*The disciples' doubts after Jesus' arrest ....*

My Own left Me when I was taken to the place of execution, because their faith in My divinity, in My power and strength had gone and they regarded Me as a weak person under the control of the henchmen .... This was the strongest test of faith imposed upon My Own and they failed, for not one of them recognised My real mission properly nor understood the events which necessarily had to follow if were I to complete My mission. But this difficult test was unavoidable so that My Own would believe even more firmly when I appeared to them after My resurrection. They were still so under the spell of My miraculous works that they were unable to grasp that I weakly handed Myself over to My enemies without resisting; they could not understand that I did not avail Myself of My strength and power and thus they seriously began to doubt Me, even though it didn't have to be a permanent state. But I wanted them to quickly gain a strong faith again; I did not want them to remain in their state of doubt for long as it caused them much psychological misery and I felt sorry for them in their distress. Hence they needed to be extraordinarily strengthened, which could only happen by appearing to them again and personally providing them with the comfort and strength they required. This is how weak people are as long as they are still subject to My adversary's power, for My disciples had much knowledge, they had always been in My presence and received so much evidence of My divinity that they truly should no longer have doubted .... And yet they failed because they were not entirely redeemed until My appearance, which subsequently gave them an abundance of light and permanently released them from My adversary's shackle, who still tried to make use of their last disbelief and caused tremendous anxiety in My Own .... However, My appearance released them from him for good .... I had conquered death and thus was also able to give My Own true life after My resurrection. And so, every person's weak faith is a sign that My adversary still intervenes and that it is necessary for Me to come to every individual person of little faith .... therefore you should open the door of your heart for Me so that I can enter when your soul is frightened and urgently needs comfort and strength .... Then you should always look towards the cross, direct your eyes to Me, your divine Redeemer Jesus Christ and open the door for Me, and you will truly receive comfort and strength, for I want to strengthen the faith of everyone who is still weak and doubtful that I Am the best and kindest Father Who wants to snatch you from the adversary's hand, just like I appeared to My disciples, in order to fortify your faith in My power and strength and glory, which will never ever perish ....

Amen

*God's presence protects against the adversary ....*

It is essential that you do not isolate yourselves from Me. As long as you remain in mental contact with Me through loving actions or heartfelt prayer, you will be protected against all onslaughts by the enemy of your souls. However, as soon as your bond with Me slackens, he will be by your side and then it is not always easy to push him away again because you are weak without Me. Consequently, if you don't let this weakness arise in the first place, if you always remain in contact with Me, you will always be able to repel him by availing yourselves of My strength, which flows through you as soon as you have joined Me, thus, as soon as you have become one of My Own by your own choosing. I have told you this many times already, yet, again and again, you are in danger of falling prey to him because you discard My admonition and distance yourselves from Me just a little further, particularly when you allow worldly thoughts to arise in you or you slacken in your spiritual aspiration, when you pay more attention to your worldly than your spiritual life .... You must constantly remain close to Me, or you must constantly draw Me to you through your thoughts and actions, you must live in love... then I will always be with you .... or you must establish your bond with Me in prayer, which will reliably protect you from any approach by the enemy. In My presence he will not pester you; he cannot come close to you as long as I walk beside you .... You must always remember that there is no better protection against him than Me Myself, than My presence, which you determine yourselves. I want to be present with you at all times, I don't want to leave you again but you must also have this desire for My presence, because only then can it take place, but I will not remain with you against your will if you are indifferent to this presence of Mine .... But if you are so deeply united with Me, then you truly need not fear anything, neither spiritual nor worldly harassments, for I Am Lord over all of them and truly protect My children, who want to belong to Me and cling to Me in their love and their desire for My proximity. Admittedly, time and again he will try to intervene, yet as long as you carry Me in your heart it will remain closed to him and he won't be able to slip in, and thus he will leave again and wait for the next opportunity. Therefore, be vigilant and stay only with Me, don't exclude Me from your thoughts, always be lovingly active and frequently let a prayer rise up to Me in spirit and in truth .... You should only ever maintain your bond with Me and you will truly be able to live an easier life, for My adversary won't find any target and cannot pester you because I Myself will always confront him everywhere. And he takes flight from Me, the 'Light of eternity', he does not wish to meet Me, since he does not want to acknowledge Me as his Lord .... Nevertheless, I remain Lord even over him, and truly, I will protect you from him, providing you always wish to remain close to Me, if you want to be My Own now and forever ....

Amen

*God's exceptional help after the natural disaster ....*

There will be indescribable chaos amongst people after I have spoken through the forces of nature, for they all will fear that the event might repeat itself and thus live restlessly and afraid amid the ruins caused by the elements of nature and yet due to My will, which had expressed itself therein. People will have to go through an appalling time, a time which was hardly ever experienced by people inhabiting this earth.

Yet it is the time of the end when everything takes place to an exceptional extent in order to still awaken people. But again, even the natural disaster will only make a few people think, whereas the majority of people will indignantly dismiss every belief in a God and Creator, Who allows such destructions to happen as can be seen by everyone. Yet no-one considers his own behaviour or how he should behave before God, before Me, to Whom they had merely paid lip-service without, however, having a living faith in Me or having made contact with Me .... And only a few will then turn to Me in their great distress, but these few will also visibly get a taste of My help, I will so obviously support them that it will strengthen their faith in a Power Which holds their destiny in the palm of Its hand. Everything only happens in order to let people find the bond with Me but only ever a few will derive a blessing from the forthcoming event, for humanity is already too enslaved by My adversary to turn to Me and appeal for My help. And therefore I cannot reveal Myself to them either, but I will most certainly do so with those who subsequently take refuge with Me in their adversity. The severity of suffering will let many pray more sincerely which makes the fulfilment of their prayers much easier for Me, because their belief in a God capable of help is evident and because they will then so beseech Me that I will truly come to help them in their distress. And then My servants will have ample opportunity to convey My Word to the people, who will so hungrily accept it as will rarely be found. The disbelievers, however, will be filled by even more hatred than before towards the preachers of My Word as well as towards those who visibly experience My help .... But they will not allow themselves to be converted, instead their unkindness will merely testify to their affiliation with My adversary and will clearly resist Me and My love, which also wants to win them over but cannot get through to them.

There will be much adversity and yet, it will not be hopeless, because I can always be approached in prayer with a request to improve matters and because I will grant a true prayer in order to reveal Myself to those who are not entirely enslaved by My adversary. But it has to be left up to people to call upon Me, and therefore everything has to happen within a natural framework, yet easily perceptible to people who still harbour a glimmer of faith and to whom I will reveal Myself so that their faith will not be lost but gain in strength and intensity. The occasion is ahead of you and cannot prevented by you since you yourselves don't endeavour making the effort to change your ways, and since due to your disposition and activities you will bring the time to fruition .... because you yourselves will hasten the end as a result of your attitude and because the time is fulfilled which you were granted for the maturing of your souls ....

Amen

*Dialogue ....*  
*Forerunner ....*

Wait in all humility for what I must send upon humanity for its own benefit and what will also lead to the brightest realisation in yourselves, hence this preparation time must happen first. I Am by no means a God of wrath even if the forthcoming event appears to make it look that way, in fact, you will all experience My love far more which will protect you from extreme danger; but then I will also clearly highlight My Own, I will draw so much attention to them that their fellow human beings shall realise where they can appeal for real help, for I want to win people over for Myself and not lose them to the adversary. Nevertheless, the damage will be huge and countless people will lose their lives, yet it will benefit many who will still be able to catch up in the kingdom of the beyond on what they had failed to do on earth .... so that they will still be able to reach the light if they are of good will. And you can all believe that soon afterwards the end will follow but that I will still grant you humans a time of grace because the end signifies a drastic turning point in the spiritual process of development of the beings which ought to mature fully on this earth.

For this reason I have chosen servants for Myself who shall loudly proclaim the forthcoming end after the natural disaster .... For this reason I constantly pour out My spirit and through awakened people draw attention to everything that is due to happen shortly. And I only instruct them to spread My Word and, where possible, also to mention these events which intend to reveal My might as well as My love, for people shall know that a God is enthroned above them Who holds their fate in His hands. And anyone who is chosen by Me as a proclaimer of My Word must also have been chosen by Me as a recipient of My Word, and thus you can utterly believe him, even if it seems implausible what he proclaims on My instruction. For I will provide an obvious sign that He is My messenger, My representative, who shall speak on My behalf .... He will always be guided through anything, no matter what happens, he will not need to fear illness and death as long as he has not completed his mission, and I Myself will lay out his path which will lead him to where many people can hear him so that, when the time has come, he will loudly and publicly speak about Me and My Word ....

Until a great light begins to shine when the battle between light and darkness will openly erupt .... when the battle of faith will be waged in an extremely brutal way .... then this light will flare up so as to strengthen all those who work in My vineyard .... Then they will be able to draw strength from it and work even more diligently for Me and My kingdom. And this light will come when the last phase begins, when I have spoken from above, when people's situation has become chaotic and the separation of the spirits starts .... for or against Me .... And then I will give great strength to the weak, I will give strength to all who need it, and I will be their Leader in the battle against the enemy of souls .... and truly, I will be and eternally remain victorious and you, too, may rejoice at the victory over him .... You will be liberated from him and thus can live in peace in the paradise of the new earth ....

Amen

*The soul's continuation of life after death ....*

You can be certain that you will live even if your body falls prey to death .... But the state of your life after your physical death depends on yourselves, whether your life will be a happy one which could truly be called life, or whether you will find yourselves in darkness and helplessness which are comparable to death, albeit you remain conscious of your existence and therefore have to suffer agonies. But it will never be the case that you will completely cease to exist, that you will no longer be self-aware and that your existence will be obliterated. And precisely because you continue to exist you ought to ensure that you create a happy situation for yourselves while you are still living on this earth. Your future fate in the kingdom of the beyond is a matter of your very own will, since you create it yourselves by your way of life on earth. If it is a life of selfless love for other people you can also be sure that a blissful fate will await you .... But if you only live to please yourselves, if you lack this love for your neighbour and therefore also for God, you can expect a painful fate indeed. Then you will be poor and wretched because you will lack everything .... light, strength and freedom, but you all will experience it as indescribable torment.

The fact that you humans on earth have such little faith in life after death also determines your conduct, for you are irresponsible towards your soul because you do not believe that it will continue to live after your body has passed away. And you do not believe that the soul is, after all, your real Self. It will feel exactly the same as it did during its earthly life, it will long for happiness and light and suffer bitter regret once it has gained but a glimmer of light whereby it recognises its real task on earth and in retrospect blames itself dreadfully for not having fulfilled it .... . Whereas souls who may enter the spheres of light will sing praises and give thanks and are able to occupy themselves in full strength and freedom for their own happiness.

The soul will never perish, but how it will experience its continued existence is decided by people themselves while they are still on earth. For this time was given to you in order to improve the state of your soul which, at the beginning of its embodiment, is still rather imperfect. Hence, the work of the human soul should consist of providing for itself a true, immortal 'life', so that one day it can enter in freedom and light the kingdom where it can be active in accordance with its state of maturity, which is in fact possible at various degrees but which can only be called 'life' when it may enter the kingdom of light. But it is also possible that the soul is still as imperfect at the end of its earthly life as it was at the beginning. Indeed, it can even have grown darker, and then its state is comparable to the state of death, then it has misused its earthly life, it has not taken advantage of the grace of embodiment, and yet, it will not pass away .... This is a very sad, pitiful situation and yet, it is its own fault, because only the human being's will decides the soul's fate, and this will is free. If only people would believe that they will continue to exist after the death of their body .... they would live more responsibly on earth and endeavour to ascend from the deepest abyss ..... But no person can be forced into faith, yet everyone will be helped to come to believe ....

Amen

*Everlasting battle against the world ....*

And if you crave for the pleasures of this world only remember that you will forfeit spiritual pleasures because you cannot possess both at the same time, the spiritual and the earthly kingdom, for My kingdom is not of this world. The pleasures offered to you by the earthly world will only ever satisfy the body but not the soul, which needs something different in order to attain beatitude, which cannot be fobbed off with earthly enjoyments but needs spiritual nourishment in order to become happy. And therefore always take care that your desire will not get out of hand and stifle the soul's desire; always take care that earthly pleasures will not stop you from spiritual striving, that they are, as it were, contrary to them .... that the person's spiritual striving diminishes to the same extent as he tries to provide for himself, that is, his body, physical pleasures. And always remember that 'My kingdom is not of this world ...' Consequently, whatever you enjoy or deem desirable and which still belongs to this world will always signify a small obstacle on the path of ascent, into the spiritual kingdom. Not everything is denied to you by Me, it just should not include the danger of straying from the path to Me .... As long as this risk does not exist, you may also give to your body what it requires .... And it is up to you to establish whether and to what extent you will be prevented from your contact with Me, from your earnest striving for My kingdom and its righteousness. And if you then let an opportunity pass you by which might have been able to provide your soul with spiritual saturation merely in order to gratify your body then it will be an injustice to your soul, which is equally famished and in need of strengthening.

The spiritual aspirant will never shelve the spiritual kingdom or his soul, he will always place it in the forefront, he can't help but consider his soul first and will not pay too much attention to his body until he first has taken care of his soul. And whatever he then will give to the body is right before My eyes, for he first considered My kingdom and My will before he considered his earthly existence, and this is right and also in accordance with My will. For I placed you into this world because you can fully mature in it, and your soul will indeed mature fully if you always bear My will in mind and live on earth accordingly. And it will always be My will that you should lift your eyes up to Me, that you strive towards Me, that you look for the connection with Me, that you are therefore held captive by the spiritual realm and don't bury yourselves again into matter for the sake of the earthly world, which is your demise. And if you are attracted by great earthly temptations then be always careful that you do not forfeit the treasures of your soul .... that you voluntarily relinquish that which your soul had already taken possession of .... that you disregard its desire and leave it to suffer hardship for the sake of earthly possessions or earthly pleasures. The world is your enemy, try to become its master, you can certainly make it compliant but don't allow it to become your master to whom you subjugate yourselves and thereby suffer defeat instead of gaining victory. Remain constantly in contact with the kingdom which is not of this world and you will truly be victorious over the earthly world; it will serve you to reach perfection, because this is your only goal ....

Amen

*Free will ....*

*Opportunity for ascent ....*

Your will is not subject to compulsion, neither on earth nor in the kingdom of the beyond, that is why it is so difficult for you to arrive at perfection because spiritually you may not be influenced such that you effectively will be forced into implementing actions which will benefit your soul. Everything is based on free will, even though many people would much rather doubt than acknowledge this, but it is nevertheless the most important factor in earthly life and will remain so in the beyond. For against his will no human being will be able to become blessed, against its will no soul will attain enlightenment, otherwise all spiritual beings would have been redeemed by now. But free will is part of the being created by Me or I would have created something imperfect and that can never happen. The being was in My image, it was an emanation of My fundamental nature and anything 'divine' is unthinkable without free will. Free will was the cause of the being's apostasy from Me .... free will is also the basic condition of return to Me .... No side .... neither Mine nor My adversary's side .... will be able to forcibly influence a being into wanting and acting in a particular direction .... The being freely determines its own will and can only in this way attain perfection one day, but it can also remain far away from Me for an infinitely long time.

And if you humans think about this then you will also understand the battle on earth, for good as well as evil forces try to pull you over to their side by striving to influence your will with notions which you should take up by yourselves. Both directions, the light as well as the darkness, would like to win your will over for themselves, but neither can force you, in the final analysis it remains your own decision and therefore you can only be influenced by being informed of teachings, of My Word, of all pros and cons and then you will have to decide as to whether or not to accept these notions. And this free will concerns your innermost attitude .... and not always that which you actually do. You can also be prevented from implementing your will, but the innermost intention and thinking are decisive for the direction of your will, and accordingly your will affects your soul and promotes or prevents its perfection. But free will is a divine attribute, it identifies the human being as a being which once originated from Me, which I created as a totally free entity that was not intended to be different than its Creator and which would also have remained in this perfection had it not misused its free will .... but for which it had to have the capacity or the being could not be called 'free'. This is why the process of returning the spiritual beings is a work which will extend through eternities, because freedom of will is the crucial factor, since the being will never be forced to decide for or against Me .... It has to remain completely free. However, greater than great will be the bliss of the being which voluntarily finds its way back to Me one day .... which turns its will in the right direction so that it will return home to the One from Whom it once came forth in all perfection ....

Amen

*Change of character into love ....  
God's presence ....*

I can only be present to you if you change yourselves into love .... However, My presence is the epitome of bliss for you. And therefore you should do everything in your power to shape yourselves into love again, which was your nature in the beginning .... My presence is the equivalent of being permeated by love, and this permeation of love in turn assures you strength and light, without it you cannot be called blissfully happy. But if you are full of light and strength you will also be able to work in complete freedom of will which, however, will no longer be directed against Me but will be utterly absorbed in My will. You will be happy to be able to create in this freedom and strength, because this had been the purpose of every originally created spirit, it merely disregarded it and thus placed itself into the wretched condition in which the still imperfect human being finds himself on earth .... But he himself can change this situation; he can change the unhappy fate into a blissful one by merely doing everything in his power in order to assure My presence with him .... by changing himself into love again .... And this is truly not so difficult, for he need only use My commandments of love for God and his neighbour as a guiding principle for his life on earth and always live according to these two commandments. And since he claims the right for himself to be respected by his fellow human being, since he feels the benefit himself when the latter helps him with kindness, he knows exactly which path he ought to travel in order to do justice to the commandments of love .... He need only treat his fellow human being as he would like to be treated himself were he in the same situation as the other person. What he considers beneficial he should do to his neighbour, and he will always have the strength and the means for this providing he really wants to do it. And what he initially does deliberately will soon become his heartfelt need and he will experience for himself how gladdening it can be to do good deeds for his neighbour, to give and help where it is needed .... Love will fill his whole being and he will come ever closer to Me, for with every act of love he draws Me to himself and ensures My presence ....

And then he will fulfil the purpose of his earthly life, he will accomplish the transformation of his nature, he will live up to the reason why earthly life was given to him: He will try to become as perfect as he was in the beginning. With My grace and support He will certainly succeed in doing so but never without Me, because he is too weak for it. He must ensure himself of My presence .... He must appeal to Me and thus through prayer come close to Me one day, he must beseech Me to grant him strength for his change of character into love .... This prayer will be granted to him without fail, for it gives evidence of his sincere will to accomplish this change of character, and once a person has appealed to Me for this he will time and again encounter opportunities where he can practise love, where it is no real effort of will for him because he will clearly receive the strength he appealed for from Me. Just take your change of character into love seriously .... and appeal to Me for help .... And truly, I will remain present to you and inwardly impel you to be lovingly active wherever the opportunity presents itself, for I want to be united with you and this can only take place through love which you voluntarily have to demonstrate, but you will always

be supported by Me providing you sincerely ask Me for strength to accomplish your intention. You are incapable of doing anything without My presence, but you can always ensure My presence through activity of love or a prayer in spirit and in truth. I will hear it and answer your prayer, I will be and remain with you, I will draw you until you will no longer want to detach yourselves from Me, until you have so strengthened the bond with Me through your activity of love that I can constantly be present to you and then the re-transformation into love will have been accomplished, you will have brought your nature into line with Mine and thereby fulfilled your purpose of earthly life, and you will be able to work again as you were destined to in the very beginning ....

Amen

### *Effect of the strength of love ....*

Anyone who is able to hand himself over to Me in profound love can also be permeated by Me with My strength of love, which means everything for him .... For to be permeated by My strength of love is the simultaneous guarantee that every impurity will be dispelled, that the ray of love dissolves or cleans everything which previously still burdened the soul. For this reason I ask you time and again to keep your heart prepared for Me to take it as an abode, that is, to wholeheartedly desire that I may take abode in it, and also to sincerely wish that this abode shall be clean and adorned with works of love .... For only love cleanses your heart and only love adorns it such that My stay with you is pleasing to Me. However, where love exists no evil can take root, for My adversary takes flight from love because it contradicts his nature. And thus love is the first and most important thing .... Love has to be ignited in you and erupt into a bright flame .... on the one hand, the love for Me Who is your God and Creator and wants to be addressed by you as your Father .... and on the other hand, the love for your neighbour who is your brother, who is also His child and is just as entitled to be loved by you as well as by the Father. And it should, after all, be easy to muster this love for Me and the next person if only you become aware of the countless blessings you receive from Me every day because I want to please all My children ....

Your entire earthly existence consists of gifts of grace which are based on My infinite love. And even if you largely consider earthly life hard and difficult, you nevertheless cannot deny the fact that it also offers beauty, that you may time and again experience My love or you would not feel anxious when you think of death, which will liberate you from this earthly life .... You all don't want to relinquish your earthly life, therefore it also offers you beautiful things which you would not want to miss .... And all these are gifts of grace which My love bestows and keeps bestowing on you, which should also contribute towards loving the Provider of all that makes you happy. And you will experience My love increasingly more the more consciously you open your heart so that I will be able to radiate My love into you .... You will also be allowed to feel the happiness of My illumination of love providing you are willing to wholeheartedly hand yourselves over to Me and to sense My presence, which subsequently will make

you abundantly happy. How I long for such voluntary dedication to Me which is prompted by your heart and which therefore meets My full response by moving into your heart and never leaving it again because your love keeps hold of Me. How happy you then will become if you are convinced of My constant presence and feel protected by My love. Then My adversary will no longer be able to oppress you since he takes flight from Me and My love and will therefore also keep his distance once you have received Me in your heart .... For My love is powerful and averts whatever might cause you harm ....

Amen

*Constantly calling upon Jesus ensures His presence ....*

Rest assured that I will not abandon those of you who want to be My Own. Many trials will still come upon you but I Am aware of them and will always stand by your side as protection. Nevertheless, you should do everything in your power in order to stand up to these trials. My adversary is entitled to prove himself on you, because he will only govern this world for a short time longer and will try to hold on to his followers by any means. And he will also notice My Own who had withdrawn themselves from his power and will put them to the test with increased strength. However, you need not be afraid of him, for I will not let My Own be snatched from Me, I will protect My Own from him and his power. You have a reliable means of repelling him by only ever calling upon Me Myself, by voicing My name with profound faith in My help; even if it is just a thought .... But you must always turn to Me Myself, and you will liberate yourselves from him. He has not much power over My Own anymore, because your love for Me repels everything, no matter what he does to you. However, he frequently uses means which will cause you great difficulties, and yet you need not fear them either if you always bear Me in mind Who, on the cross, carried everything for you that burdened you as guilt of sin. I have redeemed you, I have liberated you from his control, and thus you only need your own will to accept My sacrifice on the cross, to regard it as having been accomplished for you and believe that My adversary will have no more power over you once you have voluntarily handed yourselves over to Me. Remember Me at all hours and you will induce Me to always be present with you .... What can possibly happen to you when I Am close to you? .... You need not be afraid of anything and anyone, for even the usually powerful adversary is powerless once I Am by your side, and the fact that I will remain by your side is entirely determined by your will not to exclude Me from your thoughts, to call upon Me in every adversity and distress and to utter My name in confidence of receiving My assistance, which I promise you at all times. Just let your faith come alive through constant kind-hearted activity and you will no longer be exposed to any adversity, for a living faith banishes every spiritual and earthly adversity, a living faith knows no fear and no failure, a living faith is united work with Me Myself, Who can't be matched by any opponent, Who is victorious over the greatest enemy and to Whom you should therefore completely hand yourselves over, because then you will be and remain My Own and will never ever have to fear anything again

### *Jesus' Ascension ....*

It is difficult for people to believe what cannot be proven when it concerns phenomena which are outside the law of nature, which therefore can only be taken on faith as true. This also includes My ascension, the final event of My presence on earth, which truly took place against the law but could only be witnessed by perfect people. And these perfect people were instructed to include this information when they told other people of the Salvation through My death, of My suffering and dying on the cross and My resurrection .... Hence My disciples also spoke of My ascension but they were only believed where people, due to their faith, were already more spiritually minded and who were therefore also able to believe what was conveyed to them. Nor did they dare doubt the witnesses of My ascension because they felt that these, My witnesses, were speaking the truth and proclaimed the Gospel to them on orders from above. For this reason the faith in the Ascension of Jesus was preserved for a longer time, it was not as doubted as is the case now, where love has grown cold among people and faith can already be called completely dead. Besides, there are no credible witnesses of this event and people must unconditionally believe that what is known to them as tradition or from the Book of the Fathers is true .... But living faith is missing, for this can only be awakened by a life of love, so that a person's spirit thereby wakes up and enlightens him and an easy solution to this problem is found, which can never be discovered without an awakened spirit. When I ascended to Heaven I was surrounded by spiritually awakened men and women with loving hearts who adhered to Me with ardent devotion. And thus they were able to observe a process which was entirely natural because My earthly body no longer existed, instead, I only adopted a completely transfigured body in order to be able to remain visible to these people until I left them to return to the kingdom where I had come from. My kingdom is pure light and love and cannot be seen with physical eyes, only the spiritual eye can behold it, just as every pure spirit dwells within an ocean of light and can also only be seen with spiritual vision.

At the time of death a perfected soul takes on a garment of light and radiates full of magnificence and glory, and were people already spiritually perfect then they could also occasionally see such a figure of light when the soul leaves its earthly body behind after the completion of its physical life and enters the kingdom of the beyond. For every soul making an effort to attain perfection on earth will already be spiritualised to a certain degree so that it can clothe itself with a radiant garment, it is just that only very few people have this gift of grace to be able to spiritually see when a soul leaves its earthly body. This is why spiritually dormant people cannot be convinced that after My resurrection I 'ascended to

Heaven ....', which was a process that only took place in all splendour for the sake of My disciples, so that they were able to comply with their task with convinced faith in My power and glory, for they were supposed to carry the Gospel throughout the world and make My resurrection and ascension known to people .... To what extent a person is able to believe in this depends entirely on the strength of his love for Me and his fellow human being .... Everything is rooted in the fulfilment of My two commandments: Supreme realisation and a living faith arise from the love for God and one's neighbour, yet without fulfilling these commandments it will be impossible for you humans to believe what cannot be proven to you due to your freedom of will. But you can consider yourselves blessed if you believe without evidence, for you will be rewarded for such faith one day if it was the result of a selfless life of love .... Then you, too, will put on a radiant garment of light and not taste death, you will also 'ascend to Heaven ....', you will be able to enter the kingdom of peace and beatitude and be permeated by brilliant light, because then you will dwell in light for all eternity ....

Amen

*'The kingdom of heaven suffereth violence ....' I*

Remember, you humans, that you only live for a short time on this earth but that your soul, which is your real Self, is everlasting, and then it will also be understandable to you that you must provide for your well-being in eternity and not for the short time of earthly life, which can end even faster than you would naturally assume. For not one of you can be certain that he will live to see the next day and everyone must take into account the thought that they might be suddenly recalled from this earth one day. If you seriously thought about it you would also become conscious of the great responsibility you have taken upon your soul, thus for yourselves, during this short time of your life on earth. And you would ask yourselves how much you have done already for your soul's benefit .... For this is a question you should really seriously ask yourselves for once, it would truly only be a blessing for you if you thought about this for a little while. You can create incomparable riches for your soul if only you are of good will; you need only ever make an effort to live a life of love, to love God above all else and to consider your neighbour like a brother and help him when he is in trouble .... Nothing more is expected of you from God than this love for Him and your neighbour. And if your will is good then you should ask yourselves to what extent you comply with God's will in your daily life and you will still discover a lot that is not according to God's will if you look at your way of life critically and honestly.

For the human being still loves too selfishly, he loves himself **more** than his neighbour and yet he should give the **same** love to him that he grants to himself. And that requires a person's firm will, the will to attain perfection and to submit himself to God's will. But the kingdom of heaven suffers violence, and only the violent take it by force .... The will must be strong and assert itself, then the human being uses force in order to attain the kingdom of heaven .... But then

again, Jesus gave people the promise 'My yoke is easy, and My burden is light ...' And that, too, is right, since a person who is willing to love will find it easy to fulfil God's commandments, he need not use a lot of force, because love is in him and love is strength, so that he will acquire the kingdom of heaven for certain, because he no longer lacks firmness of will through his life of love .... And just for once you should seriously think about the extent to which you still have to use 'force' or whether it has already become your nature to help your neighbour with love as a matter of fact .... In that case you will also know what you require, for then you will first have to appeal to God for strength in order to be able to comply with his requirements, because it is still difficult for you .... However, you will receive it, and what initially is a great effort becomes easy and will no longer be experienced by you as a burden .... You will not be under a yoke which you deem difficult to bear. You will not experience a burden because through love you will constantly receive strength from God and then easily attain maturity of soul, which it needs to live the real life in light and strength and beatitude .... But prior to this you must give account to yourselves so that the hour of death will not take you by surprise and your soul will not have to enter the kingdom of the beyond in a poor and wretched state .... For no-one will know when his hour has come ....

Amen

*'The kingdom of heaven suffereth violence ....' II.*

Much is expected of those who are still too attached to the world, they truly must use violence in order to acquire the kingdom of heaven, for due to their various weaknesses and cravings they are chained to the one who is lord of this world. If they want to release themselves they need a strong will to take a different path. It is therefore not an easy intention for a downright worldly person .... He needs help to do so; he needs the support of a Power which opposes the lord of the world, which is capable of releasing him from the control of the former. Hence he needs help from Jesus Christ, Who alone has this power and can snatch the human being from the adversary .... The more captivated a person is by the world the greater is the adversary's power over him, and this person truly has to fight against the temptations and attractions of this world. And this battle is not an easy one and neither would a person succeed, but as soon as he has resolved to release himself the thought will not leave him again, for then God Himself will intervene and try to exert His influence in every way without, however, forcing the person into changing his way of life. But once the thought of renouncing the world for the sake of a higher goal has arisen in a person, his thoughts will occupy themselves with God and His will increasingly more, he will also remember the divine Redeemer Jesus Christ and may receive a strengthening of will from His side, depending on his own will and its inclination. Then the severity of the battle against worldly temptation will ease but the kingdom of heaven will come ever closer, because the person will have taken up the fight against the ruler of the world and he will begin to

become captivated by the kingdom which is 'not of this world' .... 'The kingdom of heaven suffereth violence, and the violent take it by force ....'

These Words were said to worldly people who can only separate themselves from their previous lord by the use of force, because for all others apply the Words 'My yoke is easy, and My burden is light ....' In that case, however, the world, with all its temptations, must have been overcome already, then a person will no longer feel the burden as much, he will deem God's wishes easy to live up to because he will already be in contact with Him and will be consciously walking the path leading into the spiritual kingdom .... He will have already conquered the world with the result that the kingdoms will then be exchanged .... that **this** world will lie behind him and the kingdom of God will rank first .... that the person will no longer be burdened by excessive weight and will therefore be able to travel the earthly path almost unburdened .... with an easy yoke and a light burden .... Nevertheless, this path leads to the goal, just as a violent battle against the world will let the person reach the goal, so that he will be able to take possession of the 'heavenly kingdom' when he discards his physical body and enters the **spiritual** realm .... For his will, which aimed towards the spiritual realm, was victorious, because he will always be granted the strength he needs as soon as he has the serious will to take possession of the 'heavenly kingdom' .... And this decision must be taken in earthly life, the world must be recognised as the possession of God's adversary and God's kingdom as **not of this world** .... Then the human being's good will is enough in order to be granted the strength for taking up the fight against the earthly world with all its enticements and attractions and only to strive towards the kingdom of heaven, which certainly requires violence by someone who belongs to this earthly world but also wants to attain life in beatitude. The earthly world, however, will never be able to grant a person eternal beatitudes, the earthly world can only give earthly, that is, transient things which disappear when the human being dies and must leave earthly belongings behind .... But anyone who has already turned towards the spiritual kingdom will not fear physical death, for he knows that he cannot cease to exist, instead he will go on living in a kingdom which is incomparably more beautiful than the earthly world and therefore it should be everyone's goal and endeavour to acquire it as long as he lives on Earth ....

Amen

*Admonition regarding the end ....*

In view of the near end you will be admonished time and again to remember your actual task, which concerns your soul's full maturing and not only the fulfilment of your bodily needs. You should always be aware of the fact that every day might be the last one for you, that the next day you might no longer be able to use earthly goods and that you will only keep that which the soul had acquired in earthly life. And how deprived will you then feel if you have no spiritual possessions to show for, how poor you will be despite your great earthly wealth and reputation .... None of it will follow you into eternity; spiritual goods, however, cannot be taken from you, they are your possessions

and will make you exceedingly happy when you enter the spiritual realm. And all of you can count on having only a short lifetime left, regardless of how old you are. Thank God for it if the grace of a long life on earth was granted to you already, but also bear in mind that you could die any day, for no-one knows the day and the hour of his passing away from this earth. However, in view of the end many people will lose their life **prematurely**, and this will always be God's will, Who tries to save what can still be saved .... Not everyone will be able to survive the events which will yet happen on earth before the end, and besides, it can also still be an extraordinary blessing if the human being is allowed to leave the earth sooner in order to still find an opportunity in the spiritual realm for the maturing of his soul, because he is negligent in his psychological task. Were you able to foresee, you would truly not accomplish your earthly work so keenly, you would .... if you are of good will, focus on the work of improving your souls, for you would recognise that all earthly efforts and worries are useless in view of what lies ahead of you. But your way of life may not be enforced upon you, you must choose the right path voluntarily, you must accept the admonitions and warning presented to you by God through His Word and comply with them, and it will only be a blessing for you. And anyone with open eyes and ears can see for himself what is happening in the world and how chaotic everything is, which irrevocably must lead to a catastrophic end.

And if he listens to God's Word, if he listens to His servants' message, it should be easy for him to lead an appropriate way of life .... if he merely believes that he is close to the end and believes the information God conveys to him through his messengers .... Not much time is left but it would be sufficient for your soul to still attain the necessary maturity, providing you seriously tackle this work .... of being good, of making an effort to treat your fellow human beings with love, of accomplishing selfless works of neighbourly love, of looking towards God and of opening your heart and ears for Him when He speaks to you .... You should only want to do what is right and appeal to God for strength and grace .... And truly, He will look after you and grant you an abundance of strength and grace, for He will leave no-one alone and without help who turns to Him for help and **wants** to live a right way of life according to God's will. He will be seized by God's love and guided such that everything approaching him will contribute towards attaining maturity of soul. But he must seriously reflect on his actual purpose of existence and not hesitate, for there is not much time left for any of you .... He should listen to what God's messengers reveal to him and arrange his life accordingly .... And he will surely do the right thing, for the time you were granted for the maturing of your souls is approaching its end ....

Amen

*The outpouring of the spirit ....*

The outpouring of My spirit into a receptive vessel is the most delectable gift you humans can be offered as long as you live on earth, for it is the direct bond between your Father and you, which enables you to speak to Him directly. I pour My spirit into you .... I choose a vessel for Myself into which I can let My spirit flow, which subsequently informs you of Me, of My nature, of My reign and activity, and of My infinite love for all beings I created. I want to be in contact with these beings. In the past, this contact took place such that My Word flowed from Me directly into My created beings, and they understood this Word and were able to verbally respond to Me again .... However, this changed in as much as that the beings, due to their own fault, became incapable of **hearing** My Word .... it changed in as much as they listened to a different voice and therefore were no longer capable of **understanding** what would have affected them from My mouth had they remained receptive for it. But they turned away from Me, My ray of love could no longer affect them, and thus they were no longer able to receive the expression of My love .... My Word .... which can only flow into entirely pure vessels and can only be understood by beings which are inclined towards Me .... and not into those beings which still totally opposed and rejected Me, so that My illumination of love could not affect them. Consequently, they no longer heard My Word, instead, they listened to and followed the voice even more of the one who, as My adversary, was also to blame for their apostasy from Me .... And they remained in this state of inability of hearing My voice for an infinitely long time, for their distance from Me is so vast that My illumination of love can no longer affect them either, since this requires their voluntary approach to Me, which can only happen in a certain stage of development .... as a human being with free will .... Then it is indeed possible to enter into such close contact with Me that the human being can hear My voice. However, in that case he must comply with the conditions which enable the latter to happen:

He must shape himself such that I Myself can take abode in him, so that My spirit can pour into a heart which has been prepared to be worthy of My presence .... for when My spirit pours into a person I Myself Am present with him .... This outpouring of My spirit upon people only became possible as a result of My crucifixion, since, prior to that, humanity was still burdened by the original sin of falling away from Me, and this original sin kept their heart closed. I was unable to enter it, because My presence presupposes absolute purity of heart, forgiveness of sins, and thus redemption from all guilt .... And this happened through My death on the cross, which was the atonement for people's every sin, providing they wanted to be redeemed from them. And in the purified heart of a person who is redeemed through Jesus Christ' blood, My spirit can flow, but this first requires the person's will again, who must make such heartfelt contact with Me that he can hear My gentle voice in himself .... that he allows My spirit to speak to his indwelling spiritual spark and listens to what I have to say to him .... I want to pour My spirit upon all flesh .... You are all able to prepare yourselves as a vessel into which My spirit can flow, but without this will of yours you wait in vain for Me to speak to you. But if your will is ready to listen to Me, you will be able to achieve truly glorious results on account of My spirit's activity, for where My spirit is working there is the most brightly radiating light,

there is profound wisdom, there you will recognise My infinite love and My power .... Where My spirit flows there is no more darkness, it disperses the night and a bright day is dawning which will never end .... Oh, if only you would all cleanse your hearts in order to be able to receive Me, so that I could speak to you, so that My Father-Spirit would be able to address you, as it was in the beginning .... Then all darkness would truly have left you, you would be able to move within the light which illuminates all places and reveals everything which was still secret to you before .... All of you could make it possible for Me to speak to you again, as before, and thereby make you happy, for My Word is the direct transfer of My strength of love, and My illumination of love delights the heart if it can enter .... Therefore, prepare your heart as a vessel into which My spirit can pour, fulfil the condition by cleansing your heart of all cravings and impure thoughts by making an effort to live a life of love and constantly comply with My will .... Prepare yourselves as a receiving vessel for My spirit and you will thereby establish the same relationship with Me again, as in the beginning .... I will be able to delight you with My love and constantly speak to you, and you will understand Me and be blissfully happy. For you will attain light and freedom, you will become again as you were in the beginning: perfect beings of light which, as My children, will create and work with Me according to My will ....

Amen

*Purifying the heart ....*

I want to be the only ruler in My house, and therefore you should have discarded everything if you want to receive Me in your heart, for there may not be any space for the other one anymore, because I cannot dwell where he still resides. It is certainly a difficult task for you to completely purify your heart, to cast off all cravings, to fight against all faults and weaknesses and to prepare your heart for Me as an abode where everything is bright and clear and where I can subsequently stay in order to make you already happy on earth as well as one day in eternity. For My presence will result in this beatitude, My presence will not remain ineffective, My presence signifies for you the soul's increasing maturity, wisdom and strength to accomplish that which was previously impossible for you. When I Am within of you, you will no longer feel lonely and forsaken; you will know yourselves safe and secure at your Father's heart, that you will no longer be threatened by dangers, that My adversary will no longer be able to oppress you and that you are ever closer to your perfection, because your unity with Me is assured to you, which means everything to you. But first you will have to purify your hearts, you must do everything in your power to throw out the one who wants to possess you forever but who is your ruin. But I, too, want to take abode in you and possess you forever; however, I cannot share you with him, your heart must be entirely My possession, and this can only happen if your love belongs entirely to Me, and that means that you no longer desire or would like to possess anything else but Me alone ....

Hence, all earthly craving must have been eradicated; you should not desire anything else but only to be your Father's child and to be able to communicate like children with your Father. And heartfelt contact also requires a heartfelt union, the child must be close to the Father, the Father must be with His child .... thus take abode in your hearts. You are unaware of the supreme bliss felt by the child when it feels utterly secure in the Father's arms, when it is no longer afraid, when it no longer needs to fear adversity, hardship or persecutions, when it has found peace within itself, which only heartfelt Fatherly love can bestow on the child. And all of you can attain this peace if only you are serious about purifying your heart so that you will be able to receive Me in it .... All anxiety will disappear, all restlessness will leave you, weaknesses and afflictions will be unknown to you, you will take your paths in strength and clarity because you will no longer walk alone but will live your earthly life in constant company with Me and thus your enemy .... My adversary .... will no longer be able to pressurise you either, since he will no longer find any crevice in which he could hide, for My presence in your heart has made it so bright that he is no longer able to hide anywhere, for he takes flight from the light and even more from My presence. Therefore, if you want to attain inner peace then you should merely allow Me to move into your heart and purify it from everything which might still prevent Me from entering .... And I want to help you with this work as soon as I perceive that you yearn for My presence .... Then I will grant you the strength to do everything in your power in order to make your heart worthy as an abode for Me, and I will gladly move in and remain with you forever, for I then will never leave My child again once it has completely handed itself over to Me ....

Amen

### *Harmful consequences of misguided teachings ....*

Misguided teachings will lead you humans into wrong thinking, and a wrong doctrine will always result in incorrect conclusions which, in turn, result in further wrong thoughts. A misguided teaching can rightly be called a satanic deception, for the thereby evolving thought structure extends to a point where it finally becomes so inextricable that a person will no longer be able to make head or tail of it himself, given that error and falsehood can never result in light and clarity. Hence, every misguided teaching should be challenged, it should be corrected from the start before it can spread and confuse human thought. A misguided teaching could also be recognised as such if the human being endeavoured to live in truth, because then he would only need to apply one measure: whether God's love, wisdom and power is evident in every doctrine ....

If there is the least bit of doubt about God's fundamental nature, Which is love, wisdom and might, then the doctrine is wrong. And there are many such teachings which do not pass the test for truth .... which do not testify of God's love, neither of His wisdom nor of His might and therefore can flatly be rejected as misguided. But they are often particularly persistently endorsed

because people are no longer interested in truth, they are indifferent as to whether they are living in error or in truth. They will never defend the truth equally obstinately since they rather hold on to error. This, too, is a sign of the approaching end: that people are increasingly more indignant the more clarification they should receive, that they rather live in darkness and have no desire for light .... And although some doctrines' falsehood is blatantly obvious they reject every relevant explanation .... But they darken their own spiritual state progressively more and will find it increasingly harder to return to the truth, because they simply do not want to do so and their will cannot be compelled.

Consequently, every misguided teaching is a highly effective work of Satan, because people hold on to it. And there are many such misguided teachings which crept into the Gospel of Jesus Christ and which hardly can be presented as misguided teachings to people because they have no genuine desire for truth themselves. However, people do not want to hear that such misguided teachings have created a distorted image of God, although they would not be able to identify a God of love nor a God of wisdom and might, if they seriously cared to think about some of the teachings they adopted over a period of time as a result of custom or tradition and now defend as Gospel. But they cannot love an imperfect God either .... And if a teaching contributes towards the fact that God's love or wisdom is questioned then it will not be possible for a person to wholeheartedly love Him as the highest and most perfect Being, and the right relationship of a child towards its Father can never be established because the person is lacking proper trust ....

And therefore every person should reflect on what he is expected to believe. First he should examine everything which is given to him in form of the Gospel to what extent it agrees with God's perfection .... and you would be surprised how many doctrines would seem dubious to you, and are indeed dubious if you study them with good will and a desire for truth. You could contribute much yourselves towards your enlightenment but you have to want to live in truth .... You have to ask God to illuminate your spirit and enable you to recognise what is right, to help you recognise misguided teachings as such and to disassociate yourselves from them. For only truth will bring you joy, whereas every error will confuse your thoughts and finally make it impossible for you to form a correct judgment. God is love, God is wisdom, and God is might .... and if a doctrine does not testify of love, wisdom or might it rightfully can be rejected as a misguided teaching, and a person, who genuinely desires it, will receive an explanation ....

Amen

*Redemption requires free will ....*

I merely want your assurance that you want to listen to Me, and from that moment on your life will be focussed on your goal, for then it will be in My hands to lead and to teach you such that you will reach your goal. I cannot have a decisive influence on your earthly life as long as you have not voluntarily given Me this assurance, but I can instantly take your destiny into My hands as soon as this assurance has voluntarily taken place. If you understand that it concerns the battle for your soul between Me and My adversary, whom I have to grant justice insofar as that I won't forcibly take from him what belongs to him .... then you will also understand that I first require this assurance for you to become and eternally remain My Own. It is only this free will which entitles Me to exert My influence and help you in the battle against the enemy of your souls, who will not cease fighting for you as long as you are not yet completely devoid of weaknesses and flaws, which identify you as his followers. Thus he has still power over you as long as you cannot detach yourselves from him completely, that is, as long as the adversary's characteristics are still within you: faults, weaknesses, cravings and all kinds of vices, which are his inheritance since his apostasy from Me. As to whether your detachment from him will take place one day depends on your will .... for this reason I died on the cross for you as Jesus, the man, thus I redeemed you from his power. Prior to this it would have been impossible for you to withdraw from his power, since you had handed yourselves over to him as a result of the original sin and he would never have released you from his control. However, I paid for this sin with the crucifixion .... Consequently, the whole of the spiritual world would have been redeemed from that moment on if I did not respect the free will of those beings who opposed Me .... For every being's will is free and it can stay with the lord of its own choice.

Therefore, My adversary's followers can remain with him, and their will shall be respected, I will not forcibly snatch any being from My opponent which belongs to him and does not express the will to be released from its present lord. Hence, such a being will remain unredeemed even if it takes eternities before it desires to be delivered from him .... These beings are unredeemed despite My death on the cross .... But as soon as its free will turns to Me, as soon as the being in the state of a human, when it receives its free will again, deliberately turns away from My adversary and towards Me, thus as soon as it wants to become and remain My Own, My act of Salvation comes into force and I .... Jesus Christ and Father of eternity .... take possession of this person and start to release him from My adversary, which happens according to his strength of will to fight against his faults and weaknesses. And he can constantly request this willpower from Jesus Christ, and he will do it, too, because he believes in Him. The belief in Jesus Christ and His act of Salvation is the prerequisite for the person to appeal to him for the blessings of the act of Salvation. This is why an unbeliever cannot find redemption, for Jesus Christ Himself must strengthen the person's will to release himself from the adversary. However, I will never ever leave anyone once he turns to Me voluntarily, and he can take his redemption as guaranteed, for I will tirelessly fight for him and through transferring strength to him will help him release himself from his faults and weaknesses. And time and

again I will influence his thoughts, thus never exclude him from My loving care, consequently no person will remain unredeemed whose will strives towards Me, who tries to fulfil My will and deliberately withdraws from My adversary. I only require the human being's will, I only require the acknowledgement of Jesus as Son of God and Redeemer of the world in Whom I Myself accomplished the act of Salvation for people, in order to then be able to grant them the blessings of the act of Salvation which consist of strengthening the human being's will, of being able to receive the strength to achieve the re-transformation into love. And I only ask for a constant bond with Me so that the strength can always flow across to you and you can do justice to all spiritual and earthly tasks which are expected of you time and again in this earthly life. Only the direction of your will towards Me decides whether and when your redemption will take place, but in this way it is certain that it will happen, otherwise My act of Salvation would have been accomplished in vain, but this would have to be called the greatest misguided teaching if someone were to advocate it. Jesus Christ has redeemed all people, but only those who **want** to be redeemed will partake of the blessings of the act of Salvation .... But anyone who wants will indeed become blessed, because his will entitles Me to snatch the soul from My adversary because I have paid the purchase price for it with My blood ....

Amen

### *Free will and self-awareness ....*

During the final period of development as a human being you are able to freely want and usually also act as you wish, because it is intended that you prove yourselves during your existence on this earth. It is not an arbitrary process, just as final success is not dependent on My arbitrary use of power, instead you humans determine the result of your soul's earthly progress yourselves. For the **soul's** maturing is the decisive factor, because the body is transient and only serves the soul during its short lifetime on earth in order to attain maturity. Hence the human being must be informed of the fact that it is up to him as to whether and how he uses his time on earth to become psychologically mature. And thus he should not rely on being granted a random act of grace on My part without his contribution .... he should know that he can receive unlimited grace but that it always depends on his will as to whether these blessings will take effect in him. For I can show him the heavenly kingdom quite plainly and even extend My hand to him so that he can reach it .... if it is not his own will to attain the heavenly kingdom all My gifts of grace will be futile, for they don't compel his thoughts and actions but make it easier for every person to think and act correctly. First, free will has to become active, and the attitude of this will determines the success of earthly life .... Therefore no human being will be able to say that the direction of his will was predetermined, because this will is free.

The will is the human being's innermost instinct, which was placed into him by Me, which is inherent in every self-aware being. Thus, the once-created spirits

in My kingdom were able to enjoy their free will for as long as they were self-aware beings .... However, they lost their self-awareness when they plunged into the abyss of their own doing. For they distanced themselves from Me and this ever increasing distance also signified the hardening of the spiritual substance, which I subsequently shaped into creations of the most varied kinds. All these works of creation are in a state of 'bound' will .... The spiritual substances bound therein are not conscious of themselves as they are only parts of a once fallen original spirit which, by progressing through the various creations, shall return to Me again, which is deprived of its self-awareness until all the tiny particles have come together again and are allowed to embody themselves as a human being on Earth. Then it will also receive its free will back .... and the being will be able to freely want and think again and cannot be prevented from aiming its will in any direction. And no-one will be able to dispute the fact that his thoughts and his will are free, although he is frequently unable to implement both. However, it concerns the will, not always the deed, which can indeed be prevented through My will or My permission, but this will never rules out the actual will which tried to cause an action .... And you should watch your will .... hence every thought should make you question whether it is in harmony with My will. Your will should only ever be inclined towards Me, then it will be good. If it is your will to live in order to please Me you need no longer be afraid of not fulfilling your purpose of earthly life, for then you will always think and want what is right, then your soul will desire to regain its past state, it will subordinate its will to Mine and will have passed the test of earthly life when it may leave the earthly body in order to enter the kingdom of the beyond ....

Amen

*Experiments ....*

*Work of destruction .... I.*

Penetrating the core of the earth can only ever be permissible up to certain limits; once these limits are exceeded you will suffer the according consequences .... It will result in a work of destruction on such an enormous scale which is impossible for you humans to imagine because you will not survive such devastation but fall victim to these experiments at the same time. Human intellect studies and speculates and has already deeply penetrated the laws of nature. And these investigations could indeed be a blessing for fellow human beings were they conducted with the right attitude towards Me, so that it would be possible to direct the researchers' thoughts according to divine order. Yet this right attitude towards Me is usually missing, and individual people are often drowned out by researchers and scientists who are distant from Me and whose thinking can therefore also go astray .... Which, in the case of experiments on the intended scale, will result in awful consequences: they will no longer be able to control the laws of nature, they will draw the wrong conclusions, and they will conduct tests on the basis of incorrect calculations and thus trigger forces which they will no longer be able to keep in check. People only calculate with earthly figures, but not with spiritual problems which, in view of their

ignorance of God, are impossible for them to solve. But the basis of everything is spiritual, earth exists for a spiritual reason, and the goal of people inhabiting it should be to rise above the earthly realm and become mature for the spiritual kingdom, but of whose existence researchers and those who deem themselves knowledgeable don't know very much or nothing at all or don't want to believe in .... However, My works of creation are nevertheless at the mercy of people's free will, and people will not be hindered from causing even the greatest extent of destruction .... Yet they will do this at their own detriment, insofar as that all living creations will lose their lives, be they human or animal, be they plants or other creations which contain bound spiritual substances for the purpose of higher development. And even if the latter is not believed, the lives of fellow human beings should nevertheless be taken into consideration ....

Even so, people deem themselves intelligent and wise, they believe that they can also penetrate the laws of nature which so far had been unknown to them. They are conducting experiments which they will constantly expand until they trigger hitherto unknown forces with the inconceivable result of a total destruction of the Earth's surface, which no living being will survive, as has been predicted by seers and prophets since the start of this earth period. And I allow people's will its freedom; however, My eternal plan of Salvation is based on this will, because I foresaw from the start that by that time people have reached such a low spiritual level it will necessitate a restoration of My eternal order again and thus I was able to base My plan of Salvation on it without enslaving people's will. For they themselves will be the architects of the end of this earth, they themselves will determine the date despite the preceding warnings and admonitions, despite the continuous references to their wrongdoing, as long as they are not in association with their God and Creator of eternity, Who then would also truly be able to guide their thoughts and intentions correctly without coercing their will. But people don't want to believe that they are approaching such a work of destruction of Earth, and they cannot be warned in any other way than through My Word, which is conveyed to them from above .... But if they incline their hearts towards Me of their own accord, they will also become enlightened and refrain by themselves from further experiments .... Yet there are only a few of them and they will be unable to assert themselves, even though they recognise the immense danger which threatens the human race .... But the majority will be opposed and won't let go of a plan which will result in the end of the earth. And because of their freedom of will they cannot and will not be stopped by My side because, according to My wise counsel, it will further countless beings' higher development again, because I know how to guide everything, even that which is bad, such that it will nevertheless still result in beneficial consequences and precisely this is My plan of Salvation which will therefore also be implemented according to My love and wisdom ....

Amen

*Experiments ....*

*Work of destruction .... II.*

I truly know what is beneficial for all the beings I once created .... I know how effective everything will be, and I can also direct the effect of everything such that it will only be good for the development of the spirits .... And so My adversary's truly satanic actions during the last days will merely result in the fact that most of his followers will be snatched from him again and bound into matter, thus they will be removed from him and his influence for an infinitely long time. He believes he has won the spirits over from Me and owns them again, nevertheless he will lose them and the spiritual substance will start its higher development once more. For My love will never end, time and again My love will create new possibilities for development in order to help the spirits' ascent. And My love will time and again also find new ways .... Even if the being in the state of free will, as a human being, very frequently conducts itself contrary to My eternal plan and endangers higher development .... I will repeatedly restore order again which is and remains divine law; but never to the detriment of the spirits and always with the goal of deifying the beings which are still very distant from this state. Therefore, regardless of what happens in this world .... My love and wisdom knows every outcome and will always steer it for the benefit of the spiritual beings, and the final goal will always be their salvation, their return to Me and the perfection of the souls .... The final goal will be the attainment of the original state, where the being, as an 'image of God', will be able to work and create with Me in beatitude ....

Amen

*John 14, 21 'He that hath My commandments ....'*

If you keep My commandments you will love Me and I will reveal Myself to you. And I will always reveal Myself to those who want to hear Me, I will never stay silent or leave you, because I love you and wish for nothing more dearly but to speak to you, to communicate with you and thereby reveal Myself to you as a loving Father Who has longed for His child ever since it deserted Me and fell away. My love for what has fallen has not diminished; hence I will do anything in order to call it back to Me. As soon as it hears My voice, as soon as it recognises it as My voice and thus requests to be addressed by Me it will have already started on the path of return .... it is already close to the Father's heart, it only has to consciously try to establish contact with Me in order to definitely enter into union with Me and thereby regain the joys which it felt in the beginning.

Hence you, My beloved on earth, need only keep My commandments, that is, comply with My will, and you can at all times also be assured of hearing My Words, and then an abundance of grace will be at your disposal, for My speaking to you also signifies an influx of blessings which will help you to become perfect, to become blissfully happy, which will make it easy for you to travel the path of

return to Me and reach the goal. But how few people believe that I would like to speak to them Myself, that they can hear Me if they wanted to, and that they only need to fulfil the conditions in order to hear My voice within themselves. And how few people recognise the voice of the Father Who speaks to them when My Word is conveyed to them through My messengers .... And yet, they all want to be My 'children' but the voice of the 'Father' cannot be recognised by them because they are still distant from Me, because they deem My commandments difficult to fulfil and thus they have not yet attained the ability to hear My gentle voice within their hearts ....

Nevertheless, I speak to people, and everyone can hear Me if only he believes in Me, fulfils My commandments of love for God and his neighbour and then quietly and devoutly listens within to what I want to say to him. And he will be able to hear Me and feel blissfully happy when the Father speaks to His child ....

*God wants to be the subject of your thoughts ....*

No matter which path you want to take, it has to aim towards Me or you will go astray. If you are inclined towards the world you will hardly ever direct your heart and mind towards Me, and then you can be sure that the path you are taking is wrong. But if you turn away from the world your thoughts will most certainly drift into spiritual realms, you will mentally occupy yourselves with things which are beyond the earthly world, you will want to discover what is still hidden from you because you will yield to the light beings' influence, who try to steer your thoughts into the spiritual kingdom and will always succeed when the human being looks for Me ....

I have to be your goal, you have to mentally occupy yourselves with Me, and then you will surely take the path which leads to Me. And thus you humans can only ever be cautioned to be wary of the world .... Not that you should escape from the world into which you were placed by providence to test your will. But you should not dedicate yourselves to it with heart and soul, you should learn to control it, you should do justice to the demands it makes on you for sustaining your earthly existence, nevertheless not grant it more rights than necessary .... You should master the world and not be its servant .... And thus destiny can make a variety of demands on you, yet you should not exclude Me from your thoughts, you have to let Me guide you and determine your every thought and action. And I will truly do everything to gain influence over you if you are of good will. But a person whose will belongs to the world will go astray, he will have a different goal, he will be completely taken in by the world and never get away from it.

Therefore I will cross everyone's path time after time, and often painfully so, if he ignores my gentle admonitions and warnings and has hardly any or no connection to Me. In that case My Fatherly hand will often have to deal with him harshly, I will often have to make him painfully aware of the transience of earthly things, I will have to take from him what his heart desires, and I will

often have to forcibly divert his eyes from the world without, however, forcing his will, which has to make its own choice after all. But he cannot become happy without Me, and this happiness concerns his eternal life, the state of his soul after his physical death. If he has not found Me on earth already he will scarcely achieve unification with Me, even though it is still possible in the kingdom of the beyond. But the goal has moved infinitely far away if he has concluded his earthly life without Me and then laboriously has to be guided in the beyond, where it is far more arduous than on earth, to find Me. But anyone who looks for Me on earth will find Me, since I will come to meet him Myself and not leave him again until he has united with Me. For I Am and remain the goal That has to be attained if you humans want to become blessed ....

*Bond with God ....*

So regardless of the situation you find yourselves in, you will always be able to establish a bond with Me, for I will always penetrate your thoughts, time and again I will knock at the door of your heart, be it from within or from without, so that through discussions or reading you can take the path to Me if only you are of good will, that is, if it does not turn away from Me. And therefore no-one will be able to claim that he had not been touched by My hand, that he had not been guided to Me, that he lacked the 'grace' which I promised all human beings. No-one will be able to say that I did not speak to him, that he has never had the opportunity to get to know Me and that he therefore cannot be held to account. But whether people open their ears, whether they allow My voice to penetrate their heart, whether they are willing to turn to Me Myself directly, to call upon Me for help, for spiritual enlightenment, for strength and grace, is entirely up to them, but it is completely unrelated to their circumstances of life or their destiny, otherwise only few people would attain beatitude. You can always take the path to Me, for I allow Myself to be found by everyone who looks for Me .... I cross everyone's path, often remaining unnoticed if the person is still too enslaved by My adversary, and yet I do not abandon him but instead approach him whenever the opportunity presents itself. Nevertheless, you have free will, consequently, I cannot do anything but guide your life such that you will be urged to turn to the One for help Who is more powerful than you. And once you have found faith in this powerful One you will not let go of Him again either, then He will constantly come closer to you the more you seek the bond with Him, and thus you will have been won for eternity. And once you have established a heartfelt bond with Me, you will also be able to hear My voice when you hear or read My Word and recognise it as the Father's voice. Then the bond will be richly blessed, for once the Father can speak with His child, the child will fulfil the Father's will and live as is needed in order to attain perfection, to attain maturity of soul .... In that case the human being will certainly reach his goal and perfect himself while he is still on earth, as a child he will find unification with the Father and at his departure be able to enter My kingdom of peace and happiness and bliss .... He will take possession again of

the kingdom which is his true home, he will enter into the Father's house, he will have come home to the Father from Whom he once originated ....

*The being's re-transformation ....*

You should not forget that the Eternal Love brought you to life, that therefore your fundamental nature was love as I Am Myself and that you must revert to your fundamental nature again from which you had distanced yourselves, i.e., you had changed yourselves into the opposite. And this re-transformation into love must take place again, for you cannot remain separate from Me forever, hence My activity and reign will always aim to return you to the state you were in at the beginning. My nature is love, only love could have emanated from Me and as a spiritual being be likewise destined to be active in love. But then it also had to work in My will, and as long as this was so the beings were also intimately connected to Me, they were constantly permeated by the strength of My love and thus the beings were like Me. Yet they did not remain that way .... they turned their will against Me and used the strength of love flowing to them to act in **opposition** to My will. They gradually distanced themselves from Me, and every distance also signifies a weaker flow of strength, which became ever less because the beings in arrogance and wrong thinking rejected it themselves. For as a result of their resistance they also lost the light of realisation, they fell into the abyss where the darkness engulfing them became ever thicker until their spiritual substance hardened and they became solid substance, which only My will changed again by forming them into creations in which they could give up their resistance.

Hence they must endure a state wherein they remain in complete weakness so that they can be awakened to life again one day, and in accordance with My will therefore animate creations in which the slow process of maturing takes place. This is the stage of the 'bound' will where only My will applies and thus the being fulfils its task in the state of compulsion until it has reached the maturity when it can receive its free will again. For one day it has to be demonstrated again that you came forth from 'love'. And one day love has to flare up in you and urge towards Me again, one day you must voluntarily request the strength of love from Me and through a life of love unite with Me once more, which ought to happen during your lifetime on earth. But then the process of reintegration will have been accomplished, then the being which, according to My will, was once created by My love will have voluntarily returned to the state of adopting its fundamental nature again and of its own **free will** become as perfect as it was once created by My will .... Then the work I planned by creating you will have been accomplished, to turn you into My children whom I was **unable to create** on account of free will, instead, every being has to achieve this itself but then it will also be infinitely happy in eternity ....

Amen

*Great work of redemption in the beyond ....  
Jesus Christ ....*

A great campaign of redemption is in progress, for wherever beings of light were allowed to incarnate on earth they also advocate the proclamation of the Gospel amongst their fellow human beings. And their efforts are supported by the beings from the world of light which influence people's thoughts in every way, making them receptive for the divine Word as soon as it is offered to them. At the same time a great work of redemption is also taking place in the beyond, where beings of light dare to descend increasingly more often and aim to carry light into the darkness. Nevertheless, it always depends on whether the beings' are willing to accept the light or turn away from it if time and again flashing sparks of light intend to show them the path to a source of light .... If they follow this path then the darkness could quickly recede and radiantly bright light would surround them .... but if they ignore it they will still be engulfed by thick darkness for eternities, and they will be banished again in the creations of earth. But whatever can still be done to save all these souls will truly be done on part of the world of light .... and wherever on earth there is still a chance to bring people light, the bearers of light will truly not pass it by, since they are embodied all over the world during the last days in order to work for the benefit of people and to show them the path to redemption ....

Nevertheless, it is not an easy beginning, since the voice of the world is much louder. Where God's Word is proclaimed there will only ever be just a few people, whereas the world has countless more followers who rather choose darkness than light and therefore cannot find redemption during their earthly life either. But all souls will be fought for, since every effort is also being made in the kingdom of light above to direct people's thoughts towards the kingdom that is not of this world. The world of light in the spiritual kingdom is constantly trying to radiate light onto the darkened human race, and thus time and again contacts are being established from the spiritual realm to earth, and people willingly fulfil the light beings' suggestion as to what is necessary and beneficial for their fellow human beings' salvation. And they will comply with the light beings' influence .... which is recognisable by their diligent work in the vineyard of the Lord, by the proclamation of the Gospel, by the distribution of the divine Word, by spiritual conversations, explanations and constant references to Jesus Christ, the divine Redeemer.

His name will be mentioned time after time, and their enthusiasm will not lessen but increase, because everywhere some seed will also fall on good ground .... because Jesus Christ Himself will seize the people who direct their steps towards Him, who turn their eyes upon Him and thus wish to be redeemed by Him. He will never leave these, be it on earth or even in the beyond .... a heartfelt call upon Him will always be heard and the soul will be granted what it desires. A heartfelt call is evidence to Him that He is acknowledged by the soul, and then its fate in eternity will be assured .... This is why every work of redemption is blessed by Him, and Jesus Christ Himself is participating in every work of redemption, Who only requires the person's free will in order to

accomplish His act of Salvation on the soul, so that it will be released from sin and death and in this freedom be able to enter eternal beatitude ....

Amen

*False Christ's and prophets ....  
Apparitions of Mary ....*

During the short time which is still left to you until the end much is yet to happen which time and again will draw your attention to the fact that My proclamations are justified for the Scripture, that foretells what you will be able to observe if only you take notice, will fulfil itself. And I told you 'Pay attention to the signs which precede the near end ....', 'For there shall arise false Christ's, and false prophets ....' The name of Jesus Christ will be misused by associating Him with apparitions produced by My adversary in order to deceive those people who are only too quickly willing to assume a divine origin of the manifestations. And an indication of these kinds of apparitions rests in the fact that they all originate from a place where particular piety is being displayed, where Jesus Christ to some extent merely contributes towards the glorification of the mother of God, thus the latter is the motive for an appearance which intends to take credit for being divine, although Jesus Christ is mentioned and indeed acknowledged by the mother of God she nevertheless seeks more honour and acknowledgement for herself than for the Son of God.

This is a first rate game by Satan which is so well camouflaged that it is only rarely recognised as a deceptive image by the adversary, and which therefore is also more likely to be acknowledged than the fact that Jesus speaks to people Himself, and as a result He is not recognised in His Word and thus rejected. The Word of God, which comes directly from above, is not recognised by people as the Father's voice; on the other hand they instantly accept an evil spirit manifesting himself and don't recognise him as a false prophet, despite the fact that his word does not correspond to the pure Word of God, since he promises people long life and prosperity. And such words are much rather believed than My pure Word from above, which predicts an end to the period of Salvation and constantly admonishes them to prepare themselves for the last days. For the opposing spirit will not announce these last days, he will confuse people by promising that they still will have happy times ahead if only they worship the mother of God, who is used by My adversary in order to conceal deceitful prophecies behind her back, which sound more agreeable to people than the pure truth from above. The messengers of the pure truth, however, are made out to be false Christ's and false prophets, they are even denied the truth of their predictions, for the pure truth is only desired by a few and only recognised by them as such.

But attention has already been drawn to this in the Scriptures and thus cautioned against false Christ's and false prophets .... But where, in that case, are people looking for the right prophets if they negate everything that provides them with an insight about the events of the last days? .... They gladly hear when it is claimed that an end is questionable, when everything is negated what is announced by

God's messengers in advance in order to warn and admonish people in the last days. They are the false prophets who don't want to accept the pure truth and who time and again appease people by disputing a near end .... Even the people who regard God's love as incompatible with the fact that he strikes earth with unusual kinds of judgments and who therefore also try to influence their fellow human beings' minds belong to these wrong prophets, even if they are of good will and also strive towards good. But they lack realisation .... the knowledge, which stage of spiritual development humanity has arrived at and why God will intervene when the deadline granted to humanity for achieving full maturity has expired. God's love is always at work, even if you humans cannot understand that, and God's love admonishes and warns people in good time and refers them to these unusual events, so that they will have time to adjust their lives appropriately, so that they will be able to justify themselves at any time if these events suddenly overwhelm people.

And these admonitions and warnings will always come from above, that is, God will address those people through the spirit who are voluntarily receptive to the voice of the spirit. And thus purest truth is conveyed to earth, and these messengers can never be regarded as false prophets, for they only pass the pure truth from God on to people. The fact that people don't always like these predictions nevertheless does not entitle them to discard everything as lies and errors and attack the truth and with it the proclaimers of the truth as false prophets, humanity cannot be informed in any other way than through the spirit of what is about to happen very soon. God Himself cannot instruct people in any other way about the last days and the end than through His Word. Hence these proclaimers will not find credence, while belief is granted to people who proclaim a long life in prosperity to their fellow human beings and talk about a spiritual turning point in terms of humanity's return to faith and to God .... They pretend to be saviours themselves, who dismiss every end time prophesy as being anti-divine, who thus expect earthly progress together with a spiritual ascent for humanity. They harm people insofar as that they deprive them of their accountability by claiming that the work of improving the soul is unimportant and only ever place earthly interests into the forefront, until one day the end will come upon humanity and they will be called to account in total immaturity .... with the result that they will not have reached the slightest degree necessary in order to enter the kingdom of light, and the only fate open to them will be a renewed banishment into solid matter .... which is precisely what God is trying to prevent with His predictions through seers and prophets. You humans should not spend these last days irresponsibly, you should know that not much more time is granted to you and that you can still make good use of this short time if you believe and are of good will .... if you listen to the prophets which time and again are sent by God's love to cross your path in order to save you from ruin, from the fate of a new banishment in the creations of earth ....

Amen

*The ending of a redemption period ....*

That a redeeming period is coming to an end, you can believe without a doubt, while you are on a spiritual Level, you then can also track the spiritual development of man, thus it won't be difficult for you to believe, that a change must take place, if I don't want man to fall in Satan's hands, whose performance is obvious.

For the human with the worldly intellect, this won't be an explanation, since he will not accept to be in a spiritual low level, because he has no conception of it. For the purpose of the earth dweller is not a pure worldly one, but the spiritual development of man is the sense and reason for the life on earth, and if this obviously moves in the background, then there is no longer a purpose for life on earth and it does not need to be continued by man who totally fail to recognise their present life purpose.

It is not just the upward development of man .... The whole creation bears spiritual matter within itself, which also must move in the same development route, all kept within a certain order in the creation, but which is knocked over by man and therefore the creations on earth are no longer serving the purpose which was assigned to them. A spiritually empty humanity is not living according to my will, thus humanity will not use all the available creations according to my will, but assign them for other purposes, which will hamper or make a spiritual upward development impossible ....

Such a spirit-empty humanity is occupying the earth today and is jeopardizing their future existence because they are no longer following My order on earth but knocking over the order of God and causing the brake through their own will which is contradicting my redemption plan. But the will of man is free ....thus their behaviour is not being intervened, but man themselves will lay their hands on the works of the last destruction, they themselves will draw nay their own end and know not, that they are indirectly following my redemption plan through their works of the destruction while the still remaining bound spirits within the creation are in the ongoing development process because a new redeeming period is in the starting which again will take its course in the law governed Order like it is destined by My love and wisdom.

The spiritual low level is prove, that humanity in the bigger numbers won't believe it, because every spiritually awakened human will see by himself, that the present condition on this earth can not remain, if of a spiritual development shall be spoken. But the very few of Mine will know, that not much time will remain until the end, because they can see the signs very clear, of which I have pointed out by word and script ....

Man must see with spiritual eyes, thus he will see the condition of humanity. But if he is only watching the world, then he will only see economic development and progress, then he will have trouble to believe that all will come to an end, that nobody will be able to enjoy the very result of his hard work, of his property and worldly goods, every time he will only see the world and its progress, and spiritual thoughts will move further from his mind, as more often he watches the world and its progress ....

But he won't be able to enjoy much longer what the world has in store for him, very soon he will be able to follow the disintegration, first through my will, through the wrecking havoc of the nature elements .... and later through human projects, for the will of man himself is judging the last work of destruction on this earth and I won't prevent it .... for I have built My plan of salvation of man since eternity according to the wrong will of man, which will give all spiritual in the whole universe again new possibilities for upward development, because I will help all for spiritual progress.

And as heralded, so it will come ....no matter how much you people are ridden with unbelief against My predictions, you can expect it with certainty, that you are standing before a grand roll-over-era and that a redemption-period is ending and a new one will begin .... For the time has run out, which was granted to the spirits out of My love, wisdom and power .... And it will come to pass, as it continuously will be heralded to you people.

Amen

*Genuine prophecy ....*

The gift of divination, of genuine prophesy, is the 'working of God's spirit' in the human being. Anyone who knows this, will also ascribe the right value to such predictions which requires the latter to be spread, because it is God's will that people should know about them or He would not have revealed them through the spirit to a person. For the prophesies are not conveyed to people in order to frighten them or to disclose the future, instead it is their purpose that people should arrange their life with greater responsibility towards their souls in accordance with the predictions. For every person should know that he can still change and that he can only benefit by changing his character, i.e., by directing it according to God's will, in order to then calmly wait and see what God will send upon humanity. The gift of divination is therefore a commitment .... Consequently a person need not fear that he will proclaim something of his own making, because .... once the working of the spirit becomes evident .... the person will always be under this influence as long as it relates to spiritual information, which also includes future events which are based on **spiritual** reasons and which would never be mentioned by a purely worldly-minded person who does not believe in it. Anyone who proclaims future events in connection with spiritual effect speaks on God's instruction, for every worldly-minded person would refuse to voice such divinations and spread them amongst his fellow human beings .... It is in the nature of things that only a spiritually-awakened person announces events by speaking on God's instruction, and he is also responsible for the distribution, as far as this is possible for him. For he will always be guided correctly, if only he pays attention to every gentle suggestion and allows himself to be lead by the inner voice, which always has to be considered as an expression of the spirit.

Not many people receive the gift of divination, but the few to whom God's spirit reveals future events shall carry out their responsibility and ensure the distribution of what is sent to them. And they need not fear to act contrary to

God's will, for the attention of humanity shall be drawn to the coming events and they shall prepare themselves accordingly. And the spirit of God will create the opportunities, he will bring people together, he will impel the prophet from within when he should talk but also gently warn him when it is inappropriate to speak about it .... The person need only take notice of the gentle inner voice, for once the spirit of God is at work it will not stop working and guide the person in accordance with God's will. Once again, it has to be said that you are approaching great events and that it is good if the human race **knows** of them in advance already, even if it looks at the predictions with incredulity. But the fact that it was already announced in advance will become evident to them one day, and then the events will have a greater effect on people's souls and they will believe the announcement of a near end, which is of greatest significance, for then they will only have a short time left which they can use well for the salvation of their soul if only they are of good will. And God will not cease to admonish and to warn, and therefore He will keep drawing people's attention to the forthcoming events through the voice of the spirit, He will not stop until the day comes which will trigger immense terror because only a few will be able to save themselves, even though the human being would only need to have the right attitude towards Him in order to be guided through all adversities and dangers, or .... if he has to relinquish his life .... to grant him a more pleasant life in eternity .... The coming events cannot be pointed out often enough and you, being filled by the spirit, shall only ever declare what the spirit proclaims to you .... and you will comply with God's will, Who speaks to you Himself through His spirit and who wants to speak to all people ....

Amen

*Jesus Christ is the gate into the kingdom of light ....*

Every person who has found Jesus Christ, who has a living relationship with him, who is a truly active Christian and not a Christian who merely observes formalities, will enter through the gate of light. This is why the thought of being united with Jesus Christ makes every person happy, because then he will be assured of the kingdom of light, he will not need to fear death and the time awaiting him in the afterlife. But a heartfelt bond is meant by this, a bond which makes the person realise that he **belongs** to those who Jesus Christ died for on the cross. And this bond can always be found where a person lives a life of love and thereby already takes the path of following Jesus .... This person will be spiritually brightly enlightened through love, the significance of the act of Salvation will be known to him, he will recognise Jesus' mission on earth correctly and will therefore also want to partake of the act of mercy which Jesus, the human being, accomplished on earth as the shell of the eternal divine Spirit ..... For anyone who knows about this immense work of redemption and its reasons cannot do anything but commit himself wholeheartedly to Jesus Christ and closely adhere to him for time and eternity .... However, it requires enlightenment through the spirit, it requires a life of love which makes this enlightenment possible in the first place, and it requires the will to live on earth

according to its purpose and goal .... it requires the resolve for good, which always initiates the connection with God in Jesus Christ .... Yet a person can consider himself fortunate if he feels this heartfelt love for Jesus Christ, if he has joined Him with all his heart and professes Him to people until he dies .... for he will enter the kingdom which Jesus Christ Himself opened to him through His crucifixion .... The living bond with Him presupposes profound faith, and such faith presupposes love again .... a life of selfless neighbourly love, which faith awakens to life and provides the human being with 'certainty' where he had previously still questioned and doubted .... Anyone who can call such faith his own can truly already consider himself privileged on earth; he is like a rock, and the true church of Christ is built on such faith, that is, only someone in possession of such firm faith that came alive through love belongs to the church which was founded by Jesus. But then a person having attained this depth of faith will already be in a state of bliss, for nothing on earth will frighten him anymore because he will be aware of being embraced by the One Who had died for him on the cross and he will feel sheltered in His arms. Even death will not frighten him anymore; he will merely discard his external shell and enter a different kingdom, a kingdom of light and bliss, which is the fate of every person who has a living faith in Jesus Christ ....

Amen

*Cause for the entire creation ....  
Lucifer's fall ....*

In the beginning you were free beings, full of light and strength, capable of creating and working in inconceivable bliss, and doing this in harmony with My will. In the beginning you were images of God, created in all perfection, which is precisely what characterised you as God-like beings and made you supremely happy. This state, however, did not come about on your own merit but as a result of creation since nothing imperfect was able to come forth from Me and every created being corresponded to the Fundamental Being Which had externalised it into space .... I was the Creator of all these beings and thus the living creations had to be absolutely perfectly shaped beings which corresponded to My fundamental nature. But I was not satisfied with this creation, I was not content with beings which had to be as I created them, but I wanted to be surrounded by beings which were like Myself but had shaped themselves into such beings of their own accord . . . This sounds incomprehensible to people who do not delve deeper into the cause of the entirety of Creation, who have not yet contemplated what forms the basis of the act of Creation .... And it is, in fact, only understandable to spiritually awakened people to whom all correlations can therefore be explained. A perfectly created being was incapable of acting in any other way but in a good way as long as it was only active within My will, that is, as long as it receives its thoughts from Me and processes them in accordance with My will. But such a being only is and will always remain a 'living creation' of Mine .... which, despite its perfection, did not satisfy Me.

However, I had equipped all beings with free will, because this is an essential part of a being's perfection. And this free will was therefore meant to help Me complete the work I had commenced, but which had to be continued by the beings themselves in order to turn the 'living creations' into 'children' who were to create and work with Me and beside Me in supreme beatitude. Their free will was not restricted in either direction .... And this free will had to subsequently prove itself, the being, which was able to desert Me, was supposed to stay with Me of its own volition and thereby prove its divinity .... The beings were quite capable of doing so, since they were brightly enlightened and undeniably recognised Me as their God and Creator .... But there also was another goal before their eyes .... a goal which they were able to see, in contrast to Me, Who was an invisible God to them and Whom they also wanted to behold .... This visible angel-spirit was Lucifer, My first emanated work of creation, who radiated in supreme brilliance and in this beauty also remained visible for the beings. He, too, had to take the test of free will, he, too, had to prove his divinity by voluntarily subordinating his will to Mine, by keeping it within My eternal order, in harmony with his divine nature. But he directed his will wrongly .... He was able to do so by virtue of his freedom and I did not restrain him in any way when he turned his will away from Me and became My direct opposite .... I did not prevent him from influencing all the other beings in this direction as well and allowed them absolute freedom to decide .... for Me or for him .... For only this decision determined the fate of the beings which emerged from My love and whom My love wanted to turn into My children .... which, of course, is and will always remain the work of these beings themselves. Thus I allowed My created beings absolute freedom in regards to their decision and only a small fraction passed this test of will and remained with Me, whilst the majority followed Lucifer and thereby plunged into the abyss, that is, they lost light, strength and freedom and can only regain these after an infinitely long period of time, but then they will be able to stay with Me in supreme beatitude as 'children' into whom they shaped themselves of their own free will in accordance with My plan when I created them .... and therefore I will not rest until I have, sooner or later, achieved My goal ....

Amen

*Frugality ....*

You should already live a frugal life from an early age, since you will find it easier to overcome matter; you will not hanker after earthly pleasures and won't find it difficult to abstain from them for the sake of spiritual gain. But the more the greed for earthly pleasure is aroused the more the soul will have to combat it, for its cravings will always prevent its striving for spiritual values because it captivates its senses and they cannot easily detach themselves from material things which merely provide the body with a feeling of well-being but which are and will remain detrimental for the soul. Therefore, it is indeed advisable to suggest a certain amount of 'fasting' to people, but this fasting only consists of limiting everything that the senses avidly desire. The human being is not

entirely forbidden from enjoying things, it is just that through excess pleasure he can damage himself by rendering these very senses unsuitable for receiving spiritual knowledge, while a 'conqueror', someone who can control himself and is satisfied with little, can easily be open-minded for possessions of a spiritual nature, because he is no longer hampered by matter but has subjugated it through his will. Frugality can never be damaging but can always be of use .... whereas an excessive amount is always harmful and no person will ever take possession of spiritual goods who only satisfies his body's needs and cannot find the right measure.

As long as a person is in control of himself he can also be expected to open himself to spiritual influx; if, however, the body is excessively considered .... which means the fulfilment of all cravings .... then the person will close himself to spiritual influx, because there is no possibility for both since matter excludes the spirit, because two different realms offer their share and the heart cannot respond to both **at the same time**. Nevertheless, the human being has been granted a certain measure, for whatever the body needs for continued existence may be desired by the person and taken possession of .... Yet the less use is made of this measure the greater will be the soul's advantage, insofar as it will receive an abundance of possessions, which alone are of value, because they are everlasting and will be taken over into the kingdom, which alone is real and which the soul will enter when it detaches itself from its body and passes over into the kingdom of the beyond .... Then it will receive abundantly because it had been satisfied with less than what was at its disposal on earth .... Then it will no longer have to constrain itself, it will receive whatever it desires and it will receive much pleasure in eternity ....

*Kingdom of light ....  
Jesus Christ ....*

Anyone having entered through the gate into the kingdom of light will rejoice and be glad and eternally thankful to Me, Who had lead him such to reach his goal. Anyone who is able to enter the kingdom of light is thus redeemed from sin and death, for both signify darkness, and an unredeemed soul will never be able to enter the kingdom of light .... It first must have found the only One Who is the gate into the kingdom of light: Jesus Christ, the divine Redeemer. And holding on to His hand the soul will also enter this kingdom, for He will deliver it from its burden of sin, because He has died on the cross on behalf of all souls which were in darkness, thus in sin and death .... He has made amends for the burden of sin on behalf of you humans; He has made the sacrifice of atonement on your behalf to clear the path for you into the kingdom of light, so that you will be able to enter into eternal beatitude. Beatitude only exists where light can be found, and light can only be found where sin and death don't exist anymore. The sin, however, will be cancelled by Jesus Christ Himself as soon as He is asked to do so, as soon as you humans appeal to Him for forgiveness ....

Consequently, there is also salvation for the souls in the kingdom of the beyond, a change from darkness into light, because even the soul in the beyond may still call upon Him, for as soon as it calls upon Jesus Christ it will call upon Me Myself, and for the sake of Jesus Christ I will then be able to forgive its guilt of sin which had kept it separate from Me for an infinitely long time .... The sacrifice on the cross was made for all humankind, and any unredeemed soul only needs to take the path to the cross in order to be delivered from its guilt of sin. And to be delivered from sin means unity with Me and thus unlimited happiness.

But absolute truth is also part of it .... Hence a soul will not yet be able to enjoy supreme blissfulness as long as it is still far removed from the truth, for the truth and I are one, otherwise one could not speak of light. Light is realisation, the correct knowledge of everything, and as long as a soul is still ignorant in the kingdom of the beyond it is not yet staying in the kingdom of light, for as soon as it is permeated by light it will also instantly experience profound realisation.

If a soul therefore refuses to accept the truth when it is offered same, then its state of bliss will still be imperfect too, in that case it will not have recognised Jesus Christ properly as yet, and the whole redemption has not yet taken place which, however, would have been the result of a heartfelt appeal to Jesus Christ .... And for this reason countless souls still exist in twilight, they are not wretched but they cannot be called blessed for a long time yet. Their attitude towards Jesus Christ is not how it should be to enable Him opening the gate into the kingdom of light for them, and these souls will still need many instructions as well as intercession in order to gain the right kind of understanding for it.

As long as they are unable to let go of wrong ideas, of all kinds of misguided teachings, they cannot expect to become completely permeated by light either; but their own will decides the state they are in. People who consistently rejected Him on earth will also time and again let their will of rejection come to the fore in the beyond, when it would simply suffice to sincerely appeal to Jesus Christ for help .... For this shall certainly be granted to them as soon as their appeal in spirit and in truth will reach Him .... Then all darkness will fade away, the light will so clearly and brightly set the soul aglow that all spiritual darkness will disappear, that the soul will experience brightest realisation and never ever be able to lose this knowledge of the most profound correlations again ....

Amen

*Announcement of a star ....*

What you are given through the spirit can be unreservedly accepted by you .... And thus you shall know that earth's approaching end is already becoming apparent in the universe, that cosmic changes are taking place, because it is God's will that at the conclusion of an earthly period all kinds of signs shall become obvious which cannot be explained by the human being as natural phenomena, which shall prove a Creator's power to him and which thus most clearly point to such a Creator. And these cosmic changes mostly concern the deviations of stars from their normal course, which assume different orbits, and such processes are and will remain inexplicable to people and yet cannot be denied. The closer the end is approaching the more frequently will people detect such phenomena, at first barely perceptible but with rising prominence, so that people can truly say 'the powers of the heavens are being shaken ....' It won't be related to human will, it shall be entirely an expression of God's will, and therefore all people could believe in God if only they would attentively observe such unusual phenomena. But anyone unwilling to believe cannot be more plainly convinced either that a God and Creator exists Whom all elements in nature have to obey .... However, anyone who pays attention to Him will also know what hour has struck ....

And thus a star will leave its usual orbit and move towards earth. This star takes its course independent of people's will and poses a grave threat to them, yet its path will not be restrained, because earth must endure a tremor for the sake of humanity's detriment as well as its benefit .... For many people will thereby lose their lives, as it was proclaimed long in advance .... And the earth will suffer an impact .... The danger to the entire planet will be inconceivable, yet this natural catastrophe will not result in total destruction but nevertheless be on such an unimaginable scale that it will already be the end for untold people. Yet those who survive will approach the final end soon afterwards .... an act of destruction brought about by human will, which certainly will be permitted by God but is not His will .... whereas the former cosmic catastrophe will still have had a redemptive purpose by even now giving unbelievers a final indication of a Power Which controls everything and that nothing happens by chance.

They shall still be given a means of rescue, a final means of attaining faith so as not to go astray. Through this event God Himself speaks to people who disregard His gentle voice, but His loud voice often resounds painfully and thus will claim many victims, that is, many will find their death, but they nevertheless will still have the opportunity in the kingdom of the beyond to catch up with what they had neglected to do on earth. Yet many will also have the grace of surviving the final short period until the end, and then their will to believe is once again decisive, for the unbelievers will not derive any benefit from their experience .... And in the end they will only reap the fate of a new banishment, from which God in His love would like to protect people. And this is why he admonishes and warns people in advance and draws their attention to all phenomena in the last days .... and blessed is he who believes and lives his life accordingly on earth .... He will be led through all difficulties, and whatever happens to him will be beneficial for his soul and his maturing on this earth ....

Amen

*Stage of self-awareness ....*

You humans are conscious of your Self .... And this is the indication that you are intelligent beings, i.e., that you are able to think and are therefore beings who came forth from God, created in His image and therefore also aware of yourselves. But from this time until your present life on earth you spent an infinitely long time deprived of your self-awareness, a time, when you indeed also animated the works of creations as something spiritually tangible but this spiritual substance was not conscious of itself because it only ever passed through these works of creation as a small component of a once self-aware being. Only after all the small parts had come together again the being embodied itself as a human being and then also entered the stage of self-awareness once again, in which it now has to accomplish a task.

Hence, as a human being it carries a certain amount of responsibility for its development because it is intellectually capable of recognising the pros and cons of everyday life, thus it is able to assess the effects of its conduct on the human being's real Self .... the soul. As long as the being was not aware of itself during the preliminary stages it did not have to shoulder responsibility either, and it was subject to the law of compulsion .... it implemented what God's will had assigned it to do. It behaved according to instinct, i.e. it was guided by spiritual intelligences which influenced the spiritual substance within the works of creation such that it performed the activity it was destined to do.

This, however, is different in the stage of a human being when it has self-determination, when it thinks and acts, when, as a self-aware being, it has complete freedom of thought, will and action .... And now it should consciously think, want and behave in accordance with God's will, it is no longer determined by God's will but its own will should decide and always in view of self-awareness, for the human being perceives himself as the determining factor, he is aware of himself .... He is no longer subject to unknown influence but chooses the direction of his will according to his own liking, and he also knows that he will have to be answerable to how he directs it.

This differentiates the human being from the animal, which is already far advanced in its development but which, until its final incarnation as a human being, will always remain a being that is subject to the law of compulsion and incapable of self-determination, irrespective of how intelligent it appears to be. It has not yet regained its self-awareness and therefore not reached the final stage of embodiment either. But it will reach the final stage, for every soul will sooner or later accept its path of earthly life when it embodies itself as a human being and is conscious of its ego.

But the fact that the human being is a self-aware being should also make him conclude that his Creator and Designer, his God of eternity, cannot be an intangible spirit but that He, as the supremely perfect Being, is equally intelligent and has free will otherwise living creations which demonstrate such evidence of divinity could not have emerged from Him. For from the human being .... the created .... it is also possible to infer to God, the Creator. The highest Being has to be self-aware too, just like the human being is self-aware, only to the highest perfection, because the human being is still undeniably an

imperfect being. But, despite his imperfection, he has self-awareness and only this renders the human being a divine being, which was created in His image and shall become as perfect again as it once was when it had come forth from God.

‘Consciousness of Self’ is the greatest miracle of the work of creation ‘Man’ .... People should consider the fact that they would live an empty life without this self-awareness, which gives every person his personal hallmark in the first place: to recognise himself as an intelligent being and to be able to make his own free decisions, because the human being is able to think about himself and integrate into the framework of creation in awareness of his ego .... in awareness of determining for himself what his ‘ego’ wants .... Self-awareness is an obvious mark of Divinity, for it is a sign of belonging to a kindred Being Which brought him into being .... even if the being as a person is a mere distortion of what God once created .... but he received his self-awareness and therefore is also able to shape himself again into the original being he was in the beginning. In the stage as a human being .... in the stage of self-awareness .... the being is able to achieve whatever it wants, even if God now and then restricts its opportunity of implementation, but it is capable of planning and thinking, always being its own starting point, always experiencing itself in the centre of all happening because it knows it exists and will not lose this consciousness again either. For this reason, however, it will also be held to account one day in regards to how it dealt in earthly life with the great blessing of knowing that it is a self-aware being which was designed by a Creator in order to be able to recognise itself and to voluntarily establish the right kind of relationship with its Creator ....

The faculty of thought belongs to self-awareness and only this can yield the right kind of fruit, but free will always has to be active too, which equally belongs to a divine living creation .... And this free will has to utilise all divine gifts properly, then the being will take the right path during its earthly life as a human being which will, without fail, lead to a retransformation and it will return into its Father’s house in all perfection, just as it once had come forth from there ....

Amen

*Earthly knowledge is worthless in the beyond ....  
Wisdom ....*

Of what use is your earthly knowledge to you humans if your soul enters the kingdom of the beyond in an immature state? .... It will not know what to do with it because its thoughts will become confused, and neither will it be able to exploit it since no-one will want its mental knowledge because there is no possible use for it in the spiritual realm. Besides, the soul will also lose this knowledge the longer it remains in the kingdom of the beyond in an immature state of soul. Everything is transient, even earthly knowledge, and the soul will only keep the spiritual wealth it takes along, which it gained through a life of love and which is therefore also everlasting and represents the soul’s entire riches. And with this wealth it will be able to work, that is, it will be able to pass the spiritual knowledge it owns on to those who are uninformed. And

even the souls which possessed a wealth of worldly knowledge on earth but cannot use it in the beyond because no-one requires it will have to accept this spiritual knowledge .... And this is why souls whose knowledge on earth had been superior to many people will wander about over there totally poverty-stricken, and others will be far above them but they will also lovingly consider all uninformed souls, because this is the task of those who are illuminated by the light of realisation and are able to let their light shine into the darkness. But this light can only be gained through a life of unselfish neighbourly love, this is why a person's way of life is the decisive factor and not his keen intellect and his memory. And only if love is the source of a person's knowledge can it correspond to the truth, if it was born in a heart of love and therefore also has great illuminating strength. Love and wisdom are inseparable, and one emerges from the other ....

However, only knowledge concerning spiritual spheres can be called wisdom, for everything pertaining to the world .... hence also earthly knowledge .... is transient and cannot lay claim to the word 'wisdom'. And thus only love will give birth to wisdom, without love no truthful knowledge can ever be gained which can be taken as everlasting into the spiritual kingdom, whereas earthly knowledge will not last long and fade away at death, unless a **fully mature** soul possesses this knowledge, which then can also mentally influence devout people on earth regarding earthly issues .... on account of which the human being may also appeal for correct thinking concerning earthly affairs. For then these fully matured souls will also know the truth about things which relate to earthly life and are conducive for people's benefit. But a soul can only mature fully through love, and this is why only someone willing to love can be in possession of truth, irrespective of whether it relates to spiritual or earthly situations. A person's way of life determines his thinking, and thus he will enter the spiritual kingdom either in an awakened or unawakened state, where he then will live in possession of spiritual goods or be completely destitute. Yet a soul can only share what it owns, and sharing alone signifies bliss in the spiritual kingdom, because then the soul will also be illuminated by the light of realisation and according to its realisation can give pleasure to other souls ....

### *State of twilight in the beyond ....*

Souls passing over into the kingdom of the beyond without having found their Redeemer will find themselves engulfed by thick fog, providing they don't enter the kingdom of darkness due to their totally God-opposing way of life on earth. But there are people who have not become guilty of any explicit wrongdoing, whose offence generally consisted of failing to do good works, who can neither be called bad nor good and whose spirit is therefore not so dark as to be expected by profound darkness in the beyond. Nevertheless, they are not suitable for the kingdom of light either, for their souls are not yet receptive to light, their souls are still encased in thick twilight, they have absolute minimal realisation, depending on their deeds of love which a soul will be able to look back on.

And most souls called back from earth are in this kingdom of twilight .... people, who were apparently righteous in the world and yet have little faith because they lacked love on earth. And these souls are now facing a time of utter barrenness .... a time when they wander about lonely and alone with their thoughts. They are unable to recognise anything in their surroundings, they are spiritually blind and also incapable of perceiving anything but themselves, however, they have not lost their sense of identity, they also remember their past earthly life yet only rather indistinctly and occasionally .... They are in a permanent state of drifting about and searching, for they cannot find what they are looking for .... a place of peace and safety, since they failed to acquire it during their earthly life. They effectively had been parasites on earth, they had lived without having fulfilled their true purpose of life, they only ever have taken and given nothing in return .... irrespective of whether it is understood earthly or spiritually .... They had not acquired any spiritual possessions for themselves but utilized their earthly life in line with their demands. They had spent their earthly life without having seriously thought about its meaning and purpose and living their life accordingly .... And this is what they will receive in the kingdom of the beyond; they won't find anything because they didn't acquire anything that is of lasting value in the spiritual kingdom.

Only now will it show whether such a person will be lovingly remembered .... For every loving thought is like a firm foundation on which the soul is now able to move with a certain sense of confidence .... Every loving thought provides the soul with a glimmer of light wherein it is able to recognise its surroundings, if only for a brief moment, but it is stimulated to reflect on it, and its state can only change through deliberation, by experiencing the blissful relief of every loving thought, by starting to regret when it realises what it had failed to do on earth. And depending on its nature, its willingness and its resistance the state of such a soul can change equally soon, if it is not entirely obstinately-minded, in which case its blindness can last an extremely long time before the twilight will give way to a small wave of light .... And since only loving thoughts can provide this relief, much strength of intercession has to be bestowed upon the soul, it should not be left to its fate, which merely would infinitely prolong its lightless state, for only love will be able to change it, love, which fellow human beings will forward to such a soul and which the soul itself lacked in earthly life, but which will be accepted by God on behalf of such a soul ....

But it is possible for all you humans on earth to render much help with your love, and you should therefore constantly stay in mental contact with the souls of the departed, time and again you should tell them about the Gospel of love and that they, even in the beyond, will still have to comply with these two commandments, to love God above all else and their neighbour as themselves .... For this is the only way by which they will be able to make contact with Jesus Christ, without Whom it will be impossible for any soul to enter the kingdom of light. The souls still wandering about in the twilight have not yet made any contact with Jesus Christ, they have not yet found salvation, which was the reason for their life on earth, but they absolutely have to attain it in the beyond if they don't want to descend into the abyss .... Souls wandering about in twilight have not yet been pushed into the abyss, they still have a slight opportunity to find their path into the kingdom of light, for after a long time of barrenness

beings of light .... which, however, do not identify themselves as such .... will repeatedly direct them towards the right path leading to Jesus Christ.

And in order that they will follow the beings of light, in order that they will surrender their opposition, they will require much intercession which you should not deny to the souls. They will be eternally grateful to you if your love will prevent their fall into the abyss, if you will help them to find their way out of the twilight into the kingdom of light, for your loving intercession will prevent their regression, their souls will become softer and more yielding, and they will find Salvation through Jesus Christ, Who forgives everyone if only he remembers Him and calls upon Him ....

Amen

*Revelation 16, 18 ....*

*A star ....*

An enormous quake will shake the earth; spiritually as well as physically the earth will face a tremor humans have never experienced as yet, since the beginning of this epoch. But this is prophesied for it is the initiation to the end that will follow not long after that. There is no long period left and your attention to this is pressing more and more because you are to make use of everyday yet to help maturing your soul, for the time is short and you are approaching the very end with giant steps. And there will follow a long night for all who have not made use of the day to work for the well-being of the soul. For there will be just a few to survive this last end and to be allowed to live on the new earth, a few only will stand firm in the last battle on this earth.

Again and again, the signs of the end are being presented to you humans and the last colossal sign is the great quake. The way it will come about you were told already: A star leaves its orbit and heads for the earth with gigantic speed. The reason why you don't know anything about it as yet is due to the great distance this star will have to cover yet until it enters the focus range of those who will notice it. But at that point the excitement will be big because everybody recognizes the danger the star "earth" now is in but nobody can do anything about it to remove the danger. And, since you're aware of it, this last short time you ought to utilize especially well, for none of you knows as to whether or not he will survive the event. None of you knows which part of the earth will be particularly befallen and nobody should count on being spared, for it is the last big reminding-call of God which He still lets sound prior to the end in order to find faith for just this end and a turn around of the few who are not quite enslaved to the adversary altogether as yet.

Do not think lightly about these prophesies, do not let yourselves be disconcerted by the apparent work of building up you can observe from the side of the world, but be aware that the shadows of annihilation are already showing up. There's not much time left to pass by until you will receive word of that disaster approaching you in the form of a star to be hurled out of its orbit because it is God's will that the earth be stricken by a quake that is meant to, and can possibly save those people who's will is good. There truly won't be a lack of signs for the

close end but this one sign has a tremendous effect and many people will lose their life in the course of it. And no one will be able to play deaf, for it is too enormous than that it couldn't possibly touch everybody. Only, the success is different, for people will partly revive their weak faith and again return to God, but also partly lose their weak faith and completely turn to the opponent which will be expressed in chasing after material possessions, mostly in an illegitimate manner. And there will be a great misery amongst people. And that's when the true faith will prove itself, which means help for every person who faithfully submits to God. For He will help all those who want to be His, who in their greatest affliction remember Him Who alone is able to help. And the time will begin where there will have to be performed proper vineyard work for the sake of helping all those who are still weak in the spirit and are to experience a strengthening of their faith. For that's when the time of the last struggle of faith will follow that will still demand a last decision of the believers; yet, whoever will be steadfast until the end shall be blessed.

Amen

### *Just retribution in the beyond ....*

You have a certain amount of freedom, you can think and act and speak according to your will, you can live your earthly life as you like .... even if your activity is occasionally prevented, if the **implementation** of your will is restricted through My will. However, you are nevertheless free beings who can shape their lives as they wish .... in contrast to the beings which are still bound within the works of creation and **must** live according to My law of eternity, according to My will .... And it is this freedom of will which makes you responsible in earthly life, for it can be inclined towards My will but also be opposed to it, your will can strive towards something that entirely contradicts My eternal order, and therefore you are accountable to Me for your will or action. For this short life on earth is a gift of grace for you humans .... You once expressed your contradictory will and thus your apostasy from Me, so now you are offered the opportunity again to prove your will for Me. You were not permanently condemned because of your apostasy but were given the opportunity to return to Me and to look for unification with Me. And for this you are given earthly life, which you therefore should use to the best of your ability for the very purpose of finally returning to Me. Earthly life is therefore an immeasurably valuable gift of grace which you should not live carelessly without bearing the actual purpose in mind. For one day you will be held to account for it, and your fate in eternity depends on your conduct during your earthly life. One day you will bitterly regret an unused earthly life, since one day the hour will come when you will realise the significance of earthly life and how you utilised it, and this hour can give rise to the bitterest remorse in you. But death does not end the life of the soul, it is just that the soul cannot often speak of a state of 'life'; instead, it finds itself in a state of helplessness and darkness without losing awareness of its existence. And then it will sorely feel its lack of strength and light, it will often be close to despair and yet never die again, so that sooner or later it will have to consider

changing its state, and then it will listen to the beings which want to help with this.

Nevertheless, it is extremely difficult to achieve in the beyond what easily could have been achieved during its earthly life .... As on earth it must fulfil the commandments of love .... And it will indeed have the opportunity to do so because much hardship exists in the spiritual kingdom; it will meet souls which are shaped like itself and then it will have to kindle its love for these wretched beings if it wants to improve its own state a little .... But particularly souls like this only ever think of themselves, and therefore its ascent in the kingdom of the beyond is very difficult and questionable, for without love there is no ascent, no improvement and no spiritual progress .... Yet every individual soul can only be considered within the scope of justice; it must travel the same path it should have taken on earth .... the path of love and of suffering .... until it is sufficiently purged that it can receive the rays of light and be affected by their strength. Even in the beyond it cannot be forcibly led to the right path, but it will always have enough opportunities where its will can prove itself, and again it must .... like on earth .... use its will in the right direction. Then it will mature and attain a degree of light which ends its wretched state and subsequently helps it go increasingly more upwards .... towards greater reception of light and more happiness. A soul can also ascend in the beyond but it must always strive for it of its own free will .... it must always, like on earth, practise love and through love finally find Jesus Christ, Who is the first and last goal even in the kingdom of the beyond, for no-one can become blissfully happy without Jesus Christ and His Salvation ....

*Only God is Lord of Creation ....  
Star ....*

Since eternity celestial bodies circle the universe on paths specified by the divine Creator and which will also be upheld in the plan of creation according to His will. And it is an impossible beginning wanting to alter the specified course of a celestial body, to divert a star from its course trying to guide it onto a different one than was destined by the divine Creator. And it is equally impossible to stop the course of a star, to limit the duration of its course, thus to prevent it in some form or other from travelling its path .... This has to be said to all those who believe that they, with their own inventions, will be able to establish a different order in God's work of creation .... who believe that they will be able to fit human products into the divine work of creation, who assume that such experiments can be sent into the universe without harmful consequences ....

I Am still the Lord of the cosmos .... and I will also reply appropriately to every intention of infiltrating My work. Another attempt will be made, and more will follow as long as people are not stopped .... And I will allow it to happen, but I will answer when the time is right. For not much damage can be done anymore by people's advance into space .... because the time has run out which humanity

may still reckon with. And all the experiences they still want to gain will no longer be of any use for I will put a stop to it Myself ....

But I will respond in the same way, for this reply will also come from space which they try to enter, and all their inventions will be unable to repel or redirect the star which will put them into extreme danger themselves. And thus it is up to Me how long I will tolerate humanity's activity, but I will only tolerate it up to a point, I cannot profess to approve of experiments which have no spiritual purpose and only boost people's belief even more to be or to become master of the universe.

But the end is at hand, and during these last days people will still try many things which only demonstrate their godlessness, their spiritual arrogance and their spiritual poverty. Various experiments will still be conducted which will contribute considerably towards the disintegration of the earth, the final work of destruction and thus the end of one period of salvation which has to make place for a new one, if My living creations shall not completely be lost.

But you humans, who voluntarily belong to Me, don't allow yourselves to be impressed by it all no matter what happens .... Always remember that the Creator of heaven and earth will not let Himself be displaced and that He will clearly show His might without people being able to prevent Him from doing so .... I watch and wait .... until the day has come which is predetermined since eternity .... For the time is limited which My adversary uses such that people .... because they belong to him .... will do everything he wants .... but which they will nevertheless not succeed to achieve ....

Amen

*About the last judgment and the new earth ....*

You cannot truly imagine in what way the Last Judgment will proceed; suffice it to know, that it is only a short action where everything will fall prey to its huge power of destruction, and that you will then have no more time to change your thoughts and intentions, because everything will happen rapidly and leave you no time to think .... You will be judged at a moment's notice, i.e. whether you will enter into life or death within a very short time .... Those of you who remain loyal to Me until the end will be carried away, the others will be devoured by the earth, which denotes their souls' new banishment into hard matter. Only people who still have a small glimmer of faith in God will have the strength to call upon Me in the last moment and still be saved by being spared the fate of a new banishment, albeit they will not belong to the flock of the raptured. Nevertheless, their share will be an easier fate, since they will be granted another embodiment as human being in which they should and will be able to prove themselves because the time on the new earth will be free from the adversary's temptations, who will be constrained for a long time, as it is written ....

And that is an exceptional act of grace which, however, will only be taken up by a few, for humanity is completely subject to My adversary at the end, and a person will only seldom detach himself from his restraints in view of the Last Judgment .... which will be dreadful. For all human beings face an appalling

physical death, yet before they can spend much thought on it, it has already happened .... And My Own will witness this event, because I want them to get to know My might and glory, My righteousness and My wrath towards the sinners and testify to it as long as they live. For they will become the root of the human race on the new earth .... The event of the rapture is equally unimaginable because it happens in a way that defies all laws, and never before has it been experienced on earth that human beings were lifted up and taken away in their living bodies .... that I move them unharmed into a divinely beautiful region, from where they will then be brought back to the new earth, as soon as it is created in accordance with My Will.

I will not require time for this, because all spiritual substances are just waiting to be placed into works of creation which correspond to their degree of maturity in order to continue their path of development .... Human eyes do not see the act of creating the new earth, therefore it is not necessary to observe a specific duration of time for the sake of people .... And the people who are raptured lack all sense of time, so that they are unable to ascertain what time it takes to create the new earth .... Yet My might is unlimited and will reveal itself in the formation of the new earth, for this will show new creations which you humans cannot imagine but which will highly delight you, who may experience this earth .... It is truly a paradise on earth .... For My Own remained loyal to Me during the battle of faith and shall receive their reward for their loyalty .... All human beings could experience this happiness if only you would use the short time until the end well. But you do not believe and don't do anything to improve your soul's maturity, and therefore everyone will receive the reward he deserves .... a blissfully happy life in the paradise of the new earth or new banishment in the creations therein, so that after an infinitely long time you may once again live as a human being on earth for the purpose of a final test ....

Amen

*Knowledge through study or through the spirit ....*

You humans often believe yourselves to be very knowledgeable and yet, you are spiritually blind. For all spiritual knowledge only comes alive when your spirit has awakened .... Prior to this it remains lifeless knowledge, acquired mental concepts which are neither better nor more valuable than earthly knowledge. And even if you try to gain by philosophical means what you cannot fathom by virtue of your intellect alone it can never be called **spiritual** knowledge, for it first requires the awakening of the spirit to also understand and adopt this knowledge. It is not merely a matter that the contents of the mental concept can be considered spiritual knowledge .... it is entirely a matter as to whether the person thinks this knowledge through with an 'awakened' spirit and makes it his own thoughts, only then will he be able to speak of 'spiritual knowledge' which satisfies him, only then will he also understand what previously was not completely plausible to him despite extensive mental activity. And thus two people cannot take the same paths but nevertheless have the same knowledge, but to one of them it can be fully comprehensible whereas the other only grasps

the meaning of the letter and draws no spiritual benefit from his knowledge. For the value of the knowledge depends on the very path he has taken to attain this knowledge .... One person accepts it from external sources through study and diligent intellectual activity, the other receives it from the spirit which dwells in every person's soul. And this spirit is a living part of God, consequently, whatever he gives must also be alive ....

The human being must be guided into knowledge which shines brightly and signifies a true light for someone who previously walked in darkness. This knowledge is not at the disposal of the former for he only grasped the meaning of the letter, he has only deliberated the meaning of the letter without becoming enlightened, since true light can only ever be imparted by the spirit, which need merely be awakened in order to express itself through the inner voice .... And an awakened spirit can subsequently also enlighten a fellow human being, which is impossible for someone who is still unenlightened, for he will only pass on the empty meaning of the letter which he has accepted. The human being ought to awaken the spirit within to life, only then will he be able to speak of correct knowledge, of truth and of light. And the spirit can only come alive through love, the human being has to live a life of love according to the divine commandments, then his spirit will irrevocably come alive and instruct him from within. However, as long as the process of awakening the spirit has not occurred people will agonise over questions if they are serious about the truth; or they have a measure of mental knowledge at their disposal which they keenly endorse as truth yet inwardly they cannot find the conviction to advocate the **pure truth**, because this inner conviction is also imparted to them by the spirit, and as long as this cannot take place a person will always be troubled by slight doubts, even if he outwardly defends his mental knowledge as truth. But once the spirit is awakened, the person will know that it is the truth, and this inner conviction will make him a diligent labourer in the vineyard of the Lord. And these alone are true servants whom the caretaker can use in His vineyard .... these are the disciples to whom He said 'Go ye therefore, and teach all nations ...' For only these will proclaim the Gospel of love according to God's will, and these will be listened to by all those of good will ....

*Utilisation of the short life time ....*

You don't need much time for your souls to mature, you can develop your soul within a short period of time in a way that its certain fate is to enter the realm of light when it removes its earthly body .... But you must sincerely want your soul to mature and apply for God for help in order to achieve it since you are unable to do so by yourself. Your own will is too weak and you constantly return to the love for the world, you cannot overcome your love of self and are time and again pushed off the path which you want to walk for your salvation. However, if you turn to God for help He will guide your thoughts to Jesus Christ, the Divine Redeemer, because you receive your strength of will from Him. Although you are calling on the same God but in doing so you acknowledge the act of Salvation

and thus the Divine Redeemer, Who has to be acknowledged if you want to share the graces of the act of Salvation. To call on Him guarantees strengthening of will even if you have to fight against the temptations of the world behind which God's enemy is hiding, who repeatedly tries to cause your fall. But you receive strength and each time again find the firm will to reach perfection on this earth, and then you can be certain to reach your goal.

The intensity and depth of feeling of your bond with Jesus Christ is the key to how much time you need for your souls to become fully mature. And this depth of feeling in turn depends on the degree of love you have for God and your fellow human beings. Love is everything. Love establishes the union with God in Jesus Christ, love fortifies the will, and love gives strength to accomplish the psychological task on oneself which, as a result, guarantees complete maturity of soul. But you should not make the big mistake to believe that you still have a lot of time for this psychological task, you should never delay your aspirations until later because you don't know how long your reprieve lasts, how long you live on this earth .... You don't know when your last day arrives and should live as if you are called back tomorrow and have to give account to your God and Creator. You do not have a long time to live even if you are granted the time until the end.

But you even have to thank God should He not allow you to experience the end if, due to your own negligence, your maturity of soul is still imperfect .... You have to thank God if you are called away before and still get the mercy to mature in the beyond, that you won't fall victim to God's opponent and his intrigue .... There is not much time left and thus you should utilise it to the best of your ability and you can mature fully within a very short time if you are of good will ....

*Answer to questions ....*

Observe all questions arising within you and watch your thoughts corresponding to these questions .... but prior to such thoughts you should always enter into a heartfelt dialogue with your eternal God and Father .... As soon as you contact Me in thought or in prayer and commend your guidance to Me, as soon as you consciously present your questions to Me, you will also receive the answer, for I want you to become enlightened about all issues that occupy your mind. And thus I want you to know that you never need to fear acting against My will as long as you hand everything over to Me .... as long as your will predominantly wants to work according to My will. Then I will also bless everything you undertake in this resolve.

Nowadays addressing people in a remarkable way is not very successful, irrespective of whether I speak Myself from above or through you, My servants on earth .... People do not want to hear what would benefit them spiritually; as a result they reject everything which could disturb their worldly pleasures. In contrast, those who have already received information and knowledge about the things they now hear in total clarity from you can be inspired to greater

spiritual activity .... But the world itself will make sure that people are informed about unusual things in the universe, and then there is still time to draw their attention to the spiritual correlation, the success of which again only depends on people's will, for no human being shall be condemned, no human being shall become subject to compulsory faith, which is always a danger when they are offered obvious proof where faith alone should speak.

Humanity is so faithless that it never accepts prophesies as being true, and therefore it is also unwise to convey such prophesies to them .... On the other hand, open-minded people should be informed about what is made known through seers and prophets .... Then these will do what they can in order to enlighten people, for they can easily pass on and convincingly present to their fellow human beings what they know themselves .... And then there is still enough time to form an opinion about it. But every single person will feel in his heart how he should conduct himself towards his fellow human beings, and he will speak when he feels inwardly urged to do so and keep silent when an inner voice prevents him from speaking .... It is always My will that you contact Me and attentively listen within, and you will clearly and distinctly hear My will ....

*The angels' protection in the battle of faith ....*

And countless angels will stand by your side during your final battle on earth. You don't have to be afraid when this battle erupts, for you will receive strength and be able to offer the resistance which is demanded of you in this fight .... You will remain faithful to Me, because inwardly you will be so permeated by strength that in no way will you fall prey to your enemies' onslaughts, because I know that your will applies to Me, and given that I will send My angels to protect you, you will feel this protection most evidently. The battle will not be an easy one, since it will be waged brutally and with fanatical zeal on the adversary's side, but you will not feel it as such because you will be filled with the spirit once actions are taken against all people who devoutly follow Me and also openly profess Me in Jesus Christ. And this courage of conviction will increase, and every new avowal will fill you with new strength, for then I will clearly reveal Myself through My spirit, which will fill everyone who professes Me before the world. And they will also know what time it is and will expect My coming daily .... And this will continue to give them the strength to endure and to ignore the difficulties. Time and again they will receive help from My side and My angels will shield them against all attacks by the enemy. And as long as they stand by your side you will not be in danger, for they only ever fulfil My will and are happy to be of service to Me and to you. Soon the time will come when the Antichrist will show himself .... And you have no idea which side he will come from and you will all be surprised. But then the signs will be so obvious that you will no longer be mistaken, you will distinctly recognise him and be able to prepare yourselves against his activity. Yet prior to this I will still speak from above, you just should know that this will not be the end of your mission as yet,

that you will live through this time and then also receive the strength to stand firm in the last battle on this earth.

Everyone will feel whom I speak to through these lines, but I Am with all of you who want to serve Me, for I need you in the last days of the battle of faith, in the time when the last decision has to be made .... I need all of you to enlighten your fellow human beings as to what I expect of them .... that they should stand firm and not be afraid, if only they want to belong to Me and to fulfil My will. And when they hear you they will also take courage and offer resistance, which subsequently will render the adversary incapable of proceeding against these believers .... He will have to let go of them because My angels will form a protective wall around all those who want to be and remain My Own. But the battle will erupt and not just against single believers, but it will be aimed against all spiritual striving. However, only those with a living faith, who belong to the church founded by Me, will emerge triumphantly, for they will fight under My banner, led by and protected by a host of invisible warriors who are of service to Me and to righteousness .... until the day has come when I will fetch My Own and liberate them from utmost adversity and distress .... until the day of Judgment comes which will follow soon afterwards and put an end to every earthly and spiritual battle ....

*Dialogue with the Father ....  
His Word from above ....*

You must withdraw into solitude if you want to speak to Me .... I merely require you to withdraw from the world and into your closet and then turn your thoughts to Me alone .... so that you mentally detach yourselves from the world and all its requirements, so that you give no room in your heart to anything but Me and so that you approach Me in a childlike manner in order to hear Me and My Words. I want a prayer in spirit and in truth .... which necessitates that you completely detach yourselves from all worldly thoughts, it necessitates listening within, a silent dialogue with your Father and an attentive ear within for what answer your Father might give you. Your words will not remain without reply, if only you listen for it .... if you truly desire a dialogue, so that you address Me and subsequently wait for what I have to say to you in response .... This private dialogue with My child is exceedingly pleasing to Me, after all, the child is opening its heart to Me so that I can provide it with an answer which is intended only for the benefit of its soul. Yet I can never do this in the midst of the world, when the human being is distracted in every way from heartfelt thoughts of his eternal Father .... He can certainly send a quick prayer up to Me even in the midst of the world, and he will be well advised if he tries as often as possible to send a short thought to Me and thereby remains in constant contact with Me .... But a right prayer in spirit and in truth, when he may distinctly receive My Fatherly love, can only take place in the closet of his heart, in silent retreat and the heartfelt devotion of the child to its Father .... Then peace will enter the person's heart and he can hold a heart-to-heart talk with the Father ..... and he

will never regret spending any spare time in such silent dialogue, because I very gladly speak with My child and it will draw much benefit for its soul from every conversation.

Detaching himself from the world will often be difficult for a person, My adversary will hinder him from doing so in every possible way, time and again he will try to disturb or prevent it .... But the human being's will should be stronger and resist My adversary .... Then the person will receive strength and be able to accomplish his intention: to unite with Me in heartfelt prayer and to hear the Father's Words. Only an intimate bond like this will enable you humans to hear My Word from above through a fellow human being .... only a union in spirit and in truth makes it possible for My spirit to pour itself into an opened vessel .... And therefore, great blessings rest in this beginning, this intention of becoming receptive to Me and of allowing My flow of grace to pour into oneself. For countless souls participate in the transmission of My Word which also desire to hear the Father's voice and with heartfelt longing are waiting to be addressed by the Father .... You should all withdraw into solitude and listen .... And you may truly hear your Father's voice, it will sound to you like pleasing music, for that which comes from Me can only grant you happiness and blessing, that which comes from Me has to touch your souls like exquisite nourishment for which you long and which you will receive without limitation as soon as you desire it. Send a prayer up in spirit and in truth .... Lift your thoughts to Me and listen. And I will speak to you like a father speaks to his child, and your soul will cheer and rejoice at every Word that comes forth from the mouth of God ....

Amen

### *Forgiveness of sin through Jesus Christ ....*

All of you can procure My forgiveness of your sins if only you sincerely desire it and take your path to Me in Jesus Christ, Who died on the cross for all your sins. I carried an immense burden of sin to the cross, for I carried the sins of the whole human race, past, present and future .... It consisted of humanity's original sin as well as all sins every individual person has committed on earth .... I shouldered all guilt and walked with it to the cross .... And regardless of how severe a sin is, I took it upon Myself because I wanted to redeem you from your every guilt, I wanted to restore your purity of heart which alone enables you to approach Me again and allows you to behold Me face to face.

I wanted to cleanse you all of your guilt, I wanted to pay penance for all the sins which weighed you down and kept you irrevocably separate from Me, because I cannot unite Myself with sin .... For this reason I redeemed all guilt through My act of Salvation but I require every person's own will to become redeemed. Consequently, every human being must recognise his guilt of sin, which keeps him far removed from Me, and he must appeal to Me for forgiveness of his guilt .... For without his own admission of his guilt and the plea for forgiveness he will not acknowledge the sacrifice on the cross by the man Jesus and his guilt of sin cannot be forgiven.

Hence you must want to become redeemed and with this will come to Me in Jesus Christ and appeal to Me for your deliverance .... Then you will be free from all guilt, from weakness and the bondage in which My adversary has kept you for an infinitely long time .... You will be free from darkness, for the light of Christ will illuminate you, love will be kindled in you and flare up into a bright flame, for the one who lacks all love has no more control over you, and the One Who is Love Itself has come to you and lets His light shine into your hearts because they have become pure, because Jesus Christ has atoned for the sin and your heart has become 'God's temple' as soon as you live in love .... And once you are redeemed from all guilt through Jesus Christ, you will also live a life of love according to His will and I can take abode in your hearts, which you have prepared as a temple for Me through love ....

But first you must inevitably have attained and received the remission of your sins. The sincere desire for it will also guarantee complete forgiveness, for Jesus Christ hears every cry rising to Him from a heart burdened by guilt .... I hear you and gladly comply with your desire, I remove your sin and draw you to My heart, because you now belong to the redeemed for whom I shed My blood on earth. I only require your admission of guilt and that is not difficult, for you all know that you are weak and wretched creatures which still live in slavery and spiritual darkness as long as they don't find salvation through the love of Jesus Christ, in Whom I embodied Myself on earth.

Jesus, the man, so loved his fellow human beings that He wanted to sacrifice Himself for the sins of every human being He wanted to redeem the sins in order to open the path to the Father again, Who dwelled in Him .... His love was so great that He wanted to help every person attain beatitude, which can only be found with the Father .... and His love made Him take upon Himself the bitterest suffering and dying in order to atone for the guilt which had created an insurmountable gulf between Myself and the beings and which had to be bridged first, and this was done by Jesus Christ through the act of Salvation and His immeasurable love. He established the connection between the human race and Myself, He helped them to reach the Father and shed His blood on the cross for all sins so that all people can become blessed ....

Therefore you should sincerely desire to be released from your guilt of sin, recognise and admit your guilt, carry it to the cross and call upon the divine Redeemer Jesus Christ for forgiveness. And you will be able to enter the kingdom of light in a purified state when your life on earth is over .... you will walk the path to Me, to the Father, which Jesus Christ walked ahead of you, which was started by His love and which must be taken by everyone who wants to become blissfully happy ....

Amen

*God demands deliberation ....*

Don't close your hearts when you hear My call but listen to what I want to say to you: Take account of yourselves and you will know what you are lacking if you have not yet come alive, so that My spirit can teach you from within .... You all could be imbued by My spirit because the spark of My divine Father-Spirit rests within you, within every human being .... irrespective of whether it is kindled or left to die down .... it is within you and only requires a small glimmer of love to ignite and become a bright flame .... Have you already given this spark in you the opportunity to ignite? Then it should also spread a small light, and in this faint gleam of light you would recognise things which would not have been visible to you before ....

I speak to those who are still living in spiritual darkness, who do not know the correlations which motivate your God and Father to give you knowledge through His spirit .... I speak to those who do not think .... For serious deliberation would have to give rise to doubts and questions in you, since your spirit is still dark and you have not yet kindled the light within yourselves. But do you reflect on this?

Consider the inadequate spiritual state of those who, without doubt, believe themselves to be at the top and yet are so blind that they cannot be 'leaders'. Consider whether a God and Creator, Who is love, wisdom and omnipotence in Himself, would disregard that everything which should testify of Him reveals love, wisdom and omnipotence .... And where do you find love, wisdom and omnipotence in the religious doctrines offered to you which are spoilt or purely human teachings? .... You need only think about it more deeply and you would come to the sudden realisation that the Great Spirit of eternity, the God of love and wisdom, will not make such demands on you which ecclesiastical commandments specify. He solely requires you humans to fulfil the commandments of love for God and your neighbour .... And just by meeting this requirement you will already receive light because you will then awaken the spiritual spark within you which will guide you into every truth .... (John 14, 15-26) But where are you looking for truth?

In distorted spiritual knowledge, in misguided teachings and in doctrines which distinctly demonstrate spiritual coercion, even though I only ever take notice of people's free will, because the human being can only attain perfection through free will .... Have you ever considered that all these doctrines and humanly decreed commandments prevent people from attaining beatitude? That they usually defer the only divine commandments of love towards God and other people for the sake of these humanly decreed laws and still believe in living in accordance with divine will on earth? Have you ever thought about the spiritual decline that can occur and has already occurred in people who do not think for themselves and do not form their own relationship with their God and Father so that He may instruct and guide them? .... Why do you always make a human establishment more important which cannot claim to be the church founded by Jesus Christ? ....

There are, in fact, people with a living faith amongst you, whose spirits have been awakened and who thus belong to His church, but the church founded by

Jesus Himself does not consist of an organisation which is a distinctly human establishment .... It is the 'community of true believers', who can indeed be found in all organisations but whose premises are entirely different than you believe. And if you live with love then the spirit within you will also instruct you, and clear-sightedly and quick of hearing you will observe everything which you still defend and adhere to while you are still 'unenlightened'. I, however, as your God and Father, only judge a person by his inner state, by his life of love, by his realisation; but the human being himself should not oppose the light when it is given to him .... He should be pleased and willing to ignite the flame of life for his soul himself, since My love always approaches you in the form of a light because only light beatifies, and because truth alone is the light of eternity, and truth only ever originates from Me Myself, Who is truth since eternity ....

Amen

### *The table of the Lord - Communion ....*

Time and again you receive nourishment for your soul, for it should not go hungry during earthly life, it should not need to starve and be thirsty because I incessantly distribute what it requires for its upkeep and maturation. My table is always set, you can always take Supper with Me which I Myself offer you and which will certainly benefit you .... And if I nourish and refresh you, you will truly receive healthy food which will help your soul to recover, since it is still ailing and requires hearty sustenance in order to regain the strength it possessed in the beginning .... It must be offered the bread of heaven which is the pure Word, it flows forth from Me into infinity and touches every soul which opens itself and is willing to replenish itself at My table .... Anyone who enjoyed this nourishment once, will also have felt its effect, and he will never stop fetching food and drink for himself from a place where it is offered with love: from Me directly, and Who, as your Host, will keep inviting you to My table to receive what I present to you from My hands. And your soul will recover, you will receive strength and light, you will change your nature and take on your original nature again, for you digest My flesh and My blood and therefore correspond to My fundamental nature again .... Flesh and blood are My Word, I Myself Am flesh and blood, I Am the Word of eternity .... Do you now know what it means to take 'Communion' with Me, to step up to My table, to eat My flesh and drink My blood? .... Do you know that I want to revitalise you with healthy food in order to strengthen the substance of your soul so that it will become again what it was in the beginning .... a radiatingly perfect being containing My spirit, the spirit of love .... And your soul shall accept this spirit again, it shall become love again and requires the strength to do so, which it receives from My food .... The strength flowing forth from My love shall flow into My created beings again, the soul shall receive this strength when it accepts the heavenly bread, My Word, which is blessed with My strength. For this reason I repeatedly invite you to come to the table of the Lord and let yourselves be fed and refreshed by Me, by your Host, Who loves you and truly wants to bestow upon you the best He has to offer: His Word, nourishment and refreshment for the soul, medicine

for its recovery and strength, which incessantly flows forth from My source of strength. All of you .... come to My table, gather around the source, accept from My hand what helps you to become fully mature .... Allow yourselves to be addressed by Me and you will noticeably feel the strength flowing through you, so long as you appeal to Me with all sincerity for food and drink and gratefully accept what you receive. And believe that you are in need of this nourishment, for you are still weak and require strength; you are ailing and need medicine, you can always come to Me and I will give you whatever you need in order to become healthy and mature fully, as long as you live on earth. But do not walk past the source of life I opened up for you .... Listen when I speak to you and think about it .... keep coming back to hear My Word and soon you will no longer want to accept any other food and drink, you will constantly come to My table, you will accept My invitation for Supper and I will offer it to you with all the love a Host can grant to His guest, who will always come to Him in order to replenish themselves ....

Amen

*Jesus, the good shepherd ....*

I will send people your way to whom you shall proclaim the Gospel, yet there will only ever be few who will listen to you and take your words to heart. It is just a small flock which will follow Me, their shepherd, and I will keep this small flock together and won't allow My sheep's pen to be broken into and My sheep stolen, for I Am a good shepherd, Who will sacrifice His life for His sheep. All of you who listen to My call as soon as it is voiced belong to My flock ....

And My call is always My Word by which I Myself speak to you from above .... My call is the coaxing call of a good shepherd Who does not want to lose even one small sheep from His flock, and Who speaks Words of love to you in order to hold on to you, in order to warn and admonish you that you will not get entangled in the snares of the one who wants to steal you from Me. I will indeed let you have free will, and if you roam over wide pastures you will be able to go wherever you want but a good shepherd will follow his flock and look for those who have gone astray, who have left the right path and got stuck in ravines or on heights. A good shepherd will coax and call to let them find their way back to him, so that they will take refuge by pushing close to him and return home with him, where peace and tranquillity will await them at the end of the day and after the long walks through the pastures.

The characteristic of a good shepherd rests in the fact that he will not leave his sheep to their fate when the night sets in .... For so many a small sheep will go astray, it will digress from the right path and get stuck on the heights, it will venture into unfamiliar fields where it can be caught and killed, it will leave the path and lose its flock and the shepherd .... And then a good shepherd will follow and call until he has found it .... And joyfully he will bend down lifting the small sheep onto his arms in order to carry it back to the flock and drive them towards the home enclosure. And thus I, too, will follow all people who had left Me as their good shepherd, who are taking their own paths, who have

gone astray in the world and intend to go up in the world ..... They are all small sheep who have gone astray, who are particularly close to My heart and whom I dearly want to win back for Myself again, whom I would like to count as My Own and whom I therefore continue to coax and call with My Word, that they will comply with it and lovingly approach Me again, from Whom they had distanced themselves. And therefore My Word will sound from above time and again, and whoever receives it shall pass it on in the world, for people urgently require My Word, My loving appeal which is intended to call them back home ....

And I truly know who will need My Word, and these are the ones I will send to you so that you will be able to carry out your vineyard work on them, so that you will be able to do labours of love for Me as the good shepherd and also be able to return the little sheep to Me again, which had left the flock and yet shall come back to Me once more because they will not be able to become blessed without Me.

There will not be many more who will be impressed by My Word, rather, most people will refuse listening to you, for My flock has scattered and has been driven away by the enemy who unlawfully takes what refuses to surrender of its own free will .... And yet the good shepherd's coaxing call shall sound time and again, for as soon as they voluntarily turn to Me once more I will also be able to fetch them back and lead them to their home enclosure.

Therefore you, too, shall coax and call when you spread My Gospel throughout the world. Tell people about the good shepherd Who is continually searching for His sheep and wants to place them under His faithful protection .... Tell people that a God of love exists Who is only waiting for them to come to Him in every adversity, Who, like a good shepherd, wants to lift every small sheep onto His arms, Who is offering refuge and protection to it in His presence, so that all human beings will be safe and secure with Him ....

Amen

*Think often about the hour of death ....*

Let it be said to all of you that every day the time you have left until the end is getting shorter .... that the time of grace, in which you can work and create after your own will, will soon be over. All your work and activity should only just relate to the salvation of your souls, you should only consider your souls and put aside all worldly things, for when you take care of your soul's salvation everything else you require will be given to you, so that you would nevertheless be maintained without your own effort. But your soul's salvation is in great danger by living your earthly life as you do now .... by only paying attention to worldly things and forgetting that your lifetime will soon be over. You keep going with the wrong attitude and just consider your body, even if you want to present yourselves to the world as 'Christians' .... You do not live with Christ, Who is and wants to remain your eternal salvation, but Who can only be united with you if you live a life of love .... You still love yourselves too much, for all

you think about is to improve your standard of life; you just try to please your body ....

But do you consider your soul and what it needs to become blessed? After all, you know that you will not stay on earth forever, that you can be called away even tomorrow, and that then only the state of your soul will determine the fate that is awaiting it in the kingdom of the beyond. Then all the things the body had owned and the person will have to leave behind in this world will be worthless. Then all efforts for the sake of the body and its comfort will have been futile, but the soul stands poor and needy at the gate of eternity .... If only you humans would bear the soul's unhappy state in mind, if only you would seriously think more often about your hour of death, and if only you would believe that the short time of grace you were given as a reprieve in order to change will soon be over ....

Every day can bring riches to your soul if you live fully in the right way, if you do kind deeds, if you radiate love and kindness to your fellow human beings and help where your help is required; if you make contact with your eternal Father in prayer, if you establish the right relationship with Him like a child with its father .... It need not be a sacrifice for you, you can truly lead a God-pleasing life, yet you have to think of Him more often, you should not exclusively spend your thoughts on the world and its demands, you must always realise that everything the world can offer you is transient, but that everything which comes from God will last forever .... And in order to receive something from God which you can keep as a spiritual treasure, you will have to establish a connection with Him and remain in contact through prayer and loving actions .... Not much is asked of you but without this heartfelt bond you will always remain poor, and at the time of death your soul will be very deprived and miserable ....

And yet, it cannot be given anything that it has not acquired itself .... For this reasons you humans can only ever be warned and admonished not to walk through life irresponsibly but always think about the hour of your death, when you have to give account of how you have utilised your earthly life for the benefit of your souls .... Take stock of yourselves, think things over and strive towards the maturity of your soul, and you shall always receive help if only you verify to God your good will of coming closer to Him in order to one day being allowed to stay with Him completely once your soul has become worthy of it ....

Amen

*Satan's work as an angel of light .... (Fatima)*

During the last days Satan will fight by any means so that souls will commit themselves to him and go astray. And his trick is to involve them in error, to let them believe that they are on the right path, and yet to entangle their paths such that they do not notice that they will lead into the abyss, because they do not really desire to take the path of ascent. People are satisfied with being told that 'the path is ascending ....' but they do not pay attention to it themselves or they would certainly notice that it is descending. And he uses many means for deception, all divert from the truth, all are but a tangle of fraud yet so well camouflaged that a person has to be attentive as not to be taken in by him. And he deems the mother of Jesus to be the best means, which he first puts into the forefront of people so that they, due to their veneration and glorification, forget their real purpose of earthly life: to attain the bond with Jesus Christ Himself, which is the only guarantee for the person's salvation of soul .... Thus people carry out an apparently righteous act of love for the mother of Jesus, but Satan's intended result is less love for the divine Redeemer Himself, Who more or less takes second place.

But a lifetime on earth is too short to take detours in order to reach the goal, and people who do not take refuge with Jesus every hour of the day take long diversions .... The contact with Him is so extremely important that it cannot be established often enough, and for this reason alone every glorification of the mother of God means a deviation from the actual objective of life to establish this very contact, on which a person's salvation of soul depends. And thus it is this bond which God's adversary tries to prevent by all means, and he succeeds best by turning people's thoughts towards Mary. He is able to do so through unusual apparitions initiated by himself, but he makes himself visible in the guise of an angel of light to people who are particularly suited to perceive psychic phenomena. Through these apparitions he predicts forthcoming events to people, which he indeed knows will happen, and thus he creates an impression of credibility even though it is a strategy of disguise in order to cause even greater confusion. He will always wrap himself in the cloak of mystery, always making claims about concealed things, always prohibiting public disclosure, because then his fraudulence could be revealed .... He will only ever provide veiled information because he lacks precise knowledge, but in bright moments even he occasionally recognises the seriousness of the times when he himself will also be dealt with ....

But he cannot stop himself from demanding honour and fame, and does this through the mouth of those camouflaged beings of light by demanding the building of churches and altars where homage should be paid to him, because he himself hides behind such apparitions. And the most obvious indication of an anti-spirit rests in the fact that people are demanded to pay homage before the world to those in whose garment darkness keeps itself imperceptible. A heavenly being of light will only ever draw people's attention to Jesus Christ and mention his act of Salvation, a true being of light will not demand any formalities, no buildings of churches and altars, but encourage people to shape themselves through love into a temple for God, nor will it make concealed suggestions but proclaim what all people should be told: that the end is near

and that people should change themselves .... A true being of light will not persuade people to perform formal prayers for hours either, but motivate them to establish a living bond with Jesus Christ, where only and forever salvation is to be found. You humans need not take such events seriously, for they are events which were embellished by people, they happened in a primitive manner and were only later presented as unusual experiences .... A good basis for this was prepared, because the mother-of-God-worship was already too deeply ingrained in people and even minor events caused feverish activity in them and created the foundation to believe in ever more improbable things. But they were by no means divinely-spiritual apparitions which were to reinforce people's faith in worshiping the mother of God, for it is not her will to distinguish herself from her Son Jesus Christ, instead she will only ever call attention to Him and His act of Salvation, if ever she will make an appearance .... For the human being's goal is the unification with God in Jesus Christ, which should be aspired to every hour and every day, and this is the true and only path which should be walked on earth ....

Amen
