*Satan's nature ....*

*Fall and redemption ....*

The extremely vast distance from Me by the one who once rebelled against Me, the all enlivening strength, has also tremendously reduced the effect of strength, and thus the spiritual substance, which was once full of life and strength, deprived itself of strength and finally turned into the hardest substance, because even spiritual substance hardens if it is so infinitely far away from Me that it is no longer affected by My strength of love. The process of hardening of spiritual substance is synonymous with the emergence of earthly matter which, due to My will, took on shape. Thus all of creation is fundamentally such hardened substance, My once emanated spiritual strength which nevertheless originated from Me as something supremely perfected in essence .... This perfect spiritual substance was constantly permeated by My strength of love and thereby able to create and work without limitation like Me.

I Am the original source of strength and everything in existence depends on this source of strength. Nothing apart from Me exists with independent strength at its disposal, and thus a detachment from Me and My strength also means complete disintegration, since it would not be possible to receive a flow of strength from anywhere else. However, a separation from Me is not possible either, because My strength cannot cease for eternity and is eternally indivisible too; but what emerged from My strength is able to distance itself infinitely far away, and distance means that the strength loses its effect, thus the far-removed substance remains motionless and compacts into solid substance, into matter, which thus is hardened spiritual substance without the ability to be active because it has left the emanation field of My strength of love.

This, therefore, is the fate of the fallen spiritual substance which is furthest away from Me and yet will eternally not cease to exist .... Fundamentally, however, it is nevertheless something of substance which once was intelligent to the highest degree, possessed awareness and free will and yet, due to its fall, lost all evidence of its divinity. Through My will these spiritual beings dissolved into countless minute particles in order to gradually come together again after they have achieved a certain degree of maturity or purification by means of a healing process which I recognised as successful .... Thus I bound the once free spirits which had been created by My first-created being and the use of My strength .... But what has become of this first-created being?

Since its fall this being has been wandering about to and fro as a spark of strength trying to use its remaining strength to illuminate everything My will has taken away from it .... not to enliven it but to increase its own strength in order to surpass Me Myself, that is, My strength .... The spiritual substance constrained by My will does not react to this illumination simply because it is not giving it life .... But as soon as it becomes the entity again after the infinitely long path through creation, when the individual minute particles have gathered again and as a unit embodies itself in the human form and thereby regains its self-awareness, it will respond again to the endeavours of the first-created being, My opposing spirit. It allows itself to be blinded by the spark, for this spark does not illuminate, it is just a deceptive light that dazzles the eye in order to obscure its view completely .... just as his strength became ineffective due to the

apostasy, due to the infinitely vast distance from Me. But his essence remains, he has not lost his self-awareness, and therefore he is still able to influence equally self-aware beings, thus his essence can thoroughly permeate the human being without, however, thereby being limited to just one human being.

Hence he is able to exercise his influence wherever people intentionally turn to him due to their disposition and who thus increase his strength through unison with him .... He only uses his remaining strength to work against Me, he constantly tries to elevate himself with the help of people who submit themselves to him. Thus, this opposing spirit is indeed quite obviously active, he is also able to quite obviously dominate a person, yet only as long as the person is to take his test of will on earth ....

If he has achieved his aim to win people over for himself then he nevertheless has merely aided the **hardening** of spiritual substance again and forfeited his strength, so that he himself will also be completely lifeless as soon as he is no longer able to cling to people who provide him with their energy of life .... And this is the case when a period of Salvation approaches its end, when he has drawn the majority of people into the abyss and the others are completely devoted to Me. Then he himself will be completely deprived of his strength, then he, too, will be in a constrained state, he will be chained .... until he is able to tempt people in the same manner once more, until people themselves get to the state again that they increase his strength, until they more or less loosen his chains themselves all over again as a result of their wrong will for matter, which submits to My adversary's will and thus raises his position of power once more, which becomes ever more evident in every period of Salvation the closer it gets to the end. For this reason every period of Salvation will start in peaceful harmony as a true paradise on earth and end with satanic activity until even the last spiritual being has been taken away from My adversary, until he himself is so weak that he will ask for strength from Me .... until he himself will return to Me into his Father's house .... which he once had left of his own free will.

Amen

*First created being ....  
Light bearer ....  
Apostasy from God ....*

Your human intellect is only able to understand profound truth to a certain degree, because pure spirituality is only spiritually explainable. This explanation will be accepted by the spirit within you and indeed also passed on via the soul to the intellect, but the intellect is still too earthly minded and therefore cannot delve so deeply into spiritual knowledge to understand everything. Nevertheless, My spirit expresses itself through the spiritual spark within you, and anyone who has love will also understand the meaning of what I say to him:

My creative will was immense, My strength inexhaustible, and I found My bliss in the implementation of My thoughts and plans. And this bliss wanted to express itself, My love wanted to give itself, I wanted another being beside Me to also enjoy what made Me indescribably happy. I experienced My solitude as a

lack which I could change any time if I wanted to .... And I wanted to re-discover Myself in a being that should be closely united with Me, which I wanted to shape as a mirror of Myself, as My own image, to be able to bestow it with unlimited bliss and thereby increase My bliss too. I wanted to create such a being and this will sufficed, because My will was strength and always proceeded with love and wisdom. The entity I externalised from within Myself was indeed My image yet it could not see Me, had it been able to see Me it would have ceased to exist due to its beatitude, since no being could endure to behold Me. For every being, even the most perfect image of Myself, is always just a product of My strength of love, whereas I Am the strength of love Myself and enlighten everything with incomparable intensity but, as a result, I could not be endured by the being I had externalised. Yet by creating this being I had a vessel into which the strength of My love could flow continually, and thus it also received My creative will, My strength, My wisdom and My love beyond measure with this constant influx of strength from Me. As a result, it was now able to experience the same bliss, it was able to use its strength in accordance with its own will, it could be creatively active for its own pleasure and thus constantly increase My bliss, because it was My strength which enabled the being to do so and I took pleasure in its happiness ....

And now countless other beings of the same nature emerged from this being .... They all were children of My love in radiating light, in utmost perfection, because from the image I created of Myself and My infinite love could only ever emerge utmost perfection, because we shared the same will. Both our love found itself again in the created beings, because nothing imperfect existed as long as My will and My love worked through this first created being. It was an enlightened world of spirits, there were a great number of originally created spirits .... The strength from Me flowed unrestricted to the being which I had chosen for Myself as the bearer of light and strength .... And the entity itself was more than blissfully happy .... Yet I wanted to increase this bliss even more; I did not want it to be tied to My will but it should be active of its own will which .... if the being was perfect and remained so .... was My will. For the being, having been created by Me, was incapable of having any other will. But I wanted it to be able to act independently .... because the only characteristic of a divine being is that love is so powerful within itself that it is the decisive factor for the same direction of will as mine. I wanted to receive this love from My first created being which, however, was intended to result in its ultimate perfection at the same time, so that it was no longer active as a created being in accordance with My will but should enjoy unlimited bliss by merging with My will for love of Me ....

But in order to pass this test of love and will it had to have complete freedom of will. It did not see Me but it recognised Me because it was enlightened .... However, it saw the countless beings created by its will, and it felt itself as their creator in spite of knowing that it had received its strength from Me .... And the entity was envious of My strength .... Although it was visible to the beings it had created, it was nevertheless conscious of its origin from Me, but it claimed the right to rule these beings for itself by presenting itself to them as the source of strength, as the only power able to create .... It more than less denied to love Me in order to rule .... You humans cannot understand the process by which a

self-aware being could transgress into completely wrong reasoning but this is explained by free will which, in order to become active, must also be able but does not **have** to make a negative choice.

The bearer of light and strength saw on the one side the evidence of strength conveyed through him, yet he did not see the source of strength itself. Thus he declared himself ruler over his created spirits and also tried to portray Me as non-existent to them. He tried to transfer his now opposing will on to them .... And now the moment of decision, of proving their perfection, also came for the beings who had been created by the bearer of light with the use of My strength .... My strength was inherent in all these beings, they were fully enlightened and aglow with love for Me, Whom they could not see but nevertheless recognise. But they also loved their creator, because the strength that had created them was love which had emanated from the first created being and enabled it to create. This love now had to make a choice, and it divided itself ....

Terrible confusion occurred amongst the spirits who felt urged to make a decision. But .... since My strength of love was effectively light .... it was understandable that the urge towards the primary source of strength was stronger in many beings, that their love diminished for the one who separated from Me and pushed towards Me with increased force .... For the light within them was the realisation that I was Eternal Love. Every being had this knowledge indeed, but it also had free will which did not depend on knowledge, or it would not have been free. And the spiritual world divided itself .... The externalised being had its followers just as I had Mine, even though I was not visible. But the effect of My strength was so powerful that many beings turned away from the one who wanted to oppose Me .... Their will remained in the right direction, whereas the bearer of light and his followers directed their will wrongly, thus they volitionally separated from Me and this caused their fall into the abyss ....

Thus the light bearer, the fully illuminated being externalised by Me, became My adversary, whereas everything that had emerged from him, that was created by both our love, partly turned towards Me and partly towards him, depending on the glow of love by which it was permeated. As soon as the bearer of light separated from Me the beings experienced an undefined desire for a definite pole. Free will began to unfold itself .... neither I nor My adversary influenced them forcefully, they were merely exposed to both our emanation of strength which wanted to gain every being for itself. The flow of My strength was pure love and affected the beings so intensely that they recognised Me without seeing Me, but they could also recognise the first created beings' change of will. However, because they could see this entity many followed it, i.e. they subordinated themselves to its will and thus distanced themselves from Me. Yet other originally created beings felt themselves as My children and voluntarily remained loyal to Me, only they were far less in number. These were the first created beings who arose from My light bearer's most blissful creative will and My immense influx of strength of love. And this strength of love was inherent in these beings too and persistently pushed them towards Me, for they recognised their creator's present will as wrong and therefore turned away from him. The other beings could have come to this realisation too yet they blindly followed the one they could see, and their will was respected and in no way influenced

by Me, because this decision of will had to take place in order to shape the created beings to **independent** perfection. The being which left Me drew a large number of followers into the abyss, for to distance oneself from Me means to strive towards the abyss, to aim towards a completely opposite state, which thus signifies darkness and weakness, loss of knowledge and strength. Whereas My children blissfully remained in the most radiant light and immense strength, in beatitude.

After the fall of Lucifer, the light bearer, his strength was defeated .... He could no longer actively create and shape although I did not withdraw the strength from him because he was My living creation. His power and strength rested in his followers, whom he now dominated as prince of darkness. But they are also the products of My love which I will not leave to My adversary forever. As long as these beings still share his will they belong to him; but as soon as I succeed in turning their will towards Me he has lost them, and thus his strength diminishes at the same rate as I release his prisoners from his control which, however, always presupposes the being's free will.

And this is the purpose of My eternal plan of Salvation, which is eagerly and most lovingly supported by all inhabitants of the kingdom of light, by My angels and archangels, for they all are My helpers who endeavour to bring bliss again to their fallen brothers, who once voluntarily threw it away .... And this work of liberation will succeed, even if it takes an infinitely long time before the last once-fallen spirit returns to Me, until even the first created being that came forth from My love draws closer to Me again in its longing for My love .... until this too repentantly returns to the Father's house, which it once left voluntarily ....

Amen

### *The Father's house and beatitude ....*

You shall enter into My paternal house, you shall dwell in eternity where I once placed you to be most blissfully active. But then you will be able to behold your God and Father of eternity in Jesus Christ, I Myself will be amongst you and your bliss will be and remain without bounds, for in eternity the glory of My kingdom has no end. That which you can achieve on earth is so inconceivable and overwhelming that you would no longer strive for anything else on earth were you able to imagine this glory .... But you must strive for My kingdom without this knowledge, you must return to your Father's house of your own free will, because beatitude will only be your fate on condition that the being has voluntarily attained perfection. One day this beatitude is destined for you, nevertheless, it is left up to yourselves as to how long you still want to delay your home-coming into your Father's house, the time is determined by yourselves, and when your body dies it can already be over and have gained you perfection on this earth. I await all of you and have prepared the mansion for you .... Allow these Words of Mine to take effect in you, let yourselves be motivated to seriously strive towards coming to Me in My kingdom, imagine the most glorious fate and you will not come anywhere near the true idea of that which I

have prepared for My Own, for those who love Me with all their heart and soul .... And you can attain all this by merely keeping My commandment of loving Me and your fellow human being .... Through unselfish love you shall shape yourselves such that you can be accepted into the spiritual kingdom with all its light without fading away. Then you will be able to enter into your Father's house, then I Myself will come to meet you and guide all of you towards the glories and in My presence, permeated by My love, you will be and remain indescribably happy for all eternity ....

Amen

*Battle of faith ....*

*Antichrist ....*

*Public confession ....*

A tough test will be imposed on you in the last days before the end. Something will happen that you don't believe possible: every faith will come under attack with the result that people will mutually renounce each other, that no-one will admit their conviction anymore and that each person will be the other person's enemy. And then I will require of you, My representatives on earth, an **open confession**, for this is the time of which it is written: Anyone who confesses Me before the world, him I shall also confess before My Father .... For this confession can still strengthen many others, so that they will not hide and fear their earthly enemies. It will be a difficult time and yet, you need not fear it as long as you mentally unite yourselves with Me, for then I Myself will be with you and guide your steps, your words and your thoughts. Don't fear those who kill the body, but are not able to kill the soul .... As soon as it relates to your faith you will also know that the time I proclaimed has come and that the final end is not far away. The battle of faith beforehand is the last phase on this earth, and with the same certainty as this will erupt so, too, will the end come, which you, My servants and loyal followers on earth, can only yearn for, since it will deliver you from all adversity. Yet the time prior to that needs to happen in order to provide people with the opportunity to make a decision. Only then will the decision be made who belongs to Me and who belongs to My adversary, who loves the world more than Me and who therefore has handed himself over to him, for he is the one who will deny Me, and the most shameful actions against My Own testifies to My adversary's activity, who will embody himself in the Antichrist and take action against My Own and thus against Me Myself. Your strength, however, your courage of conviction and your will to love will increase, and I shall support you so obviously that you will recognise Me and profess My name before the world ever more loudly. Yet for the sake of My chosen few I will shorten the days .... the end will come very quickly, for I Myself will come to help My Own and will take them away, so that they will be spared the work of destruction of earth, so that they will find peace after this difficult time of trial. Yet all others will be met by the Judgment, for it will come to pass as it is proclaimed in Word and Scripture ....

Amen

*Fight with the sword of the tongue ....  
Truth ....*

Take up the fight against everything that is spiritually opposed to you, fight with the sword of the tongue, for it is a holy battle .... you are fighters for Me and My kingdom. And whatever is spiritually opposed to you when you represent Me and My Word before the world is directed against Me. My pure Gospel shall be proclaimed to people, this is why I sent My disciples into the world to teach all nations .... Only through the pure Gospel, only through the truth, were they able to acquire the kingdom of God, for the truth proclaimed Me and showed the path to Me. As soon as the truth gets distorted the path to Me also gets uneven, I can no longer be properly recognised and people's goal becomes indistinct and will not longer be aspired to .... If the path to eternal life shall be shown to people again, then the truth must pave the way to it first, people must be able to clearly and distinctly recognise Me, only then will they strive towards the right goal again, they will be able to reach Me and attain beatitude and everlasting life ....

I Myself Am the way, the truth and the life .... And you, whom I have chosen and educated as My disciples in the last days, you know the truth, you have received it from Me Myself, and you also know how dangerous error and lies are and how much spiritual adversity people suffer who are not instructed in the truth. This is why error and lies are My great enemy and also yours who live within the truth. And this is the enemy you shall fight .... Time and again I give you this task that you shall argue for Me and My teaching, that you shall fight with the sword of your tongue. Although you will find many enemies who will support their wrong doctrine with conviction, yet you will also be able to counter their misguided teachings with the pure truth and win every time, providing they are not obvious followers of the prince of darkness and don't really want light and truth, that they don't fight for what they had accepted as right but only for themselves and their power.

Your sword will truly be razor-sharp, for you will be able to refute everything that is wrong, the Words will be put into your mouth, My spirit will guide you, thus I Myself will be at your side as your commander-in-chief and the truth will be victorious indeed but can also cost the enemy many victims who would rather perish than abandon their error as not to lose their power. They are not interested in the pure truth; instead, as My adversary's representatives they rather aim to darken the light with which they are confronted. Consequently they will be the victims of this battle which, however, has to be fought out at the end of this time, for the prince of darkness will finally declare war on Me, he will try to dethrone Me with lies and defamation. And then you shall face up to him, I want to speak through you to those who are controlled by My adversary, and I also still want to show them the path which leads to the goal, to eternal life which, however, can only be taken by means of the truth ....

Amen

*Spiritual turning point ....*

*Alteration of this earth ....*

Don't entertain false hopes and expect a turn for the better on this earth by thinking that people's spiritual nature could improve and that a life of faith and love might be recognisable on earth again. This earth will not experience a spiritual change in people anymore, yet the spiritual turning-point is about to happen .... And thus the earth will become a different one, but first it will undergo a change, a transformation, and the spiritual level of the human race which then will populate this new earth will be high ....

But anyone who believes and hopes that the people on earth will still change, that another era is dawning on this earth, is very much mistaken and not very familiar with God's plan of Salvation, in which the earth's transformation serves other purposes still than just a spiritually highly evolved human generation. It is also intended to further the advancement of the spiritual substances which are still bound in the material form and thus start a new period of Salvation or development which first necessitates a transformation of the earth's external form. Humanity's spiritualisation on earth would, in fact, also correspond to this divine plan of Salvation and also be beneficial for the still bound spiritual substance in the works of creation. But in view of people's present spiritually low level a change cannot be expected from them any more; they are completely controlled by matter and ignore their spiritual development. Hence they strive ever more towards the abyss and thereby bring about the end themselves .... a disintegration of the earthly creation, a release of everything that is bound within and their own banishment into solid matter in the new creations of earth .... Hence a teaching which upholds that a spiritual change is yet to happen on this earth is wrong, even though a spiritual turning point is in sight. People, however, don't want to believe in a destruction or an end of this earth. This thought is totally incomprehensible to them but since, on the other hand, they are convinced that a change is about to happen they expect this turn of events to be for the better.

Yet the fact that people lack belief in a forthcoming end of earth has a negative effect, for if they believed it they would truly make better use of their time, they would live consciously, that it, they would try to live up to divine will in the realisation that only their own change of nature would protect them from the fate of also getting embedded into the new creation. People are lacking knowledge and faith and both can seldom be convincingly conveyed to them, nevertheless they receive enough indications although it is up to their free will whether they allow themselves to be impressed by them. They certainly suspect or feel that they are approaching significant occurrences but never want to believe that these occurrences will be so drastic that one earth period comes to an end and a new one begins, although they would be able to believe it if people would care to love, if they gave their suffering fellow human beings the kind of love which would result in their own enlightenment. Then they would realise the hour they live in and nothing they are told about the approaching end would be doubtful to them anymore ....

Amen

*Surrendering the will to God ....*

Offer yourselves as a sacrifice to the Lord, passively hand yourselves over to Him .... desire that His will shall also be yours, that you no longer feel any kind of resistance in you, that you are totally devoted to Him .... This complete surrender of your will to God's will assures right thinking, right wanting and right doing .... But as soon as you harbour the slightest resistance you also divert, if only imperceptibly, from that which is God's will, because this very resistance creates the foundation where God's adversary can be active. It is thus an act of greatest effort if the human being is to relinquish his own will and completely subordinate himself to divine will .... which, however, will always be easily achievable the more love becomes active in a person, for to be lovingly active is already coming into close contact with the eternal Love, it is unifying-oneself with It and thus simultaneously abandoning one's own will. This is why someone who lives a life of love no longer opposes God, it draws him to God, he humbly gives himself to the One Who created him, he know no resistance, no disobedience to God, he only ever endeavours to comply with Him.

In that case he has no will of his own any longer because he is permeated by the love of God, Whose will now works in him, since through love the spiritual unity has taken place. Thus love is the most certain feeling that the human being lives within God's will .... and that is why you need only ever be mindful about practising love .... whatever you do should only be determined by love, your heart should be soft and tolerant, gentle and whole-heartedly humble, and helpful towards every human being .... In every human being you should see your neighbour, your brother, because you are all children of one Father; you should let neither anger nor bitterness arise in you, but know that everything will approach you as is beneficial for your change, for your perfection. What is wicked in your environment shall become good through you, your love shall be the weapon you use against your enemies. You should never fight evil with evil but do good to those who do not mean you well. Then your bond with the eternal Love will become ever firmer, then you live within God's will, then His will has also become yours, then you have offered yourselves as a sacrifice by voluntarily having surrendered your resistance and acknowledged Him as your Lord, as your God and Father of eternity, to Whom you gave yourselves completely ....

Amen

*All willingness to help is blessed by God ....*

Believe in My Words that I bless everything which is done with the intention to help. The willingness to help is unselfish neighbourly love which can never arouse My displeasure. And I often give you humans the opportunity to put your will into action, I stimulate your thoughts and also give you the strength to accomplish whatever you feel impelled to do. Just don't strive for earthly gain by doing so, for only unselfishness characterises the right kind of love; you should always want to give but never want to achieve anything for yourselves by your action. Consequently, wherever you think you are able to help you should never hold yourselves back, for your labour of love not only helps to reduce suffering but also awakens reciprocated love and therefore achieves the noblest purpose .... to kindle love in the person's heart who receives the labour of love and thereby to **give** life, for only love awakens life and can therefore also soften an obstinate heart and achieve a transformation which signifies redemption for the bound soul. Never allow yourselves to be held back from active unselfish neighbourly love and send kind thoughts to your fellow human beings, remember their souls which are in spiritual darkness, on earth as well as in the kingdom of the beyond, and try to bring them light by igniting love in them through kind-hearted deeds .... You can have an incredibly richly blessed influence on all those who live in darkness by merely loving them, by including them in your heart of love and giving them a lot of love, which they will feel with gratitude and reward with love in return .... Never fear that you are doing wrong if you want to help .... For I see your will and this alone is valued by Me .... The hardship is enormous and any reduction of it is an act of mercy, a loving deed, the consequences of which you are incapable of recognising .... But where love is active there will always be detectable success which consists of activity of love again, and this shall spur you into untiring loving activity, so that every ray of light will be felt beneficially on earth as well as in the beyond and ignite again .... so that every small flame will spread and radiate light and that, where the light is shining, there will also be happiness .... so that you therefore make those happy, whom you lovingly take into your heart, whom you grant love .... be it on earth or in the kingdom of the beyond ....

Amen

*The bridge into the spiritual kingdom ....  
Jesus ....*

The bridge into the spiritual kingdom was built by Me when I descended to earth in order to redeem humanity. You all may cross this bridge if you want to follow Me .... And thus understand this right: Anyone who follows Me, who has chosen Me as his leader will be able and shall travel the same path as I have taken Myself, and he need not fear to go wrong. And thus even as a human being I maintained contact with the kingdom whence I had come. Admittedly, at first My origin was also hidden to Me, the human being Jesus, I lived on earth and knew no more than other people, yet My soul persistently searched for God, My soul constantly returned again to My true home .... to the kingdom of the most blessed spirits ....

And My yearning of love for God was so great that He came to Me and soon also informed Me of My mission on earth. Hence I already recognised at an early age that I and all other people were only guests on this earth, but that in the hour of death the spiritual kingdom was opened again for everyone, only its spheres were very different. I had this knowledge as a human being on earth and was often able to look into these spheres. I saw the abundant bliss as well as the extreme agony of the spiritual beings, and My soul yearned but it was also appalled. I beheld the spiritual world due to the degree of maturity My soul had already attained on earth, and therefore My soul was no longer endangered by entering the different spheres in the spiritual kingdom. I Myself had already established the bridge by changing My nature into love and was therefore able to safely cross the bridge into the spiritual kingdom.

And thus I want to explain to you that the love within you humans is always able and will establish a bridge into the spiritual kingdom, then not you yourselves but the spirit of God awakened through love will guide you across, because it wants to introduce you to the kingdom which is your true home and which offers you incomparable treasures, that you may receive in this kingdom .... Then you can also safely and without worry take a glance into the realm of darkness, for then your love will want to help all those who need this help. The bridge leading from earth into the spiritual kingdom has to be understood literally as well as figuratively .... I have prepared the path for you which will lead to God, which you shall take by following Jesus. However, through My resurrection on the third day I also demonstrated to you that I have overcome death, that there are no limits for the living, the immortal part in you, that your soul at all times may and shall stay in the spiritual kingdom and that My spirit, if you awakened it, will guide you into areas which otherwise are inscrutable for you. Yet it is different when such contacts to the spiritual kingdom are established without faith in Me, without spiritual aspiration and without love .... Then people enter a bridge without permission, hence they unlawfully take possession of it in order to glance into the kingdom, which is hidden from them. People like these do not acknowledge Me, consequently they cannot be on the bridge which I have established through My crucifixion .... Yet they also see a bridge leading into the spiritual kingdom, an illusion, which My adversary makes them believe because he wants to entice them to him, which he easily succeeds in doing ....

by plunging you into ever deeper darkness, because no light can be found in darkness.

But anyone who desires light will be met by the beings of light, and they will provide him with an abundance of light, with the pure truth, which can only ever come from God's kingdom, from the kingdom of eternal truth. From the kingdom of darkness comes nothing but harm, from the kingdom of light only blessings; you shall close yourselves to the kingdom of darkness but open yourselves to the kingdom of light, for I Myself call to you from this kingdom: Come unto Me, all ye that labour and are heavily laden, and I will give you rest. And if I call you to Me then you must also enter the bridge which I Myself have established from earth into the spiritual kingdom in order to smooth the path for you which leads you to ascent, to Me, but which can only ever be found through love ....

Amen

*Confusion during the last days ....*

*Truth ....*

My love will truly not leave those of you who want to be active according to My will, who entirely voluntarily have taken on a task and are thus working for Me and My kingdom. After all, you children of this earth should bear in mind that the time of the end has come and that therefore all possibilities will be exhausted for the salvation of erring souls. Wherever I know there is a person who can still be won over for the kingdom of life I will use those means which promise to be successful, and these are not always the same means because every person reacts differently to them. But My working is nevertheless recognisable, for the objective is and always remains the direction of will towards Me .... hence everything that demonstrates guidance to Me, to faith in Me as the Creator and Father of eternity, has to be regarded as a means used by Me, it merely is not the same with every person. You must know that unbelief, the denial of Me Myself, is always the proof of affiliation with My adversary, who will at all times actively strive to keep Me at bay from people, thus to prevent their return to Me. Consequently, where it is clearly obvious that I Myself Am made accessible to people as God and Creator of eternity it **cannot** be My adversary's work, the work for Me and My kingdom will always be recognisable there. However, anyone who carries out such work will also always draw people's attention to My commandments of love .... And that, in turn, is a sign as to which spirit dominates, because My adversary will never admonish and inspire the love which will dethrone himself, which will deprive him of his followers .... The end is near, and there is great confusion among people, which is My adversary's intention again, who slips in wherever it is possible for him, whose first endeavour is to undermine the truth, to extinguish the light which should illuminate the path for people. And he finds many opportunities to cast shadows upon the rays of light .... yet he will not be able to extinguish the light, for its radiance will be too bright and will dazzle him, so that his activity will be exposed and will remain unsuccessful. For once the desire for Me has been

awakened, where a person's thinking and striving applies to Me, where I Am called upon in spirit and in truth, My strength of love will also flow over and fill the human being's heart .... And it recognises the eternal Love, the Father, and unreservedly surrenders to Him. And this surrender of will is all I require of you, who want to serve Me .... Then all your thoughts, intentions and actions will be right, then you will be endowed with My strength and you will be living representatives of My teaching .... you will only be able to speak according to My will and thus also know the truth ....

Amen

*The path to Golgotha ....*

The path to Golgotha was the conclusion of My earthly life, it was the victory and the accomplishment .... it was the harshest and most bitter self-sacrifice, for every individual detail until the hour of My death was clearly in My mind's eye. I knew about all the suffering and pain and nevertheless walked this path consciously. Yet I also saw the tremendous adversity of the sinful human race, the inconceivable guilt of sin and its ramifications laid like an accumulated burden upon My shoulders and I knew, were I to shake this burden off .... which was certainly within My power and strength .... humanity would break down under it and would never be able to deal with the burden alone .... I knew that this burden of sin would torture the human race for eternities and would never allow it to attain freedom and bliss .... I saw these agonies of the whole of humanity before My spiritual eye and I took pity upon the wretched souls. For this reason I relieved the human race from its burden of sin and walked the path to Golgotha, I took the indescribable suffering upon Myself in order to atone the guilt, which was so immense that only superhuman suffering would be suitable as an act of atonement. Therefore, I wanted to suffer and die for humanity and by no means lessen My suffering .... You humans will never be able to estimate the magnitude of My act of compassion, for you, who believe in Me, are also aware of My divine nature which could have lessened even the greatest suffering ....

But I lived and died as a human being .... I was subjected to every agony a human being was able to endure, psychologically and physically I was terribly maltreated, My tormentors not only tortured My body but also uttered such appalling and hateful words that My soul recognised them as expressions of hell and felt insufferably tormented .... I have endured every imaginable suffering all for the love of people who would have had to atone for their huge guilt of sin themselves and would have taken eternities to do so .... As Jesus, the man, I was able to assess these people's inconceivable suffering and wanted to avert it by enduring what I was capable of enduring .... My love could not ignore humanity's immense adversity, it wanted to help, it wanted to redeem all enslaved people, it wanted to plead for forgiveness of all sins, it wanted to make amends and therefore sacrifice itself to the heavenly Father .... However, people must acknowledge the sacrifice made and allow themselves to be redeemed by

Me. For this reason I call to you with most ardent love: Don't let Me have made this sacrifice for you in vain .... Recognise that you are weighed down by a huge burden of sin and let it be your will to be released from it. Accept My sacrifice on the cross as being offered up on your behalf, place yourselves under the Calvary cross, don't let My suffering and My death on the cross remain ineffective for you .... Bring all your sins to Me so that I will be able to release you, so that you may be forgiven, so that the Father will accept you for the sake of His Son's love .... let yourselves be redeemed through My blood which I shed on the cross for you humans ....

Amen

*'Whoever is loved by God ...'*

Whoever is loved by God often has to follow stony paths and carry burdens which almost crush him; but always only for his own good, for every burden of the cross can be a blessing for him if he has the right attitude towards Him Who directs his destiny. Whoever is loved by God .... He certainly loves all of His living creations but especially those who no longer have far to go in order to reach the final goal. He knows every human being's disposition and thus He also knows every individual person's attitude towards his God and Father of eternity, and He will often treat him accordingly in order to help him reach the goal. And only in this way should you explain the fact that God-devoted people who clearly fulfil His will have to suffer and often fight a difficult struggle for existence, which at times raises doubt about God's benevolence and love. God knows the purpose of everything, and if only people were convinced of His love and kindness they would also recognise everything as divine providence and not rebel against it, they would know themselves seized by God's love and patiently wait for their destiny to change again.

There is truly much suffering on earth, humanity is languishing under its weight, but it does not recognise itself in need of educating and therefore inwardly revolts against it when it should just humbly submit to it, so that all difficulties would be taken away again and God's help would manifest itself so clearly that He could be recognised as a loving Father by everyone who wants to recognise Him. Those who are loved by God are allowed to suffer .... These Words find little credence, for no-one considers that suffering is a truly effective method of upbringing in a world where people only ever strive to please their body, where God' love is not seen in situations of adversity and sorrow. And yet it is His love which manifests itself such that it is beneficial for the soul. For God knows the blessing of suffering and therefore He often uses such means in order to keep people back from the earthly world. He would rather see them suffer than plunge into the mire of the world and its sin. He knows that disease and pain can result in a change, but that the world can never offer the soul spiritual success, that therefore the world has to be disregarded first, which is indirectly assisted by God in keeping people back from the world and its dangers through means which seemingly lack God's love but are never harmful for the soul, unless the human being revolts against his destiny and invokes His adversary.

Then he will be helped indeed, but in a different way than the human being thinks .... he will certainly help but never without reward .... And this reward consists of handing the soul over to him. Therefore submit to God's will when you are affected by adversity and suffering, don't grumble and complain, bow down to His orders and lift your eyes up only to Him. And He will take the cross from you, He will make it easy for you as soon as you completely surrender yourselves to His merciful guidance. For you can always know yourselves loved by Him, Who through suffering and adversity only wants to win you for Himself, Who wants to purify your soul and time and again provides it with the opportunity to practise patience and gentleness, so that God's help will then visibly arrive, so that His love will visibly intervene and also heal all wounds when the time is right ....

Amen

*Earthly destiny corresponds to will ....*

I Am a Father to all of you, and thus it will also be understandable to you that I grant My Fatherly love to each one of My children and that I have the destiny of each one at heart, that I Myself lead every child by the hand until it is able to walk on its own, until it has matured into a being that is like Me, until it is so closely united with Me and thus thinks and acts according to My will. Every being's development was delineated an eternity ago .... but this does not mean that it has to follow this process without will, rather, My wisdom recognised the process which corresponded to the being's will and offers the greatest opportunities to guide it to Me. I foresaw both the resistance as well as the lessening of resistance in every being and My plan of Salvation adapted itself to this will. The being lacks the past memory of the blissful state at the beginning as well as of its fall into the abyss .... Consequently, its will can make a completely free decision as to the direction it takes, it is not influenced by Me in any way. Yet My love and wisdom always placed the being into circumstances conducive for its change of will .... It can very easily make the right decision but is not forced to do so. I Myself will never complicate a being's process of development because My love for that which emerged from Me is infinite and because this love only ever yearns for the return of the beings to Me, thus I will always make it easy for the being to find the right path to Me. I also foresaw the failures an eternity ago, I foresaw My living creations' renewed apostasy from Me, which time and again requires ever new opportunities in order to reach My goal one day. But even these failures are taken into account and won't hamper Me from implementing My salvation process .... they merely prolong it and demand more effective means, and sooner or later they will certainly lead to the goal ....

Therefore, the way a person's destiny on earth turns out always corresponds to My eternal plan of Salvation, since I have also known his will for eternity and always take effect according to this will, thus earthly life approaches the person as is favourable towards changing his will and turning it towards Me. As the Father of My children, I also truly know their every nature and must therefore

treat each one of My children differently in order to win them over for Me, in order to gain their love .... For it is My goal that they grant Me their love and therefore I won't compel them but will allow them their freedom, since compulsion can only result in obedience out of fear but never in obedience out of love. However, I yearn for My children's love and therefore never lose patience, even if My plan of return takes a long time .... I will always take My living creation's will into account, yet one day it will freely choose Me, one day its love for Me will break through, My living creation will subordinate its will to Mine, it will ask for My love and My Fatherly love will draw the child to itself and never ever let go of it again ....

Amen

*Spiritual rebirth ....*

You humans ought to strive towards spiritual rebirth, for eternal life is only assured to you when you are born again. Your natural birth is merely a process necessary in order to facilitate the soul's path towards rebirth. Your soul must be born again, it must step out of the state of lifelessness into a state of life, it must step out of its shell and be born anew, thus it should enter a hitherto unfamiliar sphere, it should escape its old cover in order to be able to flourish in freedom and light .... Your natural birth is a gift of God, Who provides the soul with the opportunity to create a new life for itself .... However, it must strive for its rebirth by itself, it must consciously enter a new life, it must consciously strive towards God and work at improving itself in order to release itself from its cover which effectively was a grave for the soul from which it had to emerge in order to exchange the state of death with that of life. This rebirth is not a gift of God, instead, the soul itself must aspire to it, but it is the human being's goal on earth which he must reach if he wants to become blessed. And he will achieve it if he, through a life of love, bursts the chains which still keep his soul constrained .... if he, through love, awakens this divine spark of life within himself .... if the previously dead soul, being weak and without knowledge, is inspired by this spark of life into God-pleasing activity .... if, in a manner of speaking, it allows itself to be impelled from within into God-pleasing acts of love, and thereby receives the strength to burst the chains and rise up into a kingdom where it feels at home and essentially belongs .... Then it will be born again, it will indeed still live on earth, but its earthly life will be accompanied by a spiritual life; its thoughts and intentions will be spiritually inclined, by having recognised its task in life it will strive to comply with it and consciously live in and with God .... However, it accomplished this spiritual awakening of its own will, certainly supported by God's grace, which nevertheless is at everyone's disposal, albeit not used by everyone due to a lack of will. You humans should make your spiritual rebirth the goal of your life on earth, for you will only live when you are born again, when your soul has arisen from the tomb of death, when it has escaped spiritual darkness and entered the light of day .... And every thought you consciously aim upwards, every deed you accomplish with love, assures you this spiritual rebirth, it must merely be your intention to provide a full life for

your soul, don't keep it imprisoned if it wants to escape the confinement of its grave, you must entirely consciously strive for spiritual rebirth by overcoming everything that still burdens your soul, you must give it complete freedom .... The soul shall receive a new life, it shall enter this new life full of light and strength, an infinitely long state of constraint shall be transformed, it shall be born again in spirit and in truth in order to never ever lose this life again ....

Amen

### *Day of Salvation or Day of Judgment? ....*

The day of Salvation is not far away anymore, but will it mean salvation for all human beings? Will it not be a day of Judgment when, instead of being released, they will be banished again in the solid form? And therefore the day can be yearned for but also be dreaded, yet those who would have to fear it don't believe in it and are therefore irretrievably lost because they don't do anything in order to avert this renewed banishment from themselves. This day will only be a true salvation for a few people, but they have suffered prior to it already, whereas the others don't know suffering and therefore do not long for a Redeemer either. And yet He will come and redeem those who believe in Him .... A very difficult time is approaching all believers, but then they should not forget the promise that 'I will come again to judge the living and the dead ...' The time of hardship shall also be evidence of the truth of My Word to them and they shall believe even more firmly in My coming on the last day, in their deliverance from utmost adversity. It will truly be a day of Salvation for My Own who are tempted to doubt the truth of My Word in view of the disbelievers' good living standards .... Yet for the sake of the chosen few the days shall be shortened .... I will fortify My Own until the day has come, and it will come sooner than expected ....

The state of the world will seem so peaceful that no-one will believe in an end; for under the authority of the Antichrist the waves of unrest apparently calm down and an earthly progress can be recognised which makes people become ever more ungodly, ever more heartless, and only My Own recognise thereby the hour on the world clock. For only they will have to go hungry and suffer while the rest of humanity will indulge itself and try to find satisfaction in the euphoria of the world. No-one will suspect how close the end is when the Antichrist starts his world dominion. He will instigate the end, he will achieve spiritual chaos, he will cause the battle of faith to erupt and will more or less cause the separation of the spirits, for under his regime the confession will be demanded for Me and My name and thus the final decision will also be made, which still has to take place before the end .... However, as soon as this decision of faith is demanded of you, My faithful followers, you can also brace yourselves for My second coming, for with the ever increasing adversity you will also experience the fulfilment of My predictions concerning the end .... You can expect the end every day and yet, it will come suddenly and unexpected .... But then those for whom this day will bring redemption will be blissfully happy, and there shall be weeping and gnashing of teeth by those who will be devoured by the earth, who will be engendered into solid matter again ....

You, who believe in Me, trust My Words that you will be delivered from hours of extreme tribulation, that I will come and fetch you and that you therefore should fear nothing on earth, for Mine is the strength and the power and the glory ....

Amen

*Total disintegration of the earth ....  
Spiritualisation ....*

A total disintegration of Earth is not yet intended, but the total transformation of the earth's surface, which certainly also amounts to complete destruction because nothing of substance will be spared since every form will be dissolved in order to release the inherent spiritual substance for the purpose of entering new forms. The complete disintegration of Earth amounts to a spiritualisation, and this moment in time has not arrived as yet, because the earth still serves the imperfect spirits as a place to attain maturity .... As long as spirits in need of attaining maturity still require earthly creations the earth will also remain a material world, yet constantly recurring transformations will be unavoidable, depending on the souls' state of maturity which are meant to reach perfection on earth. For the earth, however, the moment of its **end** will always come when such a transformation takes place, for then a new developmental era will start for all spirits, be they embodied in the human being or bound in a solid shell, because to a certain extent the different phases also require different possibilities and those promising to be most successful will repeatedly be created again by God's great love and wisdom. People lack the knowledge about the individual phases of development, especially during the last days before the end of every era because people's low spiritual level .... caused by their lack of love .... also signifies ignorance as well as complete incomprehension for such offered information. They liken the end to a total disintegration of earthly-material worlds .... Yet this time is not foreseeable for eternities; every individual phase, however, lasts a certain length of time which starts with the emergence of the most manifold works of creations and ends with their destruction .... which commences with spiritually highly evolved people and comes to its end again with truly diabolical ones ....

One phase of development would never accomplish the spiritualisation of all spiritual beings, for as long as earthly-material creations exist, as long as the earth still shelters creations, apart from the human being, which are inferior to him, such as animals, plants and spirits bound in solid matter, it cannot be **totally** dissolved, because these spiritual substances must time and again be given the possibility to reach maturity and to leave their present form, which in itself already necessitates new phases once the advancement has come to a standstill. For at the end of every period of Salvation a spiritualisation of people can no longer be noticed, and such failure or non-observance of the true purpose of existence on earth has to be redressed .... these spiritual beings must also be shown a new way, because with God there is no surrender of that which belonged and continues to belong to Him but which must also become

the same again as it originated from God .... For even if it inexorably strives towards the abyss He will not leave it in this depth but time and again He will find means and ways to lead it back up to the light. Thus He will never stop this higher development until even the last of the once fallen spirits has found its way back to the Father .... And yet there will always be an 'end' again .... an end of every individual phase of specific duration which God granted the spiritual beings but which will also come to an end one day. And this is why you humans cannot carelessly speak of an end of the **world**, which has to be understood as a complete transience of God's creation but you should only look at it as a transformation which, however, will be so extensive and inclusive that it is inconceivable to you as human beings and can also only be experienced and observed by God's few loyal followers who will subsequently testify to God's might and glory on the new earth .... You humans are approaching such an end even if it appears doubtful to you and your mind wants to reject it .... But also remember the still bound spiritual substances, remember all the creations below you and ask yourselves how these spiritual beings shall attain redemption unless opportunities are created for them time and again. More so, remember the people who totally distanced themselves from God and, after all, cannot live forever on earth .... Then you will understand that God's love, being full of mercy, tends to all that which is unredeemed and that an apparent work of destruction is an act of profound mercy, because the succeeding new creations will offer the lowest fallen spirits the path of higher development again which can still lead to God one day, if only after an infinitely long time ....

Amen

*Bliss in the kingdom of light ....  
Pleasures and delights ....*

A blissfully happy life awaits My Own in the spiritual kingdom when they depart from this earth, when they have concluded their course of life and are able to shed the earthly form for good. Everything that had weighed them down will fall away from them, they will feel free and light and be received into the kingdom of light whose occupants will come to meet them in order to guide them into their own sphere .... It is impossible to describe to you humans the delights they will experience and how the kingdom they now inhabit is designed .... It entails extrasensory shapes and concepts, it is an entirely different sphere for which nothing on earth could be used as a comparison and yet the souls quickly find their way around, they know that it is their true home, for the soul will have received its past awareness again and will be abundantly happy because it will recognise the infinite love and grace with which I had guided it from beginning until it has reached the goal. A person on earth cannot feel these beatitudes which await him there, being still earthbound he only has limited feelings and he would die were the soul able to behold these glories while it is still on earth, but now he can enjoy them ceaselessly without fading away. However, through love for Me and his fellow human being the human being on earth makes himself more or less receptive for the emanations of light, in which he then can

constantly move in the spiritual realm and experience immense happiness. It is the happiness of reciprocated love which, however, always impels loving activity as well, because the soul now wants to give as it receives, because it cannot help itself but to provide happiness to those who are still unhappy .... A person's will on earth guarantees the souls ascent, nevertheless, it must be serious, it must turn to Me deep within the heart, it must not merely express itself with empty words which I always recognise as empty, which are not spoken in spirit and in truth and which are not felt either if the mouth does not voice them. But anyone who has a serious intention will reach his goal. And the promised beatitudes awaiting him shall also make him humbly bear the suffering, for this only raises the degree of beatitude in the spiritual kingdom, otherwise the soul will still have to go through dark spheres and will require a long time before it can enter the kingdom of light. And no being which longs for Me and My love need truly do without Me .... I will illuminate it and place it in a state of supreme bliss, I will change all suffering and misery into pleasure and delight, I will recompense a thousand fold what a person takes upon himself because He loves Me, and I will royally reward those who fight for Me and My kingdom on this earth .... I have prepared a fate for them in the house of the Father which will make them eternally happy ....

*The works of the flesh will be revealed ....  
Beyond ....*

The actions you accomplish on earth have an effect in the spiritual realm .... These are therefore works carried out by the flesh, which can be beneficial or evil, depending on which impulse caused them. For the human being can listen to the voice of his spirit but also to the voice of the world, which tries to influence the body and the body's desire more often than not contradicts the urging of the spirit. The spirit, however, urges loving actions, and if the human being, who lives on earth in the flesh, acts accordingly he will accomplish works of love and subsequently also receive his reward according to these works, whereas the body's desire is always based on selfish love and the works of self-interest will likewise be remunerated in the beyond, albeit not in a way that denotes happiness. Yet people who merely selfishly create and work in order to improve their body's sense of well-being have already received their reward .... they have created their earthly fate of pleasures and enjoyments and are not entitled to be rewarded in the kingdom of the beyond because they are lacking love, which alone is valued by God .... And thus a person can live on earth in affluence and happiness, if he does not use his wealth for kind-hearted activity then no good works will follow him and he will enter the kingdom of the beyond in a poor and wretched state, then the works of the flesh will be evident and he will be judged according to these works .... For he did not lack the strength on earth to be active according to God's will. But if he arrives in a deprived state on the other side he will also lack the strength to catch up on what he neglected to do on earth, then he will be dependent upon help to receive what he is in need of.

Nevertheless, even this help presupposes his will as it did on earth, and a soul's will in the beyond is rarely different from what it was on earth. And on earth it was only his will which prevented him from carrying out kind-hearted activities, because his selfish love was too strong and he did not rise above himself. As you work on earth in the flesh, that is how your reward will be in the spiritual realm .... And what you neglected to do on earth, even though you were able to do it, will likewise be taken into account as a shortcoming, for which you will have to justify yourselves one day. Therefore create and work for eternity, don't value earthly life too highly, consider the soul's fate after the body's death and create for that life, make sure that only works of love will be revealed on the last day, on the day you depart from this earth when you will be judged according to your works .... for you can only be rewarded for works of love, because these works will follow you into eternity ....

Amen

*Calling upon the beings of light ....  
Prior connection with the Father ....*

Make contact with all the virtuous forces in the spiritual kingdom by appealing for their protection, for their care and help in spiritual as well as in earthly adversity. They are devoted to you in love and always want to help you, yet they are also bound to observe the laws of eternal order so that they may not help you until you call upon them yourselves, because your own will determines the influence of good or evil forces .... Thus you may turn to the spiritual world of light, however, by doing so you must not forget .... Me Myself .... I want to be King in your hearts, it is My will that you establish the connection with Me Myself, that you ask Me Myself to send you My helpers, that I give My blessings, that nothing shall happen without My will. Your connection with Me is the goal of your earthly life and if you exclude Me by exclusively handing yourselves over to the beings of light you will hardly reach your goal, for then you will be missing one thing: childlike trust towards the Father, which will also let you find the direct path to the Father .... I try to gain your love, the love of a child for its Father .... And you lack this love if you don't call upon Me in every adversity of body and soul, for if you love Me your heart will impel you to Me.

This is why the straight path to Me is also evidence of your love and faith, and all My angels, My messengers of light and helpers, rejoice if you offer Me this love and then they will work on My instructions on your behalf and within you. And if you also mentally entrust yourselves to their care the influx of strength, which then will constantly flow into you, will never be ineffective. You can confidently put your trust in them, yet the connection with Me must always come first, for I want to hear your call before I instruct My forces to provide help for you. They all merely comply with their Lord's will, which is also their own will, and in order to receive their Lord's instruction to be helpfully active He also wants to be called upon by those who require help. However, when the love of a child calls for the Father, the Father will mobilise all the forces of heaven in order

to give His child what it requires .... For love achieves anything, and I want to receive this love from My child ....

*False Christ's and prophets ....  
Satan's mask ....*

You must not get caught in Satan's nets of lies who wants to win you over for himself by trying to confuse your thoughts, by apparently speaking in My name and yet, being far away from the truth himself, only presenting you falsehood. False Christ's and false prophets shall arise .... remember these Words of Mine and don't believe every spirit who speaks My Word, for even an evil spirit makes use of My Words if thereby he can draw you into this camp .... Many a person will allow himself to become confused in the last days, but only because he is half-hearted himself and fails to take refuge in Me in order to attain the truth. And My adversary knows how best to win people over who are not yet entirely devoted to Me .... He does not shy away from influencing them under the mask of piety; his goal is to distort My image, to alienate people from Me; his goal is to make it more difficult for them to recognise Me, and therefore he uses words which can have various meanings and subsequently interprets them such that they will be misunderstood and lead away from true belief in Me and from love since due to his interpretation I cannot be properly recognised .... Thus My adversary influences weak and not entirely firm people to interpret My Words in this way, thereby apparently speaking in support of Me and yet against Me, because it is not the pure truth which he is spreading. The sincere will to work for Me and My kingdom will eliminate this danger; but how many have not yet attained a living faith and profound love for Me and their neighbours themselves as to be enlightened by My spirit. And they likewise have reached a point in life when My Word shall be proclaimed, hence they make an intellectual effort to give people the interpretation, intellect, however, is subject to the adversary's influence who wants to confuse the latter in order to work against Me.

And again I emphasize the fact that only the human being's will to hear truth or to pass it on is decisive as to whether he will receive truth or pass it on. The human being first has to be imbued by the desire for the pure truth, then he can be certain that truth will be imparted to him, that he will truthfully understand and interpret My Word. My adversary is eagerly working at undermining the truth, and he will be successful where the will for truth is not strong enough so that I Myself, as the Provider of truth, can safeguard it, because the human being's will alone determines the spiritual knowledge he receives. Therefore, don't let yourselves be deceived by pious words which My adversary can also use where he finds the right ground for it. For not the Word itself is Mine but the spirit I placed into My Words .... The Word itself, without My spirit, can certainly be changed, and therefore it can also be used by My adversary in order to achieve his goal of separating you from Me and the truth .... The spirit, however, is My share, and if you therefore search for the spirit within the

Word My spirit will enlighten you, but differently than the interpretation of the one who avails himself of My Word without being imbued by My spirit. These are the last days, when My adversary causes much confusion among people .... Therefore beware and test all things, and if you do so with an appeal for My support, you will know and only ever keep what is good ....

Amen

*Fulfilment of predictions ....*

*Preceding disaster .... I.*

The time is fulfilled, everything points to the end .... yet only the people who strive towards Me can see the signs, for their eyes are turned heavenwards, and thus they also receive enlightenment from above and don't doubt that now will come to pass what seers and prophets have foretold on My instructions. What seems self-evident to them is completely implausible to the worldly person, they look at things with different eyes than those who only see the world and therefore also only live for the world and its pleasures, and whose spirit will grow progressively darker the closer it gets to the end. And for all these people an event will still happen before the end which certainly could change their thoughts, which could make them stop and think, if only they had a little good will! I still want to reveal Myself in advance, although even then they still won't have to recognise Me .... Once again they shall lose that which they greedily aspire to, their earthly possessions shall be destroyed and taken away from them again, yet by a power which they cannot hold accountable for it .... I want to manifest Myself through the elements of nature in order to save them .... Where there is still a spark of faith in a person there is also an opportunity for salvation, for he can still turn his thoughts to Me in the last hour and call upon Me for help .... and even if he loses his mortal life .... this call will be heard and his faith will be rewarded to him in the kingdom of the beyond, where he will find help .... I only want to see an acknowledging thought and My hand will extend itself to everyone, in order to demonstrate Myself to him at last. I truly make it easy for you to believe in Me if only you would put it to the test by calling upon Me in spirit and in truth. And therefore I will make a final attempt to save them, to save those who have not yet entirely fallen prey to My adversary.

I will let the earth tremble and every hope of earthly rescue vanish .... And where no help is possible anymore I alone can still provide rescue, for nothing is impossible for Me .... And anyone who, in utmost crisis, remembers his childlike faith, who makes this final attempt to call upon Me, will truly not regret it .... He will be saved for time and eternity, since losing his earthly life will then only be a blessing if the soul still ascends in the spiritual kingdom. Although the forces of nature are not always regarded as an expression of My power and strength, yet mortal fear occasionally gives rise to different thoughts than the human being would otherwise have, he can recognise Me in an instant and therefore also call upon Me for help. Yet this never applies to the word which is merely voiced by the mouth, if the heart is not involved .... The time is fulfilled, but prior to this will come to pass what I proclaimed to you and repeatedly proclaim again ....

an unusual natural event, which is intended to remind you of the end that will follow soon afterwards. I constantly admonish and caution you to take notice of My Words, and I draw your attention to the signs of the time, yet I cannot force you to accept My Words as truth .... however, commit them to your memory, so that they will remind you of the One Who speaks to you and Who truly only wants what is best for you, Who wants to rescue you from the abyss towards which those of you, who are completely devoid of faith, are heading ....

*Fulfilment of predictions ....  
Preceding disaster .... II.*

Hence the last Judgment is preceded by a serious admonition, an indication of the near end and at the same time the evidence of it, because My proclamation fulfils itself and thus you human can equally assuredly expect the end, which not long afterwards is intended to come upon this earth and its inhabitants. Humanity's fate is an irrevocably deep abyss, regardless of whether they stay alive for just a short or a very long time, for they are in a completely dark spiritual state and do nothing of their own accord in order to remedy it. This is why I will have to disturb their tranquillity .... Something has to happen which is so inconceivable to them, which horrifies them and makes their bodily death clear to them .... Only death scares unbelieving people and thus I will bring death home to them, yet only with the intention of motivating them into calling upon Me in greatest fear, Who alone can keep them alive when earthly rescue no longer seems possible. Such a call can still result in the person's salvation .... such a call can bring him closer to Me again if it arises from the heart and then surely will also be granted by Me. People have no idea of the event with which I want to remind them of My existence again ....

All elements will rage against each other, it will be as if all hell was let loose against people, and there will be no escape for them .... until I Myself command the elements and end the hour of dread and terror .... Nothing is impossible for Me, and this belief in My omnipotence, love and wisdom will truly have a miraculous effect in these fearful hours. For My Own will emerge unharmed from this experience, openly praising My grace and strength and My love .... And those who found Me in their adversity will join them in their praises, they will support their fellow human beings by helping and comforting them in realisation of the strength of faith, which they want to pass on to them as well. I have announced this event in advance and time and again will refer you humans to it .... Learn to believe and call upon Me if you thus recognise Me, and then also believe that My last proclamation will fulfil itself, that the end will come and with it the last Judgment .... And make use of this last time of grace, catch up on what you have neglected, don't let the last day arrive and find yourselves unprepared, for then there will be no more salvation for those who have as yet not found Me .... then people will remain in sin and be destroyed because they

ignored My admonitions and warnings and thus will be unable to find mercy once the end has come ....

Amen

*Right prayer is the bridge to God ....*

*Jesus Christ ....*

*The bridge to Me is the prayer ....*

There is no insurmountable gulf between us, for your prayer will always bridge it as soon as it is a prayer in spirit and in truth .... And the prayer's depth of feeling determines the length of the path to Me. You can enter into direct contact with Me if you speak to Me like a child speaks to its Father. For then I will be with you, then every distance will have been overcome, then you will have breezed across the gulf between us and come close to Me, for I comply with your call and come to meet you as soon as I hear the voice of your heart. Do you now know the exquisite means at your disposal in order to come to Me, do you know what effective gift of grace prayer is for you? Due to your imperfection you are still far away from Me as your God and Creator of eternity, yet I do not deny you to enter into a dialogue with Me and draw close to you as a Father, Who also embraces his still imperfect children with love and takes account of their faults and weaknesses. I listen to you as soon as you speak to Me in childlike faithful prayer. Yet on the other hand, you can only pray to Me correctly if you believe in Me, thus every prayer in spirit and in truth requires your belief in Me, in My love, wisdom and might .... If, however, you believe in Me, then every word will also arise from your heart, then it will no longer be a formal prayer, then only the child will speak with its Father .... and then it will also achieve everything that is only in its best interest. But in order for you to have a living relationship with Me you must also be able to have the right concept of Me, Who gives you the opportunity for this as the Saviour Jesus Christ.

Imagine your Saviour in His overwhelming love that embraces all of you humans, and remember His suffering and His death on the cross on behalf of sinful humankind and you will also be able to love Him in return, to confide in Him and to tell Him whatever weighs you down, and you will, because He Himself was a human being just like you, be able to expect complete understanding from Him for all your suffering and adversities, and you will turn to Him, Who is your friend and brother, Who due to His love wants to help all of you, Who wants to draw you to Himself into the celestial kingdom in order to make you forever blissfully happy. I Myself became a visible God for you in the Saviour Jesus Christ, and if you offer your love to Him you also give your love to Me, your God and Father of eternity, for He and I are one, and anyone who sees Him sees Me, Who lived on earth as the human being Jesus in order to gain your love, in order to sacrifice Myself for love of you, who were wretched in your sinful state and in your infinite distance from Me would have had to perish had I not established a bridge in order to make the path to Me passable .... You all can cross the bridge if you speak to Jesus, your Saviour and Redeemer, in heartfelt prayer, if you love Him and therefore also comply with

His simple commandments. Then you will also be allowed to experience His love, He will help you spiritually and bodily. He will guide you and smooth all paths which lead upwards to Him, into His kingdom, to eternal life ....

Amen

*'You truly have a Father' ....  
Father and child relationship ....*

Nothing would be impossible for you if you united yourselves with Me, if you appealed to Me for strength .... if you thus let Me Myself work through you. You just do not have sufficient faith as yet, and as long as you doubt you are preventing Me yourselves from working in accordance with your will. Yet you should try to gain this faith. Place yourselves into the position of talking to Me with childlike trust, so that you really feel like children who come to the Father in every difficulty, be it of a spiritual or earthly nature. Were you able to establish this relationship with Me you would no longer doubt that I would grant your request. For if you address Me as your Father you will also be convinced of My love which turns to My children and grants them help in every adversity. You truly have a Father, you are not orphaned children, you have One Who knows your difficulties and worries, Who only wants to be called upon because He desires the love of His children and wants to respond to it .... How richly blessed you are indeed .... You have a Father in heaven Who is stronger than all the powers in the world, Who therefore can also avert everything that affects you on part of the world .... And because you have such a powerful and loving Father nothing is impossible for you either, because I always will stand by you with My strength, because you only have to believe firmly in order to prompt Me into expressing My power. As long as you are distant from Me you will also be helpless, but as soon as you establish a heartfelt connection with Me My strength will have to flow over to you, and then you will achieve and be able to do everything, and there will be no restriction for you, for all limitations disappear where My strength is being used. Just have absolute faith in your heavenly Father's love and all worries will dwindle, they will always be removed at the right time, because you determine the time yourselves by the strength of your faith .... Amen

I want to bless your work and guide your thoughts and grant that you will act according to My will. Therefore give your spiritual work priority over your earthly occupation, which I then will also bless and provide you with spiritual support where earthly strength seems to be insufficient. And since I bless you everything will succeed, since I bless you, you cannot be attacked by evil forces, for My blessing erects a protective shield behind which you can feel secure, a protective shield which disperses everything which is hostile, because My protective hand is upon you as long as you work for Me and My kingdom .... I want to be a good caretaker to all of you as soon as you work as My servants in My vineyard, as soon as you are of service to Me and aim to extend My kingdom on earth .... And you shall not lack anything, I will furnish you with strength,

and you will thus carry out your redemption work for which I appointed you in the last days before the end ....

Amen

*What is truth? ....*

*Where can it be found? ....*

You humans have to be informed of the truth in order to be able to fulfil the purpose of your earthly life .... **But what is truth?** And how can you attain truth?

God Himself is the eternal truth, and therefore anyone who desires truth has to turn to God Himself and ask Him for the truth. There is no other way but this direct one, for even if it is offered to someone in a different way he will only be able to recognise it as truth if he prays to God for the enlightenment of his spirit, for the right kind of thinking. Thus a person has to acknowledge God first, he has to believe in Him .... And this faith will only be alive in him, it will only have become his inner conviction, if he lives a life of love, for faith will only come alive through love. Love is the key to wisdom, love guarantees correct thinking that corresponds to the truth, for love, truth and God are one ....

You humans first have to adopt the fundamental truth that love is the first condition for correct thinking, that you can only speak of an enlightened spirit if you make the effort to live a life of love, which is to be understood as selfless neighbourly love and through which you also express your love for God. You humans ought to know that where love is, God Himself is also present, and where God is, there is also love .... You ought to know that it is God's will to lead you into the pure truth, that He does not want to withhold anything from you, that you shall change your state of ignorance into a state of realisation and that He is at all times willing to guide you into the truth but that you first have to fulfil the conditions if you want to live within the truth. You should not assume yourselves capable of being able to ascertain the truth with your intellect alone, for your intellectual thinking will move into the wrong direction as long as God is excluded, just as the **will** for truth, the serious request for it, has to be present, which God considers to be the request for Himself, for He Himself is the truth of eternity .... And prerequisite for this sincere request is the fact that the person is willing to relinquish his prior knowledge in exchange for pure truth, that he opens himself to the knowledge he is allowed to receive after he has proven his faith in God with his sincere appeal for spiritual enlightenment, for receiving the pure truth. God will impart the truth to anyone who seriously desires it, and He will give him the power of realisation at the same time ....

But what is to be understood by truth in this context? .... It is the truth coming from God, which is earthly not verifiable .... it concerns problems which occupy every thinking person, which he would like to solve and which are insolvable by purely rational means .... It is the knowledge of the very first beginning and the ultimate goal of everything in existence .... the knowledge of meaning and purpose of creation, of meaning and purpose of earthly life .... it is the knowledge of all correlations between the Creator with His living beings and

creations .... It is the answer to all questions which you humans are unable to answer intellectually, rather, for which you cannot provide the evidence for the accuracy of your answer .... You can only ever assume and think correctly or wrongly .... God, however, gives you the truth .... if you comply with His conditions ....

And this pure truth shall be presented to everyone. It is up to you humans whether you want to accept it, whether you adjust your attitude such that you will recognise it as truth, for you have free will .... And even the most precious spiritual information will not compel an acceptance, for it is offered to you in a way that you can accept or reject it, depending on your attitude towards Him, towards faith and towards love ....

Amen

*'Test the spirits ....'*

Test the spirits whether they are of God .... When you accept spiritual knowledge it is very important to seriously examine its origin .... You should and need to scrutinise it because you are responsible for your soul yourselves, which can only benefit from the truth but whose higher development is endangered by misguided spiritual information. If you are offered spiritual concepts, i.e. knowledge which cannot be verified by earthly means, you need to subject it to serious investigation. You should know that light and darkness fight each other, that the prince of darkness fights against pure truth, that he will try anything to lead people into wrong thinking and not even shy away from shrouding himself in the garment of an angel in order to deceive people ....

But you can expose him yourselves, you can test which spirit conveys spiritual knowledge to you. And the criteria you should consider under serious examination are: whether the conveyed mental information proclaims Jesus Christ as Son of God and Redeemer of the world, whether its message consists of His doctrine of love and that you are reminded to follow Jesus .... If so, then you may unconditionally accept it and address God Himself as the source of knowledge conveyed to you, then you may endorse it as divine truth. You need not fear to be pushed into misguided thinking by the spirit of darkness, for he will never acknowledge Jesus Christ, Who has delivered the world from sin.

False Christ's and false prophets will arise, and particularly during the last days before the end .... They will speak the name of Jesus Christ with their mouth and yet they will not be true messengers of His divine teaching of love, because they themselves will not do as they preach or their teachings are of a worldly nature, therefore they will not be recognisable as true Christians. And this verbal confession is frequently a disguise which hides the enemy of truth. They will not truly believe in Jesus' Words, which He spoke on earth, or in His promises, for they lack love, the sign of a true follower of Jesus ....

Consequently their words will be without spirit, they will be without strength, they cannot be considered as purely divine truth and also need to be seriously scrutinised. But you can make this test anytime if you, in the sincere desire for truth, ask God Himself for His help to enlighten your spirit, to guide your

thoughts correctly and to teach you to always differentiate between truth and error, and everyone who desires the spirit of God will receive it ....

Amen

*Purpose for creation ....*

*Process of evolution ....*

The world, with all its creations that are visible to you, only serves one purpose: the return of the spirit, which had once fallen away from God and which is bound in countless individual substances or tiny sparks of spiritual essence within these creations, in order to gradually evolve again by means of constant change of location, by means of constant transformation of its outer appearance, until it reaches a certain degree of maturity. This then enables this spirit to incarnate as the soul within the human being, from which the final return to God should now take place of its own volition .... The spirit has indeed walked an infinitely long way before its incarnation as human being, it is a journey which began with the immense torture of confinement and stayed in confinement for an endless long time until the bond began to loosen and eventually eased more and more but always being a state of bondage for the spiritual substance from which, however, the human being can release himself if he so wants ....

Hence your human soul has passed through all these creations which are visible to you and you have now arrived at the last stage of your evolution on earth. You only have to accomplish your last task on this earth and then you can, free of all earthly restrictions, once again live in the realm which you once had left of your own free will because of your rebellion against God .... And your last task on earth is .... to totally submit yourselves of your own free will to the eternal God because a long time ago you revolted against God .... to serve with love because in the past you wanted to rule with cruelty .... to become perfect again through love because you deprive yourselves of all divine qualities when you sin against God .... You shall become full of light and strong again, as you were in the beginning .... Because you came forth from God as perfect beings but who have no awareness of themselves because they are without love, because they had distanced themselves from God and therefore could no longer be enlightened by His love, since every resistance to God also renders His love ineffective although God's love for His living creations won't end eternally ....

The process of development from below to above takes place with everything and through everything you see. Thus the meaning and purpose of creation as well as the meaning and purpose of your life on earth has been briefly explained to you. You may and must know of this so that you can consciously strive towards the last goal on earth, just as you must know of Him Who is God and Creator to all of you. It is He Who wants to be recognised and loved by you as Father to give you the measure of love that enables you to return to your original state once more, so that you end your life on earth as His children and return home to Him to create and work with Him and in accordance with His will, as is your destiny since time immemorial ....

In order to give you human beings this knowledge, this awareness, He speaks to you Himself, He lets you hear His Word and teaches you by means of His Word, He informs you of His will, the compliance to which must inevitably result in that degree of maturity again which you had given away of your own free will. All He asks of you is to transform yourselves to love .... If you comply with His will then your upward development is also ensured, then you accomplish your task on earth, then the way from the deepest depth towards the height has successfully been travelled with the result that you are united again with God, from Whom you once separated and with Whom you now stay united forever ....

Amen

*Serious admonition ....*

*Materialistic outlook ....*

You humans only have eyes for the world, you only lust after earthly treasures, you aim to satisfy the appetites of your bodies, you only move in an area dominated by matter but everything of a spiritual nature is silenced by you .... Yet your body is only the shell for what will continue to exist after your physical death, your body is only your soul's abode for a short period of time. It is the soul which should accomplish maturity through earthly life, but because of your materialistic attitude you let it starve, and thus it will enter the spiritual kingdom in a wretched condition. The physical world is the kingdom of the banished spirits, although you live on it as human beings too it is nevertheless your last stage before your entrance into the spiritual kingdom. As long as you are so dominated by the worldly spirit that you only ever desire material possessions, that you only plan and work for this earthly world, you will be enslaved by matter, even though, as its master, you should rise above it. You are using your whole energy of life to purely reinforce the realm of God's adversary when you strive for the world and its commodities. But you should use the energy of life to gather spiritual values, to acquire eternal treasures, you should voluntarily part with commodities which are short-lived and which will be taken from you one day, which you cannot take across into eternity. You should use your energy of life correctly and acquire everlasting values you can work with in the spiritual kingdom, they represent treasures for you which will make you truly happy.

You are more than just all material creations, because these were only created for you to serve you as a means to reach perfection .... But you humans fail to recognise their value, you are aiming for the world instead of recognising it as an obstacle to your spiritual development. You serve matter rather than let matter serve you, you allow yourselves to be controlled by it and become its slaves. And that means that you are preparing your soul's death, that it will be surrounded by a thick cover when it enters the kingdom of the beyond so that no ray of light can get through this cover. Consequently the soul will suffer tremendously until the cover is dissolved, which could take an eternity, providing the cover does not get increasingly harder still and there is no further hope for the soul to

discard it. You humans have no idea what you are doing to your soul when you are focussed on earthly-material things, when you only want to acquire material things. Recognise the transience of your surroundings and remember what is everlasting. Do not live your earthly life in vain because you only received it for the maturing of your soul, of the spiritual essence within you, which can only use spiritual food in order to develop, in order to leave the body without a cover when your hour has come .... Consider your soul and turn your mind towards the spirit .... because your soul will continue to exist but all worldliness will pass away ....

Amen

*Book of Books ....  
God's Word ....*

The Scriptures, which testify of Me, would fully suffice to proclaim My will to people, it would also guide them to the light, to enlightenment, if My will were done, and they would attain beatitude. Yet this book, the Book of the Fathers, has lost its value for many people; it is no longer the book which imparts My Word to them because their unbelief also concerns the origin of the Scriptures, they cannot believe that My spirit was working in My disciples, that this spirit motivated them to write down what I Myself did and taught while I lived on earth. And therefore they no longer appraise this Word of Mine as it should be appraised .... as the proclamation of My will which requires people to fulfil the commandments .... of love for God and their neighbour ....

They would only need to acknowledge that these two commandments were given to people by Me and if they endeavoured to live on earth in accordance with these two commandments they would very soon learn to appreciate the accuracy and truth of all other teachings which My disciples recorded on My behalf for all people .... But they do not live with love, and therefore they also lack understanding for everything contained in the Scriptures. As a result, they also doubt the origin, they do not recognise Me as the source of the Word that testifies of Me. However, they nevertheless should be informed of My Word, they nevertheless should know My will and thus made directly aware of the One Who manifests Himself in many ways ....

They should know that it is possible for Me to convey My Word to earth at any time, that I instruct people through the spirit at all times just as I taught My apostles when I no longer lived amongst them in the flesh. They should know that the pouring out of the spirit was not a unique occurrence which only happened to My disciples, but that time and again I pour My spirit into an open vessel, that I instruct people in the same way as I once instructed My disciples and thus convey My Word to them, which again only reveals My will to live within love, and as a result of their compliance with My will to then guide the person into truth, to explain to him the correlation between the creation and its creator, the destiny and goal of everything that is visible, thus to bestow comprehensive knowledge to him which denotes brightest light to the soul and enables it to find the path to eternal life ....

By transmitting My Word I only intend to achieve the possibility for the human being to shape himself into love .... The Scriptures, too, only ever teach love, thus its origin has to be from Me Myself, Who is eternal love. But since love has grown cold amongst humanity, people are no longer able to recognise the deeper value of what is written, they are spiritually blind and lack all judgment. Therefore they shall be confronted again by living representatives of My Word who, although they will not bring them anything new, they will nevertheless be able to advocate the old Word with conviction and demonstrate it anew .... namely, that love is the first commandment I expect to be fulfilled, and that all additional knowledge, the higher awareness of truth, only arises from love .... My Word shall be widely spread again, for once again I say to My chosen disciples 'Go into the world and teach all nations ....' For people have to hear My Gospel, they have to know that the Scriptures may not be dismissed, that it comprises the truth which I Myself proclaimed to My disciples through the spirit .... They should know that I will always and forever transmit the same Word to earth and that My Word will remain even when heaven and earth pass away ....

Amen

*Sudden end even for the believers ....*

The hour of the end will come unexpectedly for many of those who know of it, for they, too, still deem it far away, because the commotion in the world does not yet reveal any decline, because the signs of the end are not yet obvious enough, even if they certainly consider it possible that they are living in the end time. And even My believers are as yet unable to seriously get used to the idea that they will live to see the end, for they are still firmly down to earth themselves, they see their fellow human beings constantly bustling with activity and the spiritual knowledge seems almost unreal to them in view of worldly people's aspirations, in view of the earthly progress and people's future hopes and expectations. Hence they, too, will be taken by surprise and realise that the apparently unreal is becoming reality and that people's hopes will be shattered. The end will come like a thief in the night .... yet it announces itself in advance, it casts its shadows, prior to it something will happen on a smaller scale, a natural disaster of immense proportions will announce itself and this will be the last admonition, the final indication of the end .... And although you humans doubt or refuse to believe it .... My plan of eternity is definite, and everything in the universe happens according to this plan. The end will arrive suddenly, because My admonitions and warnings are being ignored, which are truly constantly sent to humanity so that they will not experience the end unprepared. And the only reason for My announcements is to make sure that people will prepare themselves for it, that they consider the end and start the work of improving their soul, that they will live according to their short physical life which can nevertheless lead to the soul's maturity.

It is My will that all My admonitions and warnings shall be distributed, I want people to be informed of it, just as it is My will that the day of Judgment and

the fate of those who have deserted Me shall be bluntly presented to them, for people can achieve their own deliverance, the end need not signify the hour of terror for them, they can also calmly look forward to the end if they comply with what is lovingly recommended to them, if they prepare themselves, that is, if they still live on earth according to My will until the last hour has come. Although they are indeed unable to postpone this hour they can nevertheless await it consciously because it signifies the end of suffering for those who have found Me and will only harshly affect people who have renounced Me and therefore are no longer entitled to inhabit the earth which is only intended to help the soul attain maturity .... The end will come as certain as night will follow the day .... the day was determined an eternity ago yet you don't know when it will come .... However, you should believe that everything I announced and continue to announce through seers and prophets will come true, that the day is close at hand for you, that it will take all of you by surprise and that you therefore should consider every day as the last one in order to live consciously and to work at improving yourselves. Then you will never again need to fear the end but look forward to it with complete trust in My coming, which will deliver those of you who believe from greatest adversity ....

*The Word of God ....*

*Ray of light ....*

*The door of your heart ....*

*Guest ....*

Anyone who opens the door of his heart to let the light shine in will truly not need to fear the night anymore, for the light will shine for him from within, which no-one will be able to extinguish anymore. And thus no shadow will be able to fall upon the light, no other power will be able to darken it, for the light from above will also burst through the layer the enemy would like to spread across the light .... The light from above is the ray of wisdom which originates from God and which is so effective that even the person touched by it will strive towards God, i.e., that the light coming from God will flow back to God and pull everything that once separated itself from God along with it .... For the light is the divine light of love, it has an inconceivable effect on that which is still far away from God providing it is merely receptive to His ray of love. And this is why the Word coming forth from God, which is an obvious expression of His love's activity, has to ignite as light in people's hearts and dispel all darkness, erroneous thoughts, misguided concepts and, therefore, wrong will. The human being must clearly recognise what he needs and what he should strive for. It has to enlighten him, and that means that he will then eagerly strive towards the eternal light, because the light gives him pleasure and because he wants to be forever blissfully happy. The light from above is a touch of God's love Which wants to benevolently influence the soul so that it will turn to Him .... Yet the light is unable to shine into an unreceptive heart. People's hearts must open themselves, and they ought to be encouraged to do so. A loving person must knock and present himself as a peace- and joy-bringing guest, he must, if only

a small gap opens, send in a warming ray in order to open the door ever more until the guest is accepted, whose light will then fill a hitherto dark room and drive out the night ....

Anyone who spreads the Word of God amongst people in this way, who eagerly makes an effort to pass on His light, who goes to great lengths where a little success can be expected, is a faithful servant in the vineyard of the Lord, he is preparing the way for Him Who will follow and desire admittance, if He knocks in order to feast with those who open the door to Him. He is a loyal labourer for God and His kingdom whose work will always be blessed ....

Amen

*Thought currents correspond to will ....*

Every now and then thoughts impose themselves upon you which originate from the realm of unenlightened spirits which, because they are still earthly minded, stay in the vicinity of people and try to transfer their materialistic thinking upon them. The human being is constantly surrounded by thought currents, yet he only ever accepts that mental information which corresponds to his will; and since the human being is unable to completely detach himself from earthly things as long as he lives on earth, it is understandable that beings which are still earthly-minded can also access his mind. Although they can't often penetrate spiritually-striving people, the thoughts certainly affect them, but they are not retained and leave no impression on the person .... And thus there is no danger if such beings occasionally push themselves forward in order to be heard, because the spiritual world .... the beings of the kingdom of light, already have far greater influence and are willingly listened to and thus time and again chase earthly thoughts away in order to express themselves. However, one thing the human being should not neglect .... to observe himself and to resist earthly thoughts as far as possible when he wants to establish a spiritual connection .... He should not mix spiritual knowledge with earthly information, for he himself is the cause if certain beings intervene if he does not remove himself from the world, if he does not withdraw into solitude and mentally detaches himself from everything that surrounds him .... A person can certainly resist thoughts he doesn't want, he need only briefly call upon God for protection and help, and every approach by these earthly-minded beings will be prevented by the beings of light, which are then entitled to form a wall around the person who wants to make contact with them .... This will render every misguided or earthly influence impossible and opens the heart to spiritual influence, which always corresponds to truth .... As soon as the human being is aware of the correlation, of the mental influx by beings from both realms, he will, providing he is serious, check himself and thus protect himself from disagreeable mental currents, for the human being's will is decisive as to whether these beings gain access to him, but his will also assures him the truth as soon as his will turns to the beings of light which then have the right and God's instruction to convey light to him. Hence, to receive spiritual knowledge in order to pass it on to fellow human beings is a responsible mission which may only be administered by people of

serious will who simply want to receive and distribute the pure truth. This determination will always be granted and ignorant beings are therefore denied access when a person hands himself over to spiritual forces to receive the truth .... Then he will be protected from all error, because God Himself blesses those who desire the truth and want to spread it, and His blessing guarantees purest truth, thus protection from misguidance, protection from the forces of darkness ....

Amen

*Strength of faith ....*

*Antichrist ....*

*Counteraction*

Intensive counteractions will have to be carried out when the Antichrist starts his last work of curtailing all spiritual aspirations, when he visibly works against God by trying to eradicate every Christian belief and thus his anti-Christian attitude becomes clearly evident. Then all forces of heaven and earth will have to be mobilised, for this will be the start of the most difficult battle the Christian community has ever experienced .... Then the last battle of faith will commence, which is the beginning of the end and which will be waged with ruthlessness and brutality, because Satan himself will rise against God in order to bring Him down and elevate himself to His throne. But then all servants of God on earth will also be greatly supported by the world of light, for then diligent work has to be done in order to refute the enemy's offensives, in order to proclaim Jesus Christ and to confess Him before the world .... Then the secrecy will be over and it will be revealed who believes in and loves God, who is strong enough to acknowledge Jesus Christ as his only Lord and does not fear the orders of the opposing power .... Then every proclaimer of the divine teaching of love will be blessed twice over, for then his work will be urgently required .... he will proclaim God with conviction, Who is supposed to be renounced, he will fight on His behalf and not fear those who threaten him with death .... Such work can only be carried out by someone who has gained realisation, who knows about everything including the signs of the end and who therefore cannot help but speak up on behalf of Jesus Christ and His act of Salvation, because he has been seized by His love and grace and feels His activity and because this provides him with the strength to achieve anything, including openly confessing his faith, which will result in a most bitter earthly fate. He disregards the difficulties because he has become knowledgeable and no longer fears anything in this world .... because he has recognised the right Lord and also gladly gives up his life for him.

The counterwork demanded of God's fighters is to offer clarification where doubts exist, to persuade the souls to hand themselves over to Jesus Christ, Who is every soul's Redeemer and Saviour and Who will also deliver them from the earthly adversity and distress when the end has come .... Their work consists of spreading the recognised truth and of courageously confronting slanderers and blasphemers, representatives of misguided teachings and all those who are

hostile-minded towards Christ's teaching .... Their task consists of spreading light because people are enshrouded by the darkest spiritual night. And even then there will still be people who are undecided which way to turn, and to present the true nature of God to them is likewise part of the work for the kingdom of God, for the pure truth can and will not fail to have an effect on a truth-desiring heart, and this applies to the few who are undecided, who will have to be treated particularly kindly in order to come over into your camp and to become your friends instead of your enemies .... The weapons used by the Antichrist in the last battle of faith will be devoid of all love, however, you, too, shall eagerly fight, but with the weapon of love .... you should try to impart to them that which you possess yourself, which you received from God .... His Word, which will affect everyone according to his will. Anyone who truly desires light will become enlightened, and anyone who possesses light will also know how to conduct himself in the days when God's adversary rages and tries to seize all souls for himself. The battle will indeed be very unfair, for you will only be a small flock but your enemies will be large crowds .... Yet you will truly have more strength, for you receive it from God directly, and this strength can defeat your worst enemies. With your strong faith you will also be able to give evidence of Me and My might to the enemy .... and can thereby ruin the finely laid plans of God's adversary, for the strength of faith obviously testifies to God, the strength of faith can still defeat your enemies before the end so that they voluntarily let themselves be taken prisoners by you. They can come over into your camp and be saved forever ....

Amen

*The right kind of prayer ....  
Relationship of a child with the Father ....*

You humans should believe that you can get anything you want from Me if only you pray to Me in the right way .... And an earthly father will not deny his child anything if it trustingly asks him for something, an earthly father cannot refuse anything to the child because he loves it with all his heart and also wants to possess the child's love. An earthly father, however, is a person with weaknesses and shortcomings compared to your Father in heaven, Whose love is far deeper for His children, whose love He desired from the beginning. It is My children's will which separated them from Me, which turned them towards My adversary and which I desire to have. And I accept that this will applies to Me if a person calls upon Me in prayer, if it is the right kind of prayer which demonstrates the child's call for the Father. Then the human being will be on the path of return to Me, then I will already have won My child back, and then My love shall be willing to give what it takes in order to also win My child's love, so that it will never ever turn away from Me again..

But people's prayers are rarely what they should be .... they might still pray to their God but not to the Father, and their prayers have no strength for they lack childlike trust as well as the faith that I will answer their prayer .... And this is not a sign of the right relationship between a child and its Father, they are

still too distant from Me, they merely try and then are even more unbelieving when their prayer was in vain .... First learn to recognise the Father in Me and then speak to Me, then you will find out for yourselves how much more effective your prayer can be. Your adversity is intended to make you aware of the fact that you are unable to achieve anything with your own strength and that, in your helplessness, you should and are able to turn to the One who is powerful, Who can and also wants to help you because He loves you .... In this awareness you will feel yourselves as His children and then in humble and heartfelt prayer present your adversity to Him and He will help you, keeping true to His promise: Ask, and it shall be given you .... knock, and it shall be opened unto you ....

Amen

*Strength of faith ....*

*Antichrist ....*

*Counteraction ....*

Don't harbour any false hopes by expecting permanent advancement. Everything you own, everything you acquire, will be taken away from you again and immense misery will come upon people everywhere, for the end is approaching. And where people keep their possessions, where they appear to enjoy earthly security, My arm must brandish a different rod upon people, for I will try to educate people everywhere according to their will and way of life, and no-one will be able to really enjoy their life apart from the few who are enlightened and may truly and joyfully look forward to the end which will limit a period of time, which will include a new life in paradise and therefore may be yearned for by My Own. But where people live in sin there is a noticeable advancement, albeit with an opposite effect .... For this worldly progress is Satan's way of making people increasingly more pliable, it is the purchase price for their souls, which will go astray for an infinitely long time. If you humans can recognise this earthly progress then you will know that the end is not far away, for you will only be able to notice it where faith and love are missing, where My adversary is clearly in control and where action will be taken against the faith, against My Own, without a second thought .... For this reason, all over the world immense misery can be found next to people living in sinful luxury, all over the world unkindness will gain the upper hand and love will be gagged and the craving for matter will be obvious in the whole world, while spiritual aspirants will be treated with hostility .... Small and large scale destruction will happen everywhere, dramatic changes will be observed all over the place, either naturally or humanly induced, and everything will be thrown off its track .... Things will happen which no-one will be able to explain, obvious forces will be at work which scare people because they will feel helpless in the face of them; the undecided will be influenced in every way, since those who live in sin won't pay any attention to these phenomena, they won't let their lifestyle be disturbed, they will mock and laugh and talk about God in an unbelievably frivolous way. And all those who are purely worldly-minded will agree with them, for they

are in the grip of matter which will not let go of them anymore. They will try to gain their possessions, pleasure and status forcefully and won't shy away from betraying their fellow human beings and pushing them into poverty .... The world is full of devils and cannot continue like this any longer. But I know every soul and I will still recall many before the end has come. And the sudden death of so many will also signify an anxious time and immense suffering for people through which minor success can still be achieved, for the souls in the spiritual kingdom will still be able to influence people on earth and many a soul will succeed in changing the survivors' minds and steering them towards the spiritual kingdom, in which case this suffering will have been a blessing which will have saved many a soul .... Pay attention to all this, you humans, and don't expect a future improvement of your earthly situation, for it would not be a sign for you, unless you are already in My camp and experience the last days consciously .... However, most people will need to be strictly dealt with by Me in order to protect them from the worst, from the fall into the abyss, when the end has come ....

Amen

*Salvation through Jesus Christ ....*

Every human being can redeem himself if he so wants, yet he cannot do so without Jesus Christ .... Hence Jesus Christ is the Redeemer, but if the human being does not want it himself, the act of Salvation at the cross was in vain for him. Only the human will brings it into effect, it is imperative that the human will first strives towards salvation through Jesus Christ, only then can he be assured that he will be redeemed. No human being has been excluded, no person needs to continue without freedom, because the man Jesus Christ died on the cross so that the whole of humanity .... all human beings of past, present and future .... can be redeemed from their guilt and no-one has been barred .... but salvation does not occur against the human will, and the will is only strengthened through Jesus Christ. Consequently He inevitably has to be acknowledged as God's Son and Saviour of the world, otherwise His help will not be requested, otherwise the blessings of His act of Salvation will not be called upon. Because in the unredeemed state he is held in bondage by a dark force, his will for good is restrained and he is a slave to him who is his lord .... so that he complies with his will and as a result offends against divine order with heartless thoughts and actions ....

It is the will of the still constrained human being, which is wrongly directed. Due to his misguided love he only desires what pulls him down but not what elevates him. His restraints constantly pull downward, and if he wants to ascend then he has to be liberated from his chains, he has to be free from the force which controls him .... He has to be redeemed and can redeem himself with the strength of love. But this is extremely weak in a human being and can only be strengthened when the person calls on Him Who has overcome this power by His death on the cross, when he calls on the Lord to whom this power is inferior .... Jesus Christ, the Divine Saviour and Conqueror of death, the constrained state and

helplessness. By His death on the cross He has acquired unlimited blessings which He shares with everyone who desires them. And by using these blessings the will becomes strengthened which enables the person to carry out deeds of love, to acquire God's strength, which will inevitably help him to ascend and liberate him from the chains which had held him captive .... He has redeemed himself through Jesus Christ, or he was willing to let himself be redeemed by Jesus Christ .... to benefit from His sacrifice on the cross. He has delivered himself through the blood of Jesus from all guilt which had subjected him to the force of the power, which is God's adversary and which therefore also had to be overcome by God Himself ....

If Jesus Christ is not acknowledged as Son of God and Saviour of the world, God's adversary maintains his grip on the person, be it on earth or in the beyond. And this means that the soul remains in a sphere which will be without light for eternity, that the soul can never become enlightened, that it is without freedom and strength and can no longer change its situation by itself, that it is condemned .... until it is approached by a saviour .... And this Saviour once again is Jesus Christ, because only He has the strength to liberate the soul from the power of His adversary .... Yet again the soul has to want this itself, it has to call on Him when, due to an exceptionally weak gleam of light, it remembers the man Jesus in a flash, who was known on earth as the Saviour and Redeemer of humanity .... With its cry it acknowledges Him, it is a call in greatest need, which the Divine Saviour hears and Whose work of Salvation benefits this soul from now on too in as much as He liberates it from its torment.

You humans on earth should not bypass Jesus Christ because you will only delay your salvation, which you sooner or later have to accept, because you cannot be redeemed without Jesus Christ, but you yourselves have to want to be redeemed by Him .... This will can arise in you on earth if you are taught about Him correctly, about the significance of His crucifixion and your attitude towards the act of Salvation, because He will forever remind people of Himself, and the references to Him during the last days can be heard with such urgency, that every human being should seriously consider whether he can accept responsibility for his attitude towards Jesus Christ .... He should ask for information in regards to the problem of God's human manifestation and salvation, then he will also receive an acceptable explanation, but he should not be so arrogant as to make a rash judgment and abandon everything in relation to Jesus Christ. Sooner or later he will have to take the path to Him ....

But his remorse will be extremely painful if he does not realise his error until he is in the beyond, if he himself extends the state of his torment by his rejection of Him, Who alone can release him from his hardship. As soon as the human being on earth, or even in the beyond, takes the path to Jesus Christ, he will move towards his salvation .... But without Jesus Christ he will remain in darkness forever, he cannot rise from the tomb of death until he acknowledges the One, Who has overcome death .... He can only become blessed when he intentionally allows himself to become redeemed by Jesus' blood ....

Amen

*Carry My Gospel into the world ....*

Carry My Gospel into the world .... You don't realise how necessary it is that people are taught, that they hear My Word and thus discover My will .... Although they know everything you make accessible to them as My Word, they no longer consider it My Word, they are simply empty phrases which they do not take seriously, consequently, they do nothing to improve their soul's maturity, they live for the moment without thinking about the purpose of their life on earth .... And now you shall take My Word to them anew, they will certainly recognise it as the same Word but it will seem more alive to them because you will bring them a gift which you had received from Me Myself and which will no longer appear dead to them, instead, it will appeal to them as soon as you offer My Word with love. Carry My Gospel into the world .... This is the only possible way to acquaint people with their God and Creator, with their Father of eternity, Whom they must get to know in order to establish contact with Him themselves. You should inform them of Me, of My love for My living creations, of My eternal plan of Salvation and of the approaching end which shall not find them unprepared. You should bring them the truth, the knowledge you have received from Me which is intended to help people attain beatitude. Try to direct their minds to spiritual spheres and, above all, draw their attention to the divine Redeemer Jesus Christ; you should try to encourage them to look within themselves, to work at improving their souls, to strive for spiritual life, for the rebirth of their souls .... Try to convince them of the soul's continuation of life and the responsibility they bear as human beings towards their souls, portray the soul's fate after death to them and draw their attention to the fact that a Helper exists, that they should appeal to Jesus Christ for strengthening their will if it is too weak and, most of all, encourage them to be lovingly active .... Pass on everything I teach you Myself, and thus be true distributors of My teaching of love and work for Me and My kingdom, because people need explanations, they need My Word, and it shall be vividly offered to them, otherwise they will reject it and yet they cannot become blessed without My Word. Remember that time is running out, that your work does not allow for any delay, that you must work diligently because humanity is suffering great spiritual adversity. Remember that there is not much time left until the end and that you therefore must not be half-hearted or sluggish, but that you can also be certain of My blessing, of My support and constant instructions, that I will always and forever give so that you can pass it on again to those who are in need and depend on your help .... Therefore, be eager labourers in My vineyard, serve Me as faithful servants and guide people out of the darkness of night into the light of day .... Preach My Gospel of love to all people, so that they will attain life and become blissfully happy.

Amen

*Strong faith ....  
Following Jesus ....*

Follow Me and you will attain an ironclad faith .... A person's faith cannot come alive until he lives a life of love, until he takes the path I took Myself on earth, the path of unselfish neighbourly love .... You can certainly also acquire intellectual faith, that is, by way of logical conclusion gain a rational conviction of Me as Creator and Provider or of the One Who had allowed Himself to be nailed to the cross for you .... then you will also believe, yet such faith is not of much use to you .... it is merely a statement of facts which, admittedly, cannot be proven either but nevertheless will no longer leave you in doubt .... But what is a living faith?

A faith which lives and demonstrates or affirms its life through extraordinary works .... A faith which believes itself capable of doing extraordinary things in the firm realisation of also achieving them with My support .... A living faith demonstrates its strength, without doubting it takes My help for granted, and such faith enables the human being to achieve things which are regarded as miracles and yet are only the results of a living faith. And such faith can only be gained through a life of unselfish neighbourly love as I exemplified on earth, because love is the strength which achieves everything. Anyone who lives in love receives so much strength from Me that he wants to somehow put it into action, as a result of his activity of love he also feels My presence, and this realisation lets him bring about everything he is prompted to do by his heart ....

Love and a living faith cannot be separated; this is why love should be preached to people first, so that they will attain this living faith, for intellectual faith is no substitute for living faith, since it will fail as soon as people are faced by great hardship, it will shrink, the human being will be of little faith in the true sense of the word, perhaps even giving up his faith because it lacks the strength of love. Fighting for and trying to attain a firm faith means doing ever more labours of love, to overcome oneself and change selfish love into unselfish neighbourly love .... This necessitates fighting against all longings, but his struggle will bring him great rewards, for anyone with a living faith no longer knows fear, worry and doubt, he feels safe and secure in Me in Whom he believes, he no longer feels lonely but takes every step with Me, Who lives in him and Who acts and works with him in every way .... Anyone with a living faith is victorious over life and death, for God's strength is at his disposal, he is in such close contact with Me that he will also always make use of My strength and achieve everything because he believes ....

Amen

*Utilizing the time of grace before the end ....*

You cannot delay the end anymore, for the time is fulfilled which God determined from the start in the knowledge of your will, since this strives relentlessly downwards and needs to be constrained anew. Every individual person can still shape himself such that he will not belong to those who will fall prey to a renewed banishment and also influence his fellow human beings so that they will be protected from the worst judgment. The time is fulfilled .... it means that the day of the end, the day when the material creations on this earth will be disintegrated, can be expected at any hour, even if no time has been given to you humans, because this knowledge would only result in utter confusion but be of no benefit to anyone. Yet it will happen as you were told .... and the last days will pass by in what seems like an instant, for they are only the end of that which was predicted to you long before .... The days of Judgment are already here and everyone can see it if he looks around with open eyes, yet what only concerns individual people at the moment will extend to all people, suffering, distress, mortal fear, adversity and despair .... Everyone will experience it, for the forces of hell are let loose, they rage and provoke wherever something can still be destroyed and they always find willing people whom they can use to cause all kinds of damage. However, everyone is able to apply for help from God, every person has virtuous spiritual forces by his side which he only needs to call upon to protect him from danger of body and soul .... Anyone who entrusts himself to God and His messengers of light can very confidently anticipate the end.

The time you humans were given for your souls' maturation is fulfilled and the day of the end has been determined from the very beginning. But you don't know when it will happen and can therefore even now still tackle the work of improving your soul, for every hour you turn your thoughts upwards is beneficial for you, since you establish the connection with the spiritual world from whence you originate .... Just try to detach your thoughts from the world, don't let yourselves be controlled by the world and its possessions so as not to allow matter to become your fate for an infinitely long time to come .... Let your thoughts wander into a higher sphere and try to ascend to it. You will be able to do so because countless spiritual forces offer support to you, because they will carry you if you request them to do so. You **can** overcome the world if only you seriously **want** to. Use every day you are still given as an extraordinary gift of grace but bear in mind that every day can also be the last one for you and that only a very short time separates you from the end of this earth. For the end is not only granted to individual people but to the whole human race, because the law of eternal order is coming to pass and this law has existed for eternity. What you humans regard as a delay is part of the plan of eternity and can only be assessed as a delay insofar as that people already have reached the low spiritual level **before** the time which results in a disintegration of Earth .... However, God is merciful and will not pass Judgment **ahead** of the time .... In His love He still seeks to save people and distributes remarkable gifts of grace which are intended to contribute towards the redemption, but He will not change the Day of Judgment and announces it ever more admonishingly and warningly .... Yet He meets with little belief and the end draws ever closer .... And despite all predictions by His seers and prophets it will take humanity by surprise. And he

who believes will be blessed, only he who believes will prepare himself even if he does not know the hour of the Lord's coming .... but he expects his coming and perseveres until the end ....

Amen

*Jesus Christ, leader on the right path ....*

The right path will truly be pointed out to you if only you are willing to take it. In that case you just have to let yourselves be guided by Me and you will be urged onto the right path, because I Am only waiting for you to take stock of yourselves, so that you want to achieve what is your real task on earth and live a right and righteous life on earth. Then I will take over your guidance Myself, for your present will entitles Me to do so. As the man Jesus I walked this path as an example for you, as the man Jesus I showed you the goal which you, too, ought to pursue; as the man Jesus I demonstrated to you what a human being can achieve if he takes this path.

And therefore I keep making His earthly progress clear to you, I draw your attention to Him, Whom I sent to earth to help you take the same path, because this is the only path which will lead to Me, to your God and Father of eternity. He had achieved the goal on earth, He ascended to heaven as a perfected being, as the cover of Myself, and I enabled My disciples on earth to witness this process so that they would have a testimony of what a human being can achieve on earth, so that they were able to behold Me Myself in Jesus Christ, Who had entered into eternal unity with His heavenly Father and thus was united with Me for all eternity ....

And I want all of you to unite with Me, I want all of you to return to Me as My children, that all of you take the only path which leads into the Father's house from whence you once originated .... You, however, wander around and don't know this path, you cannot find it because you are not looking for it, you live on earth oblivious of your purpose, you walk on a broad road which will never lead to the goal because it is not the path which Jesus had taken. And therefore I have to keep sending you messengers to show you the right way, who want to guide you onto the right path.

I have to make the Word of Jesus Christ accessible to you humans, which He taught on My instruction on earth, the Word which I spoke through Him to people who listened because they believed in Me, Who spoke through Him. This Word of His will direct you to the right path again, and you have to listen to this Word because it gives evidence of Me, Who is the path Himself, the truth and the life. And if you listen to this Word the path to the goal will be shown to you .... and no-one will be able to say that he had been without guidance on earth if he just entrusts himself to Me, if he wants to reach Me and has the will, not to stand still, but to attain the goal which was given to him for his earthly life. References are made to you time and again because I will not abandon any human being to his fate but Am concerned that they all shall find the right path, however, I cannot to take care of someone who lives without a sense of

responsibility, for in order to be able to lead him he has to entrust himself to Me of his own free will. Where this will is missing I will keep Myself back ....

Yet it will always be made easy for him to enter the right path, no compulsion will ever be exercised .... I always demand his free will in order to be able to take his hand and lead him to ascent .... for I can certainly advise and help you yet I will never compel you ....

Amen

*Spiritual progress through self-denial ....*

Achieving a considerable advancement in your spiritual growth also demands a considerable amount of self-denial, a strong will and firm faith. You will hardly make progress if you don't eagerly strive for it, if you conduct yourselves indifferently when you actually should fight, be it against your own cravings or against everything that obstructs your soul's maturing, you must always bear the goal in mind in order to spur yourselves into constant struggling and striving, you must not deceive yourselves by estimating yourselves higher than your maturity of soul permits, you must be severely critical of yourselves, since only when you have recognised your faults and weaknesses will you tackle them. This requires a strong will, but it will always be strengthened through calling upon Jesus Christ, for this reason you also need to have a strong faith at your disposal. You can achieve anything with His help, including great spiritual progress, rising above yourselves and constant increase of your strength of love, which then will also accomplish whatever you strive for. Yet you will not take a single step forward without struggle, without loving activity and without prayer .... For loving activity and prayer guarantee your union with God and thus an already large advancement upwards, because coming closer to God is the goal you are intended to reach, so that every battle will subsequently become easier and always result in victory. What you yourselves cannot possibly achieve becomes possible through loving activity and prayer .... And therefore you will always have these two fail-safe means if you are serious about achieving spiritual progress, you need only muster the will to turn to God in prayer and attain His love through loving activity .... In that case you will not go short, then you can be certain of success and only your depth of faith determines how long it will take to reach your goal .... And you need only appeal to Jesus Christ to strengthen your faith and will, you need only avail yourselves of the blessings of His act of Salvation, which will remedy every weakness and also promise success. For He gives strength to all those who call upon Him because they believe in Him ....

Amen

*Change of will in freedom ....*  
*Perfection ....*

The distance from Me cannot be reduced by My will, instead, your will must accomplish this alone, for My will did not disown you, instead, you left Me of your own free will; you rejected Me and thereby created a gulf between yourselves and Me which you will now have to bridge yourselves if you want to come back to Me. I Myself will welcome you with open arms again if you return into your Father's house. But I will never bring you back to Me **against your will**, because I Am less interested in possessing you than in your love for Me, which will subsequently change your will so that you return to Me voluntarily. However, a return to Me signifies unlimited bliss, and thus you can and must create your own state of happiness, it cannot be given to you by Me if the prerequisite that your will is turned towards Me does not exist. I Am willing to give you everything, I will truly not deny you anything you desire .... yet it is not possible for Me to enslave your will since then I Myself would have to contravene My law of eternal order, for My living creations were created in My image, these beings had to possess free will because they emerged from Me **in perfection ....** and anything that was externalised by Me in perfection can certainly become imperfect of its **own** will yet not through **My** will, hence it was able to turn its will away from Me, but I cannot now enslave the free will and thereby **remove** from My living creation the evidence of its divine origin. For I Am perfect and therefore do not contravene My eternal order .... Hence I cannot prevent people from sinning and leading a wrong way of life, I cannot force them to believe in Me and even less force to them love Me, thus to return to Me again .... I can only do everything which **might**, yet does not **have** to change their will, otherwise no distant being would truly exist any longer but neither would there be a free and happy being of perfection. **Free will is the fundamental law of eternity ....** and it is also the fundamental law in every being created by Me .... You humans must accept this explanation for the conditions on Earth which seem so imperfect to you and which only the human being's free will can change. What My **power** can accomplish has already been achieved by My **love**; however, where the freedom of your will must be preserved only you can become active yourselves, and My love will grant you every support, it is, after all, My own will that you should return to Me. And even if eternities pass by before you strive towards Me of your own free will again, I will nevertheless never guide you back forcibly, because it is My will that you shall attain your original state of perfection once more, because it is My will that you, as My children, voluntarily surrender to Me in love ....

Amen

*Witnesses to the end on the new earth for descendants ....*

You shall be My witnesses on the new earth, you shall give evidence of Me and My glory, of My might and love, for you will experience all these at the end of this earth .... you will see Me coming in the clouds in radiant brilliance of My splendour .... you will feel My love when I save you from utmost hardship, when I remove you before your fellow human beings' eyes who, with a truly satanic mind, have every intention to kill you. You shall experience the evidence of My power, because the last work of destruction on this earth will take place before your eyes. And thus you will enter the kingdom of peace with an experience which you are meant to remember in order to bear witness to future generations, to people who will only receive knowledge about the events on the old earth on account of your information, so that they, in turn, will pass it on again and thereby uphold the knowledge on the new earth for a long time. You shall bear witness to Me and My glory ....

A devout generation, faithfully devoted to Me, will indeed populate the new earth, who will not doubt My strength and might, My love and perfection. And as long as I Myself can dwell amongst them because their faith and love for Me allows for it, it will not be necessary for you to testify of your experience .... But as soon as new generations come forth from them they will have to be given the knowledge again and the end process of the old earth has to be particularly emphasised, so that these new generations will also intimately unite with Me in order to be and remain My children .... The living testimony will have a remarkable effect on their hearts, and they too shall proclaim in future times what they received from you .... Then faith and love for Me will be upheld for a long time, for a long time the human generation will live in peace and unity, in harmony with the Infinite, in constant contact with Me, and My spirit will be able to flow into their hearts, they will be able to hear My Word and be blissfully happy.

And yet, even this situation will change. At first the influence of adverse powers will be only slightly noticeable and then gradually get ever stronger .... For the constrained spiritual substances in creation will arrive at the stage of embodiment as human beings once more, and these will have developed in different ways, so tendencies and instincts will surface in their human state which require more changes, which will still betray a tiny resistance to Me, and therefore human beings who need special, more effective methods of education .... will live on earth again. And then it will be necessary to inform them about what effect a way of life in opposition to Me will have. Then the battle between light and darkness will start anew, for the desire for matter will start to grow stronger in people's hearts again, they will no longer be able to hear My Word directly, and messengers of My Word will speak to them on My behalf. And for the sake of a living message, testimony shall also be given of the end of the old and the beginning of the new earth ....

And therefore, those of you humans of earth who will experience the end, who will remain faithful to Me until the end, will also have a task on the new earth .... to make sure that the knowledge is preserved, that the following generation will be able to keep these events in mind, that it will be inspired to remain in

My will, that it will let Me come alive within its heart and always endeavour to reach Me ....

Amen

*God's message to rationalists ....  
Deniers of God ....*

I want to speak to those who are not yet able to make the right decision, who are not unwilling to believe and yet cannot acknowledge Me with conviction either; to those who oppose the knowledge which My representatives on earth want to make accessible to them with their intellectual knowledge .... to those, who first want everything proven to them and believe that they can understand or refute it with their sharp intellect. Their knowledge kills the spirit .... What is described as higher truth, what cannot be proven in an earthly sense, because compulsory faith may not be exercised in earthly life, cannot be fathomed scientifically and even the sharpest human intellect is no guarantee for correct thinking on the spiritual level. I want to put this question to you humans: to which category of works of creation do you class yourselves? Don't you realise that you are the only thinking and reasoning beings, whereas all other works of creation are unable to exhibit this thinking ability and freedom of thought?

From this alone you can conclude that you were created by a Power which is equally capable of thinking, which is merely infinitely powerful, for despite your faculty of thought you yourselves are incapable of creating living beings with the same faculty of thought .... You cannot quote your offspring as evidence, since you do not create them yourselves but merely fit in with existing natural laws which also provide you with evidence of a law-giver. Consider furthermore: Is a 'natural force' capable of thought? .... That is, is it able to bring beings into existence whose organism testifies of supreme wisdom? Would this natural force itself not have to be recognised and acknowledged as a Being with an ability of thought and will and thus be able to create and give life to expedient forms? And is the work of creation not sufficient evidence in itself even for the intellectually most astute philosophers? Indeed, would you be able to substantiate the 'non-existence' of a Being .... would you be able to even vaguely quote a comparison as evidence that a force brings forth orderly creations unless this force meets its match in a human being's will?

Let a force become uncontrollably active and you will have a dreadful experience but you will not be able to produce creations whose expedience and order you can admire .... Thus, by virtue of your intellect alone you are able to acknowledge a Supreme Being Which you have to regard as the Creator of eternity .... It truly does you no honour that you want to deny this Being, that you merely want to explain His activity, which is visible to you in His creation, as the effect of an unguided force, that you thus want to base the emergence of creation on an unconscious and blind process. Such an explanation is truly no evidence of a correctly employed intellect, on the contrary, it is a defiant evasion which you are looking for because you do not want to acknowledge a God .... for even with just a weak will both possibilities are considered first, and then a person will

rather decide to accept than to reject a spiritually tangible Power which reveals itself in creation.

If you humans knew the serious effect a rejection, a denial of a spiritually tangible Deity has on your soul you would also understand why I want to enlighten you, why I want to stimulate you to seriously think about it so that you will give your misguided thoughts the right direction of your own accord, so that you will be able to believe what seems unacceptable to you as long as you just make one-sided judgments, as long as you believe that you can intellectually ascertain the truth. But the belief in a God and Creator is necessary in order to make a connection with this God and Creator .... And this connection with Him is the real purpose and goal of earthly life .... otherwise you would truly not have been allowed to embody yourselves on this earth, which was only created for the purpose that the human being will re-establish the unity with God which he once had voluntarily severed. If, however, you deny a God then it means that you are still very distant from Me, it signifies renewed opposition to Me of your own free will which will incur a dreadful fate in the beyond or a repeated banishment into matter when the end of this earth has arrived. Therefore I would like to address you and encourage you to think it through before it is too late, and even if your earthly knowledge is extensive .... you will with certainty penetrate far more profound knowledge if you entrust yourselves to the One Who has created you and Who wants to be recognised as your God and Creator of eternity in order to then helpfully assist you ....

Amen

*God's Word is felt as a flow of strength by the souls in the beyond ....*

Through contact with the spiritual kingdom a steady flow of strength is set into motion, and this flow of strength is effective wherever the same striving towards ascent is noticeable; but the effect of the strength is also recognisable where the human being is not striving consciously but is not offering any resistance either, for he begins to open himself, he takes notice and observes everything that might relate to the spiritual kingdom in order to form his own opinion. You, My servants on earth, should believe that you do not go past your fellow human beings without being noticed .... believe, that your actions and work find attention and that this is already the effect of the emission of strength generated by you, only that this effect, having a spiritual cause, can only be spiritually observed. It will express itself in your fellow human beings' thoughts, which are not obvious to you but can cause a person's inner change. And if people on earth won't derive a benefit from the flow of strength, then the souls in the beyond will, since no thought is hidden from them as soon as they want to learn from you, who follow the path in accordance with My will.

Every influx of strength through prayer or loving actions, through conveying My Word on earth or through reading this Word aloud, is visible to these souls as a ray of light and experienced by them as a blessing if they are willing to accept it. And therefore you are always surrounded by souls which want to draw strength from you. Indeed, your fellow human beings would also be able

to derive an abundance of strength from you if they would listen to you and partake of My Word's grace of strength, yet their will is not altogether interested in obtaining spiritual wealth because they are still paying too much attention to the world; whereas only what you offer to the souls in the beyond is felt by them as strength, as blissful relief, since the flow of strength conveyed to them by the beings of light will only be recognised as strength when they have gained their first realisation .... when they, due to your help, have found the gate from the realm of darkness or twilight into the light. They are still too near to earth and thus can be easier educated from earth than by the beings of light.

These are already behind them as helpers and make it easy for them to understand what they are offered by you. But they are at all times within the cycle of My divine strength, they are always affected by the strength of My love and feel its effect, I Am just not able to influence them directly as long as they are still in opposition to Me, as long as they are still in the area of darkness from where you, however, can release them through loving instructions, through intercession and mental influence. All kind thoughts have the effect of strength, on earth as well as in the spiritual kingdom. And therefore you should only send your fellow human beings good thoughts, and you will also give them the strength that can help them to change their attitude .... for all good thoughts, intentions and actions have a redeeming effect, since it is strength, which will never remain ineffective ....

Amen

*Spreading the Gospel on God's behalf ....*

Influencing spiritual adversity should be your greatest concern; you should help to lead people back to faith, by imparting the truth give them something that seems credible to them, you should give to them what you received from Me Myself and lead them out of spiritual darkness which still keeps them captive and will bring about their ruin if they don't escape it before it is too late. The day of the end draws ever closer and humankind has no idea what is about to happen .... because it ignores what has been proclaimed since the beginning of this period of Salvation, because it does not believe what seers and prophets have predicted on My instructions. And thus it approaches the end totally unaware, for it rejects the knowledge with which it is presented because it considers it incredible .... And the only option left is to offer this knowledge to people time and again and to inform them that they are not offered human intellectual knowledge but that it has been conveyed to you by Me Myself in order to inform humanity of the forthcoming event .... I take pity on people that the end will find them unprepared, I take pity because the humanly distorted religious doctrines are the reason for their total unbelief, and because I would like to help them find the right belief I send you to meet them in order to instruct them in My name .... in order to offer them in all purity that which they have so far rejected because it was spoilt.

Give them food which is palatable and lets them desire more, so that their soul will be strengthened and they won't want to miss this nourishment for the soul

anymore .... Spread My Gospel amongst the people and remember the great spiritual hardship which can only be remedied by passing on My Word, and don't exclude anyone, for all of those who do not yet belong to My church, who have no living faith in Me and My teaching as yet, suffer this hardship .... For it is a huge mistake that people belong to the church founded by Me if they merely verbally confess a school of thought, if they don't have a living faith and are subject to the working of the spirit .... These, however, know about the end, they know what to expect and that there is only little time left until the end .... Yet only a few know about it, because there are only a few in whom My spirit can work, who belong in truth to My church which I founded Myself. This is why spiritual hardship is so extensive, and this is why you should work diligently in order to still win people over for My church, in order to inform them of the near end and to caution them to eagerly work at improving their soul, so that it will not go lost when the end has come .... so that they, by belonging to My church, will remain faithful to Me during the last battle of faith until I come to fetch My Own into My kingdom .... Take My Word to them which will give them light and strength providing they are willing to hear and accept it in their hearts .... help them to find faith and lead them out of the great adversity before it is too late ....

Amen

*Belief in Jesus Christ's mission ....  
Truthful instruction ....*

That which should lead you humans to salvation is conveyed to you by Me. You are in danger of failing in the battle of passing your test of will because you don't use the right means, because your faith is still weak and you don't take the path which guarantees the strengthening of your will .... the path to Jesus Christ .... Belief in Jesus Christ and His act of Salvation is the only assured means of passing your test of will, but precisely this belief is lacking in humanity. This is why it must first arise in the human being again, because attaining the goal without Him is simply impossible. Therefore the knowledge about Jesus Christ, about His human manifestation and His act of Salvation should first come alive again in people .... they shall be taught correctly what kind of mission Jesus had to fulfil on Earth, why this mission was necessary and why the soul of Jesus, the human being, offered to accomplish this act of Salvation .... Truthful knowledge about the divine Redeemer shall be given to people so that their faith can arise and come alive, because this will also ensure that they will reach the goal on earth. In order to instruct people truthfully about this problem of God's human manifestation in Jesus Christ, it is furthermore necessary to provide them with further clarification .... about the world and its purpose, about the origin of the living beings and the reason for the entire work of Creation .... The human being shall be able to understand what Jesus Christ's mission consisted of, so that he will subsequently live a meaningful and appropriate life on earth and .... because he is too weak by himself .... avail himself of Jesus Christ's help to do so .... The human being must be taught truthfully so that he will use his life

on earth correctly, so that it will not be lived unsuccessfully, without attaining spiritual perfection, which can certainly be achieved if only he makes use of the right means.

That which Jesus Christ once taught to people as My Word is for many people a Word without life, which they certainly remember on account of their upbringing but which so far has been unable to take effect because it does not reach their hearts. People do not assess this Word, they take offence at distorted teachings and deem themselves entitled to reject everything, they do not allow My Word to come alive through the spirit .... So time and again I try to present My Word such that they can feel the life themselves, so that a longing for being constantly addressed by Me awakens in them .... And I can only do this in a way that every person is offered what is of interest to him, for I also want to win those people who are no longer in contact with Me, who don't want to accept anything which until now was known to them as religious knowledge .... who would like to detach themselves from everything and who shall now be caught by Me again .... who I pursue with love in order to motivate them once again to listen to Me and to form an opinion about My Word .... For this I need devoted servants who work on My instructions and according to My will .... who listen to My Words, remember them and pass them on .... I need people who let themselves be guided by their feeling, through which I speak to them Myself .... I need people who do not offer Me resistance, whom I can educate so that they then will be able to work with the received knowledge and indeed do so in realisation of the importance of their task of bringing people My Gospel as a living Word .... just as it came forth from Me .... Only this living Word can awaken life again .... Jesus Christ must be eagerly proclaimed because humanity is in danger of remaining unredeemed, since it no longer wants to acknowledge Him and yet must do so if they are to achieve their task of earthly life .... And this shall be the evidence for the doubters again that it is I Myself Who reveals Himself: that Jesus Christ is professed through My Word and that the avowal of Him is demanded of everyone who wants to attain life .... And anyone with the serious will of knowing the truth will find the evidence in the fact that I Myself can be recognised as the Giver of a teaching which places Jesus Christ and His act of Salvation at the forefront of anything else and wants to lead people to salvation, which can only be found in Jesus Christ ....

Amen

*Earth - School for the spirit ....*

*Means to an end ....*

*An end in itself ....*

Consider the earth merely as a school for the spirit, as a place for your soul to mature, which still has to pass through a school before it can enter the spiritual kingdom. You cannot be forcefully shaped in a way that makes you suitable for the spiritual kingdom; you have to transform yourselves .... And for that reason life on earth was given to you .... But you humans don't recognise the purpose and goal of earthly life .... you misinterpret it, you only strive to benefit your

body without thinking of your soul .... you look at the earth as an end in itself, whereas it is only the means to an end .... the means for the spirit to attain final maturity.

The real task is to pass the test of volition which you should accomplish during your life on earth and which must be taken in complete freedom. For that reason you will only receive enlightenment about the meaning and purpose of earthly life when you consider this question seriously yourselves. However, God gave you intelligence which allows you to pose the question as to why and for what reason you are on earth .... There are enough incentives around you which can cause you to ask this question but it has to come entirely and freely from within yourselves in order to be answered correctly as well. Even the worldly human being should occupy himself with this question, even he should occasionally think about the cause and purpose of earthly existence, providing he takes the time to occupy himself with such thoughts ....

He certainly should not see the purpose of his life in the satisfaction of his body's wishes and desires, but if he does then the thought of death will always frighten or unsettle him too .... or he will reject all thoughts of that nature by believing that he will cease to exist after death. Only someone who doesn't think much could have this opinion because he would find enough proof during his earthly life to teach him to think otherwise, if only he seriously investigated the problem of life after death. The human being was given intellect .... but if he does not use it he will exist from day to day like an animal because the correct use of intelligence will enable him to think and behave differently .... it will enable him to live consciously. However, the worldly human being who believes earthly life to be an end in itself has not used his intelligence correctly yet. He has only activated it into one direction, he has not yet thought about a spiritual world which also can be accepted to exist outside the physical world .... otherwise the human being would have the unrestricted right of determination over the whole of creation, therefore over the natural processes and his own destiny too ....

For as long as the human being himself is dependent on a higher power, on a higher will, which is proved to him by the course of his earthly life, he also has to acknowledge a world or a region where this higher power presides. Since he knows that he is at the mercy of this power, that this power determines the course of his life, he also has to ask himself why and for what purpose his earthly life happens as it does .... and whether he is achieving this purpose, which cannot be merely a physical life of pleasure but is more likely to be a spiritual development .... The human being can come to this mental conclusion as soon as he has the will to receive enlightenment about whether earthly life is an end in itself or only the means to an end .... The gift of intelligence should and must be considered because one day he will be held responsible for his will to oppose everything that God gave to him to attain his goal on earth ....

Amen

*Free will ....*  
*God's will ....*  
*Divine order ....*

I cannot force you humans to respect and be active according to My will .... I can merely time and again inform you of the fact that only compliance with My will signifies a life within divine order and that actions to the contrary will result in misery for you. And I truly do not fail to draw your attention to the consequences of a wrongly inclined will .... You are beings with intellect and free will, however, your will remains wrongly directed as long as you don't make correct use of your intellect. I do not force the will yet I repeatedly try to stimulate the intellect to deliberate on My will, which I revealed to people .... for if I expect you to enter My will I must also make My will known to you. And no-one can really claim that this will of Mine is unknown to him, for it was also placed into his heart .... The human being can sense My will in him as it inspires him to do what is right and warns him against evil thoughts, intentions and actions .... Yet I also send My messengers to people who shall bring My Gospel to them .... who shall proclaim My will which only consists of loving God above all else and their neighbour as themselves ..... which thus means, that a life of love will always be a life in divine order and the fulfilment of My will .... However, the less people mentally try to adopt My will, the less attention they pay to the inner voice, the more necessary it becomes to proclaim My will, My Word, My Gospel to them .... to bring My teaching of love to them, for they exist in a hardened or numbed state, caused by the influence of the earthly world. And from this state they must lovingly be aroused, they must be informed of the great danger such a state signifies for their souls .... they must be guided into divine order again, which can still be achieved if a person, who moves within divine order himself, lovingly takes care of his fellow human beings, if he makes an effort to make My will known and My Word accessible to them. People should not merely be shaken up from their sleep of death, but the path to life should be shown to them with kindness .... For people are blind and no longer find it by themselves .... And only those who resist, who don't want to let themselves be guided, should continue on their own paths, for they have free will and must also justify themselves for it one day. Yet as long as a human mouth is capable of speaking he should preach with love and thus, as My representative, proclaim My teaching of love, and people will not be able to say that they had no knowledge of My will. I don't expect the fulfilment of My will without informing people of it, and as long as the Earth exists I will send My messengers into the world in order to spread My Word. For this Word of Mine does not force the human being's will but it can turn it in the right direction and save the person from the night of death ....

Amen

*Listening to God's voice ....*

You should listen to Me, and I will always speak to you such that you will also be able to recognise My love for you .... Everything around you can and will change .... but My love for you remains the same, it pursues you whether you are far away or close by, and it constantly seeks to influence you, that is, to awaken reciprocated love in you, which signifies your ultimate return to Me. And if I can address you, if you listen to Me, you will open your heart's door to Me, and then the full strength of My love can be effective, then I can ignite a fire in you which cannot be extinguished anymore, because My love is so powerful that its fire dissolves all resistance, that it takes hold of the person's nature and changes him completely .... that it shapes the person into love. I desire contact with you, this is why I speak to you .... If you listen to Me willingly then you will establish the connection with Me, and then I can revive what is dead, I can give true life to you who are still dead while you are far away from Me. My Words shall change this dead state, for My communication is a ray of love that intends to awaken you to life.

If you then give Me the opportunity to lower My ray of love into your heart, if you make it possible by willingly listening to My Word, you will soon feel the effect in yourselves, you will become aware that you are no longer alone .... you will, as it were, sense the presence of a benevolent being to Whom you will give yourselves without resistance, for My ray of love has the effect that it lowers your resistance when I have the opportunity to speak to you, and you will listen to My Words carefully. And you will always listen to My Words if you withdraw into solitude for a short period of time, if you collect your thoughts in prayer or quietly think about yourselves. Then you always give Me the opportunity to speak to you, albeit you won't recognise My voice at first but merely believe that you hear your own thoughts ....

I always enter your thoughts since you are, after all, pursued by My love which always tries to embrace you when you become silent and turn your vision inwards. In that case you listen, and then I can speak to you .... And the more consciously you practise this turning away from the world and looking within, the more willingly you open the door of your heart to Me and the more clearly will you hear My voice, which answers your questions or instructs you such that your love for Me flares up, because you will recognise Me as a God of love as soon as you listen to Me, as soon as you turn inwards and your thoughts turn towards Me ....

I always want to speak to you, yet rarely do you listen to Me .... But if you seek solitude by turning your thoughts inwards you will hear Me speak, even though you will not immediately recognise it as an expression of My love, because the intellect cannot grasp as yet what the soul has already felt or comprehended. Yet My communication will ever more consciously become an indescribable blessing for you and all those whom you inform of the fact .... that the Father speaks to His child as soon as the child wants to hear the Father ....

And you all can establish this bond with Me, you all need only listen carefully in order to hear Me, and I merely want to stimulate you to sharpen your spiritual ear, to practise listening to spiritual communications by often withdrawing into

solitude and longing for My presence. Then I will be with you and speak to you ... Then I will come to you Myself in the Word, and then you will also know that I love you and want to gain your love as well ....

Amen

### *Attitude of intellectuals regarding spiritual gifts ....*

There will always be people who are difficult for Me and My teaching to win over because they use their intellect too much but only seldom let their heart speak, which recognises Me sooner than the intellect. For the latter is used by My adversary to make himself heard, whereas the heart will hear Me. I can certainly also be intellectually recognised but only after the heart has recognised Me. The intellectual knows little about the gifts of the spirit, of abilities which a person can develop within himself but which have no organic foundation. The intellectual's path is different from that of a spiritually enlightened person, and since both take different paths their goals also differ .... the goal of one is full of light whilst the other's goal is bleak and sinister .... People who look for the truth by intellectual means establish their own limitations, because their intellect is limited, whereas the spirit can rise above all limitations since it has access to every region. And thus no person will ever be able to call himself knowledgeable if he purely searches rationally without having previously awakened the spirit .... And the fact that he will not acknowledge information acquired through the working of the spirit testifies to the inadequacy of his intellectual knowledge ....

Nevertheless, I suffer him and his spiritual weakness because he can only be taught when he realises that the final knowledge remains inaccessible to him .... when he realises how little he can achieve with his intellectual knowledge which, in the final analysis, leaves him dissatisfied and which no amount of deliberation can increase .... For the knowledge has to be imparted to him .... not by people but by God .... He has to appeal to Me for it, only then will he increase in knowledge, in light, only then will he accept wisdom, not just earthly knowledge which is inadequate. He must become empty so that he can be filled .... he must let go of earthly knowledge so that he can receive spiritual wisdom, he must search for the light so that he can find it .... only then will My teaching testify to its origin, only then will he strive for My kingdom and only then will My spirit be able to work in him and convey knowledge to him which is accepted by the heart and intellect because it originates from Me ....

Amen
