person's free will Every law is coercion, and every kind of coercion is contrary to My will. As soon as a person no longer has freedom of thought, as soon as he is forced to believe in a doctrine, his earthly test of volition comes to an end, for he has to make his own decision and not an enforced one. And every dogmatic doctrine is coercion, irrespective of whether it is true or not.

Every dogma is a violation of free will which will not be free at the time of a spiritual decision, since the decision has already been dictated to him and can only be bypassed by committing a sin. I gave every human being the right of free choice; I merely require that he should seriously consider what he is asked to believe. If, in spite of serious deliberation, he cannot accept it with full conviction, I will not regard it as a sin; however, he will commit a sin if he affirms a doctrine with his lips without having asked his heart. Every person is responsible for himself, and it is presumptuous when one person intends to determine the faith of thousands with an instruction which must always be considered a dogmatic doctrine.

Anything that violates a human being's freedom of will can never find My approval, since not even I Myself determine people's acceptance of truth if their own will does not want it. I will certainly continue to teach people and transmit the pure truth to them, but everyone is at liberty to accept or reject it. And thus you should simply teach your fellow human beings with love but allow them spiritual freedom for their decision, because an enforced faith has no merit before Me

Amen

The Father's concern for His children

You children of this earth are My problem children, for you go your own way and don't feel drawn to the Father nor listen to the Father's voice which lovingly wants to regain you. The path you take leads far away from the goal, and thus I worry about you because I know where this path is leading to. Yet as My children you also have free will or you could not be My children. Free will is part of the state of perfection which you initially enjoyed, therefore I cannot forcibly bring you back to Me but only ever give you love which, once it touches your heart, will drive you back to Me.

But how often do you humans prolong your time of separation from Me yourselves And how often do you even exceed your appointed redemption period And then you once again will have to expect an agonizing state which, however, is not imposed on you by My wrath but by My love so that you will attain the goal.

Once again you humans face a turning point, the end of a period of time which was granted to you for salvation. I get increasingly more concerned about you since the short time left to you could still be used to help redeem you, you can still be released from the oppressive constraint if you would want it yourselves, if you would commend yourselves to My guidance without resistance. The time of grace will expire soon, the result of your resistance will soon make itself known, and you will have to bear the consequences of having made your own way without listening to the Father's voice. It clearly speaks to everyone, for I speak to you through all happenings, your whole earthly fate is the expression of My love; suffering, hardship and sorrow are Words of love from Me to you to remind you that you are My children who separated from the Father and should find their way back to Me again. And only something that inwardly stirs and discourages you drives you back to Me, with Whom you will find protection and help in every adversity

You have to come to Me yourselves, just as you separated from Me yourselves. And for this reason suffering and hardship will increase until the end, since they are the only means which can still result in success, since you don't listen to My gentle words of love in your heart and since My affectionate persuasion remains ineffective.

You travelled a long way until you became human beings Don't let this path have been travelled in vain, take advantage of your last available opportunities to make the decision in the state of free will with which you will become your Father's true children again Don't let your short remaining time pass by without changing your will, that is, without turning it in the direction where most faithful Fatherly love waits for you. Time flies and you are approaching a dreadful fate if you remain opposed and don't find your way back to Me, for My plan has been predetermined since eternity A new period of Salvation will start because everything has to take the path of higher development, so that all of My love's children will get the opportunity to come close to Me of their own free will to return to the Father's house which they had once voluntarily abandoned

Amen

*The Father's concern for His children
Childship to God*

All human beings are My children and I take hold of all of them with the same love, because My love for My living creations can never stop and knows no exception. And yet, innumerable people are still so far away from Me that they no longer feel the strength of My love, nevertheless of their own free will because they turn away from Me and the rays of My love can only touch a receptive heart. Hence they are like children who have left the Father's house, who moved to faraway places because they thought they could do without the Father's love. I want to win these children back again because My love yearns for them and because I also know that, outside the Father's house, they live in adversity and misery, since I know My children and their disastrous state which is their fate as long as they are separated from Me. I try to regain them and will invite their love until they are My Own again, until they are blissfully happy in the Father's arms Nevertheless, an infinitely long time may pass by before I reach My goal; however, I Am forbearing and patient, and My love knows no bounds. What I don't achieve soon I will achieve later, but sooner or later even the last child will have found its way back, if only after an endlessly long time. I will achieve My goal for certain; however, as long as they are distant from Me My living creations must still suffer indescribably and therefore I try to shorten their state of suffering by using every means to break down their obstinacy and by revealing Myself to them as the most loving Father but always bearing free will in mind, which they must keep as My true children in order to become perfect. They shall attain the childship to God and become akin to Me in everything, as true children they shall come into the Father's inheritance and create and shape with Me in eternal happiness. Only on earth can the souls achieve the goal of maturing into My true children. They are set the highest and most glorious goal Yet, how little it is striven for by people to whom I, as Father, want to prepare the most glorious fate. In the past they became enslaved by My adversary and allowed themselves to be influenced by him, and this situation of bondage must first be severed by them before they can be accepted into the Father's house, they must renounce this world which is his realm; that is, they should not desire the attractions and pleasures of this material world but must direct their will towards Me and, like lost children, yearn for paternal protection and paternal love. Then I will come to meet them in order to show them the way which leads them safely back to Me, back into the Father's house. One day every soul will return to Me, yet My love tries to shorten the time of distance from Me, because it is a time without bliss, a time of spiritual darkness and of weakness. And since I love all My living creations I also approach all people so that they will learn to recognise their Father and submit to His will. But someone who nevertheless opposes Me will not be forced by Me. However, he prepares a burdensome fate for himself, he deprives himself of heavenly blissfulness, he forsakes precious treasures for the sake of transient earthly possessions and he will still remain separated from Me for an endless time and will thus be controlled by My adversary yet always because of his own fault

Amen

It concerns eternal life

It concerns eternal life the soul's life in the spiritual kingdom after the human being's death on earth it concerns eternity. Do you humans understand the implications of this? Consider the immense responsibility you have in earthly life, where you create your own fate in eternity, where all means are at your disposal in order to become blessed and which you ignore at enormous expense to your soul. Consider that you will be held accountable for your thoughts, will and actions on earth, and that you will not be able to undo anything, neither will you be able to catch up on what you neglected to do but that you will find utterly appropriate justice in accordance with your earthly life. Every thought, every action will automatically either divert the human being from the goal or lead him to it. And therefore he should always endeavour to gain God's pleasure in order to be able to stand before His Judgment seat one day.

It concerns your soul's salvation, and during your earthly life you only take notice of your body and its requirements but ignore your soul. God's love, however, does not want to let go of you, it does not want you to become eternally lost but wants you to have eternal life God's love will pursue you for as long as you live on earth. God will bear your faults and weaknesses with infinite patience, and His mercy will know no bounds. As long as you live on earth His love is yours and longs for union with you. And this union with the ultimate love will result in a state of happiness which He wants to bestow on you because you all are His children. It is a very difficult start to guide you into happiness as long as you do not have the will for it yourselves.

And yet, this will cannot be forced; you have to change yourselves in utmost freedom into your fundamental nature again, which you once possessed when you came forth from God, your Creator and Father since eternity. Then you will be God-like beings again who will be able to enter into unity with Him without ceasing to exist in His light. And this change of nature is your earthly task, your goal and your destiny. It is not difficult if you only want God, but it will be a hard fight if you adhere to the world. This is why the world is your enemy, your danger and your downfall. Consequently, you should avoid it, you should not fall under its spell, you should rise above it and only strive for the divine kingdom, which will truly offer you far more delectable possessions; you should ask for God, Who can and wants to give you everything that will make you blissfully happy

Amen

*Light beings embodied as human beings
Disciples of the last days*

The will to serve Me links the human being to My flock of disciples who I instructed to proclaim the Gospel. Every person wanting to work as a labourer in the vineyard of the Lord is welcome by Me, because many reapers are needed during the time of the end. I only value free will and assign to everyone work they are capable of doing. Hence, I do not reject anyone because I need all of them. The work first of all consists of spreading My teaching of love, and this mission is extremely important because during the last days people will thoughtlessly spend their lives entirely without love. Understandably, someone who is to spread the truth must live a life of love himself, otherwise his words would have no effect on his fellow human beings. Hence I can only use people as labourers in My vineyard if they observe the commandment of love for God and other people themselves, because only those people are capable of accepting My instructions, but in fact, only those people voluntarily offer to be of service to Me. The first condition to be a suitable worker in My vineyard therefore consists of activity of unselfish neighbourly love, and I also grant My special love to such a person who lives a life of love himself I regard him as My child, for it has recognised Me as its Father and wants to serve Me obediently For this reason, every person can regard himself as My child who places himself at My disposal for spiritual cooperation, while the others are indeed My living creations which I love and never want to lose but which must prove themselves as My children first by fulfilling My will. Consequently, I send My children to their brothers and sisters who have not recognised their Father as yet and let them be taught by the former which is a mission of such importance that I will always work together with My children in order to save souls from their eternal downfall. Children who have already found Me shall also show the path to the others, so that these, too, can experience the bliss of My presence, which equally turns them into My children. During the time of the end even light beings must descend to earth in order to help people, because they are extremely strongly influenced by the opposite side and people are too weak to offer resistance. These light beings embodied as human beings possess strong souls which strive towards Me, even though they lack the past awareness of their origin. They will always strive upwards and will never let themselves be influenced by low forces; nevertheless, as human beings on earth they wage a battle with them but will emerge victoriously. Powerful psychological strength often suggests a soul from above, yet the soul is not aware of this, otherwise its mission would become less important, which must always be and remain a free decision of will. The soul might well suspect it as a result of increased knowledge, yet for the soul's own sake this fact will remain hidden from it until the time of complete spiritualisation, shortly before its demise, when, during a spiritual vision, it will recognise its origin and will long to return, full of yearning, to where it will be blissfully united with Me again. Such an incarnated being of light can be of great benefit on earth due to its spiritual strength and its love for its fellow human beings, however, as long as it lives on earth it is just a human being who, like any other human being, has to go through a process of development in order to be able to increase its spiritual powers, for he shall be an example for his fellow

human beings who can attain the same powers as him, if they are willing to do so. A person on earth can even muster these light beings' greater willpower by availing themselves of the blessings of the act of Salvation, on account of which precisely this teaching is diligently endorsed by those who are to proclaim the Gospel. **Jesus Christ as the divine Redeemer and His teaching of love shall be proclaimed to people**, and for this I need My servants on earth, so that all people will find the strength to strive towards ascent and release themselves from their tormentor who wants to plunge them into ruin if they are not being helped. For that reason I will bless every person who wants to help these souls, who serves Me as a servant in My vineyard, who, as a spiritual assistant, spreads light in the darkness of night in which people walk without reaching the right goal. And spreading light means instructing people in the truth, which I Myself impart upon those who thus want to be of service to Me

Amen

A rock will be made to waver

(Spiritual upheaval)

Humanity will experience significant spiritual upheaval to enable it to recognise a misconception which, until now, it had endorsed as truth. I will noticeably draw people's attention to My Word I will destabilise a rock and people themselves shall be able to decide what they want to discard: My Word or an organisation which had established itself as a result of this Word. They will only be able to accept one of them, and every person will be free to make his own decision. I will only allow this to happen for people's own sake in order to release them from a coercion which enslaved their thoughts and will and thus prevented the decision of will, which is the reason for a human being's life on earth.

I want to make a rock waver and once the foundation is shaken the entire structure will crash, i.e. people will no longer feel committed but freely think and act at their own discretion. They will no longer fear a power supported by God, because only now will they recognise Me, Who is stronger than this power and does not support it. It will certainly mean spiritual chaos and at first the error will still want to assert itself, but then the truth will flare up like lightning and will clearly highlight wrong doctrines. They will not bear up to truth, for messengers of truth, bearers of light, will appear everywhere and be listened to, even though they will attract bitter hostility from the followers of the deposed power.

I Am revealing the forthcoming event to you humans and you can expect it soon, however, everything will take its time, and this occurrence, too, will point to the approaching end, for seers and prophets announced the end of a great city It will be a world-shattering event which, nevertheless, has a spiritual foundation and is intended to have a spiritual effect. It shall testify of Me before the world Who, as Eternal Truth, will never tolerate untruth and will proceed against it when the time is right

Amen

Spiritual action

A significant spiritual course of action will occur which will make people reflect on issues relating to the approaching end, since something will take place that was predicted by seers and prophets a long time ago. These prophecies are quite evidently fulfilling themselves and people are starting to take notice. For then they will pay heed to all the signs because they will begin to believe that the end is near. The spiritual action will have an earthly effect, albeit one originating from the spiritual kingdom, hence beings of light are engaged to bring humanity to its senses. The purely worldly minded person will see nothing but a natural event which by chance has affected people who are the focal point of spiritual activity.

But anyone who considers that nothing ever happens by chance will hesitate and recognise a sign which points to the approaching end. For God's reign and work is clearly visible; it is not people who manifest their will by implementing God-opposing actions but, instead, a distinct power can be identified which wants to emphatically express itself. This fact, and the way it manifests itself, will make people think, and depending on their spiritual maturity and attitude they will be more or less impressed by the event. The predictions of seers and prophets are fulfilling themselves And the powers of heaven shall move All spiritual beings are participating and decisively intervening in world events, because the time has come of which it is written: the sun will lose its shine, i.e. the glory will fade which wrongly shone long enough because ignorant people allowed themselves to be dazzled without objection.

But then a light will shine from above, and everything wrong cannot endure its radiance, but the light will emerge from the shadow of death that is, it will only come ablaze with light after a sick and decaying body has expired. Then something new will arise from the old, and many people will become enlightened, they will pay attention to the signs of the time and regard everything that happens on earth as God's will or permission. Heaven and earth will unite for the purpose of bringing light to people who live in darkness. And even if it is people's own fault that they live in darkness they will nevertheless be noticeably helped, so that they will be able to recognise God's might if they are observant and look for the light

Destiny according to will and resistance

Merely the destiny you require in order to change your will, to stop your resistance against Me, is imposed on you. Only I know the extent of your soul's resistance, and your earthly life will be shaped accordingly. The human being's relationship with Me can differ considerably, which cannot be judged by another person, because I also know a soul's most secret thoughts and notions, and therefore a person can be as close to Me as a child, then he will effectively be guided by My Fatherly hand and truly avoid the said abyss and safely reach the goal. Others, however, won't allow themselves to be led, they believe themselves able to walk alone and trust in their own strength I let these occasionally run into obstacles so that they will call for a Guide and enable Me to approach them. Others, again, reject My guidance and meet Me with suspicion, they don't believe in Me and walk through life alone. And thus they still resist Me, these are the people I have to deal with strictly and who are spared nothing in earthly life, so that they will still change before it is too late. I will only try to achieve their change of will, and this change may often come about through an event which you consider to be cruel and unkind of Me as long as you are still unaware of the fact that you have not only been created for this earthly life but that the whole of eternity is still ahead of you. And for the sake of this eternity I will use all means, depending on the severity of your resistance. But anyone who surrenders to Me will no longer need exceptional teaching methods, and I will place My hands beneath his feet so that his earthly path will be easily negotiable, although he, too, still requires trials in order to raise his degree of maturity, which impel him to Me until even the last distance from Me has been overcome, until he, in blissful unity with Me, can conclude his earthly life

Amen

Gratitude

Your love for Me also results in your gratitude for everything I give to you, even if you don't put your feelings of gratitude into words it nevertheless is in your heart, into which I can look at any time. The mouth often voices what the heart is not aware of, and such words mean nothing to Me. But the heart can feel without expressing itself with words, and I only take such feeling into account. A person's heart, having received kindness, will also respond with love and be thankful to the giver. But to accept a gift without gratitude betrays innermost heartlessness, it betrays arrogance towards a fellow human being which makes him feel entitled to have received something. The same also applies to Me, so that the humble person always accepts My gifts of grace with a grateful heart, be they spiritual or earthly offerings I give to Him in My love. Humble childlike love is always evidence of gratitude Thus words are not necessary for Me, yet you should not fail to express your thankfulness towards your fellow human being so as not to hurt the giver and repay his love with unkindness. Although someone who only gives for the sake of gratitude certainly lacks the right love

for his neighbour every well-intentioned gift should nevertheless be gratefully acknowledged so that the giver shall also learn to know the pleasure of giving, so that the giver's love will be kindled by the pleasure of the recipient, for a warmly felt gratitude can inspire further giving, which will always be a blessing for the giver and the recipient. Gratitude is inseparable from love, because a grateful word without love cannot be called true gratitude. But the life, thoughts and actions of a loving person constitute never-ending gratefulness towards the One Who created him, for his will also belongs to Him, He owns the love of his heart which, bowed down in most profound humbleness, receives every gift from Him with emotion. This gratitude is pleasing to Me, since I also possess the love of My living creations which will then always receive beyond measure, so that they become blissfully happy

Amen
