*Free will is fundamental eternal law
Attaining beatitude*

I cannot redeem people's guilt against their will; I cannot make them blissfully happy as long as they are imperfect of their own volition. I cannot grant them eternal life as long as they prefer spiritual death. I can do everything apart from enslaving the will of that which I created out of My strength of love. For I created perfect beings which are inconceivable without free will. However, the fact that they gave up their perfection, that they therefore also lost their realisation and strength, was the result of their free will, which could just as well have increased the perfection insofar as that My created being could have striven freely of its own accord for light and strength, thus demonstrating its perfection lawfully, i.e., of its own free will. Freedom of will allows for moving upwards as well as downwards Hence, the fact that the spiritual being fell was its own fault Now it must voluntarily strive upwards again in order to attain the original state, and I can never take this free will away from the being again, otherwise I would offend against Myself, against the fundamental law of eternity. Do you now understand why I cannot arbitrarily help you humans to ascend? Why you must achieve the transformation from the abyss into higher spheres yourselves? Do you now understand why I can only ever influence your thinking so that you direct your will towards Me and thus consciously strive to reach Me? Do you understand why My love is constantly concerned that you, who had already spent an infinitely long time before you were allowed to embody yourselves on earth, will finally reach your goal?

You were truly granted an extensive period of time in order to achieve this change of will and nature, yet one day even the longest space of time comes to an end, and you are facing this end I cannot arbitrarily shape you such that you can enter eternal life, you must lend a hand yourselves, for it is always My will to accept you into My kingdom, My will would never reject your will if it desires to reach Me, just as it once turned away from Me and pulled you into the abyss Worlds will vanish before the last spiritual being has accomplished this transformation of will Nevertheless, My love wants to help you humans so that you will not remain distant from Me for eternities to come, so that you will not remain for eternities in a material form, which either keeps your will bound or, as a human being, gives you the final opportunity to reach your goal of uniting yourselves with Me again You should know that you, as a human being, are at the last stage of your development on earth, that you can release yourselves from the material shell in order to then enter eternity as a blissful spiritual being. Know that you can become blessed if you want it, but that I cannot help you attain beatitude against your will Let yourselves be admonished and warned by My Fatherly love, take advantage of this short time and shape yourselves such that you can unite with Me, that you become what you were in the beginning, blissful beings who were able to be work in an abundance of light and strength Consider your purpose and seriously strive to reach your goal as long as you live on earth, for the day will come which concludes your earthly course of life, the day will come when the time has expired which you were granted for your complete redemption, for your ascent

into the kingdom of light Use the time before it is too late

Amen

Purpose of earthly life: Change of will and character

You humans have to go through a process of revival or you will be unsuitable for the spiritual kingdom, for the spheres of light. This means that you humans, the way you are in earthly life, don't have the necessary maturity to reside in the kingdom of light. You need a completely different attitude in order to become an acceptable occupant of the spiritual kingdom, and you are meant to achieve this state on earth, which is indeed possible. Hence you have to go through a certain process of transformation, and you have to undertake it of your own accord.

Your character cannot be forcibly changed, thus your state at the end of your earthly life is determined by yourselves, and corresponding to your willingness to change your soul will leave your body either receptive to light or still surrounded by dense layers which cannot bear any emanation of light But who knows this, which person ponders this when he is informed of it and takes changing his character seriously?

Every person has to refine himself, he has to discard faults, weaknesses and bad habits and teach himself humility, gentleness, peacefulness, patience, compassion; every person has to shape himself into love in order to combine all these virtues within himself, then he will have shaped himself such that he can be admitted into the kingdom of light, then his nature will be deified, then he will have adjusted himself to My fundamental nature and thereby will have enabled Me Myself to enter into union with him, for everything that had separated us will have been consciously removed. The transformation of his character is the path which leads to Me, he will have achieved his earthly goal and discarded the last heavy cover as soon as he leaves his body in order to then live eternally as a blissfully happy spiritual being. Only then will the real life begin Let these words come alive in you: Real life begins for you when you enter the kingdom of light Everything prior to this has only been the ladder, the preparation time for the actual life which, however, has to be acquired during this preparation time. You humans eagerly and undauntedly work for earthly life since you consider this alone important, and you regard it as an end in itself. Yet you do not consider the actual life because you do not believe in a continuation of life after the death of your body.

Oh, you are fools Your purpose of life is an entirely different one than just working for your body's well-being. You are informed of this time and again yet you don't believe it, and therefore you don't change your character either, and that is your downfall For if you are not suitable to enter the kingdom of light, but I neither can nor want to destroy you since you originated from Me, you will have to carry out your transformation elsewhere, and that can also mean a great fall and a gradual ascent corresponding to My eternal plan, if the opportunity of attaining maturity in the beyond is not available to you Sooner or later you will have to undertake this change of character in the stage of a

human being, not even My love can release you from this. The stage of a human being is, however, the final stage in an incredibly long process of development through all creations on earth. As a human being you will have to accomplish a conscious change of will and character if this process of development is to reach a successful end with your physical death on earth Then your earthly course of life will irrevocably come to an end

Nevertheless, progress can continue in the spiritual realm, the soul can still recognise its wretched state in the spiritual kingdom and try to improve itself, but this necessitates much help from the beings of light or through human intercession. But the being can also slide down again into the deepest abyss because it did not recognise and try to change itself Then it will have to accept an appalling fate in order to join the process of change after an infinitely long time again, when it has to prove itself once again

Amen

The last day will come suddenly and unexpected

A sudden end is being announced to you This has to be understood in a way that no-one is able to determine the day, that no-one knows the day which only My Own will be able to discern in view of the immense, almost unbearable adversity that has also been announced as an event occurring before the end. Many people certainly know that the time of the end has started and that it, sooner or later, will finish with this day they know this because it is talked about everywhere but they don't believe it so firmly as to prepare themselves for this day. Worldly people will be seized by a tremendous craving for pleasure, ever more greedily they pay homage to worldly pleasure and unscrupulously enjoy themselves at the expense of others, their wishes and demands become ever greater, and they sneeringly laugh at those who, in their belief in Me, ignore worldly pleasures, and cause them harm wherever possible. The world lives in sin And this shall be your certain sign, for you will experience things you wouldn't believe possible The evil conduct of your fellow men will reveal the hour on the world clock

And despite the fact that you will be able to observe everything and that the signs of the time are completely obvious, you, too, will be taken by surprise, for the end will come sooner than you think The end will come from one day to the next, that is, the activity of the world will pulsate extraordinarily sprightly and make people believe that they are on top of life, that they are in control and can shape their life to their liking My Own will closely watch this commotion and anticipate the downfall, yet they, too, believe that the Judgment will still be delayed in view of people's seething joy of life although their nature is appalling and heartless. However, the harassments by the latter will grow and I Myself will stop them For this reason I will come suddenly and unexpectedly even for My Own, for the sins of worldly people are disgraceful, Satan oversteps his authority and therefore his hour has come When no-one expects it the day will come which has been determined from the start the last day on this earth, which brings fear and horror for those people who belong to Satan, but

which also signifies deliverance for My Own from utmost adversity the day of Judgment, when it will come to pass what has been proclaimed in Word and Scripture

Amen

New Testament and Appendix

In the New Testament you read the Word of God which was proclaimed by the human being Jesus and which, after His death on the cross, was also preached by His disciples. Jesus' sayings as well as those of the first apostles were preserved rather untainted even though minor deviations have crept in which, however, do not significantly change the pure teaching of Christ. But comments had been added which had not been voiced by Jesus or the apostles which, at later times, gave rise to doubt about the authenticity of the New Testament's content. No accurate evidence can be produced for the authenticity of the letters which were added to the Gospel either, yet they effectively correspond to the divine Word and should therefore not be discarded, just like everything else in keeping with the divine **teaching of love** taught by the human being Jesus on earth may be considered and acknowledged as **God's Word**. However, this does not imply that there are no errors in this appendix, for as long as human hands are at work which do not belong to a spiritually-awakened person, God's adversary has also the power to make these hands work for him, albeit not in an obvious manner. And thus human hands carried out the compilation as well as the translations; human hands accomplished the written as well as the printed work, and even if it was done in good will the spirit of God was nevertheless not always at work and able to exclude and correct what was wrong

Yet He protectively shielded the divine Word in order to preserve it as unadulterated as possible, and where no God-opposing intentions existed this Word indeed remained pure in print and scripture. Not even the abovementioned deviations could change the pure meaning of the divine Word, they could not lessen its value. Furthermore, it will always be possible for a spiritually awakened human being to recognise what is divine and what has been added by the human side. And he will appeal for clarification and also receive it, for anyone who is looking for truth will find it, anyone who desires it will receive it

Amen

Change of will through intercession

The realm of darkness holds its souls imprisoned because it doesn't require much strength to keep these souls tied up since, due to their weak will, they don't offer resistance However, this resolve can receive strength through intercession. You humans must realise that a loving prayer on behalf of these captured souls can be infinitely successful, they thereby begin to feel the arising desire to become free from Satan's chains. Often this desire only emerges in them for moments which, however, become increasingly longer the more often these souls are thought of in loving intercession. Then it is as if they awoke from a deep sleep, they become active and look for an opportunity to escape from their chains, for they experience the darkness as a constraint and desire light. Once this change has occurred as a result of loving prayers these souls will be willing to seek, and the tiniest ray of light will let them rush to its point of origin. They will start to come to life Even so, the prince of the nether world won't let them go that easily Therefore light and darkness will alternate in the beginning, from time to time they will come to realise their state and then wander about again in complete ignorance. For this reason these souls must be treated with kind-hearted patience, time and again they must receive an influx of strength through prayers, they must be called through loving thoughts and thus, time and again, be pulled out of their dark sphere, they must receive mental explanations and references to Jesus Christ, their Redeemer, so that they will turn to Him themselves and appeal to Him for help and mercy. Although the souls in the darkness are difficult to instruct and often obstinate, they nevertheless feel the benefit of a loving prayer and this also gradually softens their hardened heart, that is, through loving intercession a person can wrest such souls from the darkness and he will always be successful if he does not stop with his will to help, which also improves the soul's will. Evil souls often fight each other in the kingdom of the beyond, yet no dark soul will ever cause harm to a person who prays for them. A person's love will pacify even the most agitated soul, just as, in contrast, it revives and stimulates the weakest soul into improving its state. Loving intercession by people on earth is an immense redemption factor which is recognised far too little by people. Whenever these unfortunate souls are remembered, their desire for light arises and that always signifies a change of the souls' will, which is subsequently taken into account. The soul itself must **want** to be redeemed, and this resolve often arises as a result of a person's loving intercession Hence, love can still be practised even beyond death; souls can still be rescued from the darkness, for the strength of love can achieve anything

Amen

Love is the key to the spiritual kingdom

You will only be able to comprehend Me through love There is no other way you can win Me, no other way to recognise Me but through love. And thus you have the key which will open the door to My heart for you, the gate into the spiritual kingdom, to your Father's house. Without this key all access will remain blocked, everything My love, wisdom and omnipotence has created in the spiritual kingdom will remain hidden from you, without this key all knowledge of truth will remain concealed, you will lack all divine wisdom because without love you will be engulfed by darkness, since only love will give you light thus leading you into realisation. You would be incredibly mighty if you would heed My Words and live a life of love For love is also strength and nothing would be impossible for you if you would change your nature into love. Hence, with these Words I Am giving you the promise of an abundance of light and strength, of blissfulness, through the inflow of My Fatherly love, if you just unite yourselves with Me through deeds of love, if you just reciprocate My love for you Yet you don't believe My Words or you would all endeavour to live a life of love.

Why don't you put it to the test Let go off all selfish love, look around yourselves and wherever you see hardship try to bring help, wherever you find people suffering physical or psychological ailments try to heal them, give to them earthly and spiritually whatever they need, give them food and drink, and let go of your possessions if you thereby can ease the hardship of people in need. Try it and you will experience the truth of My Word, you will grow in strength and light, you will rise above your own earthly suffering, nothing will affect you which previously appeared to weigh you down, you will feel the strength of love in yourselves and the happiness of your union with Me, which you establish with every deed of love, will compensate you a thousand fold for what you have given away You will recognise Me and feel My hand holding you, you will feel the flow of My love's strength pour into you and, being spiritually brightly enlightened, you will be able to hear and behold what otherwise is hidden to you humans

Take the test and believe My Word, practise love and you will win Me and never ever lose Me again Believe Me, for I truly won't instruct you wrongly, I want you to become blessed, and since only love is able to turn you into happy beings I constantly just urge you to love

Yet then you will have to combat the spirit within you which is lacking all love and to which you owe your earthly existence He impels you to selfish love, he wants to extinguish the divine spark within you, he wants to prevent you from living a life of love. Hence you will have to fight it, that is, you have to fight your own cravings which only increase your selfish love and weaken the true love towards Me and your neighbour, so that you will be unable to experience the strength of love yourselves Fight against it and follow Me, accept these Words in your heart and act accordingly, and your fate will be the complete union with Me and infinite bliss

Amen

The souls' hardship in the beyond

Intercession

Change of will

The hardship of needy souls in the beyond is immense, for their situation is frequently insufferable because they are surrounded by dense darkness from which they cannot escape. However, the more a soul suffers the sooner it might analyse itself, reflect on its guilt and look for help, on account of which it will then pursue even the smallest ray of light in the hope of deliverance. Only when it tries to get away from the darkness can it be guided into the light. Prior to this it would be unable to understand the instructions, but also still too stubborn to accept the latter, so that every loving effort would be in vain. Every soul's will can be recognised by the beings of light, and accordingly they will guide those poor souls to the light who desire it, for these souls are then in a state when they can be given help, since they are willing to accept it and also request to be helped Then the act of Salvation can take effect on these souls, even on those from the abyss. Then Jesus' love and mercy has also affected individual souls in the abyss, and to bring release to them is an extremely rewarding task, to which you humans can contribute greatly with conscious intercession and mental instructions of those who approach you for help.

The souls in the beyond know that people on earth still have energy of life, which they lack completely, and therefore gather around people in order to receive strength from them. Admittedly, they don't know how the strength flows to them, nevertheless they ask people for what they are lacking, for what they don't have but are able to discern in people.

Their severe hardship keeps impelling them toward people on earth, even though they often have but a faint memory of the knowledge they had on earth. Consequently, instructing these souls is not easy, since their poor intellectual capacity has to be taken into account and, in view of their guilt, their state of maturity lacks all awareness. Nevertheless, they hunger for explanations and are patient listeners when they are given to them.

There is immense hardship in the kingdom of the beyond which, however, can be eased by you humans if you are willing to help them, if you take pity on these souls and your willingness to help gets motivated. For your loving thoughts are already experienced by them as a perceptible influx of strength, and therefore they will never leave a person who helps them with loving thoughts and an appeal to Jesus Christ to help these poor souls. The divine Redeemer is always ready to raise the souls from the abyss, yet the law of love cannot be avoided, and if the soul itself is still unable to love, He will be satisfied with loving intercession and accept it as if it were offered by the soul itself And they will find salvation through His love and mercy People could contribute vastly to rescue souls from the darkness They all are appealing to you, as soon as they enter your thoughts you will know that they can be helped, that they are already in a state when they want help and that people's loving efforts will not be in vain Help them, save them from their plight, and thereby contribute towards the souls' salvation who neglected to work for their perfection on earth, and who

are therefore in utmost distress in the beyond, which only people's love can help to alleviate

Amen

Scrutiny of genuine revelations

Great things shall be revealed to you through My love. You can always grant credence to My Words because I will also let you realise that it is I Myself Who speaks to you. And I speak to anyone who, in profoundest humility and love for Me, wants to hear Me and attentively listens to the voice in his heart, which will certainly ring out in him. However, My Words **must sound in your heart**, they must arise from the heart, either clearly audibly as a spoken Word or in the form of thoughts which the intellect did not bring forth, which therefore are not gained through intellectual activity but reach the human being's ear in a flash and thus can be retained. You should scrutinise yourselves if you believe yourselves to have received divine revelations. I reveal Myself, as surely as I Am God, your Creator and Father of eternity, for I want to make Myself known to My living creations and therefore do not hide from them. Understandably, not every person will be able to hear My voice if he has not complied with certain preconditions. Therefore you will always have to investigate whether and how My voice is heard, which shall guide you into truth, which shall reveal My nature to you as far as you can understand it. I Am a God of love and will truly not withhold My Word from any person, for I would like to shower all My living creations with My grace in order to help them to become My child. Therefore I knock at the door of every heart and desire admission With all My love I seek to attract the love of My living creations, and where love is present the door of the heart springs open all by itself and lets Me enter And that is where I will remain, that is where I will take up abode, for love draws Me in quite mightily and keeps hold of Me And where I can dwell, My presence will be recognisable I reveal Myself through the heart to the person who has welcomed Me. Then I will have no other goal but to permeate this person with My spirit, to lead him into realisation, to brightly and clearly illuminate his thoughts, to guide him into truth and to fill him with strength which enables his richly blessed activity for humanity This is how I express Myself, and My presence can be recognised by the fact that a bearer of light is among you humans who can explain all your questions which relate to Me and My kingdom, who is initiated in My eternal plan of Salvation, who draws your attention to My spiritual influence, who brings My love but also My righteousness to your attention, who points out the consequences of a right and wrong way of life and life after death in short, who works among his fellow human beings for Me and My kingdom, who constantly distributes what he receives from Me light, strength and blessings, which he conveys on My instructions. I have revealed Myself to him and he reveals Me to you in turn, he wants to impart the same to you which he has found through his love Understand this and then make your own judgment as to when My presence, My Words should be acknowledged And never forget that I manifest Myself

in order to be recognised that you therefore must always recognise My love, My wisdom and My omnipotence, the quintessence of My Being, in every revelation which is supposed to come from Me, otherwise it is not of divine origin For by revealing Myself it is My will that you humans should also recognise Me, so that you will love Me, because you can only unite yourselves with Me through love and this is and will remain the purpose of every revelation of Mine. Therefore test everything and if you appeal to Me for help, you will always identify what is right

Amen

Consequences of unkindness in the beyond

Unkindness has far-reaching consequences on earth as well as in the beyond. For it surrounds the soul with the densest of covers, so that no ray of light can penetrate it and it forever remains in darkness. Light is everywhere, yet where it cannot penetrate the human soul there is darkness. Love, however, radiates light and illuminates the soul from within, the covers dissolve, and then the light from outside can exert an effect the soul becomes enlightened Thus, on earth 'enlightenment' denotes knowledge of the eternal truth, of the meaning and purpose of earthly life and ever-increasing love for God But in the kingdom of the beyond receiving light is guaranteed to the soul who became enlightened on earth through love Darkness has gone forever, everything is revealed to the soul, no uncertainty exists for the soul any longer, nothing is incomprehensible or impossible, for due to love it has become full of light and strength itself

Hence, unkindness is the soul's eternal ruin, for a soul who still languishes in profound darkness is wretched. It has become a victim of the one who is devoid of love himself and also wants to prepare this state for souls who allow themselves to be influenced by him, who are full of selfish love and only ever treat their fellow human beings unkindly, because they are seduced by Satan, because he wants to transfer his own feelings into people in order to enslave them. Unkindness is the death of the soul it poisons people's thoughts, so that the results of thinking are lies and ill-will which generate acts of hatred and, in turn, will result in evilness again. And neither can it be otherwise, for where there is love there is God where unkindness and hatred reveal themselves there is Satan. And he reigns, so that he can truly be recognised as the souls' greatest enemy, who not only pursues and tries to gain people on earth, but with increased malice works on and tries to influence the souls in the beyond in order to hasten the hardening of their hearts and pull them ever deeper into the abyss.

And because heartlessness has such a frightening effect in the beyond it can only be countered with love souls in the beyond need to be given lots of love, which effects the ailing soul like medicine by which it can be healed if people do not stop giving them love Even the most stubborn souls of darkness can be changed by rays of love, unwillingly at first, yet once they feel the blissful relief they will not let go of it again Love is the most effective weapon against the

opponent who cannot endure it, who takes flight and therefore will rather drop his victims than allow himself to be touched by rays of love. For this reason you should fight against unkindness and know that it will lead into ruin, whereas deeds of love will open the kingdom of light for you, and with love you can also help those to attain the light who still languish in darkness as a result of their loveless and unkind way of life on earth. Only love can help them and release their restraints, only love can make all of you blissfully happy

Amen

Justice

Recompense in the beyond

There is justice, there is recompense, if not on earth then in the spiritual kingdom, where the soul will reap what it has sown You humans should consider that no-one can take anything that does not belong to him, that he will have to give account down to the last cent, and that he has to pay for what he acquired unlawfully Bear in mind that I cannot remit anything because I Am a just God, and that you therefore burden yourselves with considerable guilt if you believe that you can commit sins with impunity. Sooner or later the day of retribution will come for everyone who lives on earth without scruples because he does not believe in Me as a just God and hence accumulates one sin after another.

Earthly life soon comes to an end for everyone, only spiritual treasures will remain, and woe to him who has none to show He will arrive on the other side naked and poor and wander around in utmost misery and darkness which is the recompense for an earthly life if it was not lived in accordance with My will and the commandment of love for Me and other people, if the person only thought of himself and lived to please My adversary, if he indulged in worldly pleasures giving free rein to his passions and instincts Anyone who only thought of himself on earth will be on his own on the other side and no-one will offer him love, just as he ignored those who needed his help on earth. He will have to pay every cent, for no-one can pay his debt for him except Jesus Christ in Whom, however, the soul completely devoid of love does not believe You humans, consider your earthly life from this point of view and understand that you should not live thoughtlessly, for sooner or later your physical life will be over and the soul will have to remove the guilt it was burdened with and that every tribute you paid to the world has been taken away from the soul, and its poverty in the spiritual kingdom will be the result thereof.

You should know that there is recompense for every hour you applaud My adversary, for every hour you pay homage to the pleasures of the world and completely forget about Me for earthly life was given to you for the perfection of your soul. But what are you doing? You only take care of your body, you satisfy its every desire, you intoxicate yourselves with worldly pleasures, you only too willingly fall into the traps laid by the enemy of your souls You take from your soul and give to your body and you will have to pay for it a thousand-fold. For

you will suffer grave hardship when you enter the spiritual kingdom where only the soul's everlasting possessions will be of value It will suffer acute poverty, and no-one will help the soul if it does not approach Jesus Christ Who, however, is unknown to the soul in its darkness. Only He can help the soul, yet eternities can pass before the soul becomes aware of this and turns to Him. It can carry its burden for an infinitely long time because My justice cannot unburden it as long as it does not request Me to do so itself

Brutal battle of faith

Fortification of faith

You urgently need to fortify yourselves for the final battle of faith, because you will be unable to meet the demands placed upon you without a firm and unshakable faith. Much will seem insurmountable to you if you do not avail yourselves of My strength, the strength of faith, for the enemy of your souls will proceed against you almost inhumanly by using those who are in authority on earth but who are full of cunning and trickery and declare war on everyone who still has faith. The satanic power will openly take action so that you will clearly recognise which hour has struck, so that you will know that it is the final phase of the end time and that it will only last for a short time, until you are delivered from this power which, however, won't be able to harm you if you can call a firm faith your own. The enemy will take such clear action against Me Myself that this alone will show you that he is overstepping his authority and I told you that then the end will be near For the human being lives on earth in order to choose between two powers and therefore must also have knowledge of **both** powers But as soon as one power prevents the knowledge of the second power from reaching people, it is overstepping its entitlement and that not with impunity And this time must first come, because I will not intervene earlier than necessary in order to still provide those souls with the opportunity of changing their will and faith which are taken aback by the satanic power and reflect on their inner selves. People must be dealt with very firmly, because they don't listen to the Father's voice when He talks kindly to them However, Satan's voice can still have an influence on individual souls and cause their return to Me, but only if a person still harbours a spark of faith in a God and he would rather hand himself over to this God than to the one whose ruthlessness he now recognises. The strength of faith of My Own will make him thoughtful since they, despite tremendous difficulties, will not renounce Me and the more they are threatened the more they will profess My name. You must fortify yourselves for the final battle of faith, for your own sake but also for the sake of your fellow human beings who can be helped by your faith to believe in a God Who can and wants and also will help when the adversity has become beyond endurance and Satan has accomplished his work when My Own are threatened with death and only I can bring them help Then I will come and fetch My Own, I will stop their adversity and plight but, at the same time, also judge everything that opposes Me on the last day of this earth Then My Own

will rejoice and praise Me and the horror of death will seize the others, then the day will have come of which it is written that I will judge the living and the dead, the believers and the unbelievers, for My Word will come to pass because it is the truth

Earthly knowledge in the beyond?

All earthly attained knowledge will be of no use to you, for it will only adhere to you for as long as you live on earth. When you enter the kingdom of the beyond, you will lose all memory of it if you have not spiritually acquired a degree of maturity which makes you suitable for the kingdom of light, where you are brightly and clearly aware of everything and, in an urgent situation, will also be able to make use of the earthly knowledge you retained. Yet an unbelieving soul departing from earth is in a pitiful position, for the more earthly knowledge it possessed the more aware of its wretched state of lacking all knowledge it will then become, of remembering little or nothing at all and of being unable to show off in any way. Such souls also frequently lack the recollection of their living conditions on earth and only regain their memory if they make an effort to ascend, to reach the light. But then such a soul will also be extremely grateful for every illumination and thereby realise its state, its omission on earth and also often its guilt. You are repeatedly informed of the fact that you create your own fate in eternity on earth that you should beware of striving for earthly wealth, fame and honour and excessive earthly knowledge on earth, because all this is transient Earthly knowledge will not protect you from spiritual darkness; on the contrary, earthly knowledge can greatly **contribute** towards darkening your spirit, this should always be a warning to you, for it will be difficult to gather knowledge in the spiritual realm for a soul which had previously never been receptive for **that** which the spiritual kingdom wanted to offer it, because it had made itself incapable for receiving spiritual knowledge.

Yet a soul in possession of spiritual and earthly light can work with it exceedingly effectively in the spiritual kingdom For it will also be able to help people on earth with advice in their earthly difficulties and make use of its earthly knowledge where it is needed. The souls of darkness are also often influenced by forces from below to express themselves and to come to the fore with their apparent knowledge, yet in that case it is not the soul itself but the dark forces expressing themselves through the soul which are deliberately trying to spread error amongst people in order to confuse their thinking in favour of the dark power. This is the reason why connections from earth to the spiritual realm are detrimental if the spiritual conditions are not present so that spiritually striving people consciously contact the world of light if they want to be instructed and through prayer for protection from error and evil beings don't give dark forces any opportunity to express themselves Only beings which are enlightened themselves are able to distribute light, and these beings should be consciously called upon And they will gladly share their knowledge and give it to those people who want to receive spiritual wealth, because this alone is valuable and

everlasting and because this is all the soul can take with it into the spiritual kingdom

*The state of souls in the beyond
Misguided belief - unbelief - love*

Many people find it inconceivable that they could have direct contact with Me, which is proven by My direct communication, by hearing My Word in the form of thoughts. This is indicative of their distance from Me as well as their lifeless belief, a belief which was in fact traditionally adopted but which is not alive It is academically accepted knowledge which only seldom is contemplated so that a person forms his own opinion. People could deduct from such adopted knowledge that the eternal Deity has to and will reveal Himself, but faith in an eternal Deity is weak and thus religious doctrines are not taken seriously enough to achieve spiritual progress, which would result in a person trying to establish contact with Me. First I have to be sincerely acknowledged by a person before I can reveal Myself to him

And this assured faith in Me is missing in a great many people, which is the reason why they live in spiritual darkness and will enter the spiritual kingdom in this darkness.

What they failed to do on earth they will have to make up for in the beyond without fail they have to think and due to their own fault are frequently too weak to do so. If labours of love follow them into eternity they will not be entirely without strength regardless of their unbelief. Their strength rests in the fact that they will not completely lose their recollection of the knowledge they dismissed on earth and are able to think about it. Whereas unbelieving souls without deeds of love following them will find themselves in dire distress, for they are unable to think clearly and cannot come to terms with their thoughts. Nevertheless, even these souls can be educated in the spiritual kingdom by other souls who are able to intelligibly present to them what they need to knowif they are willing to accept their teaching.

To render intercession for these souls is a labour of utmost love and compassion, so that they may receive strength of will and find access to circles where enlightenment can be given to them. Deeds of love can make good every deficiency and give the soul faith, but the spiritual darkness will only disappear when they have acknowledged Jesus Christ, for only He can redeem their guilt which resulted from their unbelief on earth. Misguided thoughts can soon be corrected where love and faith existed on earth, but unbelieving people first have to be introduced to knowledge, because they did not want to accept it on earth themselves, even if they upheld it before their fellow human beings.

I cannot give souls instant enlightenment if they do not acknowledge Me and if their love was not intended for Me or their fellow human beings I can only give them the opportunity to acquire knowledge, providing their will no longer opposes Me In that case My merciful love is also willing to give them light when they ask for it. Then the Gospel is brought to them again, which they can

then accept or reject of their own free will. And depending on their will for good and their desire for instructions My teaching will enlighten them and the ascent will continue. But it will suffer great torment in darkness until an unbelieving departed soul from earth is touched by a ray of light and follows it, but as soon as it has experienced the benefit of light it will also be willing to change its nature, and it will always desire more light until it receives it The darkness only rarely releases souls, but I know when I can open the gates and set the souls free. I know when they are receptive to a ray of light and I will help them to find the way that finally leads to Me and to eternal joy

Amen

Special mission: Fighting for truth

As a result of your willingness to serve, your mission is carried out conscientiously and you are true workers in My vineyard. Therefore you were given tasks which are not suitable for everyone, which require a special willingness and are of extreme importance You shall fight for truth It is certainly very necessary to preach love, since no-one can gain beatitude without love, yet spiritually enlightened people can handle the preaching ministry, even if they have no fighting spirit anyone can inspire love who has love himself The battle for truth, however, requires a special aptitude, knowledge of truth and a fighting spirit which supports what is right and true, as well as an extremely strong faith in My Word for a person can only endorse what he recognises as truth, what he does not doubt because it has been conveyed to him by the 'Eternal Truth'.

In order to support truth convincingly he first has to be firmly convinced of it himself and this, in turn, requires a life of love so that My spirit can work in him. Hence his love for his fellow human being has to motivate him to convey the truth to him too, and therefore he will proceed against falsehood and error with passion These are the kind of servants I need on earth during the last days before the end And this mission is so important that I will help these servants especially by preparing the field of their activity in every way by helping them in spiritual as well as in earthly difficulties, by smoothing their path of earthly life, and by strengthening and encouraging them into ever more wholehearted spiritual activity to make their mission successful. The presence of lies and error make it difficult for the light to penetrate

Where a field is covered by weeds, good seeds cannot develop and the field has effectively become worthless to its owner. And therefore My servants first have to remove the weeds, which is an extremely laborious task that requires perseverance and strength Where lies and error have established themselves in human hearts, the cleansing process can only be carried out with unyielding vigour the representative of truth must relentlessly uncover everything that contradicts the pure truth, consequently he himself has to own what he wants to give to his fellow human beings He should not uphold the result of his personal thinking albeit it can also be true if he is enlightened by My spirit.

Yet the extraordinary work of My spirit within him should give him the self-confidence to take courageous action against error and falsehood. And, being enlightened, he will know where error and falsehood are present he will confront them with pure truth and not allow himself to be disconcerted by opposition, by hostility or persecution, he will boldly fight with the sword of his tongue and be fully convinced that he has the truth

I need servants on earth who fear no-one and will do anything for their Lord I need people with a strong faith and a firm will, with an absolute love for truth and a realisation of the immense spiritual hardship. And when I find them I will prepare them first by conveying the truth to them and acquaint them with their mission. I will educate them to become fearless advocates, I will enlighten their spirit Myself so that they will clearly recognise where and when their intervention is necessary, where and when they are confronted by lies and error in order to publicly denounce it. Not every labourer in My vineyard can cope with this task, because the opposition has already grown too strong, because people are happy to live in falsehood which allows them a comfortable life, whereas pure truth requires self-denial, which they don't want to muster. Knowing this, My servant therefore has to honestly reveal the consequences of incorrect thoughts and misguided teachings and should not shy away from telling the supporters of error the truth to their faces. For good seed cannot be sown and flower until the field has been cleared of weeds, which are useless and have to be relentlessly destroyed. Truth must and will prepare the way, and therefore I will bless every bearer of truth and support his work for Me and My kingdom, just as I will smooth his earthly path so that he can carry out the work for which I have chosen him

Amen

'My kingdom is not of this world'

My kingdom is not of this world Therefore pay only little regard to the earthly world, only let it affect you as far as your earthly task in life requires, but constantly strive for My kingdom which can be found beyond the material world. My kingdom is the kingdom which lasts forever, whereas the earthly world vanishes with the death of your body; but you can already possess My kingdom on earth if you turn away from the pleasures and commodities of the world and raise your thoughts to Me, if you send them into infinity, questioning Me and opening yourselves up for My reply. Then you already enter the spiritual kingdom which will be your abode one day, then the spiritual kingdom will be of greater value to you than the earthly world, and then you will also receive the wealth which belongs to this kingdom but which cannot be physically received by you. My kingdom is not of this world Understand that I want to call you into this world with these Words, which is your true home and which also wants to admit you again after the death of your body. My kingdom is the realm of light, which you will only be able to enter if you have become receptive to light, if you aspired on earth for My kingdom and thus became aspirants for the kingdom which belongs to Me and wherein you may behold Me one day.

These Words of Mine clearly allow you to understand that you should not ardently desire the earthly kingdom, but that you must rise above it if you want to be admitted into My kingdom I want to explain the difference to you, I want to tell you that this world does not belong to Me but that My adversary is its master and that I thus place My kingdom **in opposition** to the earthly world I want to entice you over into My kingdom because I want to give you what the material world does not offer an eternal life in bliss.

Earth is the valley of suffering and tests; it is the place where imperfect human beings are meant to become perfect. Nevertheless, the earth is not a permanent abode; it is just a stage of development of extremely short duration compared to eternity. And the human being himself, his earthly material cover, is transient; it only serves the soul, which ought to achieve higher development, as a temporary abode. Only then will the soul enter the spiritual kingdom which is everlasting but which can still be My adversary's realm if the soul has not achieved spiritual progress on earth, and thus will enter the kingdom of darkness

Yet you shall strive for My kingdom, the spiritual kingdom in which I Am King and Ruler, where only light and happiness exist, where I Myself give in order to delight all who have entered My kingdom Therefore pay only little regard to the earthly world, strive for the kingdom which reveals to you splendours which you humans could not dream of, the kingdom whose splendours I have promised you with the Words 'Eye has not seen, nor ear heard, the things which I have prepared for those who love Me'

Amen

Preventing the Judgment through prayer?

You humans would certainly be able to prevent the forthcoming Judgment, you would be able to stop an act of destruction of this earth if you sincerely appealed to Me for it, yet with a prayer which is not merely voiced by the mouth but is deeply felt within your heart instead. However, such a prayer presupposes faith in Me and you lack this faith, although most people would have to admit this unbelief if they seriously gave account of their thoughts to themselves. Many people certainly still mention My name with their mouths but their hearts have had no knowledge of it for a long time already. For this reason you are incapable of a prayer that could persuade Me to stop the announced Judgment. Moreover, people don't believe in it either, and thus they do not use the grace of such a true prayer which alone would be able to change My will. And if I announce the forthcoming event so definitely then that is only because I Am aware of people's state of faith and have known their will from the start. I cannot forcibly change their will, but it turns to My adversary and totally away from Me. Up to a certain limit I allow free reign to people's will, yet as soon as this limit is exceeded I will intervene and deny people any further opportunity to descend infinitely deeper. I know when I must put a stop to it, when I must break My opponent's power Consequently, I also know how to remove people from his power and influence, and I know that banishment into hardest matter is far more advantageous and promising for the apostatised spirits than allowing

people in this low state of mind to keep the old earth and thus also their life where they become complete devils through his influence. Furthermore, I have already approached every individual person in order to win him over for Myself Every single person had enough opportunities to turn to Me in order to get to know Me and to experience My Fatherly love if he so wanted Countless means were used by Me, I coaxed them with Words of love, I admonished and warned them through suffering and adversities, I came close to them in joy and pain, I spoke to them through a human mouth, I steered their thoughts to spiritual spheres My adversary, however, won them over for himself through the world and its matter and they paid no attention to Me apart from a few who recognised and loved Me and who therefore need not fear the end either But these people also know humanity's adversity during this time and they recognise the fact that and why I will bring an end to an epoch which can only result in a lower spiritual state and never in a change for the better, in faith and in spiritual advancement. Through profound faith and heartfelt prayer you could certainly achieve a lot, yet you only desire the world and its possessions, and therefore you will perish because the time has come

Healing process

Free will

My plan of Salvation includes everything that can help the redemption of the imperfect spiritual beings. For everything visible arose for their sake and everything that happens can help these spiritual beings towards ascent if it is utilised correctly. And thus spiritual creations can fulfil the same purpose too but only for spiritual beings with a specific degree of maturity, thus for those which have already overcome matter and are liberated from every material form. Nevertheless, the possibilities for development won't stop in the spiritual kingdom either, the soul can constantly rise higher and always increase in strength and light. The soul's ascent in the spiritual kingdom is assured once it has entered the right path, but on earth it can time and again be pulled back by matter, because My adversary's power still affects everything that is to attain final maturity on earth as a human being. Thus matter is the stumbling block which can make a soul fall. Yet this, too, has been known by Me for eternity and therefore I make a special effort to influence the human being so that he learns to recognise what matter actually is, so that he will not let himself to be dominated by it. By the end of his life the human being must have overcome matter, that is, it must not burden his soul in the slightest, the soul must have liberated itself entirely from the desire for things which belong to the earthly-material world Then it will be able to enter the spiritual kingdom unburdened and continue its higher development in spiritual creations which will spiritualise the soul ever more and provide it with inconceivable beatitudes.

Thus My eternal plan of Salvation concerns all spiritual beings, but a healing can only be spoken of in souls which are still bound in a form of the earthly material creation, which are not yet free and ready for the kingdom of light.

The healing process of the spiritual beings therefore takes place in the earthly material creations as well as through the events of a person's earthly life, which are intended to change his will and for this reason can also have a beneficial effect. And the hardship and suffering which the individual person has to endure is especially beneficial if it means that the soul will find Me and thus results in a successful healing process. There is no means I will not try if it can affect the human being's soul beneficially, in order to result in an awakening in the kingdom of light after his physical death, however, the process takes a lawful progression, it is not arbitrarily encouraged, instead, its success depends on the human being's will. For the human being's will is also influenced by My adversary and has to make a free decision. Admittedly, the human being will not pass his test of earthly life if he disregards all possibilities which could help him to progress but, after an infinitely long time, he will inevitably have to face the same test again, and this so often until he has finally chosen Me It is just that his redemption will be the result of an inconceivably long existence on earth which he, however, could just as easily have attained within a very short time because it only ever depends on his will and not on insufficient redemption possibilities how long it takes the soul to reach maturity I will do everything for My living creations to become My children but I do not force their will, and thus they create their own fate, they can get better according to My eternal plan of Salvation, if they are willing to achieve this themselves

Amen

Effect of atheism in the beyond

How poor are those people who have no faith in God as Creator and Father of eternity, Who accomplished the act of Salvation in Jesus Christ in order to release His living creations from a degrading shackle which they allowed to be placed upon them of their own fault. How poor are those who go through earthly life without faith, for they own nothing but the transient possessions allocated to them by destiny in order to be able to accomplish their task in earthly life and which are now most important to them, which they eagerly try to increase instead of overcoming matter. The **right** kind of faith would give their life a different purpose, for they would work for eternity, for the soul's life after death; however, without faith they only think of earthly life, it is a state of continuous concern for transient things People create for death, not for life They are already poor on earth and enter the kingdom of the beyond, which they don't want to believe in on earth, even poorer they arrive naked and wretched in the beyond and immeasurable pain and darkness is their fate. Yet they created their own fate, for they did not remain without knowledge about God as Creator and Father, about Jesus Christ as Redeemer They refused to accept the teachings of it although they could have done had they been willing to receive clarification about their purpose of earthly life.

This will is the foundation of faith the human being must **want** to believe and then he will also be **able** to do so The knowledge of God is made accessible to every person sooner or later, and if he thinks about what the reason and purpose

of his human existence might be he will surely be helped by God to come to the right realisation, for that reveals his will to know the truth Every person knows that he cannot provide evidence to the contrary and should therefore not deem himself entitled to reject what is proclaimed to him about God, about His act of Salvation, about His unlimited power, wisdom and love. Hence he should try to receive clarification, and this effort will be rewarded to him because God Himself takes care of the one who sends his questioning thoughts into infinity He will be able to believe and through his faith gain immense riches, whilst a person without faith will even lose his earthly possessions. He is poor in the true sense of the word, for nothing will give him hope and confidence; nothing will give him strength when he suffers adversity if he cannot believe in God as Father, in Jesus Christ as Redeemer, Whom he has to strive for in order to become eternally blessed

Strength of love

Healing the sick

Performing miracles

A person with love also has strength and will be able to do anything, if he does not lack in faith. Love certainly activates faith but faith has to be awakened first, that is, the person first has to think through what he is supposed to believe, then love will also give him strength, so that he will no longer doubt and thus also be able to accomplish everything. Thus love is the most valuable quality, for it makes all things possible. But you humans do not appreciate the power of love You could perform miracles, you could heal the sick, you could banish every worry, truly nothing would be impossible if you would develop the love within you to utmost perfection and believe in its strength. And thus it is not a gift I bestow on you when you are able to do everything but it is the result of your strength of love, it is the natural consequence if you acquire My strength through love. Hence you should not systematically aim to acquire such gifts to heal the sick, to perform miracles etc because it is not an ability you can learn, you only have to increase your love, you have to strive for spiritual perfection, which then demonstrates itself in such abilities

Only love will accomplish everything. Anyone who completely shapes himself into love and thereby also acquires convinced faith draws from Me Myself, he feels himself as My child, as part of Me and therefore cannot think other than that his every deed will succeed because I Am by his side. But his love has to arise from his heart, it has to completely permeate the human being, it has to make him happy to give what his fellow human being needs. True love is totally unselfish, it no longer wants anything for itself, it constantly gives and is dominated by the principle of giving, and yet it provides indescribable joy And this kind of love can accomplish anything it wants to happen, which, as a result of its profundity, emerges as a surge of emotion in the person A strong, living faith places its hope in Me to fulfil its request, and it will not ask in vain A human being can avail himself of My strength too and accomplish the same,

but only if he is permeated by love. Then I do not give him the strength but he has acquired it himself through deeds of love, and that gives him the right He has returned to his original nature, he has not taken something unlawfully but has become what he was in the beginning, permeated by light and strength, for love in itself is light and strength, consequently the human being has to be permeated by light and strength if he has love. Hence, it is only necessary for you humans to shape yourselves into love in order for you to accomplish everything like gods; and that you will only want what corresponds to My will goes without saying, because love is also the source of wisdom and cannot do anything other than what is My will

Amen

Reunion in the beyond in the kingdom of light

It is an incomparably happy moment when the soul passes away from earth and enters the kingdom of light, the spheres where impurity no longer exists, where the soul is embraced by a flow of joy-inducing light, where it is approached by exceedingly beautiful beings who show the soul an extent of love which almost overwhelms it. The emanations of light correspond to the soul's state of maturity, thus always to a degree that they will indeed cause inconceivable bliss but not consume the soul, which could indeed be caused by an excess of light if a soul is not yet receptive to it In infinite expanse it sees the most marvellous creations, for now its spiritual eye is able to behold spiritual creations which no longer consist of matter and yet arise just as real and are by no means self-deception.

And amid the beauty it sees it will find its loved ones who had passed over before in the degree of maturity suitable to the kingdom of light People cannot imagine the bliss of such reunion, yet in the spiritual kingdom the soul is able to take in profound impressions without fading away and can consciously experience the bliss it receives from God. In its heart it will sing His praises and give thanks, just as it will, if the kingdom of light has become its home, always come aglow with love for the Father, Who has prepared all these blessings for the soul

Its co-operation with souls who have the same degree of maturity increases its strength and willingness to be active, and it applies this to far less mature souls to help them attain the same bliss. In merciful love it takes care of those it knew well on earth, who still dwell in lower spheres, who neglected their spiritual development on earth due to their unbelief and unkindness, and who are therefore still wretched in darkness or twilight It certainly can identify these souls and also approach them and offer its help, yet it will not be recognised in turn, and thus its help is frequently rejected

Yet a light-soul's love and patience will constantly approach these souls and sooner or later gain influence. The bliss it receives through God's perpetual emission of love, the incomparable creations of the kingdom of light and its co-operation with beings to whom it is attached with joyful love provide it with the constant desire for redeeming activity. It finds its own happiness in giving

what it receives itself; its longing for God finds constant fulfilment and it cannot but want to make others equally happy.

It is impossible to describe the splendours of the kingdom of light to people on earth, because only a fully matured soul can endure the abundance of light and therefore also understand the beatitude, which the as yet imperfect person does not appreciate. However, he can and should believe that there will be a reunion in the kingdom of the beyond, that death is not the end of the soul's actual life, and that these souls will recognise each other when they have attained a certain degree of maturity which, however, many souls still do not possess. And therefore it can take a long time for many a soul until it will experience the happiness of a reunion with its loved ones, yet the desire for this is frequently the reason to strive for ascent. The souls' strength of love is constantly at work to release the souls from the abyss and to help them achieve beatitude, to help them enter the kingdom where they are surrounded by radiating light, where they can behold God and every hardship has come to an end

Amen

God's Word, an inconceivable grace in the last days

You humans are truly offered an immense grace if My Word from above is passed on to you, for this Word is an inconceivably valuable means of help during the spiritual adversity of the last days, because it gives you the pure truth from Me through which you can attain beatitude if you accept it in your heart and live your life accordingly. My Word will always have an exceptional effect if it is consciously desired and received, yet even if it is made available to people who did not directly request it they will instinctively feel the strength of My Word by just paying a little attention and thereby opening their heart. My Word will affect them like a speech from another world to which they pay attention because they suspect something extraordinary and don't want to close their mind to it. They could gain infinitely much from it; they could receive a measure of grace which would result in their spiritual maturity within a short period of time. Yet generally they will be distracted by the world again and then carelessly bypass a gift of grace without having gained any benefit for their soul.

Oh, if only you humans would believe that I have spoken to you Myself if My Word was passed on to you, that you would listen to My Words and then make use of the little time you have left to live on this earth that you would still seriously consider the life of your soul after the death of the body! I cannot help you in your adversity other than through an obvious gift of grace, you yourselves have to accept this gift and utilise it to the best of your ability. Then you will also be able to work for your fellow human beings' benefit, then you will be able to impart to them the same things you have received through My love, Who speaks to you through My messengers, you will be able to enlighten them just as I have enlightened you, and you will be able to give them the same instructions and make them aware of the working of My spirit You yourselves will derive rich benefits from this because My blessings, and those of your fellow human beings who found the truth through you, will follow you. During the chaos of the last

days many people will still be grateful to you if you instruct them in My name And for this teaching ministry I Am now preparing you, My chosen few For you believe My Words, yet you, too, will be seized by doubt as you follow world events and wonder why I remain silent while the world continues to sin without inhibition and is not prevented from above. I will manifest Myself without fail and call people to order with a voice of thunder

And precisely for this reason I will still offer you humans an abundance of blessings in advance, which could provide you with a degree of maturity that would enable you to safely expect and survive the end. Yet you barely take notice of My gift of grace, and only few recognise it for what it is, a final call of loving admonition to the children of this earth who are facing their last decision I will constantly send My Word to earth so that you, who are My Own, will recognise that I Am not withdrawing but watching over all of you. And I will always come to you in Word and Scripture and on the Last Day in My full glory, when My Own will require comfort and strength and help which only I Myself can bring to them. Then everything I had announced before so that you shall become strong in faith, will be fulfilled, and those who will remain faithful to Me until the end, who believed My Words and used My gift of grace correctly, will be admitted into the kingdom of peace. For the end will mean the beginning of a new life for them, a life in peace and bliss in the paradise of the new earth, which I had promised to all who believe in Me, who love Me and who keep My commandments The last day on this earth will be the first day in beatitude, for I will come Myself to fetch My Own when their life is in danger on this earth

*Instruction for teaching ministry by God Himself
Mission*

I place each of My servants into a position in which he can work most effectively for Me, and that means that I determined every person's destiny in accordance with this activity for Me and My kingdom. It means that I also determine the nature of his activity, depending on his suitability, his degree of maturity and his willingness. Working for Me requires a certain amount of knowledge where it concerns the spreading of the truth, thus anyone who is chosen to carry out the vineyard work of proclaiming the pure Gospel must also be intellectually capable of recognising errors and take action against them. He himself must have the kind of knowledge which stands up to intellectual scrutiny. I can only use servants for a teaching ministry on earth who acquire this knowledge themselves, that is, who voluntarily desire and accept it from Me I Myself must be able to teach them, and this in a way that they will completely understand it and can also support it rationally, although the information will at first be received in the heart However, most people with good intellectual thought are not devout enough as to hand themselves over to a higher power in order to let themselves be instructed by it And therefore it is difficult for the truth to be accepted amongst people, since those who receive it from Me

Myself are not accepted by their fellow human beings because their power of judgment is not being trusted, in fact it is more likely to be denied to them. But anyone who receives the pure truth by hearing My Word in his heart will also be granted realisation and strength of judgment by Me together with the pure truth. Nevertheless, being instructed by Me is not possible without the person's free will on account of which I can only impart My Word when this free will requests it from Me. Hence you will understand that only a few people can be initiated into My plan of eternity, who can pass the pure Gospel on to their fellow human beings so that everything is understandable to them.

However, once I have found a recipient of My Word who unconditionally hands himself over to Me in order to be of service to Me, then I will also watch over him with much love, for I consider him a capable instrument for Me which is able to accomplish a great mission. And thus I will also give him additional skills which can facilitate his ministry, which protect him from falling prey to error himself and thus could endanger his mission. I give him a stronger sense for truth and error. I watch over him because I watch over the truth which on My instruction shall be passed on to humanity. The truth is clear and pure, without embellishment, without additions, the truth can also be accepted by every person who wants to know the truth But if a seeker of truth hesitates to accept something then he does not understand that which he is offered, then he feels an inner resistance to that which does not correspond to the truth. And this feeling is placed by Me Myself, the eternal Truth, into the heart of a person who wants to be of service to Me, who is willing to work as a bearer of truth on earth and spread the pure Gospel throughout the world I instruct him Myself, and this truly in a way that he will understand and accept **everything** he receives from Me. If subsequently something comes to him from outside then his heart will tell him what he should accept or reject For then I will also speak through the heart Myself. Everything that comes from Me will appeal to him and make him happy, and that which leaves him indifferent does not come from Me even if it also endorses Me and My kingdom it nevertheless has not originated from Me directly and cannot lay claim to absolute truth Nevertheless it need not be directed against Me but it can be surrounded by many additions which therefore no longer reveal the pure truth. The pure truth will meet far more often with opposition than acceptance, even so, I instruct bearers of truth for Me, especially during the last days before the end, and anyone who listens to them also listens to Me anyone who rejects them also rejects Me And therefore it is I Myself Who places the sense of rejection into the heart of the recipient of truth when a cloudy light approaches him, and then he shall listen to Me and only endorse that which he has received from Me Myself Then he will never spread anything wrong and faithfully carry out the work which he himself has offered to do for Me

Amen

Tests of faith to fortify belief

You are persistently subjected to tests of faith but only in order to fortify your belief, for as yet it is still as weak as that of a child compared to the demands that will be expected of you in the coming time. Time and again you will therefore experience adversity during which you should prove yourselves insofar as that you should turn to the One Who alone is able to banish your problems. The adversity will disappear like a formation of clouds if you trustingly hand yourselves over to the heavenly Father and commend yourselves to His grace. Thus you have the certain means to master every adversity, you need only tell Him your problems and sincerely appeal for His help and you will be helped But first you need to mature this firm faith so that He can and will help you Such faith will banish all adversity. However, this requires your awareness of His presence, your bond with Him must be so close that you will never feel alone, but that you will always sense that He, your Father of eternity, is walking next to you and then you will be completely convinced that He will help you A life without a fight, without earthly or spiritual adversities would not improve your spiritual development, for your strength only gets fortified through battle, strength is only put to the test through opposition and finally becomes victorious. This is why earthly adversities cannot be excluded, they are effectively merely tests to build up your strength, which you need to cope with in order to become strong in faith. For you will require great strength of faith during the coming time, when only that person will remain calm and confident who became so steadfast through his strong faith that he is aware at all times that he is in the heavenly Father's care and therefore stands above everything that is approaching. Nothing happens in your existence which He is not aware of, and nothing can happen to you without His will but whatever comes upon you is His will and is always beneficial for your soul Firmly commit these words to your memory, then you will always feel cared for by the heavenly Father's love, and you will not doubt his help for one moment if you are in trouble. Everything is beneficial that turns your thoughts to Him, Who is merely waiting for your call in order to be able to help you. It is His will that you should turn to Him, He wants to be your constant companion, He wants to be asked for advice in every spiritual or earthly adversity, He always wants to help you but is only able to do so if you, through your faith in Him, have also freely professed Him But then you will be in good care, then you will be able to await even the most difficult destiny, it will turn out for the best, you will receive earthly help and spiritually derive the greatest blessings from what the Father sends to you in order to win you over forever

Amen

The will is judged even if the deed cannot be accomplished

The **will** is judged even if the deed **cannot** be accomplished Yet it always has to be said to you that the will cannot be expressed through words, instead, the will itself is assessed by Me What you feel in your heart, what arises in you as a wish which moves you into action whether to do good or evil that is the **will** which determines your spiritual process of development and for which you will have to be answerable one day The will has been placed into you, otherwise you cannot be described as beings, and this will in you is **free**, it cannot be determined by anyone Understand this correctly: the **will** in you is not subject to compulsion, even though you can be prevented from implementing your will. Therefore, I say your will is judged, which thus can aim towards right or wrong. And therefore it can never be disputed that you humans have **free will** even if you often cannot accomplish what you want because other people or I Myself oppose your will and the strength of this will either lets you carry out or prevent your intention. The fact that **My** will often opposes people's will merely serves for their spiritual perfection but it will never be able to enslave the human being's will. The will, however, is determined by the human being's thinking. And again, this thinking can be right or wrong depending on the degree of love which is kindled in a person. This love is divine strength and flows to every being A heart which allows itself to be touched by this strength also accepts the flow of kind thoughts and direct its will correctly, whereas the influx of unpleasant thoughts originating from a heartless sphere will, understandably, be caught by an equally heartless person, therefore his will is inclined towards evil even if the human being cannot implement it His **will**, however, is enough to make him **sinful**, that is, his thoughts and intentions oppose Me and consequently result in appropriate consequences. And thus it can only ever be stressed that right thoughts and right intentions can only be summoned by a loving person, for love puts everything right, the human being must surrender himself with all his will, because through love his thinking can only be good and inclined towards Me, Whom he recognises as his Creator and Father of eternity. His will must aim towards everything that leads to Me even if it is prevented by an opposing will because I Myself will pull a person who, by way of love, has acquired the right to possess Me And since every person is **capable** of loving and thus can think and want correctly he is also accountable for this will of his and therefore everyone will be judged according to his will.

Amen

Merciful Fatherly love for the fallen beings

When you have sinned I nevertheless will not withdraw My merciful love from you, instead it will take hold of you firmly so that you will find your way back to Me again, so that you will recognise your wrongdoing and sincerely want to avoid everything that is not right before My eyes. I know your weaknesses, I know the temptations you are subject to due to your imperfection, but I also know your will which applies to Me and which I thus also value and therefore help you lift yourselves up again when you have fallen. And I bless everyone who makes an effort who will not let up in his endeavour despite all temptations, despite failing frequently. Time and again I give him strength because My love for My living creations never stops, which nevertheless belong to Me even when they are sinful. Yet you should fight with all your strength against the one who wants to seduce you you should time and again prove yourselves worthy of My love, you should not reject My love but always and forever request it, you should not want to become sinful and therefore repeatedly commend yourselves to My love and grace, you should appeal to Me for protection against the tempter, you should not exclude Me from your thoughts, your daily work, you should often strengthen yourselves, because you are too weak, with My Word

You should always maintain contact with Me so that I can have an effect on you at all times, and you will become ever more steadfast when you are faced by temptations, which will keep confronting you because the tempter will not slow down fighting for your souls until you have defeated him yourselves through Me, Whom you long for with all your heart and Whose love will not let go of you For as long as you live on earth you will have to wage this battle, because your earthly life is the last opportunity during which the adversary can and will influence you because he does not want to lose you, and only when you become completely free from earthly cravings will the temptations become less But I know every stirring of the heart, I know who has the will to live a life that pleases Me, I know who is still weak, and yet I must allow My adversary to try to exert his influence on you I have to leave the decision to you, I must not prevent you from doing what displeases Me, but I will never close My ear to the appeal of a child if it wants to be accepted in My Fatherly favour again. I know of your weakness and provide you with strength as often as you request it. Hence you should not be despondent when you have fallen but come to Me repentantly, and My merciful love will never deny itself since it is, after all, always willing to forgive if a child genuinely desires it

Amen

Serious admonition

The final phase of the earth

Your well-ordered life will only last a little while longer in order to then be plunged into a chaos which you cannot escape with your own strength. For then the earth will enter its final phase, it will be approaching its end This prediction has to be taken very seriously, since it is intended to make you aware that your time, too, is coming to an end, that you don't have a long lifespan left and many will even have to brace themselves to be suddenly recalled before. Every day you are still alive is a gift you should value, for every good deed you do in one day will increase your strength, which you will sorely need to make use of in the coming time. However, anyone who thoughtlessly lives without love and faith will be completely without strength or hand himself over to the one who will certainly provide him with strength but will not protect him from the end, from the last Judgment, from the renewed banishment in solid matter. Don't sell your soul for a price which will truly not make up for the hardship the soul has yet to go through when its earthly life comes to an end I cannot admonish you often and seriously enough about this, because I want to prepare a blissful fate for you. Yet you humans don't believe what I repeatedly let seers and prophets proclaim to you you don't believe it and I cannot force you to believe. You are truly worldly-minded and incredibly distant from being spiritual, you are completely immersed in matter and this matter will overwhelm you, it will completely imprison you again because you don't want to let go of it as long as you have the strength to hold on.

Try to imagine just for once imprisonment in hardest matter and being unable to free yourselves from it. The thought would give you tremendous strength to avoid this fate, yet you lack belief in it and I cannot give you this belief, you will have to acquire it for yourselves through a life of love Then the whole context will become clear to you and also the significance of your earthly life as a human being And you would be alarmed as to how much you deviate from the task given to you for the time of your existence on earth Do good works, force yourselves to do so, learn to do without for the sake of your fellow human being, alleviate suffering and hardship, comfort and refresh those who are sick and weak, lend a merciful hand wherever you see misery you won't just do it for others but also for yourselves, for your soul will come alive and every good deed will gain you spiritual enlightenment you will attain spiritual vision and recognise My great love where you still see today the merciless reign of a power which only wants to torture you on earth Listen to My repeated call of warning and admonition and don't let it bypass your ears unheeded, let go of your desire for material things, only consider the salvation of your soul and don't worry, for I will also take care of you in an earthly sense if only you seriously take care of your soul, which is in utmost danger because the end is near

Amen

Communion

The spiritual communion, the link of the spiritual spark in yourselves with the eternal Father-Spirit, can only be established through love You can certainly associate with Me in thought through heartfelt prayer, in which case you call Me and I draw close to you, but it remains a call from afar as long as you are without love; no heartfelt relationship has yet been established which, however, will instantly happen through actions of love. Then you will be closely connected with Me at the same time and in this state you will be able to take supper with Me, i.e. I Myself can provide the nourishment for your soul I can give you the bread of heaven, My Word, which you can only hear when you allow Me to be present in you, thus when you entered into communion with Me. To commune therefore means to accept flesh and blood My Word and its strength from My hand, for which it is absolutely essential that a human heart is alive with love or My presence is unthinkable No human being will ever be able to speak of My presence who does not prove his love to Me through unselfish neighbourly love. No human being will ever be able to unite with his eternal Father who does not regard his fellow human being as his brother, who is without love for him and therefore can never love the Father either, Whose child is the fellow human being

You should realise that only love unites the child with the Father, that the human being only enters the child relationship through love, and that the child will then receive the gift of food and drink at the Father's table and need never again suffer hardship And the most delectable gift a human being can receive is My Word, it is truly refreshing and strengthening, and where My Word is spoken My presence is proven, whereas, alternatively, My presence is unthinkable without an expression of strength. And since I Am strength and light Myself I also reveal Myself to people as light and strength, by being present in anyone whose actions of love allow My presence in him. But light and strength flow from My Word, light and strength are needed by the souls for higher development, thus light and strength are the nourishment I offer to the soul when the human being takes supper with Me, when he is My guest and in closest relationship with Me finds a response to his love

This alone is to be understood as Communion, only in this way do I want the Last Supper to be understood to which I invite you all, which I instituted with the Words: 'Take and eat, take and drink this is my body, this is my blood ...' You should take the nourishment for your soul from My hand and this necessitates the close relationship with Me which cannot be established in any other way but through love

Amen

Misguided teaching about the Trinity

People have a completely wrong concept of the divine Trinity due to the misguided description of a Divinity which consists of three persons. Every thinking human being will deem such an explanation unacceptable, thus it will either be accepted without thought or it will be rejected, whereas a correct explanation can be accepted by every human being since it reveals the essence of the eternal Deity and considerably adds towards enlivening faith in God. The concept of God has already become so vague to people that they find it difficult to have faith, and if they are now expected to understand the Deity as three persons as well the concept becomes even more confused and faith will waver. Indeed, rightly so, because in order to believe in a three-person God, the intellect has to be completely detached. But God has given the human being intellect for the purpose of assessing what he should believe. But with divine assistance, i.e. through the spirit of God, the intellect can certainly acknowledge a Divinity if it is truthfully instructed. In that case even the keenest intellect will not refuse to agree.

But this truth reveals God's Being in the manner that unites love, wisdom and strength within Itself, that one is unthinkable without the other that love is the fundamental concept from whence wisdom emerges and both express themselves through the strength of will. Love is the creative principle which gives rise to everything; it is the birth giving strength. However, it does not create aimlessly or arbitrarily but it proceeds with wisdom. Whatever God's wisdom knows to be good and right is accomplished by His will if love urges Him to do so It is the concept of a supremely perfect Being Because love, wisdom and omnipotence are evidence of a perfect Entity, Which cannot be exceeded further. Love, wisdom and omnipotence are proof of Divinity, they provide the human being with a concept of the eternal Deity's substance, but they are not three different divine persons united within one Being

The misguided doctrine of God's Trinity has considerably contributed towards people losing faith, because a description like that had to result in instinctive rejection and thus the grace of prayer was not used, which could have provided the sincerely seeking human being with clarification. The object of their prayer was questionable, people thought it strange to call upon three persons which they should believe to be as one God. Immense confusion has been caused, it was an evident influence of Satan, who forever attempts to undermine the truth, to obscure the essence of God and to estrange God Himself from them.

The fact that this misguided teaching was accepted in the first place testifies of the darkened spiritual state of those who, due to their complete lack of enlightenment, did not possess any means of discrimination and hence had been excellent tools in Satan's hands to distribute this teaching and with this to endanger the faith in a manner as rarely a misguided teaching had achieved. In order to believe in God as a supremely perfect Being, this Being also has to introduce Itself to people such that they can recognise His perfection, also the intellect of a human being who is looking for the truth has to understand such concepts, otherwise he could not be held to account

God is not content with blind faith, He demands every teaching to be deliberated and responded to, because faith can only become alive when it has become an inner conviction. When this option is excluded from the start, when people are presented with a misguided teaching for unconditional acceptance, only blind faith can be demanded and achieved by this which is of no value before God. On the contrary, it is far more damaging to the soul, especially when God's image becomes distorted and thereby the love for Him cannot arise, which is absolutely essential in order to become blessed

The Word (grace) recipients' advantage compared to the atheists

The font of life was opened to all of you who receive My Word directly or through My messengers; you are all recipients of grace who have been approached by Me and been given what you need in order to become blessed. You may all refresh yourselves with the living water; you may accept My evidence of love, My Word, which all may hear who want to hear it. You receive knowledge which enables you to recognise the correlation of everything in existence; knowledge, which explains My reign and activity to you and, because you learn to recognise Me through My Word, you will also learn to love Me And you will recognise your task on earth and try to accomplish it You have a considerable advantage over people who lack all knowledge of Me because they don't want to accept anything from My hand, who reject My gift of grace from My messengers, no light can shine for them because they run away from it, and thus they cannot learn to recognise Me either and their life on earth is, and will remain, a standstill because it is dark in them. You have an advantage compared to them and should therefore take merciful care of them You should try to kindle a light in them and work with the gift of grace wherever possible. You may always refresh yourselves but they are going hungry, albeit of their own will and therefore self-inflicted Nevertheless, you shall give them food wherever you can. Living water constantly pours forth from My font of life; distribute the refreshing drink when you encounter a tired and hungry earthly wanderer. Many a person in his wretched state will accept the refreshment after all, and many a person will feel refreshed and never forget that he received strength. Offer the delectable gift to everyone even at the risk of it being rejected; yet no-one shall be able to say that My gift of grace was denied to him. All those of you who receive My Word should at least cater for one wanderer out of gratitude to Me, you should distribute in the same way as I distribute My gifts to you you should offer with love what you find enjoyable yourselves, you should try to make My Word palatable for your fellow human beings. And I will bless every person's effort; I will pour out My flow of love upon all those who want to curb the immense spiritual adversity, who help with the redemption work during the last days before the end I give without limitation; you may take abundantly and in turn pass it on again in My spirit of love wherever you see spiritual adversity The delectable water ceaselessly flows forth from the font of life, it has an enlivening effect on every person and every person may access

the source But you shall carry the living water to anyone who does not come by himself so that he will also taste the strength inherent in the water of life, so that he, too, shall be awakened to life and will always desire more. Repay Me the love I grant to you by giving you My Word in this way. For there is immense adversity and I want to curb it with your help, because I must speak through a human mouth in order to gain people's will Be diligent labourers in My vineyard if you want to serve Me, everyone can work within his own circle, and as My servant he will always be blessed by Me

Serious wake-up call

You don't have much time left Time and again I have to say this to you for you don't take My Words seriously, you are living in the midst of the world and cannot believe that everything around you will cease to exist one day and that only that will remain which is everlasting your soul. Time and again I want to admonish you to seriously envisage what kind of state your soul will then be in. Time and again I want to warn you against focussing your every thought and intention on acquiring earthly goods, on improving your earthly situation it is a futile effort, for you will not keep anything when your time has come, the time when you will either be recalled or when everything around you disintegrates. You really should believe that you are wasting your energy, that you work for nothing, that it is merely temporary prosperity which might still provide you with a few comfortable days of life but which is unfavourable for the soul if you don't consider it first and diligently aim to gain spiritual possessions. You may certainly enjoy a good living standard if you use your earthly possessions correctly, if you share them with those suffering poverty and hardship, if you manage your possessions beneficially, if you regard them as having been received from Me and show your gratitude by practicing active neighbourly love, by alleviating hardship in an earthly and spiritual way and thereby live an exemplary life for your fellow human beings and motivate them to also live a life of love Then earthly prosperity will have positive consequences, then your soul will not have to starve, then you are considering your soul **first** and need not be afraid of the forthcoming events But woe to those who only pay attention to their physical life it will be taken from them and the poverty they suffer in the spiritual kingdom will be a dreadful burden to them

Believe that you are facing immense events, believe that you are only granted a little time longer, make every effort to attain spiritual possessions before it is too late Everything you acquire of an earthly nature will be lost to you; take care that you will possess spiritual goods; I seriously admonish you so that you cannot say that you were not informed of that which is irrevocably granted to you Don't turn a deaf ear to My advice and warning, they are My loving calls which come to you through a human mouth and intend to protect you from a dreadful fate and which I will repeat in a different way for those earthly children who are unwilling to listen and believe My admonishing wake-up

call will very soon resound so forcefully that it will make you tremble. I want to speak to you once more through the forces of nature and call to you from above: Wake up, you sleepers pluck up courage and stop being feeble don't look for worldly pleasures and everything of a transient nature; try to gain My kingdom and consider your true Self consider your soul, whose fate in eternity is prepared by yourselves Once again I Am telling you: Shortly after this final wake-up call the last Judgment will follow and the disintegration of Earth and the end of everything that lives on it will take place That is why you humans are in such great danger, because you don't want to recognise and believe that your end has come or you would yet prepare yourselves and pay no further attention to the world and its commodities The time I have granted to you is over and until the very end I will still try to save souls, hence My love constantly calls to people to take stock of themselves, to do penance and to turn back, for I don't want them to go astray I only want them to become blissfully happy

Amen

Last judgment

Listen to Me when I speak to you humans through the mouth of a servant: An inevitable judgment is about to happen to you. Nothing can avert this judgment from you anymore, for the time is fulfilled, a period of Salvation has expired and a new one shall start again, so that higher development of the spirits will be able to continue, since it has considerably slowed down due the human being's free will, who is no longer aware of his real purpose and therefore does nothing to further his complete maturation on earth, who even frequently prevents the progress of the spiritual substance bound within matter because he is spiritually utterly unenlightened. You humans, pay attention to the call from above: **The last Judgment is about to happen** Your lack of belief will not halt it, for it was planned by My love and wisdom from the start, firstly, in order to help the still bound spiritual substance to achieve freedom one day, and for another, in order to place the more liberated spirit, the human being, into a state he has created for himself through his will Freedom or renewed banishment, blissful activity in the spiritual kingdom or languishing in the matter he himself desired during his life on earth. You humans, listen to Me and believe Me, you are approaching the end I already announced the end to you long in advance so that you could prepare yourselves. But now the time has come when My announcements will be fulfilled, now the day comes ever closer which will be the last day on this earth for all of you the day, when the external shape of the old earth will be completely changed, which means destruction and annihilation of every work of creation on it.

You humans know of this, because the prophesies about the end of the world did not remain concealed from you, yet you never want to associate this with your time, you never believe yourselves to be affected by it, until the day takes you by surprise. But I don't want you to be taken unawares and experience this day entirely unprepared And thus I keep giving you the information from

above time and again, I inform you through a human being's spirit what is about to happen to you. I would tell you far more, but if you don't believe **this** then more knowledge will not benefit you either, because you would only misuse it for worldly gain and this would not help your soul. Nevertheless, you should at least know that you can avert the worst from yourselves if you appeal to Me for help. Even if you call upon Me at the last minute you will still receive help, although in a different way than you expect. I will send My angels to fetch those who speak My name with complete confidence that they will be helped, yet I will not thwart My eternal plan of Salvation it will proceed as it is proclaimed in Word and Scripture The last Judgment will be the end of this earth, the goats will be separated from the sheep, the realm of the earth will receive all that pertains to Satan and I, as good shepherd, will gather My sheep and lead them to green pastures, the earth will be desolate and bare, without any life whatsoever it will wait for the working of My love and then new creations will emerge again which will reshape it into the paradise of Eden once more a new earth will arise which will be inhabited by a happy human generation, and all hardship will have ceased for those people who proved their love and loyalty to Me in the last days before the end

Amen

Characteristic of the inner Word

A huge battle has erupted between the forces of the kingdom of light and those of darkness, for it is the end time of this earth, the earth is faced by an upheaval for the sake of the spiritual beings which are now the focal point of this battle. The prince of darkness is aware of the fact that his power is at stake, that he has very little time left and therefore he does whatever it takes in order to fortify his power. This battle between light and darkness is waged by the darkness with cunning and trickery, and many people who allow themselves to be beguiled by illusion and disguise will succumb to it. There is no risk where My messengers of light can intervene, yet Satan, too, sometimes avails himself of a garment of light and then it becomes difficult for uninformed people to recognise him as they only pretended to have established the connection, but they are inwardly still so separated from Me that I cannot manifestly help them who therefore willingly succumb to My adversary's enticements and temptations because he somehow appeals to them in a worldly sense and thus their reaction is also worldly. In times of spiritual darkness a ray of light is certainly exceedingly soothing, for the light comes from above, from My kingdom, and the shine it emanates will always cause a happy feeling in the darkness Yet My adversary often works similarly he wants to do the same yet his strength is not sufficient he knows that people are searching for light and thus equally approaches them as light. However, this light fails to disperse brightness it is merely a deceptive light, it is effectively a phantom which disappears if it is carefully inspected.

Nevertheless, it is a fact that Satan often appears in a garment of light in order to confuse people but he is only able to do so if people's will gives him a foundation

he can subsequently hold on to This will never be the case where heartfelt love for Me guarantees My presence but it can easily happen where a degree of unkindness prevents My presence and allows My adversary to enter this is why a completely devoted servant to Me need not fear Satan's activity, in contrast, someone who is still, if only slightly, captivated by the world needs to be extremely careful. For Satan slips in where I Am not present but he can never make himself at home where My presence is assured. My adversary tries to darken people's spirit through untruthfulness through errors and lies, whereas I, wherever I Am working, by means of purest truth provide enlightenment, bright and clear understanding about all spiritual problems and about My reign and activity, about My eternal plan of Salvation Yet one thing is not possible for My adversary: to make himself known through the inner Word And now pay attention: **What are the characteristics of the inner Word**, of the expression of My love for you, of the transference of strength which affects you in the state of receiving My Word? My Word affects your heart and speaks to your heart, thus My Word can only be felt, and this feeling will be formulated by the person's intellect if he is willing to believe divine emanations, if the person therefore consciously listens within to hear what I reveal to him But it is also possible for a person's tongue to speak, impelled by a force while the person's intellect is excluded and this force avails itself of a person's mouth in order to make itself heard. This manifestation of strength can indeed be caused by a being of light, but forces of darkness can likewise avail themselves of the opportunity if a person opens himself in order to make contact with invisible forces. Then it depends on the will which forces take hold of him; the person's tongue is set in motion and, impelled by this force, he speaks yet I Am not the One Who speaks, although good forces can also convey to a person spiritual knowledge which corresponds to My will.

However, My Word is My direct emanation, which can indeed be passed on to the person's heart through a being of light yet always such that the spiritual ear perceives My Word, that therefore the person is addressed by Me and he hears Me and not that his physical ear hears what his mouth utters. Can you understand that? When I speak the spiritual ear hears Me, the addressed person perceives My Word in his heart. If, however, an entity speaks through a person the person hears himself speak, and this in such a way as if the mouth speaks mechanically, which is indeed the case, because a being avails itself of him in order to express itself. This being can speak on My instruction and people can likewise derive much benefit from such statements, but it is also possible for evil spirits to interfere, which happens if a person's thoughts are earthly inclined or if he, due to weakness of will, entirely hands himself over to spiritual influences, if his state becomes like a psychic one, that is, if he can no longer control what is voiced by his mouth In that case he is just a mechanical mouthpiece for spiritual forces, and then care will always have to be taken to accept the spiritual results as truth then it requires serious scrutiny if error is not to be spoken of as truth. Anyone who hears My Word is addressed through the spirit within him, which is a part of Me Myself And if the spirit in the person expresses itself, it can only be heard by the person's spiritual ear and not by his physical ear. The spiritual ear, however, is a matter of emotion; the person feels My Words in his heart even if he cannot audibly pass them on to his fellow human

being. If, however, it is My will that he shall impart My Word, then the person will be able to convey his feeling to the intellect which grasps the sensed Word and formulates it to be understandable For My speech is an illumination of strength, it touches the human being's soul, and this strength is formed by My will into the Word for you All people can certainly feel themselves addressed by Me if they love Me and want to get in contact with Me, who thus expect an expression of love, for I draw close to all My children who call upon Me and I listen to them; I also answer them, I comfort them, give them advice, admonitions, warnings, I assure them of My help, and if they attentively listen within they will also perceive the gentle voice yet always in a way that they believe themselves to be saying these Words which they would dearly like to hear.

However, if a person is chosen to spread the truth throughout the world, to proclaim the Gospel to fellow human beings, he needs to receive it from Me first, and this happens through the **inner Word** through a process which first necessitates that the human being's spiritual ear is so trained that he hears that which I emotionally impart to him as 'spiritual Word' that he does not expect to be spoken to such that he hears it with his physical ear but that he, in profound faith of My love, waits for My speech, that is, that he opens himself to the flow of My love's strength and perceives the contact like spoken Words which the heart then conveys to the intellect, thus providing the intellect with the necessary understandable explanations in order to be able to process the spiritual language. Such Word-reception is a commitment for a mission, for the recipient accepts spiritual knowledge from My hand, I make Myself known to him, and this takes place in such a simple way that another person rarely notices anything peculiar and that the only evidence of My illumination of love consists of written down proclamations of wisdom, which testify to Me as a Being. And therefore it should not be difficult to recognise My Word, because by transmitting My Word to earth I intend to portray Myself to people such that they learn to love Me, but this is only possible if I reveal Myself to them as a most loving Father, if I explain to them that My reign and activity is solely determined by love and that they are therefore being informed of My eternal plan of Salvation Consequently, that which is imparted to a person as **My Word** has to be informative; it must not cause confusion, it must not sound incomprehensible, not effusive, it must sound clear and pure, intelligible and therefore pleasing for all people. It must also affect those people to whom it is imparted like a ray of love, it must touch people's hearts and meet with a response in those who open themselves a person must feel himself addressed by Me and thereby feel deeply impressed I Myself must be recognised as the Giver of the Word because I reveal Myself through My Word

Amen
