*End time prophesies and admonitions ....*

As yet the period of Salvation is not concluded, a short period of time is still separating you humans from the final work of destruction on this earth .... And all of you could still become blessed if only you would recognise and acknowledge Me Myself in Jesus Christ. Nevertheless, the spiritual state you are in when the end of this earth, or even the end of your earthly life, comes upon you depends on this ..... For the end you are granted will come suddenly and unexpectedly. And yet, no human being need be unprepared, for every person will still be told often enough what is in store for all of you, he just will not want to believe it. What is about to happen to you will ring in every person's ears again and again, for all coming worldly events are also indications and signs of a near end. And likewise all people will also hear My voice resound from above, for this event will not remain hidden from any person and can still be a last warning for everyone that the end can happen just as suddenly to them as it will happen to those who fall prey to the natural disaster. It will only be a little while longer, yet it will soon pass by .... But then the end will come without fail along with the Judgment which will decide the fate of every single soul. If only you humans would just acquaint yourselves with this idea that you create your own future fate, and if only you would believe Me that you can still attain your goal with ease providing you still make use of the short time, providing you entrust yourselves to Me and appeal for My guidance .... But you don't listen to My warnings and admonitions, you remain indifferent, and you allow the disaster to confront you without protecting yourselves from it or averting it .... For you do not believe .... You don't believe My Words and I Am unable to inform you of the coming events in any other way than through My Word, in view of the fact that you must find the path to Me of your own volition and therefore you may not be given more obvious proof ....

And the wheel of time keeps turning relentlessly .... Countless people will still be recalled by Me and this, too, should arouse people from their sluggish, routine life that is like a sleep from which they will be rudely awakened one day but then have no more time to prepare themselves for the end. The sleepers don't want to forgo their rest and slowly slip into a sleep of death, for their souls can only look forward to death because they don't appreciate life enough in order to acquire eternal life for themselves. People distance themselves ever further from Me Whom they should, after all, strive towards, and they think of their divine Redeemer even less, His act of Salvation is totally ignored, and thus My adversary, who can only be overcome by the One in Whom I embodied Myself for the sake of sinful humankind, is in control of people .... But without Him the end will also be terrible for people, for they will be hopelessly at the mercy of their destiny, they will be unable to find redemption because they reject the Redeemer Himself .... because they don't take the path to Me Who alone can help them. Again and again I approach people in Jesus Christ, again and again will people be told about His Gospel, they will repeatedly be invited to profess Jesus Christ and to adopt His divine teaching of love, and the approaching end will also be repeatedly mentioned. But it will be left to them to profess Him and to accept His blessings. But without Jesus Christ they will be unable to survive this end and neither can they be admitted to the kingdom of light if they are

recalled earlier without having found Him .... All the same, the end will come without fail. However, it would not have to be feared, it would not have to be dreadful if faith in My Word impelled people to diligently work at improving their soul, for then a person would establish the connection with Me in Jesus Christ and the blessings of the act of Salvation would be utilised and assuredly also lead to maturity, so that he would not have to fear the end and the Judgment ....

Amen

*The blessing of doubting ....  
Truth ....*

The fact that doubts creep into your hearts time and again is insofar favourable as that you will think about the questions that move you and subsequently can also be influenced by the beings which try to clarify your doubts. However, only such doubts are meant by this which befall a serious seeker, which motivate a person to keep searching and asking for more .... and not those doubts which makes indifferent people feel justified into rejecting the information offered to them because they don't actually desire it, who will therefore never acknowledge a bearer of truth. Their doubts are merely excuses and an escape into darkness again. Serious seekers, however, are not instantly satisfied and their doubts can become a blessing for them since they do not stop questioning, and precisely this provides the beings of light with the opportunity to mentally influence them time and again until their thinking becomes clarified and what previously had still been doubtful to them will become a conviction. The thinking human being will generally not be superficial either by simply dismissing what does not seem credible to him, but he will dig deeper before he completely rejects a teaching he has received. Thus doubt can lead to clarification as well as protection against the acceptance of errors if a person endeavours to know the truth. This is why a person should not be condemned by voicing reservations, for they only testify to genuine seriousness. But he should also consider the possibility and not rest until he has completely gained an inner conviction so that he can either accept the information as truth or safely dismiss it as error. And doubts help him in order to gain this conviction. A person who deems himself knowledgeable cannot be instructed anymore, for he is no longer receptive to the currents from the world of light, he only uses his intellect but he doesn't hear what is whispered to him by enlightened beings.

However, someone who doubts listens within, he asks questions and then certainly also believes that he is able to solve these doubts himself in an intellectual way, but as soon as he seriously strives for the truth he can rely on the fact that his thinking will be guided correctly, for the serious seeker of truth has this guarantee, because God as the Eternal Truth will also allow Himself to be found by him. This is why the human being determines the value of knowledge he acquires himself .... since it only depends on how seriously he desires the truth. And for this, too, he should give account to himself, for everyone knows that 'people can err' .... that he therefore cannot rely on

knowledge he has received from other people, and that he therefore must also be willing to relinquish that knowledge if he can receive the 'pure truth'. And he can only ever desire and receive pure truth at the source of the truth. Hence he must inform God of the knowledge he received previously and appeal to him for clarification as to what extent it corresponds to truth. And God will truly grant this appeal and perhaps even place doubts into his heart, for the transmission of pure truth can only take place if the person opens himself in order to receive what he desires from the highest source: the pure truth from God .... This mainly concerns spiritual knowledge, but even earthly thoughts will be guided correctly in a person who has taken this path to God, to the source of truth. And the profound inner certainty, the firm conviction, which he will then feel is the best assurance that he has taken the right path, for no objection to the contrary will be able to shake his point of view, he will also be able to maintain it towards his fellow human beings without doubting it again .... unless new problems arise which he will also safely be able to solve again in the same way .... For God gives the truth to all who merely desire it sincerely but withholds it from those who rely on their own strength, who try to intellectually ascertain that which is known by God alone ....

Amen

*Which forces trigger natural disasters? ....*

With every spiritual gift you receive the evidence of My love, for you shall not remain in darkness, you shall increase in light and strength, in realisation and strong will and live and work on earth accordingly. For every activity in blindness of spirit, in wrong thinking, is worthless for the soul, and since it is My will that your soul shall mature on earth your activity must have a purpose, which only the light of realisation can achieve. And thus time and again I will enlighten you where it is still dark in you. I will instruct you truthfully and repeatedly pour out My spirit over you as soon as you present Me the opened vessel so that I can fill it when your heart longs for My Words. You very often still shelter misguided thoughts, especially when you cannot let go of knowledge, of concepts, which did not come to you by way of the spirit, which cannot be called the 'working of the spirit' but which were intellectually acquired and possibly even combined with spiritual findings, on account of which you don't question its truth. But it is not pure truth and therefore you cannot attain complete clarification until you let go of this mental knowledge, until you are willing to abandon it, because only then will there be brightness in you which will illuminate every corner of your heart. Only someone who is in constant contact with Me will be able to understand that, he will therefore also instantly recognise when he is approached by error .... because this realisation is the result of his heartfelt contact with Me. And so every one of you, too, can become released from error through this heartfelt bond with Me. For I do not allow you to entertain erroneous thoughts and one way or another will convey the truth to you:

The creative process requires strength .... this will be obvious to all of you. Strength is My emanation of love which is accepted without resistance. Consequently, only a being which voluntarily opens itself to receive strength and therefore does not resist Me in any way which would render My every illumination of love ineffective, can be **creatively active** .... From this follows that the flow of My strength of love can only permeate beings which have joined Me already, which can no longer be counted amongst My adversary's followers, for they are still opposed to Me, otherwise they would no longer be his adherents. Hence these beings can neither participate in creating nor destroy creations because they lack all strength to do so .... precisely because they repel this strength of Mine through their opposition. However, I always speak of **beings** .... of self-aware spiritual beings, I speak of the once fallen original spirits which started their fall into the abyss as individual beings and which also have to return to Me again as individual beings. But the once fallen original spirits only became **self-aware again** in the human stage .... whereas prior to that .... as dissolved spiritual substances .... they were not self-aware. Only in a state of self-awareness can the being accept My strength of love of its own free will or even reject it again, and only in this state can it be creatively or destructively active. But now you humans can also observe destructions which cause you to make wrong assumptions .... These destructions or influences are accomplished by natural forces, by elemental forces, and are not, as you believe, a manifestation of the forces of darkness. First you need to be instructed as to what these natural forces basically are, to whose will and whose power they are subject .... You should know that I allow all spiritual substances a certain amount of freedom once they have made some progress in a state of compulsion and thus they can temporarily remain unconstrained, that is, if they had to leave their shell **prematurely** and have not yet entered a new form. In that case people will have intervened contrary to My lawful order and thereby so incensed the released spirits about the unlawfully interrupted process of development that they went on a rampage. And they are, in fact, entitled to do so, because premature liberation is no real freedom for the spiritual substance, in fact it is so painful that it wants to take revenge on the human race for having caused this pain. This becomes particularly apparent when the normal growth of botanical creations is shortened due to greed, to avarice, when human will destroys creations of nature which, according to My plan of Creation and Salvation, also serve their purpose and are therefore **unlawfully prevented** from fulfilling their intended purpose. The same also applies when useful earthly creations .... i.e. fashioned by human hand .... are wilfully destroyed, so that the bound spiritual substances therein are prematurely released .... Hence I do not prevent these spiritual substances from united elemental activity .... but I only allow it for a certain length of time in order to constrain them again for the purpose of further development ....

However, huge manifestations of strength, as recognisable in natural disasters, need to be explained and assessed differently .... The degree of opposition of all spirits is known to Me, and therefore I also know when it lessens, when the restraint of the bound substance in hard matter can be eased. These spiritual entities test their strength by joining forces in order to burst their chains. Since the opposition to the strength of love .... which hitherto encased it in form of

matter .... has already become weaker the spirits' strength has become stronger to the same extent, and I do not stop these spirits from forcefully creating their next form for development **themselves** .... Consequently, I allow the still completely immature spiritual substance to release itself from its present state earlier, which happens in the form of more or less violent natural disasters, in eruptions, earthquakes, thus in such natural catastrophes which originate inside the earth and should therefore be regarded as manifestations of strength by the bound spiritual substances there. But this 'destructive' urge is by no means a sign of **increased** opposition towards Me and therefore My opposing spirit's activity or influence, instead it is merely the urge for another, easier form; admittedly, it is an unconscious urge but, as a result of reduced opposition, one which naturally arises in the spirits, which I do not prevent because these spirits will be bound again anyway for further development in order to come yet another step closer to Me. Even if it seems to you humans that My adversary's forces are at work .... he can neither change nor destroy My works of creation, so all such events must be assigned to My will and My might but they all have a spiritual purpose at the same time .... even if countless human lives fall prey to them. For even the spiritual substances which are still bound in the creations of earth are given the opportunity to continue their path of development. Terminating a person's life on earth also happens for a reason, My love and wisdom will truly not harm anything, so that whatever happens is beneficial for the soul of the individual person affected by it. What the human being regards as a misfortune need not be a disaster .... unless he loses faith and totally hands himself over to My opposing spirit's control. In that case, however, he had already been his follower and even then he can still change his will, precisely because it is free. But any natural activity resulting in devastation or destruction can only be caused by the spiritual substance which is either still banished in solid matter and tries to release itself or which was unlawfully released from softer forms and thus rages because its process of development was cut short .... However, spiritual beings working on My adversary's instruction will never be able to manifest themselves in such a destructive way, because these beings are self-aware and have no strength at their disposal for such activity. Earthly creations are certainly My adversary's domain because his followers are banished in them .... yet they are solely governed by My will and everything in a bound state is subject to My law ....

Amen

*Faith without love is dead ....*

You would never ever have been able to redeem yourselves had I not accomplished the act of Salvation on your behalf. My infinite love wanted to lift you out of a wretched state although it was caused through your own fault .... Consequently, it was an act of grace and mercy for you, it was an unmerited gift which is at your disposal if you want to become as blessed again as you were in the beginning. Hence the Words 'only by grace can you be saved ...' However, without this act of Salvation of Mine you would never have been able to attain beatitude, for you did not have enough strength to lift yourselves out of the abyss and your will was even weaker, so that you would not strive to release yourselves from Satan's bondage either. Thus it is imperative that you make use of the blessings of the act of Salvation .... And this first of all requires your faith in the divine Redeemer Jesus Christ, in Whom I embodied Myself in order to suffer and die for you humans, in order to acquire an inconceivable treasure of grace for you as Jesus, the man. **Without** this faith in Me you will never make contact with Me and appeal to Me for help, for a stronger will, for the strength to be able to ascend .... But what is to be understood as 'faith in the divine Redeemer'? If the words 'I believe in Him' alone were enough then Salvation would truly be assured to the greatest part of the human race, for these words are very often and by many people said. But these **words alone** are not enough for Me to grant beatitudes according to My promise 'He that believeth in Me hath everlasting life ....' I demand a living faith, complete inner conviction of what you humans are taught about the sacrifice on the cross by those who proclaim the Gospel to you on My instructions .... However, in order to attain this inner conviction it requires an already awakened spirit which enlightens the person from within, which gives him an understanding of the cause, of the reason for the act of love which the man Jesus accomplished .... Only what the human being understands will he be able to believe **with conviction** .... Thus a person must first give his inner spark of love the opportunity to manifest itself, which can only be brought about by love again. An entirely unloving person can therefore indeed say the words 'I believe in Jesus Christ' but he lacks all inner conviction, consequently, he will never be able to acquire eternal life either. Only love recognises Him, and thus I demand a faith that has come alive through love .... But even the concept of 'love' shall be explained, for this word, too, is frequently misused ....

All you humans experience love, but you must ask yourselves in which direction your love aims .... you must learn to differentiate between the desiring and the giving love .... the temporal love, which always wants to own, and the pure divine love, which always wants to give happiness. The fact that an earthly-inclined love will not awaken the divine spiritual spark in you is self-evident, thus it must be the unselfish, happiness-giving love which should be kindled in order to allow for the 'working of the spirit' in you. This love is strength which, once the person has kindled it, will never let him rest, which constantly impels him into loving activity, which is not satisfied with emotions but which completely transform the person's nature, so that he increasingly more often enters into contact with Me, because 'Whoever remains in love remains in God and I in him ....' And such love subsequently will also yield a living faith, for the

contact with Me through love must also lead to brightest realisation, so that the significance of the act of Salvation is clearly revealed to him and that nothing can shake his faith anymore .... 'Whoever remains in love remains in God and I in him ....' Anyone who spends serious thought on these Words must also realise that a person, who is most intimately in contact with Me through love, will also be permeated by My strength of love, that the flow of strength will flow into him .... but that this influx of strength will no longer allow for inactivity. Thus the strength of love must somehow take effect .... and namely in a way which testifies to the source of this strength, in an activity which is 'wanted by God' .... in all kinds of loving actions. The person can simply no longer refrain from taking **loving actions** as soon as he is permeated by My strength of love, and thus his love will also prove itself by implementing good deeds .... The human being will more or less show his love for Me in selfless works of neighbourly love and thereby join Me ever more firmly and be saved for time and eternity .... For in that case he believes in Me and My act of Salvation, he has already found redemption because this proven love demonstrates his release from My adversary, who shies away from love because he lacks all love himself. No-one without love will have a living faith, and no-one will feel love within himself who does not manifest it in good deeds, because love is a force which impels people into loving activity. And the reason why no living faith in Jesus Christ and His act of Salvation can be found anymore in the last days .... is because love has grown cold amongst people .... Therefore time and time again love must be preached to people first, love for one's neighbour must be so strongly emphasised because only this love testifies to love for Me, and love for one's neighbour will also always require an activity, be it of an earthly or psychological nature .... earthly or spiritual help, which, understandably, will only be valued if it is motivated by love .... All this is so easy to understand and yet, **without** love, people's thinking is and will remain confused. But the 'redemption' consists of the fact that the human being abandons his opposition and allows himself to be illuminated by My strength of love again as in the beginning, when the spiritual being was still perfect .... From love you once emerged and you shall become love again, only then will you be, and remain, blissfully happy for all eternity ....

Amen

*'Be ye therefore perfect, even as your Father which is in Heaven is perfect...'*

You were granted a length of time for your salvation, and this time is fully sufficient for you to liberate yourselves and enter the kingdom of light after the death of your body, providing you make correct use of it and avail yourselves of all blessings which are at your disposal throughout this time. I truly do not expect the impossible of you, and My Words 'Be ye therefore perfect, even as your Father which is in Heaven is perfect...' would be unjustified were it difficult or impossible to attain perfection on earth. Nevertheless, it requires your will to reach the goal on account of which you live on earth .... Your will is free, and this alone determines which degree of maturity your soul has attained at the

end of your life on earth. Even though unlimited blessings are at your disposal you must use them of your own free will, since they do not compel you in any way, instead they simply remain ineffective if they are not gladly and gratefully accepted. This flow of grace is available to **all** people .... thus **all** people can attain perfection on earth. And so no-one is more disadvantaged than another person, no-one is **privileged** to receive a **greater** measure of blessings. But one person can certainly unearth the great treasure of grace, whilst another can disregard it and move on .... The acceptance and use of blessings does not depend on a person's fate, on his circumstances or his worldly sphere of activity, for every human being has the opportunity to accept an unlimited measure of blessings, since it is merely a matter of soul, a matter of free will, because no earthly power or no earthly living conditions can force a person to forgo **spiritual** wealth providing the person is willing to make mental contact with Me and appeals to Me for grace and strength. For this is conveyed to him by **Me** at the exclusion of earthly obstacles. These are possessions which are imparted to the soul and can be received by every person to the same extent. It merely depends on the direction of the human being's will, and the **direction of his will** is not enforced by any side.

At the start of its embodiment as a human being the soul is indeed enclosed by thick layers which prevent the penetration of light, but a tiny spark nevertheless shines within which influences it to think and want in a benign way .... If it complies with this influence it will become increasingly more enlightened within; if it ignores it, it will already have rejected a blessing for, especially at the beginning of its embodiment, it is accompanied by spiritual guardians, regardless of the human being's circumstances. They will not exert force either; nevertheless, the person can turn towards that which is good, because these spiritual guardians will prevent evil influence from enslaving the will. And as soon as the human being can think for himself, he also has the ability to differentiate between good and bad, because he will be affected in the same way by the results of other people's good and bad actions. Even if external circumstances were to force him into bad actions, his innermost will can resist it .... and this will therefore shapes the human being. However, a good will always accepts blessings, and these flow to it truly without restriction. Consequently, every soul has the opportunity to completely discard its layers during the time at its disposal. It can attain perfection, for every weakness can be balanced out by blessings, providing the human being is willing to make use of the treasure of grace at his disposal, for the latter was gained by Jesus Christ through His death at the cross, so no-one needs to remain weak, no-one is hopelessly exposed to My adversary .... every person can **become blessed by grace** .... He need only turn his free will towards the divine Redeemer; as long he is still unenlightened and therefore has no knowledge or realisation, he must comply with the inspiration from the indwelling spiritual spark which urges him into good intentions and actions. Only then will he make use of the great treasure of grace and he will also always be receptive to the influx of blessings which will never cease as long as the human being lives on earth, but it will always require free will in order to let it take effect, in which case, however, the attainment of the goal of becoming perfect will be guaranteed.

Amen

*End Prophecies ....  
Are you My Own? ....*

Anyone who regards himself as one of My Own also knows that the last days have started, that humanity is facing a spiritual and earthly turning point. For My Own are informed by the spirit, My Own can be spoken to by the spirit and hear My voice, either directly or in their thoughts .... And they also faithfully accept My Word which is given to them by My messengers and has originated from Me .... Thus My Own know what time they live in, they know that the last hour of the world's clock will strike soon, that night will begin to engulf countless people on this earth and that a new day will begin to dawn for others, for the few who will remain true to Me until the end, who belong to My small flock .... which I call 'My Own'. And they still have a task on earth: to inform their fellow human beings of what earth can expect .... this will not be easy, for despite the fact that My Own are convinced of the truthfulness of My Word .... thus also of the proclamations about the end and the Judgment .... fellow human beings will not believe them and indignantly turn away when the last days are mentioned to them. Nevertheless, time and again they should try to point out that My announced end will not be far away.

And as confirmation of this you should also draw their attention to the natural disaster which will put the whole world into turmoil beforehand .... And you should also tell them that the subsequent end can be expected with the same certainty, for through this natural disaster I still want to give people a final warning, a final sign, to make it easier for them to believe what you tell them .... Anyone who is enlightened himself should also let the light shine into the darkness .... Anyone who believes in Me and My Word himself should also try to show his fellow human beings the way to faith, and do so kindly so as not to arouse resistance .... And therefore the natural disaster will not keep you waiting for very long, since it is also intended to contribute towards preparing people for the end .... You should also mention the natural disaster, My intervention, which every person will be able to take notice of, for it will be of enormous proportions and cannot be dismissed as an everyday occurrence .... Thus you should constantly point to this event and not be afraid to speak about it openly, for it will come with absolute certainty .... And anyone who has heard about it from you will also find it easier to believe in the announced end. Thus My Own shall be capable workers for Me, even if their work merely consists of speaking about the forthcoming events ....

Then they will already render Me an immense service, for I want people to know but can only give them the information through a human mouth, which they then may or may not believe, but at least they will have heard of it and will also remember it when the day comes that the whole world will hold its breath in view of the natural catastrophe which will bring overwhelming suffering to the people who experience it .... Do not fear that you spread misguided prophecies but speak frankly and openly that I Myself conveyed them to you and that you firmly believe in My Words .... They will not be able to call you liars, for sooner than they think they will get the confirmation. Yet people should use this knowledge to shed their doubts in regards to the proclamations of the end

.... With that, much will already have been achieved, because then they can prepare themselves and thus be saved from the abyss ....

Amen

*The will's decision in favour of God ....*

You will always be nourished with life-giving strength if only you want to attain life. You should just for once think about your soul's fate, you should not only consider your earthly life but the life of the soul, which you are meant to gain on this earth. You should reflect on what your soul is missing and try to quench its hunger and thirst .... you should **strive spiritually** during your earthly life .... That is all I expect of you, for once this will breaks through in you, you will also receive help to attain the goal. And thus it merely depends on your will that the Father looks after you and guides you .... Where this serious will exists there is no more danger of falling into My opponent's hands because then I will have the right to protect you against him. Hence, anyone who wants Me to accept him is already accepted by Me and will then also receive the strength to live according to My will on earth. This is why everyone who is of serious will can be secure in the knowledge that he is in safe hands in My care and My protection .... And about this he has to give account to himself .... If his thoughts and intentions are still firmly inclined towards the world then his will is not serious, then he deceives himself even if he tries to testify to his will with words. For the will towards Me is already a turning away from the world, because no-one can serve two masters, Me and My adversary at the same time, who is the lord of this world. Although the human being is living in the world and will have to do justice to many demands .... there is nevertheless a difference whether his heart is attached to the goods and pleasures of this world, whether they occupy his thoughts and intentions .... or whether he only uses the goods of the world as far as they are needed for his sphere of activity he is in charge of .... Merely the heart's inmost desire is the decisive factor as to which lord can take possession of the human being. And this has to be answered by the person himself and in all truthfulness, as not even the slightest movement of the heart can be hidden from Me .... Therefore I also know whose will belongs to Me exclusively and whom I can subsequently guide and draw towards Me .... I also know who voices what are simply words which lack this utter sincerity of will. Nevertheless, I also take care of these, but the success is only guaranteed when the heart has **undevotedly** chosen Me. For then the human being will come to Me like a child to the Father and My Fatherly love will take hold of it and forever keep it with Me .... But in that case the human being is also willing to help his soul attain full maturity, he will provide it with nourishment and refreshment and not just live an earthly but also a spiritual life .... he need no longer fear to go astray, for he will be holding on to My hand and unwaveringly walk towards the goal ....

Amen

*The souls' fate in the beyond ....*

As yet you still wear the earthly garment; as yet your soul is still enclosed by a cover preventing its carefree flight into the spiritual realm, you are still bound to this earth .... But the time will come when the soul will leave its fleshy cover, when earth will no longer be able to hold it and it will lift itself up to heaven, if it has acquired sufficient strength to raise itself from the earthly sphere into a world without obstacles, where it will be able to zoom through time and space and enjoy blissful happiness in radiant heights. But this flight of ascent requires strength .... the kind of strength which should not be confused with the vitality of life but by which it is permeated when it has entered into heartfelt union again with the eternal source of strength, with its God and Father .... when it has returned to its Father's house, where no hardship or suffering but only happiness and eternal life exist.

However, it is also possible that the hour of death will not denote a great change for the soul .... It will indeed also be able to leave the physical body and yet not be free, if it is weak and unable to elevate itself from earthly spheres because matter had dominated its mind, because it completely allowed itself to be ruled by it and never accepted the divine strength of love. Then it will indeed also occupy spiritual spheres, that is, it will exist beyond this earthly world, yet it will lack vitality and be condemned to inactivity. And this is a state of torment for the soul, a state of helplessness and darkness, and yet it is aware of itself.

Death is the conclusion of a developmental chapter; the soul will change its abode in any case .... but the sphere the soul will then occupy may well be rather **different** .... And the human being himself creates on earth his soul's fate after death. And therefore he should value every day as an immeasurable gift of grace, he should be prudent with every hour and use it for the salvation of his soul .... he should not content himself with earthly joys and pleasures since the beatitudes in the spiritual kingdom will outweigh them a thousand fold.

The human being should always remember that he has to take it into his own hands to acquire an abundance of bliss, and so he then also has to be willing during the short lifetime on earth to renounce what gives the body a sense of well-being but is detrimental to the soul. For the soul is enclosed by a layer from which it should free itself in earthly life. The impurities still adhering to the soul obstruct God's light ray of love from entering .... They first have to be dissolved so that the light of love can fully permeate the soul, and this also means that after death the soul will be able to raise itself entirely unburdened and enter the spheres of the blessed. And heartfelt prayer to God, deeds of love and even various forms of physical suffering will cause the dissolution of this layer ....

Love and suffering are the most effective means of purification, love and suffering internalize the human being, love and suffering distance him from the world and its pleasures .... The path of love and of suffering is the path Jesus took. He called upon people to become His followers, and He has promised life to those who follow Him. For His path will lead to the goal for sure. It leads out of the kingdom of darkness into the kingdom of light, and He will also help anyone who loves Him and wants to follow Him carry the small cross, when it seems too heavy to the human being and he turns for help to Him, to the divine

bearer of the cross .... But once the physical cover is shed the soul will rejoice and jubilantly enter through the gate to eternity. Then it will have fulfilled its purpose of earthly life, it will have returned to its true home of eternal life and eternal beatitude ....

Amen

*Ability to believe presupposes will to believe ....*

The **ability** to believe presupposes **wanting** to believe .... You will be unable to convince those people who can't muster the will to attain the truth, for their unwillingness leaves them open to the influences of God's opponent, to whom they increasingly more fall prey and who will only ever influence them to close themselves to every spiritual influx on the part of God. Spiritual knowledge cannot be proven; it has to be believed .... However, people are not expected to believe blindly, the truth is made accessible to the human being but it is left up to him what he makes of it, for God grants every human being freedom of will. The human being is therefore more or less facing a crucial decision as soon as he is offered spiritual information .... he can accept or reject it .... But in order to make this decision his will has to become active. If the human being rejects it without further investigation then he cannot say: I **cannot** believe it, instead he must say: I don't **want** to believe it .... If, however, he is willing to understand it then he will examine it .... and only then will he be **entitled** to reject it if he cannot agree with it, or he will gain an inner conviction and thus 'believe' even though the evidence cannot be given to him. Someone who means well will certainly be correctly guided in his thinking .... even if he had not so far wanted to acknowledge anything that can be described as spiritual knowledge. Blind faith is worthless, only a convinced faith will give rise to blessings. But a convinced faith can only be gained if the human being **wants** to attain realisation, if he **desires** clarification about things that are hidden to him, about secrets which human intellect cannot unveil.

Every individual person and can will presume that he only possesses partial knowledge, that therefore many unsolved problems still exist for him. If these problems concern earthly questions, they can be solved intellectually. The results can be tested and also be changed .... Then the evidence can be produced that the human being's thinking was right .... But apart from the earthly world there also exists a spiritual world .... Although this, too, must only be 'believed' again, yet revelations from this spiritual world are sent to people which could almost be classed as evidence already .... but always leaving it open to certain doubts, which need to be overcome by a person himself, and this requires his will. He is **able** to provide the evidence for himself and thus gain convinced faith but he must also **want** to do it .... Someone who does not contribute towards it cannot acquire anything for himself, and 'faith' cannot be granted to a person as a gift, otherwise a free decision of will could not be spoken of. First the human being must **want** to believe and through living a life of love enable himself to learn to distinguish, for he should never believe in errors, and he is entitled to reject what he is unable to believe if he seriously means it and does not reject all

spiritual information given to him. The ability to believe presupposes wanting to believe. Blind faith, however, is nothing a person can be proud of .... Blind faith is not pleasing to God, after all, it testifies to indifference towards the truth and the right realisation. The human being should use his intelligence but not only his intelligence, he should also question his heart, which means as much as that he should also pay attention to his feelings, for the One Whom people have problems having faith in manifests Himself through the heart .... but Who also rewards the will if it is good and is aimed in the right direction ....

Amen

### *The soul's process of development before embodiment ....*

You humans have passed through many forms .... i.e., your real Self, your soul, had to go through a long process of development before it was allowed to incarnate in a human body .... And this process of development was the path through all the works of creation .... Dissolved into countless minute particles the soul had to animate each one of these works of creation and thus slowly mature, as soon as various particles had joined each other they had to constantly enter new forms, and all forms .... the innumerable works of creation .... contributed towards the maturing of these substances of soul until, finally, all particles were allowed to come together again and as a human soul enter and give life to the last form, the human body. Hence you all had to travel this path of development since due to your past fall into sin the separation from God became so great that the soul in its lifeless state, which was the result of its apostasy, would never have been able to overcome this vast distance from Him. It first had to be brought back to life. But life could not be granted to the beings which had become sinful .... they had to acquire it through being of service. However, the being would never serve voluntarily because it would have been prevented from doing so by God's adversary, whom it had followed into the abyss ....

But it wasn't meant to remain eternally subject to death, it was meant to be given the opportunity to attain life .... and this 'opportunity' was the creation. God seized the fallen spirits from His adversary and made them serve Himself, He gave every work of creation its purpose according to natural law and made it fulfil this purpose in a state of compulsion.

As a result it had to be of service and, if only after an infinitely long time, thereby acquired a weak life which nevertheless enabled it to become constantly more active. For every being having once emerged from God's love was His emanated strength which wants to be active .... However, the beings which had joined God's adversary rejected God's illumination of love which is needed for living, thus for a being's activity, and therefore it fell into the state of death. And were it left to the being itself it would never be able to come alive again because its fall into the abyss made it completely helpless. For this reason God called a work into existence which at first ruled out the being's will for activity, which subordinated itself entirely to His will and which, through 'natural law', carried out the purpose He had assigned to this work, to the whole of creation.

His plan consisted of slowly bringing back to life what was lifeless, of giving it the possibility to be active again. And thus it was joined to the individual works of creation in tiny particles and through natural law obliged to get active again .... It was bound in these creations and unable to resist, it had to be of service .... but thereby was also able to reach the degree of development which gained it ever more freedom and finally also placed the spiritual being into the state of free will, from where it then has to decide whether it wants to continue its ascent or return into the abyss once more .... For God certainly helps the being to ascend but He does not compel it if it wants to descend. This decision of free will therefore takes place during the final stage of development on this earth .... when the soul is embodied as a human beings and can use its free will again at its own discretion .... Then the human being must recognise the great mercy of the former process of development and make conscious use of his earthly life, he must prove himself worthy and have the will that his final stage shall take him to the goal, he must strive whole-heartedly for his perfection and thus prove that he belongs to God; he must do whatever it takes so as not to fall again into the hands of the one from whom God's love had helped him become free throughout infinitely long times .... He must not live carelessly during this short time but again and again only remember the spiritual goal which will release him from all constraints, which signifies the reunion with God in light and strength and happiness .... And thus you humans were given earthly life for the sake of liberating your soul from a bondage which was placed upon you by God's adversary since time immemorial but which was its own fault and thus it will also have to remove its own share in order to gain its freedom and everlasting life ....

Amen

*Earthly knowledge is not 'wisdom' ....*

Even if you deem yourselves wise, you are nothing of the kind as long as I cannot let My light shine into you to enlighten your spirit. For that which you consider knowledge will not make you happy for long, even if it comes close to the truth, for it is merely earthly knowledge .... knowledge, which relates to everything you deem worthy of knowing for your **earthly life**. Were you to forego your physical life tomorrow this knowledge would also be lost to you if you could not show any spiritual progress. But those of you who don't strive spiritually do not possess **wisdom**. Wisdom is the realisation of everlasting knowledge, which comes forth from Me alone and flows to the one who sincerely desires it. However, you humans only ever judge intellectual results and deny the value of all spiritually gained conclusions. You thereby only prove that you are still unenlightened, that you exist in a pitiful state because the time you lived on earth has so far been completely useless. You are chasing after the wrong possessions if you content yourselves with the information you have gained so far, which exclusively answers earthly questions and solves problems which, from a spiritual point of view, are worthless. You miss the purpose of your earthly life which solely consists of changing your soul's spiritual darkness,

of dissolving its layers which prevent the penetration of light. You don't even know the purpose of your earthly life, you don't know about the actual task you are given, but you believe yourselves to be wise if you possess purely earthly-orientated knowledge .... if you have a keen intellect at your disposal and solely use this divine gift to research and ponder with a purely earthly goal in mind ....

You can attain an eminent reputation on earth, you can indeed achieve great things compared to your fellow human beings, but you cannot call yourselves wise, since by virtue of your intellect you will be unable to fathom anything which lies beyond the sphere of human habitation .... And at the end of your life you will have to admit that you know nothing, if you approach your end consciously, if you come close to passing through the gate to eternity and you think about the accomplishments of your earthly progress .... Then your own self-assurance will leave you; then you might perhaps even become aware of the futility of your efforts, and you would be grateful if you could still receive a small glimmer of light about the human being's real purpose of life. If you .... who deem yourselves wise .... are offered a light during earthly life you spurn it due to self-importance, for while you are influenced by deceptive light you cannot feel the gentle radiance which, however, would enter your heart, whilst the deceptive light .... your intellectual knowledge .... cannot spread inner clarity. You should never reject a light if it illuminates you unusually, you should not try to explain such light intellectually, you should close your eyes, which are already weakened by the deceptive light, and let the true light shine into your heart, that means, you should put all your earthly knowledge aside for once and simply listen quietly when you hear Words of wisdom .... You should make time to let your thoughts roam into a region which is unknown to you, and long to learn more about it .... And every such thought will become a blessing for you .... For then you will receive knowledge which you will recognise as 'wisdom from God' and which will truly gain you greater success than the worldly knowledge you strive for .... which will vanish, just as your body will vanish, and which has not provided the soul with the slightest progress .... which left it in the same darkness it was in when it came to earth as a human being ....

Amen

*Statements by seers and prophets ....*

Listen to what the spirit of God proclaims to you: the seers and prophets are chosen by Me Myself because they have to fulfil a great and important task .... informing people of the forthcoming Judgment of the world and admonishing them to prepare themselves for it. These seers and prophets don't use their own words but merely pass on what My spirit tells them. Thus, in a manner of speaking, you receive a direct proclamation from Me Myself, I merely have to use a mediator in order not to compel your thoughts and actions. You therefore **can** believe it but are not **forced** to do so. You will believe it if you acknowledge the gift of vision and prophesy in these mediators; you will reject it if you doubt their mission. But I want to make it easy for you to believe them, I will visibly

emphasise their mission by allowing the announced events to happen which precede the Judgment .... I will make sure that these announcements will be spread, that many people can be informed of them and that they then will experience the evidence of it, because everything will happen as I predicted through seers and prophets. Although I warned people .... when I lived on earth .... to beware of false Christ's and false prophets and pointed out that My adversary's emissaries will also wreak havoc, I now caution people once again not to get caught in his nets of lies and to believe his intrigues, for he is active and through remarkable accomplishments, through physical works of wonder, is trying to awaken in people the belief that the 'powers of heaven' are expressing themselves ....

But precisely his remarkable activity during the last days also gives rise to My countermeasure which consists of using methods that revive a weak faith again or let a lost faith arise anew. And this cannot happen in any other way than through pure truth, which comes forth from the source of truth but must reach you humans through mediators because you are unable to receive it directly yourselves.

And thus I present to people what lies ahead of them. And the people I have chosen to mediate between Myself and you humans can be acknowledged by you as genuine prophets whose words you should believe. I Am also prepared to demonstrate that they speak on My instruction and inform you of what is to come by very soon making the first announcements come true. For the most important task of these seers and prophets is the announcement of the end, which is of utmost importance for you humans and which you thus should await being **prepared**. And for this you are still granted a period of time which can suffice to save your souls from ruin.

And so I will not hesitate much longer, I will confirm My seers' and prophets' mission, I will let their proclamations be followed by action .... Prior to this .... before the end .... I will shake the earth and show Myself to all people through a natural event which time and again has been announced according to My will. For I gave them the instruction Myself, they only spoke as My instruments, as My representatives on earth who should admonish and warn people on My behalf. You must not deem yourselves safe from events which testify to a higher Power, you should dread them and believe that My Word is truth, that I Myself speak and have spoken to you through them and that you are therefore definitely approaching an extremely difficult time, if My grace will not call you back beforehand. You are facing the end of an era, and in this certainty you should live your life accordingly .... always in view of a sudden end which, however, need not be feared by anyone who consciously improves himself, who pays more attention to his soul than to his earthly body, for he will not lose anything but only gain ....

Amen

*Don't let the sacrifice on the cross be in vain ....*

My suffering and dying on the cross can also have been unsuccessful for you humans, the sacrifice on the cross can have been in vain for you who do not allow yourselves to be impressed by it, who do not acknowledge the divine Redeemer Jesus Christ, who merely take notice of the 'human being Jesus' but do not acknowledge His divinely spiritual mission, and hence you exclude yourselves from those for whom the act of Salvation has been accomplished. You **consciously** have to turn to Him if you want to participate in the blessings of the act of Salvation. The 'salvation' depends on you, even though I died for all people on the cross.

But you humans do not know that you are constrained, that you can never enjoy freedom in light and strength without deliverance through Jesus Christ but remain in captivity even if an infinitely long time will pass by .... You do not know that the state of bondage, the lack of strength and light, can never be changed other than by way of the Calvary cross .... And even if you reject the divine Saviour Jesus Christ, even if you ignore His accomplishment, it depends entirely on Him how long you will be in an unhappy state ....

You do not regard your human existence as very unhappy and therefore do not look for the One, Who can provide you with a blissful fate. But your earthly existence as a human being does not last long, and only then will you become aware of the torments of your inhibited state, then the energy of life, which was yours as a human being, is taken from you .... providing you are not bound in hard matter and have to experience the agonies of confinement therein. However, as long as you keep your self-awareness you still have the opportunity to call upon Jesus Christ, your Saviour .... be it on this earth or even in the kingdom of the beyond, if you are not absorbed by utter darkness. And for this reason My love constantly endeavours to direct your thoughts to Him, in Whom I embodied Myself in order to redeem you. Time and again I will try to bring Jesus' achievement home to you. Time and again I will take care that His act of Salvation will be mentioned and that you, who are still completely distant from the cross, who attach little or no significance to anything in relation to Jesus Christ, will be given the information.

Every one of you will be approached and referred to Him sooner or later, every one of you can deliberate on the information about Jesus Christ and His act of Salvation, and everyone can now respond to Him in accordance with his will. But his attitude is decisive for an endlessly long time or even for eternity .... Because he may indeed have to stay in torment and constraint for an infinitely long time, but he can also be eternally free, and in light, strength and blissfulness thank his divine Saviour for the act of merciful love which had bought him his freedom and resulted in his blissful previous state again. No human being is exempt from this decision, and every human being prepares his own future fate .... but My love constantly helps him to make the right choice, My love constantly advises him, so that no human being will be able to say that he was left uninformed of the means for his redemption.

But even My love does not **determine** your will .... For you have chosen this wretched state of your own free will, and of your own free will you shall also make

an effort to be saved from it again. And for this reason the salvation through Jesus Christ requires your **free will**, otherwise the whole world would have been redeemed already, otherwise no-one would be in bondage and weakness any longer, because the act of Salvation has been accomplished for all humankind.

But only your will utilizes the blessings of the act of Salvation, when you freely profess your faith in Him, Who died on your behalf on the cross .... when you acknowledge Me Myself in Jesus Christ and thus want that I would have died for you. Then you will be truly liberated from the state of constraint, you will pass from this earth redeemed and enter the kingdom where you can be infinitely active and happy in light and strength ....

Amen

*God's blessing for every action ....  
Marriages ....*

All blessings have to come from God Himself in order to take effect. A human being's blessing will only ever be a 'blessing' for another person when God is called upon, that is to say when this blessing is given in His name. And therefore you humans may also contact Him yourselves if you want to receive His blessing because your plea that God should sanction your planned action will also gain you His caring help in every situation of life. God has indeed chosen His servants on earth who shall impart on His behalf the gift He Himself wants to give to people .... who speak to people on His behalf since He cannot speak to them Himself due to their freedom of will. And His representatives are also able to implore God to bless his fellow human being, to direct the results of his actions such that they will benefit the person. But this is entirely under God's control, hence only God alone can give His blessing and the human being can only do so on His behalf, with other words in the name of God. This is why every human being is also able to request God's blessing for his undertaking without those whose office makes them feel entitled to give blessings. Because much of it is a mere formality, and the inner state of mind is not greatly observed anymore. A person with an inner connection to God will no longer do anything without first having prayed for God's blessing, and God's blessing will also be assured to him ....

However, the conferring of blessings which has become a formality, which is mechanically carried out, which is tied to customs, will always just remain a formality and have little effect on people, or many things which will never correspond to God's will would have to find God's approval. For instance, formal marriage ceremonies are also blessed, for which God would not give His approval and which He would prevent if He did not observe the free will of people. Marriages take place for worldly, materialistic reasons which do not deserve the description of 'marriage' .... Unions are entered into which do not show the prerequisites required for a good marriage before God .... However, the blessing of the church is not denied to such unions, but whether God Himself will bless such a marriage remains to be seen .... even though an ecclesiastical blessing need not always be ineffective, when both the person conferring the

blessing as well as the recipient have established sincere contact with God, thus when God Himself is petitioned for His blessing by all participants. Hence only this sincere contact with God is decisive as it proves the human being's willingness to be blessed by Him. God will always be ready to direct everything for the benefit of a person's soul, and He will also know how to direct worldly events such that they result in a blessing for him, if the person prays for God's blessing himself.

But people's entirely unblessed beginnings will not result in much benefit, just as the purely formal blessing cannot be considered a divine privilege, a 'blessing of God'. Only what is prayed for spiritually and in truth and carried out can be of value .... that is why every heartfelt prayer for God's blessing will be granted because it is God's will that the person should enter into heartfelt union with Him and his blessing will only evolve from this bond ....

Amen

*God's gift: the spark of love, a part of Himself ....*

You are lacking light and strength because you are still imperfect. However, without light and strength you will not attain perfection either and would hopelessly have fallen prey to a wretched state were you not granted help and first given light and strength, which subsequently enables you to reach the state of perfection. Hence, at the beginning of your life on earth you are oblivious of the correlations, of the meaning of your earthly life and your task, you are completely without knowledge .... you are lacking **light** .... And if this is brought to you by way of being instructed of your earthly task then you, on the other hand, lack the **strength** to attain your spiritual perfection as long as you don't acquire the strength for yourselves, which can only ever happen through kind-hearted activity. And for the acquisition of this strength .... thus for being lovingly active .... you usually lack the will, because your imperfect state also signifies an exceedingly weakened will .... So this is how you are at the beginning of your earthly life which was only given to you to shape your imperfect nature into becoming perfect. Your life on earth would therefore be incredibly hopeless had God's love not **granted** you something to help you attain perfection again: He placed a minutely small spark of His infinite spirit of love into you .... This tiny spark of love is His share, it is inseparably united with Him, it is spirit from His spirit, light from His eternal essence of light and strength at the same time .... This tiny spark is capable of achieving a change in you so that all imperfection will fade away and enable you to leave this earth as radiant beings of light. But this requires you to kindle this tiny spark yourselves, that you provide it with nourishment so that it can spread out .... it requires you to allow the divine spirit of love to impel you into activity of love, for that is its task, it is God's help that this spiritual spark constantly tries to influence you from within to do works of love .... because 'love' equals 'light and strength', because ignorance and lack of strength fade away as a result of activity of love .... because love is the only mean to become as perfect again as the being was at the start. Without this spark of love no-one would reach this goal in earthly life, for the being had once

completely rejected all of God's illumination of love of its own free will and was no longer able to love correctly, which is its legacy of the one who was the first to renounce God's love ....

Thus the human being is this once-fallen being which believed itself capable of existing without divine illumination of love .... Admittedly, it could no longer perish again but the state of a fallen being became a completely different one than as it was originally created .... For only love is the invigorating strength which enables the being to be blissfully active, without love the being is dead and in spiritual darkness and therefore must also feel tremendously wretched. Yet despite having formerly rejected His love God placed this minutely small spark of love into every human heart and so established contact between Himself and the person, which, however, must also be utilised by the person, because even this spark of love, the part of the divine spirit, does not coerce the human being's will. Nevertheless, with gentle urges it tries to influence this will to practice love, which then can ignite a flame in the person's heart spreading light and at the same time providing the person with strength to change his nature. Therefore it is possible for every human being to obtain light and strength for himself in earthly life, but since free will must not be excluded God's spirit of love remains in the background and does not compel a person into activity which causes his perfection .... on account of which countless people fail to make use of the great gift of grace and thus remain in darkness and weakness from which only activity of love can release the soul ....

Amen

*Jesus came as Saviour ....*

I descended to earth because of the great spiritual hardship, because I had pity on the people who were held in captivity by My adversary, who could no longer resist him and who cried to God for a Saviour. But only few still believed firmly and steadfastly that the Messiah would come as it was written, but these few expected Him with great longing, they expected Him as their Saviour from severe difficulties and distress .... And I descended for their sake, because their cry for help reached My ears and I did not want to disappoint their faith. Besides, the time had come for the mission of the man Jesus .... I wanted to release the whole of humanity from the adversary's ties, and I also wanted to bring redemption to those who had already passed away but could not enter My kingdom until the immense guilt of sin had been redeemed, which was the cause of humanity's existence on earth .... I Myself came to earth in this human being Jesus to bring salvation to all people, to rescue them from the chains with which they were bound since eternity and to open the path into My kingdom for them, into the kingdom of eternal peace and bliss.

Only few people were willing to receive Me when I descended to earth, that is, only few recognised Me, because they were living a life of love .... And hence the flock of My followers was small, even though I constantly endeavoured to motivate people to do works of love which would have resulted in their recognition of Me as their God and Father of eternity. Because the immense

hardship was caused by the fact that there was little love amongst people, that they were already completely controlled by the one who, being entirely without love, confronted Me as My enemy, whom I wanted to fight and through My victory rescue the souls which he held captive. Thus I Myself exemplified a life of unselfish love to people, because love was the weapon which I Myself wanted to use against My opponent and which also gave the people themselves the strength to resist him. Without love they were his slaves, but he cannot resist love, love is the only weapon to which he succumbs, but at the time of My descent to earth it could barely be found amongst people .... Love was the only bond with Me, their God and Father of eternity. And this bond had to be established if people wanted to hear My Word.

My Word could no longer be spoken to them, because without love they no longer believed in a God Who wanted to speak to them. And so I came to earth to speak to people Myself, to reveal to them My will once again, to give them My commandments of love once again, and to once again proclaim My Gospel .... the divine teaching, which was to guide them into bliss. But I had to bring yet another significant help to people .... First I wanted to save them from the power which kept them enchained, which depleted their will and prevented them from fulfilling My will. I wanted to release them from his control .... And to this end I chose the form of the human being Jesus in order to accomplish a work of love and mercy which would deliver humanity from all hardship .... But all the people who wanted to be released from their tormentor also had to side with Me. Those who voluntarily stayed with him could not be saved by Me, but those who turned to Me also received the strength from Me to release themselves from his clutches.

However, this act of Salvation had to be accomplished within human means, because people's will must not be compelled. They should be entirely free to acknowledge or reject the act of Salvation by the human being Jesus .... in Whom I Myself was made flesh. For this reason I walked on earth as the man Jesus and prepared the people for the immense sacrifice of compensation, which was to make amends for the enormous guilt of sin, on account of which they lived on earth. But only few recognised Me and saw Me as the Saviour, the Messiah, Who always and forever had been proclaimed by seers and prophets. The hardship was overwhelming when I descended to earth but the act of Salvation has been accomplished, because My love was overwhelming too, and thus love wiped out the guilt of sin by sacrificing Itself on the cross. And this love will time and again try to help people who have not yet found salvation, who have not yet made use of the blessings of the act of Salvation and thus still languish in My adversary's captivity, who would never be able to release themselves without help and whom I will nevertheless never abandon. Instead I will cross their path time and again and draw their attention to the act of Salvation by the human Jesus, Whose love as a 'human being' recognised his fellow human beings' spiritual hardship and Who, by virtue of His love, made the sacrifice to die on the cross in extreme agony. And time and again I will come to people in My Word and inform them of Jesus' act of supreme love and mercy, Who received Me Myself, Who totally united with Me by means of love, and Who became Saviour and Redeemer from sin and death for all of you ....

Amen

*Accountability towards God ....  
Doing one's duty is not enough ....*

The possibility exists for every human being to attain perfection during his life on earth. This is why he is accountable to God as to how he uses his time on earth. Thus he cannot sin 'with impunity' .... i.e., it will not be without consequences if he does not live a correct way of life, if he lives it in a way that the soul does not derive any benefit from it. And these consequences have to be accepted by him, which he subsequently indeed views as 'punishment' but which are merely the result of his wrong way of life .... Thus he has to blame himself for his apparent state of punishment, he caused it of his own free will, for he could just as well have lived correctly, because it was possible for him. But people very rarely think of their future responsibility towards God, Who cannot judge any differently than earthly life demands. They don't think about it because they don't believe, because they don't want to believe, that they have to fulfil a purpose during their earthly life. People's lack of responsibility keeps steadily growing the more faith dwindles amongst them. The actual earthly purpose of life is not considered and the time after the body's death is not thought of either, because all faith in it is lacking. That is why the soul will be horrified when it becomes conscious of its existence as well as of its miserable state and when it realises that it caused this state itself .... On the other hand, however, the human being on earth can only ever be admonished to live a responsible way of life, he can only be informed of a God's judicial authority but he cannot be forced to believe by means of evidence. And people also believe that it is sufficient to do their duty and not to commit any obvious offence .... But thereby they do not reach perfection and a life like that is not the purpose of their earthly existence. The grace of embodiment as a human being must be utilised, because it is a gift for the being which had disfigured itself and which should, and is able to, attain its former perfection again. It is a gift, because the being turned away from God of its own free will, thus it had spurned His divine strength of love. But God offers the being His strength of love once more, and He does this when the soul travels the earthly path as a human being. This incredible gift of grace should be respected by a person, he should not treat it carelessly, he should accept what God's love offers to him .... Therefore he will have to justify himself before God as to how he used this gift of grace. He must do everything in his power in order to make himself worthy of God's love, he must gratefully accept what is offered to him in order to attain his past high level again; but he should not live his earthly life irresponsibly, for this grace is only given to him once. And although God will not let go of him, he will nevertheless never be able to catch up with what he had neglected to do during his earthly life because of his own fault .... And his remorse will be immense once he recognises in the beyond the significance of the gift of grace he had left unused on earth ....

Amen

*Attainment of childship to God only on this earth ....*

Only on earth is it possible for you to attain the highest degree of perfection, so that you, as God's true 'children', will be able to enter into supreme happiness. Earth is **the** place of education for the spiritual essence which makes the **greatest** demands on the human being's will. All places of education in the entire universe serve to mature the souls, and they can also help them to achieve immeasurable bliss, but only the process across earth can gain the being the childship to God, a degree of happiness which signifies a direct influx of strength and light, utmost proximity to the heavenly Father and the beholding of Him face to face in all glory. There are so many different degrees of blissfulness in the kingdom of light, and it already denotes happiness and bliss if a being has found admission to the realm of light at all. But the degree of bliss can constantly increase, and this concept cannot be easily explained to you humans as long as your thinking is still limited, as long as you still live on earth. However, you can nevertheless be educated to strive for the highest goal that can be achieved by your life on earth. You shall know and believe that God has embodied you on this earth precisely because He wants to prepare an inconceivably magnificent fate for you, but which you have to acquire for yourselves, which he cannot just give you, but He is providing you with all possibilities to make sure that you can attain the goal.

The souls which travel the path across this earth have already ascended from the lowest abyss, they have left such an appalling path of suffering behind themselves that they are indeed sufficiently prepared to still travel the last short path, but precisely this last time of trial is dangerous, since after the infinitely long time of extremely painful constraint they now sense a certain amount of freedom and can easily misuse it. Especially this earth is a place of temptation, because the embodied souls on this earth have been the most loyal followers of God's adversary, which he doesn't want to release and thus he constantly influences the souls which strive to ascend. But if these once most loyal followers of the fallen original spirit can detach themselves from his bondage then an really wonderful fate will await them, for then the change from God's 'living creation' into God's 'child' will have taken place, but this also necessitates complete dedication to God, a total change of their nature, a shaping into a high degree of love .... hence an extremely difficult and sorrowful earthly life, if it is to lead to the goal. But only few people will reach this high degree of perfection, nevertheless, the path across earth will be more highly valued by God than a path across other places of development which offer easier conditions for the beings yet also grant them happiness and bliss as long as they fulfil the tasks required of them in all these schools of divine love.

All souls shall return again, and their bliss consists of the fact that there will be no end, that the being will constantly strive in order to constantly receive fulfilment, that the bliss, too, will forever increase, which God is bestowing on those who approach Him. However, people on earth don't know **what** they are able to attain through their earthly life .... they don't know that they can pass over untold intermediate stages, that it is possible for them to gain a place at the Father's heart which will eternally compensate them for the most difficult earthly fate, for a life on earth which almost seems unbearable to them ....

God therefore has embodied Himself as a human being on earth in order to demonstrate to people what kind of life a person ought to live in order to attain the highest goal. He has shown to them that it is possible to so spiritualise the soul through love and suffering, that it can completely merge with God, in order to then be and remain forever indescribably happy in total union with the Father ....

Amen

*The right path will be shown to people ....*

I can only ever just kindle a light for you and illuminate the way, but you have to voluntarily walk it yourselves. And I can also offer you My company but at the same time I will not impose it on you, precisely because I don't force you, instead you yourselves have to join Me and appeal to Me that I should always walk by your side as your fellow traveller. But then you cannot go astray .... I, for My part, will certainly do everything to enable your ascent to Me, nevertheless you have the freedom to want and act at your own discretion. So many people fail because they misuse their freedom and turn a deaf ear to all My advice and words of caution, yet their rebellious determination will not be forcefully broken. You can certainly force people on earth into obedience, there you can use your power when you believe that people resist you unjustifiably. But My eternal plan of Salvation excludes all use of force where it concerns the retrieval of the spirit; because the final goal I want to accomplish can only be achieved by the being's free will. My love will persistently strive for this goal and will also find the right means to turn the spirit's will in its favour so that it then voluntarily walks the path of return into the Father's house.

Love achieves much, and any loving being's influence on the still undecided spirit can be successful .... but this will be difficult if the being still favours My adversary. But the human being's will is respected, it is merely constantly pursued .... or, with other words, the path will always be shown again to the person. That is, a light is kindled, time and again My Word will be made accessible to the human being which, as a light from above, clearly and precisely informs him of his earthly goal and shows the divine Saviour's cross in its brightness .... And once the human being can see this bright path, the will is also able to decide whether to follow this path and to aim towards the cross .... this path has to be taken by every human being himself. It is pointless just to see it and not to follow it; hence it is pointless to 'merely take notice' of My Word or of Christ's act of Salvation; instead it is essential to walk the path which leads past the Calvary Cross: My Word has to be exemplified in the same way the man Jesus did on earth, and then the path, which is clearly shown to you humans, is being followed. And thus no human being should believe that it is irrelevant which path he walks, no human being should believe to reach the same goal on lesser ways, nor should any human being believe that he may walk without the right guidance, because then his path will inevitably lead into the abyss, back to where he came from, from whence My love had already lifted him ....

He has to commend himself to Me Myself, he has to appeal for My guidance, one day he has to look at the path brightly lit ahead of him and should not be deterred when he sees the cross which shows that he will have to go through suffering. He should always think of the magnificent goal that can only be reached in this way, and he must .... if he wants to walk this path ....petition Me for strength and trust in My guidance .... And he will indeed be able to walk the path of ascent because I will always guide him such that he will by-pass all treacherous cliffs, that he can easily step across each obstacle and climb the peak with ease. For I will always give him the strength not to tire, no matter how steep the path appears to him .... But he will not reach the goal alone, for as soon as he walks alone someone else will join him who quickly and easily will push him away from the right path towards the abyss. However, My love will always pursue you because My love does not abandon any of My living creations ....

Amen

*Thinking ability does not mean generating thoughts ....*

It is impossible for you to generate your own thoughts but you are able to pick-up and make use of thoughts flowing to you. For the thought is a spiritual emanation of strength, which you will understand if you consider that you are certainly capable of thinking about what is presented to you in some form or other but that you will not think about something that is entirely unknown to you until you have been touched by a ray of thought which, however, cannot originate in yourselves. On the other hand, however, it is possible for everyone to mull over and resolve problems if he accepts the influx of thoughts from the spiritual kingdom, but this will never be proof that he generates these thoughts himself .... When I brought you to life, when I externalised you from Myself as independent living creations I nevertheless established a connection between Me and you, which consisted of the fact that I spoke to you and you were able to reply .... And you were able to feel as well as hear these Words .... The feeling was the 'thought' which you audibly perceived as 'Word'. But then, due to your 'thinking ability', you were able to form an opinion about this thought or Word and reply to it according to your will .... or continue on your own to think about the thought you had received, you are able to form or shape it as you want, thus more or less develop it further in either direction, judging the thought sent to you either correctly or incorrectly .... This is the thinking ability I granted to you as created beings in order to communicate with you, again, according to your will. Something must exist first, only then will you be able to deal with it. And I Myself Am the primary cause of everything in existence .... Everything originates from Me, regardless of whether it is the life of the creature or the blissfulness of the most elevated spirits .... And thus 'the Word', too, originates from Me, which first appears as thought in the human being but has to be voluntarily seized by the person. And then he will be able to deal with it and use it according to his will.

Thus, intellectual thinking **cannot generate** a thought but it can choose and receive the thought currents surrounding it. The intellect can deflect or pick-up

inflowing thought waves, which can be easily understood if you compare it to the transmission and reception activity developed by you humans in radio technology .... The transmissions come forth from a higher Will or Being and can be received by every person but do not forcibly impose themselves if a person opposes them: And because this is determined by the person's will, the will is influenced from a good as well as an evil side .... You should know that you are always surrounded by all kinds of thought waves .... by those coming from Me, which are conveyed to you by the world of light that works according to My will, but also by those which certainly originally emerged from Me, yet which, through deliberately using strength in order to oppose Me and their thinking ability, were shaped adversely and are now also sent to you by this power .... once again demanding your will, which can accept but also reject them. And so you are also able, by virtue of your free will, to use the thought currents from the world of light wrongly, that is, your thinking ability can take a negative attitude towards these thoughts if you hand yourselves over to the adversary by isolating yourselves from Me. The beings of light will never abandon you, they will always try to influence you, but they cannot prevent you from taking My adversary's side. However, were you **unable** to give the thoughts sent to you from the world of light **another** direction, you would not possess free will either, you would more or less be compelled to think **correctly** and no error would exist in the world .... Thus, you must use your thinking ability, you must form some kind of opinion of what first affects you as a thought .... And that gives you the impression that you 'create' the thoughts yourselves .... In that case, however, your 'thinking' would be very restricted, it would constantly revolve around the same thing, around that which can be seen by your eyes and touched by your hands, because you are also physically limited. But that which is limitless in you .... your soul .... is indeed in contact with Me and constantly receives the evidence of belonging to Me .... It can also make unrestricted use of My influx according to its will .... this is why the human being by virtue of his thinking ability is also able to do what he likes with the thoughts sent to him .... thus he can think correctly or wrongly .... And the guarantee for correct thinking is offered to him by Me Myself, he need only make conscious contact with Me. If he **fails** to do so he is subject to My adversary's influence, and then darkness prevails over light .... and everything the human being does in this dependence on him will be wrong and opposed to My divine order ....

Amen

*Spiritual coercion ....*

You are in spiritual bondage as long as your fellow human beings force your will, as long as you are not given the right to make your own free decisions. Consequently, it cannot ever be My intention for you to be under threat of eternal punishment or be obliged to accept or reject what is prescribed to you .... You should make an entirely free decision, because your free will should decide, hence each individual person should make his own decision because this determines the soul's fate after death. I Myself will not force you, neither have I given you any commandments which could restrict your free will .... Because even My commandment of love requires your free will, since love may not be compelled, which should be self-evident to every person. But only love will develop the knowledge of truth .... And thus you humans cannot benefit when it is specified what you should believe, what you should accept as truth .... because only a person living with love will be able to assess whether the doctrines given to you will correspond to the truth .... And this assessment has to be undertaken by every person himself, he may not be prevented from doing so by prohibition or commandments .... Because the latter is 'spiritual coercion'. The consequence of such coercion is that people are living by a variety of misguided teachings and will not make their own effort to find their way out for fear of threatened 'punishment'.

Every human being is entitled to his freedom of thought, and only his own assessment can result in happiness. Every dogmatic set of guidelines is spiritual coercion, irrespective of whether it is true or not. I constantly offer you humans the pure truth but I do not force you to accept it .... precisely because you should make your own free decision during your earthly life. And coercive measures are always an admission of weakness, of inability, to make people achieve an objective by other means. Anyone who genuinely wants to serve Me should, with much love, try to draw other people's attention to the benefit of thinking and acting correctly. Time and again he should preach to them My Gospel of love, he should urge them to conduct themselves with love but refrain from all coercive measures. He can ask his fellow human beings to repeatedly listen to the proclamation of the divine Word .... he should remind them to do so kind-heartedly, but he should not make them do so under threat of divine punishment or use the commandments to force them .... because this is not in accordance with My will. For this reason I cannot agree with humanly decreed ecclesiastical laws which all merely impel a performance of duty but frequently undermine the voluntary dedication to Me .... And I can even less approve the prevention of inspecting the spiritual literature of other schools of thought .... Because every person should also be allowed to consider its truth, and he will also be able to do so if he is sincere in his desire for truth and asks Me Myself for assistance ....

Freedom of thought and free will are decisive for a successful earthly life of a person, because I only value the results of free will, whereas anything that was imposed as a duty or fulfilment of a commandment is worthless before My eyes. Anyone who is making an effort to live a life of love will also clearly recognise that love alone is the crucial factor for the human being to live in truth .... Then he will also realise that all commandments have become null and void because a

loving person will act in accordance with My will by himself. He will also know that every person has to struggle with himself so as to be able to make a decision based on free will. Because love alone is the bond with Me, Who is love Itself, and as soon as he walks the earthly path with Me, due to his life of love, his will is also directed such that he will no longer require any human commandments .... As far as I Am concerned you are free at all times .... but My adversary will forcefully try to gain you for himself. And since he is unable to force you himself he will attempt to achieve it through people who belong to him .... Therefore reject all coercion because it is always a sign of he who intends to corrupt you ....

Amen

*'Seek ye first the kingdom of God ....'*

Only that which helps your soul to attain full maturity can be beneficial for you. If only you always strove towards that which is useful for your soul then I would also take appropriate care of your body, for I gave you the assurance that I will look after you like the birds in the sky and the flowers in the field. You would truly not need to worry about 'tomorrow' if you considered your soul's **salvation paramount**, if you sincerely sought Me and My kingdom. But you humans have forgotten what is most important, your thoughts are fully and completely occupied with the world, with your body's well-being, and thus you are burdened by worries and problems, you let yourselves ever more increasingly be diverted from your actual task on earth, you pay constantly more attention to the world and only create and work for your transient part and don't consider your soul. For you don't believe My Words that I will add everything unto you if you first seek My kingdom and its righteousness .... You don't take these Words seriously and therefore don't test their truthfulness either. But I have only given you earthly life so that your soul should mature, for the body will perish, but the soul will exist forever. And the soul should .... not being entirely capable of living .... attain life on earth. This awakening into life should be brought about by you. That is the purpose of your existence as a human being .... and in order that you will be able to accomplish your purpose, you will be supported by Me in every way .... Excessive worry about your body should not hinder the work of improving your soul, for this reason I take care of the former as long as you regard your actual task as more important, as soon as you 'seek My kingdom and its righteousness'. Then you will truly not lack anything, you will be taken care of both physically and spiritually, for I look after your body as well as after your soul and I will provide abundantly, because I love you and want to win your love as well.

However, people remain permanently burdened because they don't give credence to My Words nor do they try to procure the evidence of the truth, on the contrary, they completely ignore the soul's life because they neither strive to reach Me and My kingdom nor want to help their souls to attain a more bearable state. For they have no faith in Me .... Therefore they often have to endure severe suffering; they must go through physical hardship because they don't

believe in My promise and faithfully wait for My help, because the well-being of their soul is not their priority and therefore they won't let Me Myself as a Father take care of His children. A little more faith in My Word could manage to achieve a considerable change in people's spiritual state, for as soon as people seriously strive towards Me and My kingdom, they would also keep My easy commandments of love, they would treat their neighbour with love and thus live completely righteously and remain within the divine order. In that case they would already have taken possession of My kingdom and accepted Me, because love would drive them to Me .... I would be able to provide them with everything they need for body and soul, for both physical as well as spiritual possessions could be given to them, as I have promised. Nevertheless, no-one will be forced to believe, but the Word of the Gospel will be recited to everyone 'Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you ....' And every person can spend serious thoughts on this Word; he can make his earthly life easier for himself if he trusts in Me and My Word. First I expect his dedication to Me, which I will then reward him by taking care of his earthly worries, since he will now be a true aspirant for My kingdom. But as long as the human being regards his physical well-being of greater importance than his psychological development he will barely find time to consider his soul, for the body's demands will increase and discard every silent admonition on part of the soul, and the soul will go short and be badly withered at the end of its life on this earth .... for it was unable to gather riches, since the body took precedence. But regardless of what earthly wealth a person has attained and acquired .... he must leave it all behind when the hour of death arrives. The soul, however, will enter the kingdom of the beyond in a bare and deprived state, because the human being had neglected to do in his earthly life what is most important: to seek the kingdom of God and His righteousness ....

*The faith in Jesus Christ is in danger ....*

The faith in Jesus Christ and His act of Salvation is increasingly disappearing the more the end is approaching; the activity of God's adversary solely intends to keep people away from the divine Saviour to prevent their calling on Him, because then the adversary has lost the entitlement to their souls, because then Jesus Christ Himself steps between him and the person who calls to Him for help. And thus in the end time it can be very clearly noticed that the faith in Jesus Christ is repeatedly counteracted from all directions .... that everything is done to stop the knowledge of Him and His act of Salvation. Admittedly, it will not be entirely successful because God's activity is also visibly evident, Who time and again proclaims Jesus Christ through His Word. But the adversary will cause much harm amongst people and will spare no means to achieve his objective. And since human beings hardly ever practise love, since their love has grown cold, it is easy for God's adversary to destroy faith in Jesus Christ, because even where it still faintly exists it is nevertheless not sufficiently alive to

resist the adversary's temptations. People without love succumb to him because their spirit is dark and for this very reason the adversary has an easy time.

But he uses dishonest means .... He oversteps his permitted authority .... For although he does everything to cause people's downfall, without being prevented by God due to the human being's test of free will, he nevertheless does not have the right to stop people from receiving knowledge of God, Who embodied Himself in Jesus Christ on earth to redeem humanity .... Where two opponents fight each other, i.e. where human beings should freely choose between one power and another, they also have to know about both powers and their characteristics, activity and goals, otherwise it is impossible to make a free decision. And hence God's adversary may not cause disorder on earth for much longer, because He, Who is mightier than him, Whom all powers of heaven and earth have to obey, will put a stop to his activities because he is overstepping his authority. Therefore it is of particular importance during the end time to provide people with the knowledge about Jesus Christ, the divine Redeemer .... And everyone who wants to serve God should consider this task a priority, they should counteract the adversary's activity by it, they should inform people of the One, to Whom they should turn if they don't want to fall into the hands of their enemy and destroyer. Because he does not want to get people in order to make them happy .... he only wants to turn them away from God as not to lose followers who, in his view, are his whole power.

And the state of affairs in this world is sad, only a few people still have living faith in the divine Redeemer because most people only speak dead words without spirit and life when they describe themselves as Christians to their fellow human beings .... but they have no living bond with Him, and therefore they are not yet redeemed either and fall prey to the adversary as soon as a serious decision for or against Jesus Christ has to be made. And this decision will be demanded .... Because the adversary also successfully induces the people in his bondage to proceed ruthlessly against everyone who has faith. And then they will have to confess openly and before the world their relationship with their Saviour and Redeemer. They will have no more choice .... and only those few will stand firm who, with living faith, turn to Him for help. But the people who fail this last decision are only to blame themselves because they are all given the knowledge of Jesus Christ, and the divine teaching of love is not unknown to any human being either .... And if only they would accept and exemplify the latter their faith would also be awakened or reinforced, and they would not be without strength to resist. Yet every human being's will is free, but it also results in appropriate consequences ....

Amen

*Calm before the storm ....*  
*Illusion of peace ....*

And even if it seems to you as if you are approaching a period of peace, you should not let yourselves be deceived .... it is only the calm before the storm and sooner than you think there will be changes in the face of those who speak of peace but start to throw the torch amongst the nations of this earth. The lull is dangerous for you because you get drowsy and in this state only value your earthly existence .... Therefore, I will continue to disturb people from their tranquillity in order to keep them awake. And thus much more will happen still, time and again people's attention will be drawn to accidents and disasters of all kinds. In addition to the apparent progress and earthly prosperity people will also have to take part in such events where human strength does not suffice to avoid them. They should learn to realise that no-one is safe from such blows of fate, no matter how secure his earthly life appears to be.

Do not be fooled by the world situation which seems to calm down, for they are all deceptive machinations, and you might get a rude awakening if you trust this calm and ignore every caution that points to the end. The change will come suddenly, and then you all should be prepared and thus believe that the turning point will come. You will be able to observe many signs of the last days, but at the same time My adversary will throw sand into your eyes too .... For he does not want you to believe in an end, to take serious stock of yourselves and change. For this reason he also influences his servants to make people believe that they are approaching a new, glorious future in peace and joy. And he succeeds, for people will always rather believe what they can observe themselves than what is proclaimed to them from the spiritual kingdom. In any case, they rather want to believe in a beautiful and happy future for themselves in an earthly sense than in an end of this earth.

But I will not stop warning and cautioning you, for it does not merely concern the few years of your earthly life but it concerns eternity .... And My admonitions will become increasingly more urgent the more an evident 'calm' spreads across the earth .... the more people accept a seemingly peaceful existence and forget their good intentions, which they might perhaps have already taken due to the constant references to the approaching end. By using the world My adversary will once more extend his tentacles to people, and it requires a strong faith not to fall prey to his power.

For this reason I will draw your attention time and again to what still awaits you .... Don't let yourselves be deceived .... My Word is truth and will come to pass, and My Word tells you of an approaching end, which is preceded by a distinct intervention by Me, a natural disaster on an huge scale .... And this catastrophe will surprise the believers of peace, and even then they could still turn around and take the short path until the end in constant striving for perfection ....

But this catastrophe will cost untold human lives .... And how do you know whether you are not amongst them? Whether it is not already too late for you, who live indifferently and with future hope and allowed yourselves to be dazzled by the prince of this world? Therefore you should always remember My Word when you hear about people's sudden death, about misfortunes and all

kinds of human suffering. I thereby want to remind you all of a sudden end, I want to turn your attention to the Power Which can destroy everything you fabricate, and Which can ruin all your plans .... Unite yourselves more with this Power .... find the path to Me, entrust yourselves to Me and appeal to Me for right guidance, for protection and mercy, and believe that there is only peace in unity with Me .... that you will be deceived when earthly peace is promised to you. For humanity no longer lives such that it can have a peaceful earthly existence, it no longer strives for spiritual development and therefore has also lost the right to live on this earth ....

Amen

*Salvation-plan of God ....*

*Primordial-sin ....*

*Adam's fall ....*

*Work of redemption ....*

The work of redemption began with the originating of the creations in the universe ....it began by the amalgamating of hardened spiritual substance into shape, that is with the originating of physical shapes which where at first spiritual according to their substance, and then also held spiritual substance within, which had already traversed a certain development-stage. The spiritual that once deserted from God distanced itself so far from Him, that the power of God could no longer touch it, thus it became motionless and rigid, it hardened in itself. And in this continued existence it was in the possession of the opponent of God, and it would never have changed its consistency.

But the plan of God consisted in creating the possibility for the hardened spiritual, to reach a splendour, which will far surpass the former bliss .... God wanted to create children out of His creatures ....but it is an accomplishment, the creature has to achieve on its own. The created being, which was in rebellion against God and thus fell into endless depth had the opportunity to again climb up to maturity and to achieve in total free will the state of godliness .... but out of the deepest depths it had to be lifted, since it was no longer capable of ascending on its own, being devoid of all strength. And God was assisting the fallen by creating the creation, and by forming creations of all various kind out of the hardened spiritual substance through His will.

And thus the rescue or leading back of the spiritual to God began through these creations. An ascending to a certain degree was now secured to the fallen ones, because of the divine will and decisiveness in this plan of creation and the opponent's zero-influence upon the bound spiritual in the works of the creation. The further ascending as man would have been secured, if the first humans would have loyally lived according to the easy commandments of God and would have resisted the temptations of the opponent of God ....to which the first humans, Adam and Eve, indeed had the power ....

But because they where allowed to use their free will and let themselves be bewitched by the opponent, by not properly applying their will they failed and now caused the work of rescue for all mankind to be much more difficult

as it needed to be. Through the sin of the first human beings the humans in succession were now substantially weakened, they no longer had the power of which the former had plenty of, they bore likewise the load of this sin, and the opponent of God achieved a large accomplishment: He jeopardized the end-destination that man ....the once fallen ur-spirits .... could once become divine.

And therefore God brought help anew ....He sent His Son unto this earth, meaning, a highest Light- being began the journey on this earth, to fulfill the conditions as a human which the first humans neglected to fulfill, on which they shattered .... Through it, this Man wanted to help all humans out of their condition of weakness, He wanted to make it again possible for them to become divine.

It was the Man Jesus in whom the Divine Love Itself took abode ....the Father, who wanted to help His children, becoming free from the opponent and to come back to Him ....He sent His Son to the earth, a being who likewise emerged out of His creative Power and who had to obtain a mortal cover in order to become only now a vessel to be filled with the eternal Spirit of God, who wanted to bring salvation to His creatures in this mortal form. But again the free will of man is presiding ....

For also now he must first acknowledge the Divine Redeemer Jesus Christ and accept His redeeming help, if he wants to reach the destination to merge with God, to the child-ship of God, which is a state of highest completion and blissfulness. All fallen can reach the highest heights, for the proof was brought forth through the work of redemption by the man Jesus that the will of a human can resist his opponent and mortal enemy, that the power to resistance is Love, which every human being can kindle within ....and all every human needs to do is plead to the Divine Redeemer for support in order to overcome death and now to attain life, which is only found by becoming one with God ....which also will proof freedom from the opponent who's continuous effort it is to keep all his created beings in the depth, in the condition of death that is. The significance of Salvation therefore is freedom from the one who brought death to this world; salvation means acceptance of the help of Jesus Christ, because without Him man is weak, a result of the primordial-sin and sin of his progenitors which were finally were paid off through Jesus Christ's death on the cross ....

Amen

*Freedom of will excludes evidence of faith ....*

No-one can be forced to believe; consequently it is impossible for divine revelations to be given in such a way that they **cannot** be doubted. But they can be recognised as divine revelations by someone with a serious will to understand, who therefore has an entirely open-minded attitude and seriously examines them. However, were people to be given irrefutable proof that they are addressed by God Himself, their thoughts and intentions would be **determined** by this proof .... thus it would exclude a free decision of will which, however, is the purpose and goal of life on earth. It truly would be easy for God to speak to people such that they no longer were able to doubt His existence, but in that case the purpose of earthly life would be missed, for the being's deification is an act of free will, hence free will must remain inviolable, and this excludes all absolute proof. However, it is nevertheless possible for every person to procure his own inner **conviction**, for as soon as his will has chosen God by consciously wanting to approach Him, God Himself will give him the evidence of His love, wisdom and omnipotence .... He will manifest Himself to him in a way that he can no longer doubt and is happy about this gained realisation. But the grace of God's manifestation is granted to every person .... Yet not every person evaluates it and attains realisation. Creation itself is already a manifestation of God, and it alone could serve the human being as living proof already, it could convince him of the eternal Creative Spirit Which manifests Itself through this creation. But even creation may not be faith-compelling evidence .... This is why the human being can also try to substantiate the emergence of creation in a different way .... which he surely will do by virtue of his free will if he isolates himself from God due to his opposing will and anti-divine nature. This person **cannot** believe because he does not **want** to. And to give such a person irrefutable proof would merely compel his will and the faith gained thereby would be totally worthless.

Different opinions will always exist in the world, that is, amongst the people of this earth, because not all people have the same will and not all of them evaluate the blessing flowing to them in the same way. But every individual sooner or later has the opportunity to spend some serious thought on a Power with Which he is connected through a life-preserving influx of strength .... He has the opportunity to draw a comparison between **himself** and the things He created .... and between **himself** and the **One** Who created him. He can come to the conclusion that 'a God' Who has created everything cannot be denied and that his own existence substantiates this God. Then he will be able to build upon this inner conviction and also consider God's revelations possible and subsequently live his life according to these revelations, which will always result in his increasingly brighter realisation and therefore in indisputable faith even **without** proof. Human will may not be infringed upon if his progress on earth is to be successful, so that he will deify himself and be able to depart from this earth as a free being full of strength and light. However, the will should be stimulated in order to be deployed in the right direction .... And this happens through blessings .... through fateful events, through particular experiences, through bringing people with different directions of thought together .... and from time to time also through conveying divine revelations. And if the human

being does not openly resist these blessings they can have positive effects, and there is a possibility for a change of will in the human being, that he will not reject everything which previously seemed incredible to him, that he will think about it and .... if he is of good will .... that his thoughts can be **guided** correctly without coercion. The human being need only realise that he is weak and small and unable to fathom everything with his intellect alone. The feeling of his own weakness and lack of knowledge can impel him towards the Power he can no longer deny to be above him. But anyone who deems himself knowledgeable, who overestimates his intellect, will never attain truth and wisdom, for he does not open himself to the Power Which would like to permeate him because he isolates himself from It. The human being must subject himself to this Power of his own free will, only then will he realise the relationship he has with this Power and he will know what he is, what he had been and what he shall become again ....

Amen

*Final separation ....*

*The coming of the Lord ....*

There have always been people who handed themselves over to My adversary's influence as well as those who seriously endeavoured to reach Me and fulfilled their purpose of earthly life .... And there will always be people on earth who strive in either direction as long as earth serves as a place to mature for the spirits. But during the time shortly before the end of a period of salvation the number of those who surrender to My adversary will always predominate, and a far lesser number of people will strive towards Me .... just as, at the start of a new period of development, it will be the other way round .... in fact, at the beginning of such an epoch the earth will only serve as an abode for people who have completely entered into My will and cannot be influenced by My adversary anymore .... And so it is not surprising that My adversary's raging will also become increasingly more noticeable during the last days before the end, in a manner of speaking, spiritual substances are embodied on earth whose opposition to Me has barely diminished despite the fact that they have taken the infinite long path through the creations. Nevertheless, they have attained a certain degree of maturity which allowed for their human embodiment and therefore the **possibility** also exists that they can pass their test of will on earth, because, despite My adversary's greater activity, I Myself also provide exceptional help and take care of the weakened human race. However, in most cases their opposing will shall emerge anew and the adversary's task to regain them again will be an easy one. But the fact that especially devout people will exist during the last days who will very eagerly strive to attain My kingdom will be proof that it is **possible**, despite My adversary's intensified influence, for the people presently embodied on earth have opposed Me for a very long time already, otherwise they would have been permitted to embody themselves before this time .... apart from the individual souls which came to earth for the purpose of a mission in order to help the human race, which is suffering acute

spiritual hardship. And therefore it concerns a final separation, the chaff will be separated from the wheat, and prior to this everything will be done to assure a good harvest; all souls will receive help to liberate themselves from the one to whom they have been enchained for eternities already.

However, the final decision is up to them. All people can find out for themselves that the world is governed by a truly satanic spirit, that people are far more taken in by him and willingly comply with his demands. The world is full of devils and the closer it gets to the end, the more it will manifest itself. For wherever a person's will is weak he slips in and strengthens it, but in a negative sense, so that deeds will be done in this world which can only stem from Satan. And since the number of those enslaved by him will predominate, the battle against the small flock of My Own who aim towards Me and My kingdom, who want to remain faithful to Me and are therefore subjected to these attacks, will also rage extremely severely. And these few will know that the time is coming to an end, that My return can be expected, because the adversity, from which I want to save them as I have promised, will become almost unbearable. People only rarely stand by these promises as well as the prophecies concerning the end. They are no longer able to believe, because they live in a completely different time and everything of a spiritual nature seems unreal to them .... But they would only for once need to seriously think about the events which everyone can experience or observe happening around them, then they would also have to remember the prophecies which indicated this time as well as the consequences .... However, My adversary will have great power in the end .... This, too, has been foretold, and all people can easily recognise that humanity is influenced by Satan, regardless of whether they accept him or call him by another name, but his activity is unmistakable. Yet My activity should also be observed and testify to Me Myself, a Power Which is stronger than the former .... For I, too, reveal Myself to those who distance themselves from the opposing spirit, who are devoted to Me and appeal to Me for strength and help. And I will visibly manifest Myself to them when the day has come that I will separate the goats from the sheep and take them away from this earth in the flesh in order to let them experience My power and glory in accordance with My promise ....

*Jesus' spiritual mission ....*

When you have recognised Jesus' exalted spiritual mission then you will also understand why the divine Saviour must constantly be mentioned, because an ascent into the light is only possible when the human being has been released from his original sin. People are not aware of this original sin, consequently they do not know the meaning of the act of Salvation either .... They cannot find the connection between the crucifixion of the human being Jesus, in Whom they might perhaps believe, and the beatification of people .... And many people reject Him because they were merely told of this act of Salvation but it was not truthfully explained to them. And yet, such an explanation can only be given to those who sincerely want clarification, and there will only ever be

few people who want this. Because even the most lucid explanations would be incomprehensible to people who do not glance into the spiritual kingdom, who only acknowledge the physical world and anything that can be seen and proven to them. But the mission of the human being Jesus was not an entirely earthly issue, although it took place in full view of people ....

It had a profound spiritual reason and as long as people are not aware of this they cannot face the divine Saviour Jesus Christ as guilty brothers who burden Him with their guilt, who ask Him for redemption. And yet this request has to precede their salvation, consequently they have to know about their guilt of sin, about the immense offence against God which had led them into sin and which could not be redeemed except through the great sacrifice of compensation by the human being Jesus. Hence, as long as people do not feel that they are sinful they will not take the path to Him, to the cross, with their guilt. And until then they will not acknowledge the divine Saviour Jesus Christ either. Only the knowledge of their original beginning, of their former nature, and of their resistance to God, can give them the understanding for the achievement of Salvation by Jesus, Who had lived in such a way as a human being that He could receive God Himself within Him. Thus the act of Salvation was accomplished by the Eternal Love, Who wanted to liberate Its living creations from the constraints of Its opponent.

This description will make Jesus' mission more plausible to people than merely talking of the sins they have committed during their lifetime and which often appear too small to justify such an achievement of Salvation in order to redeem these sins. Of course every sin is an offence against love, thus an offence against God .... but the original sin of the former apostasy from God was so immense that the beings themselves could not have redeemed it in eternity. It is not possible for you humans to understand this .... But a huge sin like that also necessitates a huge expiation, which was indeed achieved by a 'human being' but only because this human being incorporated God within Himself, thus the strength of God had enabled Him to do so, but this strength was only 'love' .... God's fundamental substance ....

As originally created beings people had once rejected God's strength of love and thus were entirely without strength ....

However, the human being Jesus consciously accepted God's strength of love and used it to accomplish an act of mercy for His fallen brothers .... to make amends for their guilt. Nor do people know that their existence as a human being on this earth is the result of this original sin and that they will indeed return to their original state again one day, but not without acknowledging the One, Whose immense love had redeemed them. Because their apostasy from God was a deliberate 'turning away from Him' which necessitates a deliberate 'turning towards Him again' in order to establish their original relationship with God once more. It is a tremendous blessing that this knowledge is given to people, which everyone should make use of simply by considering it and by accepting as truth what has been imparted to him. Then he need only turn to the 'human being Jesus' and speak to Him in thought .... And He will reply to him as 'God', He will help him to recognise his guilt correctly and take it from Him, if he admits to it and requests His help ....

And every single human being can become aware of the fact that he must have done something wrong at some time, if only he considers that he is an imperfect, weak and ignorant being and seeks to discover its cause. For no such inner question remains unanswered, it merely has to be asked, but most people refrain from doing so, yet callously spurn any mention of the divine Saviour as well as His great spiritual mission when they are made aware of it. But time and again God will proclaim the divine Saviour Jesus Christ to humanity, and all His servants working for Him on earth will constantly preach His name and His Gospel with ever growing enthusiasm, so that all will be released from their guilt who listen and enter into sincere contact with Jesus Christ, in Whom God Himself had become human in order to redeem what is constrained by His adversary ....

*Process of purification through strokes of fate ....*

No matter how your earthly lives shape themselves, they are determined by My Will in order to give you ever more opportunities for your souls to mature. But you will only become psychologically fully mature if you faithfully accept My Will, if you humbly bow down and completely subordinate yourselves to Me .... Then you will also experience My obvious help in every earthly and spiritual adversity. The aim of life is the spiritualisation of your soul, the purging of all impurities which still cling to you, so that it can be completely permeated by My divine light of love when it leaves its earthly body. This purification, however, will not take place if the human being's earthly existence passes by without any struggle .... unless the person lives an exceptionally loving life. Then the layers will disintegrate and the soul will have achieved its goal at the end of its life.

But often it will still have to accomplish this process of purification through suffering and adversities, through personal struggle. And since My wisdom knows this, My love always takes care to help it to mature. Consequently, you will not be able to live your earthly lives in constant calm, storms will rage around you, and often enough you will be despondent as a result of your fate .... And yet you need not be afraid, you will be able to overcome everything by merely joining Me even more firmly the harsher you are affected by fate.

I Am mindful of everything and you are never alone, even if you are earthly entirely on your own, even if you believe that you have been abandoned by all people .... I will truly never leave you, and to be united with Me compensates you a thousand fold for the loss you suffer or have suffered. But you also always have to recognise Me Myself in every happening that comes your way. If I Am your first and last thought you will be strong, no matter what happens to you.

But if you distance yourselves from Me by complaining and grumbling and rebelling against your fate, then you will also get steadily weaker and the adversity will burden you ever more .... because then there is no other available means for Me to win you back, to make you bow down to My will again .... I truly only have your best interests at heart, and nothing will happen to you without My will or My permission. But in constant contact with Me it will be

easier for you to carry your burden .... And then everything that at first looked like an inextricable tangle will be beautifully resolved.

And the soul will have achieved a great benefit if, during the greatest difficulties, it has not severed its bond with Me.

Especially in these final days before the end people are at great risk of forgetting about Me in their hunt and rush for worldly goods .... And if I want them to remember Me again then I can only employ such means which will shake their very way of thinking, by using hard blows of fate I have to put them into a situation of wit's end, so that they then will remember the One, Who alone is able to help them. For their souls are still wrapped in dense layers, they have not yet done much to purify their souls, that is, they neglect to do unselfish deeds of love, and a different process of purification is therefore necessary to make the soul transparent enough for just a little bit of light, for which it will be extremely grateful to Me one day ....

And no person is exempt from experiencing misfortunes, because I love all human beings and want to help them find their way back to Me one day if they are still distant from Me, or to encourage a closer unity with Me whereby they can receive increasingly more strength to improve their souls and to achieve full maturity while still on earth. For I want them to pass over with a degree of light already, so that they will be spared the agony of darkness in the kingdom of the beyond; I want that their earthly progress should not have been in vain ..... And for this reason you humans should only ever see My will or My permission in everything that happens to you and humbly submit yourselves to My will ....

Amen

*The agonies of the human being without the awareness of self ....*

*Rom. 8, 19-22 ....*

You have been created for the eternity. Hence you cannot stop existing for eternities even though you did have a beginning. But you were able to change your being, and you did just that and thus have robbed yourselves of the awareness of self. You still continued to exist but you were not aware of your own self anymore. Nevertheless, this condition was no bliss, it was no blissful drifting into a void but, rather, it was a condition of agony because it meant restriction for the once created free spiritual being, which also experienced this restriction as an agony.

Now, since you will exist forever you should be able to enjoy your existence; you should be able to live in a blissful condition, to work for your own joy in power and light, that is. This is your aim, the aim of all that once created by Me, to live and be active in My will, to be in bliss like Me, full of light and power and, for one's own happiness, to be active in work and creation. Yet, countless beings radiated by Me in light and freedom have, by their own doing, lost their awareness of self. They gave up the freedom, the light and the power and chose a dreadful lot for themselves. But they could not destroy themselves and will also forever not be able to do so.

Now, if this voluntarily chosen condition without awareness of one's self were free of any agony, no being then would strive for a life in blissfulness; it then would have perished, so to speak, just recognized as a being by Myself. For the agony of a bound being is unimaginable and the threat of rebanishment to you humans ought not leave you untouched, for even if you are lacking the awareness of self, you will still be exposed to pain which, when looking back, you will be recognizing once having entered the [real] life. It is the spiritual man who suffers, not the carnal man whom you imagine having passed away.

And the spiritual [in man] could certainly have turned solid within but it is not wiped out, it is not without sensation and it suffers the greatest pain, even in its most minute substance. That's also why the whole creation, i.e. the spiritual bound in matter opposed to the kingdom of light and its inhabitants, is unsaved and non-blissful, that is pain struck, and in its pain it yearns for redemption. The pain which the spiritual experiences is incomprehensible to you humans, because that which is given to your soul as a cover, your earthly body, is only able to experience and bear pain up to a certain degree but which is in no comparison to the agonies the soul must endure in an unredeemed state and which the still bound spiritual experiences in its outer cover as well.

But because it is not until the state of a soul, now being aware of itself, it's only in the state of a human being it then can consciously strive for a change of its being, i.e. a transformation to its former original being. The realization that it can never cease to exist, that it will actually exist forever, will then certainly induce it to arrange for a sincere striving of its own happy eternity; to strive for a life in bliss and to again attain power and light, to be able to be active according to the law of divine order. But as long as it is lacking this knowledge, man lives uselessly on this earth and the soul remains bound and it also leaves its body still bound .... And thus the agonizing condition emerges again which it did not feel so much on earth. It [the soul] is dead even though it exists; on earth it did not acquire the blissful life, the condition of banishment also does now threaten it again if it does not in the kingdom of the beyond manage to come to the realization of not having ceased to exist, nor will it cease to do so either, even though it does not live on earth any longer .... Only this realization makes it possible for it in the kingdom of the beyond to still strive for the life yet and it will actually receive help in doing so.

But dreadful it is for an already self-aware soul when it again experiences the fate of re-banishment ... when the self-awareness is taken away from it and it will have to take up the walk through the creation in countless particles and will have to re-endure the endless agonies, which represents any outer form of the spiritual. For only by means of pain can the spiritual be purified to the extent of again to mature to a self-aware being, once to live and to never again lose its life.

Amen

*Free will caused the apostasy ....  
Deification ....*

Only perfection came forth from Me .... for profound love and supreme wisdom created everything and nothing was impossible for My power. Hence I was also able to externalise beings of supreme perfection which, as My images, were very pleasing to Me. They were created as miniatures of Myself and it made Me extremely happy to allow these creations of Mine to create and work in an abundance of light and strength in order to also bestow upon them the same pleasure of finding happiness in their created works. All beings were therefore permeated by the necessary creative strength which enabled them to be likewise creatively active. However, they were more or less only the 'implementers of My will', since with the strength of love flowing to them the beings were also imbued by My will, thus they would only ever have remained My 'creatures' had I not externalised them as completely free beings, with free will, which they were able to display in any direction. Only this made them supremely perfect, but it also enabled them to lose their perfection .... As long as they were governed by My will they would never have lost their state of perfection, free will, however, provided them with this opportunity, just as, on the other hand, it also enabled the complete deification of the 'created' beings .... so that they, like children, were able to partake in My activity and creating of their own free will and yet with Me and in absolute accord with My will. Then the highest goal will have been reached which I had intended when I created beings in My love and My power .... For then the being can no longer lose its perfection and can be described as infinitely happy. But it would have been possible for every being, as there was no reason to turn away from Me when it was able to make use of its free will. It was perfect and only needed to use its will to remain in this perfection .... The explanation that it became imperfect and fell was due to its awareness of strength and light, for it wanted to prove that it was full of light and strength. And thus it misjudged My love, which bestowed everything entirely selflessly upon the being in order to make it happy. Just a single arrogant thought was enough to cloud the light of realisation and this was followed by increasingly more wrong thoughts, which turned its will in the wrong direction because it was free.

It is difficult to make you humans understand how it is possible for a perfect being to fall in the first place .... because perfection always signifies light as well, i.e. complete realisation .... But precisely the awareness of its abundant **strength** made the being consider the strength within itself more than the light, and the abundance of strength made it easy for it to become arrogant, which instantly clouded the light. Like Myself the being was constantly able to externalise new creations and it began to displace Me, the primary source of strength .... It no longer wanted to acknowledge its relationship of dependency on Me and once it had embraced this thought it also lost track of the dreadful consequences resulting from its direction of will. However, a free being externalised by Me must also have the freedom to be able to change its nature .... for perfections should not denote a state of compulsion for the being, otherwise it truly couldn't be called to be in My image. But the being will indeed always keep this freedom of self-transformation; consequently, from its freely chosen and created state

of imperfection it can also attain supreme perfection again and thereby reach My intended goal that it becomes and remains My child. I would never have been able to create such 'children' for Myself because the divine characteristic of free will has to become active by itself .... so that that the living creation in its perfection as granted by Me was able to want to remain in it voluntarily or .... if it failed this test of will .... had to acquire the degree of perfection again which it once forfeited of its own free will .... Anyone who can grasp this enigma will also understand My eternal plan of Salvation and he will know that only infinite love and wisdom was able to devise such a plan, because I want to prepare a fate for My created beings which signifies supreme happiness forever .... And My love, wisdom and might will pursue this goal until it is reached, until all spiritual beings having emerged from Me can create and work by My side in supreme beatitude, as intended by My plan of eternity ....

Amen

*God's ways are not always people's ways ....*

Your ways are not always My ways .... You often don't know the goal when you start a journey but I know where your way is leading to and often gently push you into a different direction. And if you give in to My urging you will also safely reach the right goal. But often your resistance is too great, your own will is stronger, and you take no notice of the gentle urges which originate from Me. Then I will have to let you go because I won't forcibly break your will. And then you will be in danger of losing the connection with Me, because it will not yet be tied firm enough and you will not have yet completely submitted yourselves to My guidance.

But you should not be surprised that your plans will often get shattered, that your intentions won't succeed, that the way you take will become difficult for you. All these are gentle indications that it is not the right way, and even then you could still stop short and diverge from this path and get onto the right track that promises greater success .... not in the earthly-material sense but which guarantees you spiritual success. My guidance is only guaranteed if your thoughts aim into My direction, and then you will also realise that every way was right, that you made progress even if you, at first, resisted taking these ways. But if you are purely earthly-minded you will surely walk into the wrong direction and should only ever be grateful if you are clearly prevented from continuing on this path. Yet the more worldly-minded a person is, the more eagerly he will try to overcome obstacles, he often pulls down all barriers, that is, he doesn't question whether what he does is right, and only tries to reach his goal which, however, is only a worldly directed one. And I must let such people have their own way, for their will is still too firmly focussed on My adversary to bow down to My will. But you humans will attain far greater benefits if you entrust yourselves to My leadership and then always let yourselves be guided without inner resistance ....

A father has an overview of where his child is going and what dangers lie in wait for it and, in his love, tries to guide the child onto a path which is safe to take and

will lead to the right goal. And like a good father I, too, Am concerned for every individual person's destiny and want his earthly path to become a blessing for him. But the human being often turns his attention into the wrong direction in the hope of finding something there which, however, will be detrimental for him. Although he retains his free will, his earthly way of life can nevertheless be directed by providence other than by that which he wishes for and wants, yet always for the benefit of his soul. Still, as long as the person complains and inwardly rebels against his destiny, this blessing will be small. Only when he surrenders in the realisation that it is determined by a higher will and that it is wrong to fight against it will he achieve a benefit for his soul. And the human being will often be able to observe such fated interventions by Me which should always make him think ....

There is only One Who determines the human being's course of life, and he should learn to recognise His ways as good and right, he should always humbly bow down to his fate and know that a loving father is concerned for His child's well-being and that everything, even what is apparently unfavourable, is a blessing for the person if he does not offer resistance, if he lets himself be guided and also accepts events which the Father recognises to be right for His child and thus applies. And he should yield to every inner impulse urging him to act differently, for such inner stirrings are always My gentle voice by which I attract and call the child onto a different way, onto the way which will truly bear results and lead to the goal, to the right goal, to the purpose of his earthly life.

The human being's will often differs from My will, and thus his ways are not always My ways either .... But he will always have My love, and this only wants to save him, it wants to win him over for itself, and therefore it will also always guide the person such as is good for him, yet even My love will not force his will, for this is and remains free, because the human being shall completely freely decide in favour of his eternal Father ....

Amen
